

**California Aging & Disability Research Partnership (CADRP)
January 19, 2024, 10:00 a.m. – 12:00 p.m.
Meeting Transcript**

THANK YOU FOR JOINING US TODAY MY NAME IS CARROLL DEANDREIS AND I AM THE STAKEHOLDER AND PUBLIC ENGAGEMENT

0:07

MANAGER ON THE MASTER PLAN FOR AGING TEAM HERE AT THE CALIFORNIA DEPARTMENT

0:12

OF AGING AND HAPPY TO WELCOME YOU TO OUR FIRST MEETING OF 2024 OF THE CALIFORNIA

0:19

AGING AND DISABILITY RESEARCH PARTNERSHIP CADRP FOR

0:27

SHORT AND TODAY IS JANUARY 19TH 2024 AND WE ARE STILL SAYING HAPPY NEW

0:34

YEAR HAPPY NEW YEAR EVERYONE I'M GOING TO GO OVER A FEW LOGISTICS SO LET'S MOVE TO THE NEXT SLIDE

0:41

PLEASE THANK YOU THERE WE GO LIVE CAPTIONING AND AMERICAN SIGN LANGUAGE IS

0:48

AVAILABLE THE LIVE CAPTIONING IT IS THROUGH THE WEBINAR FUNCTION MEETING

0:54

SLIDES AND THE TRANSCRIPTS AND THE RECORDING WILL BE POSTED TO THE CAL HHS MASTER PLAN FOR AGING WEBSITE AFTER THE

1:01

MEETING AND COMMITTEE MEMBERS IF YOU HAVEN'T ALREADY COULD YOU PLEASE UPDATE

1:07

YOUR NAME DISPLAY IN ZOOM BY THIS WOULD BE THE COMMITTEE MEMBERS AND

1:12

PANELISTS OR PRESENTERS GUESTS PLEASE UPDATE YOUR NAME DISPLAY IN ZOOM

1:18

BY CLICKING IN THE UPPER RIGHT HAND CORNER OF YOUR VIDEO AND SELECTING
RENAME SO WE CAN KNOW WHO'S JOINED US

1:23

TODAY NEXT SLIDE ROSIE

1:31

WE DO HAVE A FEW MEETING OPERATIONS WE WOULD LIKE YOU TO BE AWARE
THE CHAT FUNCTION IS ENABLED FOR

1:38

COMMITTEE MEMBERS AND PANELISTS AND DEPARTMENT OF AGING STAFF TO
SHARE MEETING RELATED INFORMATION AND

1:44

RESOURCES WITH ATTENDEES THE PUBLIC IS ABLE TO VIEW THE

1:50

CHAT DURING THE MEETING THE CHAT AND THE QUESTION AND ANSWER
FUNCTIONS ARE

1:55

NOT ENABLED FOR COMMENTS OR QUESTIONS FROM PUBLIC ATTENDEES BUT WE
DO INVITE

2:01

YOU TO PARTICIPATE IN THE PUBLIC COMMENT PERIOD AT THE END OF THE

2:07

MEETING AND OF COURSE YOU CAN PROVIDE YOUR WRITTEN COMMENTS AT ANY
TIME TO OUR ENGAGED EMAIL BOX WHICH

2:16

IS ENGAGING A

2:25

A.CA.US SIXS ON THE PUBLIC COMMENT OPERATION ATTENDEES JOINING BY
PHONE

2:31

PRESS STAR NINE AND YOUR LINE WILL BE HIGHLIGHTED AND WE UNMUTE YOU
ATTENDEES

2:37

BY THE ZOOM WEBINAR RAISE YOUR HAND AND WE WILL ANNOUNCE THE LAST
FOUR DIGITS OF

2:43

YOUR PHONE NUMBER AND UNMUTE YOUR LINE AND JUST A REMINDER PUBLIC

2:49

COMMENTERS WILL HAVE TWO MINUTES AND AGAIN ANYTIME WRITTEN
COMMENTS CAN BE

2:55

SENT TO OUR ENGAGE EMAIL BOX ENGAGE AGING .

