# Introduction to OSI

- The Mission of OSI is to procure, manage, and deliver technology systems that support the delivery of health and human services to Californians.
- Oversees CHHSA's multi-billion dollar automation portfolio through:
  - Direct Project Management of automation initiatives in collaboration with CHHSA sponsor Departments; and
  - Project Oversight and providing guidance to CHHSA Department managed automation projects through the Office of the Agency Information Officer (AIO)

## CWS-NS Upcoming Activities

- February 2015 – Draft CWS-NS Procurement Documents available to Stakeholders for review and comment
  - 1 month to review and comment
  - Stakeholder Collaborative Review Sessions in Spring 2015
  - Ongoing communication through project governance process
- We need your input!!!
- RFP Philosophy – Have a procurement document that encourages innovation, does not require business as usual and transforms the tools and abilities of Child Welfare professionals across the State. Set up a vendor relationship that is geared toward delivery and accountability.