3:00

CA.GOV NEXT SLIDE WANTED TO TALK ABOUT THE

3:06

PURPOSE OF THIS STAKEHOLDER MEETING THE PRIMARY PURPOSE OF THE CALIFORNIA AGING

3:11

AND DISABILITY RESEARCH PARTNERSHIP IS TO ADVANCE AGE AND DISABILITY FOCUSED RESEARCH TO STRENGTHEN THE EVIDENCE BASE

3:19

FOR PROMOTING EQUITABLE OPPORTUNITIES FOR CALIFORNIANS TO THRIVE AS A AGE NUMBER TWO TO PROVIDE INPUT ON KEY

3:27

PERFORMANCE INDICATORS AND DATA SOURCES TO INFORM MPA OUTCOMES REPORTS AND THE

3:32

DATA DASHBOARD FOR AGING AND FINALLY MODEL A RESEARCH PARTNERSHIP BETWEEN CALIFORNIA STATE GOVERNMENT AND ACADEMIC

3:40

INSTITUTIONS FOCUSED ON USING DATA FOR ACTION AND EQUITY THAT CAN BE REPLICATED

3:46

ACROSS OTHER CAL HHS PERSON CENTERED DATA-DRIVEN PRIORITIES THAT IS THE

3:52

COMMITTEE PURPOSE AND OF COURSE WE COULDN'T DO THIS WITHOUT OUR COMMITTEE

3:57

MEMBERS AND AS YOU CAN SEE WE HAVE A VERY ESTEEMED PANEL OF RESEARCHERS

4:02

FROM ACADEMIA PRIVATE SECTOR NONPROFIT PHILANTHROPIC WE ARE VERY FORTUNATE WE

4:09

THANK YOU SO MUCH FOR JOINING US WE THANK YOU SO MUCH FOR YOUR

4:14

HARD WORK TO HELP INFORM THE MASTER PLAN FOR AGING AND SO WITH THAT I WILL

4:22

TURN IT OVER TO SUSAN DEMAROIS TO WELCOME US SO SUSAN HOLD

4:31

ON LET ME SPOTLIGHT YOU HERE WE GO GOOD MORNING SUSAN GOOD

4:38

MORNING CARROLL AND GOOD MORNING TO EVERYONE JOINING TODAY PANELIST OR OTHER OR IF YOU'RE NOT A PANELIST AND

4:46

YOU'RE USING A PANELIST LINK YOU ALL ARE WELCOME HERE TODAY

4:52

IT'S GREAT TO BE WITH YOU FOR THE FIRST MEETING OF OUR CALENDAR YEAR AND I WAS

4:57

THINKING OF THAT OLD ADAGE ABOUT THE MONTH OF MARCH IT ROARS IN LIKE A LION

5:03

AND OUT LIKE A LAMB JANUARY HAS DEFINITELY ROARED IN LIKE A LION FOR

5:09

ALL OF US WORKING ON THE MASTER PLAN FOR AGING IT STARTED ON JANUARY 10TH WITH

5:14

THE GOVERNOR'S PROPOSED BUDGET FOR THE 2024 2025 FISCAL YEAR WHICH OVERALL

5:23

PROGRAMS SUPPORTING OLDER ADULTS PEOPLE WITH DISABILITIES AND FAMILY CAREGIVERS SPARED EXCEEDINGLY WELL IN

5:30

LIGHT OF THE STATE'S BUDGET DEFICIT VERY SOON AFTER WE LAUNCHED

5:36

THE LGBTQIA PLUS STATEWIDE SURVEY

5:41

CONGRATULATIONS TO ALL OF YOU WHO HAD A HAND IN THAT AND ROSS AND HIS TEAM

5:47

YOU'LL HEAR MORE ABOUT THAT ON TODAY'S AGENDA BUT WE'RE REALLY EXCITED TO HAVE THAT NOW OUT IN THE COMMUNITY AND WE

5:53

NEED YOUR HELP PROMOTING IT WE ALSO DID SOME WORK LAST YEAR WITH THE

6:00

STATE'S LITTLE HOOVER COMMISSION THEY HELD TWO OVERSIGHT HEARINGS ON THE MASTER PLAN FOR AGING AND THEY RELEASED

6:06

THEIR FIRST REPORT AND RECOMMENDATIONS EARLIER THIS WEEK

6:11

SO WE'LL SHARE THAT WITH YOU IN THE LINK AND THERE IS ONE PARTICULAR RECOMMENDATION AROUND DATA THAT I THINK

6:18

WOULD BE OF INTEREST TO THIS PARTNERSHIP WE ALSO THIS WEEK

6:24

RELEASED OUR FINDINGS FROM THE CALIFORNIA 2030 STAKEHOLDER ENGAGEMENT

6:30

OVER THE PAST YEAR A REALLY FOCUSED QUANTITATIVE AND QUALITATIVE RESEARCH

6:36

ENDEAVOR TO PUT A BRIGHT SPOTLIGHT ON THE NETWORK OF AREA AGENCIES ON AGING IN

6:42

OUR STATE WE'LL SHARE THAT REPORT WITH YOU AND WE'RE EAGER TO GET GOING ON THE RECOMMENDATIONS TO STRENGTHEN THAT

6:49

NETWORK BEFORE THE YEAR 2030 WHEN AS WE ALL KNOW ONE IN FOUR CALIFORNIANS WILL

6:54

BE 60 OR OLDER BUT PERHAPS MORE SIGNIFICANTLY ABOUT TWO MILLION

7:00

CALIFORNIANS WILL BE 75 OR OLDER AND WE REALLY NEED A SYSTEM THAT CAN SUPPORT

7:05

MORE MEDICAL COMPLEXITY PEOPLE WHO HAVE DEPLETED THEIR INCOME AND ASSETS MORE

7:13

BEHAVIORAL HEALTH CHALLENGES MORE PRECARIOUS HOUSING AND A HIGHER NUMBER

7:20

OF PEOPLE WHO WILL BE LIVING ALONE IF THEY OUTLIVE THEIR FAMILY SUPPORTS

7:26

AND THEN LAST BUT NOT LA LAST BUT NOT LEAST NEXT WEEK WE WILL RELEASE THE

7:31

THIRD ANNUAL MASTER PLAN FOR AGING REPORT TO THE LEGISLATURE SO THIS IS

7:37

PART OF OUR STATUTORY REQUIREMENT TO PROVIDE AN UPDATE ANNUALLY TO THE LEGISLATURE WE'RE EXCITED TO GET THAT

7:44

OUT NEXT WEEK IN CONJUNCTION WITH THE MASTER PLAN FOR AGING IMPACT COMMITTEE

7:50

SO WE'LL BE SURE THAT YOU ALL SEE THAT AND THOSE ARE JUST A FEW THINGS

7:55

HAPPENING THIS WEEK AT CDA ACROSS THE HEALTH HETH AND HAN SERVICES AGENCY

8:01

AND WITH OUR MASTER PLAN FOR AGING TEAM I'LL TURN IT BACK TO ROSS AND I'M EXCITED TO LISTEN AND LEARN MORE

8:07

TODAY FROM ALL OF YOU THANK YOU THANK YOU SUSAN SO MUCH GOING ON GOOD MORNING EVERYONE ROSS LALLIAN I'M THE CHIEF OF

8:13

RESEARCH WITH THE DEPARTMENT OF AGING THANK YOU FOR YOUR TIME TODAY
I'M REALLY EXCITED FOR THIS DISCUSSIONS A LOT OF

8:19

LOT OF IMPORTANT AGENDA ITEMS TODAY SO THE FIRST AGEND ITEMS RELATED
TO THE STATE'S HEALTHCARE PAYMENTS DATA PROGRAM

8:26

SO LIKE TO INTRODUCE MIKE VALLEHEALTH AND MIKE IS THE DEPUTY DOR OF
INFORMATION SERVICES AT THE DEPARTMENT OF HEALTHCARE

8:32

ACCESS AND INFORMATION SO MIKE WILL PRESENT ON THIS PROGRAM AND WE
SHOULD HAVE TIME AT THE END FOR Q&A SO WITH

8:38

THAT I'M GONNA HAND IT OVER TO MIKE ALL RIGHT THANK YOU ROSS AND

8:45

DIRECTOR IT'S GREAT TO BE HERE I'LL ALSO INDULGE IN SAYING HAPPY NEW YEAR

8:52

TO YOU ALL AGAIN MICHAEL VALLE I'M DEPUTY DIRECTOR FOR INFORMATION
SERVICES

8:57

AT THE CALIFORNIA DEPARTMENT OF HEALTHCARE ACCESS AND INFORMATION
AND

9:03

HAPPY TO BE PROVIDING A PRESENTATION TODAY OF HOW OF CALIFORNIA'S ALL
PAIR CLAIMS DATABASE THE HEALTHC CARE

9:09

PAYMENTS DATABASE AND I'M SHARING MY SCREEN NOW SO PLEASE DO LET ME
KNOW

9:15

IF YOU HAVE ANY ISSUES IN SEEING IT LOOKS GREAT MIKE THANK

9:21

YOU SO AS YOU MAY KNOW OUR DEPARTMENT HAS A LONG HISTORY AS A

9:26

HEALTH DATA ORGANIZATION SUPPORTING FORM DECISIONS IN THE STATE FOR
NEARLY 50

9:32

YEARS WE WERE KNOWN AS THE OFFICE OF STATEWIDE HEALTH PLANNING AND
DEVELOPMENT AND IN JULY OF 2021 WE

9:38

GRADUATED FROM AN OFFICE TO A DEPARTMENT THE DEPARTMENT OF HEALTH
CARE ACCESS AND INFORMATION OR HCAI THIS CHANGE

9:48

WAS ADDITIVE WE'VE EXPANDED OUR PORTFOLIO PROGRAMS AND SERVICES AND
DOUBLED DOWN ON OUR MISSION TO EXPAND

9:55
EQUITABLE ACCESS TO HEALTHCARE FOR ALL CALIFORNIANS ONE OF 13
STATE
10:02
GOVERNMENT DEPARTMENTS UNDER HEALTH AND HUMAN SERVICES AND A PROUD
SIBLING DEPARTMENT TO THE DEPARTMENT OF AGENT
10:08
BUT WE HAVE A UNIQUE ROLE IN SUPPORTING THE HEALTH CARE DELIVERY
10:13
SYSTEM WITH A DEEP COMMITMENT TO DATA RESEARCH AND TRANSPARENCY ON
THE SLIDE
10:21
IS A DESCRIPTION OF THE VARIOUS HEALTHCARE DATA AND TRANSPARENCY
PROGRAMS HIAI OVERSEAS HQ MINISTERS
10:28
CALIFORNIA HOSPITAL DISCHARGE DATABASE AND HAS SINCE THE 1980S WHICH
COLLATES
10:34
OVER 15 MILLION RECORDS ANNUALLY OF INPATIENT DISCHARGES AND
EMERGENCY DEPARTMENT ENCOUNTERS WE PERFORM OUTCOME
10:41
STUDIES FOR CARDIOVASCULAR PROCEDURES LIKE HEART BYPASS SURGERY HIAI
HAS BEEN
10:46
COLLECTING AND MAKING AVAILABLE TO THE PUBLIC DETAILED HOSPITAL
FINANCIAL DISCLOSURE STATEMENTS SINCE THE
10:52
1970S IN 2018 WE STARTED ONE OF THE FIRST STATE PRESCRIPTION DRUG COST
10:58
TRANSPARENCY PROGRAMS IN THE NATION AND WE CONTINUE TO PUBLISH NEW
HEALTH WORKFORCE DATA AS PART OF OUR
11:04
HEALTH WORKFORCE RESEARCH DATA CENTER WHICH USES PROVIDER LICENSURE
HEALTH PROFESSIONS EDUCATION AND OTHER DATA TO
11:10
EVALUATE THE SUPPLY AND DEMAND FOR THE HEALTH WORKFORCE IN
11:17
CALIFORNIA IN 2023 WE PUBLISHED OVER 50 DISCREET DATA SETS AS WELL AS 60
ONLINE
11:24
VISUALIZATIONS AND INTERACTIVE REPORTS FOR PUBLIC USE WE RECENTLY
PUBLISHED
11:29

INFORMATION ON BEHAVIORAL HEALTH RELATED EMERGENCY DEPARTMENT ENCOUNTERS SOCIAL DRIVERS OF HEALTH IN PREVENTABLE

11:36

HOSPITALIZATIONS AND THEN OF INTEREST POTENTIALLY WE RECENTLY PUBLISHED A REPORT ON HOSPITAL DISCHARGES TO HOSPICE

11:41

BOTH HOME AND FACILITY SHOWING THERE WERE OVER 55,000 SUCH DISCHARGES IN BOTH

11:47

SETTINGS IN THE STATE IN 2022 ALONE MANY MORE AS WELL YOU CAN VISIT

11:54

HCIC DOG VISUALIZATIONS TO SEE OUR MOST RECENT AND FEATURED PRODUCT RELEASES

12:01

THIS IS DEIDENTIFIED PUBLIC INFORMATION FOR EACH INTERACTIVE REPORT WE ALSO PUBLISHED THE UNDERLYING OPEN DATA IN

12:08

MACHINE READABLE API ENABLED FORMATS WITH ROBUST DOCUMENTATION ABOUT THE DATA TO SUPPORT ITS ACCESSIBILITY LAST

12:16

YEAR WE ALSO FULFILLED OVER 200 REQUESTS FOR NON-PUBLIC DATA WE RELEASED RESEARCH

12:22

LEVEL IDENTIFIABLE FILES TO ACADEMICS AND OTHER QUALIFIED ENTITIES INCLUDING STATE AGENCIES AND LOCAL HEALTH

12:27

DEPARTMENTS AND SO WE'RE PROUD OF THE SIGNIFICANT CONTRIBUTION THAT THIS

12:33

DATA AND THIS DEPARTMENT'S WORK HAS HAD TO THE BODY OF KNOWLEDGE FOR HEALTH POLICY AND PRACTICE OVER

12:40

DECADES WITH THAT I'D LIKE TO NOW HIGHLIGHT THE HEALTH CARE PAYMENTS DATABASE CALIFORNIA'S ALL-PAYER CLAIMS

12:46

DATABASE THIS IS OUR NEWEST DATA OFFERING THE ONLY ALL-PAYER STATE-RUN CLAIMS DATABASE IN CALIFORNIA WE CALL IT

12:53

HEALTHCARE PAYMENTS TO REFLECT THE PREVALENCE OF MANAGED CARE AND VALUE BASED PAYMENT IN THE STATE 20 MANY OTHER

12:59

STATES HAVE ALL PAIR CLAIMS DATABASES BUT THIS HAS BEEN A LONG TIME COMING

13:04

STATE POLICY MAKERS SO MANY OTHERS HAVE BEEN WORKING SINCE AT LEAST 2007 TO

13:10

ESTABLISH A STATE ALL PAIR CLAIMS DATABASE IN CALIFORNIA SO WE'RE STANDING ON THE SHOULDERS OF GIANTS

13:15

AND LEARNING FROM OTHERS AND THE MANY CLAIMS DATA WAREHOUSING EFFORTS THAT HAVE COME BEFORE US IN 2018 HY RECEIVED

13:23

THE INITIAL STARTUP FUNDING TO BEGIN STUDYING AND PLANNING FOR HOW TO BUILD A DATABASE AND 2020 THE ADDITIONAL

13:30

ENABLING AUTHORITY TO ESTABLISH THE DATABASE WAS GRANTED SINCE THAT TIME WE'VE BEEN HEADS DOWN BUILDING OUR TEAM

13:38

WORKING WITH DATA SUPPLIERS AND OTHER STAKEHOLDERS AND ENGINEERING THE TECHNOLOGY INFRASTRUCTURE THAT SUPPORTS

13:45

THIS DATABASE AND I'M PROUD TO SAY THAT WE NOW HAVE A FOUR-YEAR HISTORICAL

13:51

STARTER DATA SET LOADED INTO THIS DATABASE WITH OVER FIVE BILLION CLAIMS 17 BILLION TOTAL RECORDS C CERTAINLY

13:59

THE SINGLE LARGEST DATA AGGREGATION UNDERTAKING IN THIS DEPARTMENT'S NEAR

14:04

50-YEAR HISTORY AND WE ARE NOW SUCCESSFULLY COLLECTING AND PROCESSING OVER 100 MILLION NEW HEALTHCARE CLAIMS

14:11

AND ENCOUNTERS EACH MONTH SO THAT NUMBER IS JUST GOING TO KEEP GROWING AS WE ADD YEARS OF DATA TO THIS DATABASE

14:20

HQ HISTORICALLY WORKED WITH THE HOSPITAL SECTOR AND SO WE'RE JUST SO PROUD

14:25

AND HAPPY TO BE ENGAGING WITH NEW PARTNERS HEALTH PLANS AND OTHERS LEARNING ABOUT ISSUES OF INSURANCE

14:31

COVERAGE AND AFFORDABILITY AND DIVING DEEPER INTO THE CLAIMS DATA TO GROW

14:37

OUR KNOWLEDGE AND EXPERTISE AS MENTIONED THE HBD COLLECTS DATA FROM ALL PAYERS THERE ARE

14:43

SOME LIMITATIONS TO THIS THE UNINSURED SELF-INSURED SELF-PAY VA THOSE ARE NOT

14:48

INCLUDED IN THE DATABASE WE'RE CLOSELY MONITORING ISSUES OF DATA QUALITY AND COMPLETENESS AND ON MARCH

14:56

1 WE'LL BE ISSUING A REPORT TO THE LEGISLATURE THAT OVERVIEWS THE DATA QUALITY IN THE DATABASE BUT WE EXPECT

15:03

FOR THAT TO CONTINUE TO IMPROVE OVER TIME AS WE WORK WITH THE DATA WORK WITH PARTNERS OUR EXPERTISE BUILDS AND THE

15:10

DATABASE MATURES WE'VE ADOPTED A NATIONAL STANDARD FOR CLAIMS AND ENCOUNTER DATA WHICH INCLUDES COMMON

15:17

INFORMATION USED FOR BILLING SUCH AS A PATIENT'S DIAGNOSIS THE PROCEDURE PERFORMED THE AMOUNT PAID FOR A CLAIM

15:24

THAT STANDARD WAS RATIFIED BY OUR STAKEHOLDER ADVISORY COMMITTEE IN 2020

15:30

AND WE'RE VERY FORTUNATE TO HAVE A CLOSE RELATIONSHIP WITH THE NATIONAL ASSOCIATION OF HEALTH DATA ORGANIZATIONS

15:35

WHICH OVERSEES THE NATIONAL ALL PAIR CLAIMS DATABASE COMMON DATA LAYOUT FORMAT AND MEMBERS OF MY TEAM SIT ON THE

15:42

BOARD OF DIRECTORS FOR THAT ORGANIZATION I ALSO JUST WANT TO SAY HOW THANKFUL I AM TO CALIFORNIA'S HEALTH PLANS AND

15:48

INSURERS THEY'VE BEEN FANTASTIC PARTNERS IN THIS EFFORT SUPPLYING QUALITY AND TIMELY DATA ACCORDING TO H KAI'S

15:57

REQUIREMENTS AND I COULD SAY THAT WITH WITHOUT THEIR PARTNERSHIP THE PROGRESS THAT HAS BEEN MADE ON THIS EFFORT TO DATE WOULD NOT BE POSSIBLE AND THEN A

16:04

SPECIAL SHOUT OUT TO THE CALERN DEPARTMENT OF HEALTHCARE SERVICES WHO SUPPLIES ALL MEDICAL DATA BOTH FEE FOR

16:09

SERVICE AND FOR MEDICAL MANAGED CARE [MUSIC]

16:15

PLANS THE IN DATABASE IS INTENDED TO BE USED BY A WIDE VARIETY OF AUDIENCES

16:21

PUBLIC AND PRIVATE HOW CAN WE COLLECTIVELY ALLIN IMPLEMENT POLICIES THAT CAN IMPROVE OUR HEALTH CARE SYSTEM

16:27

YOU'LL SEE THE PROGRAMS GOALS HERE ON THE SCREEN THESE ARE ENERATED IN CALIFORNIA HEALTH AND SAFETY CODE AS

16:33

WELL AND FURTHER ADOPTED BY OUR STAKEHOLDER ADVISORY COMMITTEE THERE ARE

16:39

TWO GOVERNING BODIES THAT ADMINISTER THE HPD I MENTIONED THE ADVISORY

16:44

COMMITTEE THIS IS THE POLICY LEVEL GROUP THAT ADVISES HQI ON PROGRAM POLICY IT'S A CROSS- SECTOR GROUP OF PAYERS

16:50

PROVIDERS RESEARCHERS CONSUMERS AND OTHERS THEY MEET QUARTERLY AND HAVE BEEN SINCE 2020 WE'RE ALSO OVERSEEN BY A DATA

16:58

DATA RELEASE COMMITTEE THIS IS ALSO A CROSS- SECTOR GROUP INCLUDING TECHNICAL EXPERTS AND WHOSE ROLE IS

17:05

TO REVIEW REQUESTS FOR ACCESS TO NON-PUBLIC DATA AND I'LL SHARE A LITTLE BIT MORE ABOUT THEIR ROLE IN A

17:14

MOMENT ON THE SCREEN ARE PRINCIPLES THAT HPD'S PUBLIC COMMITTEES HAVE ADOPTED TO GUIDE THE DEPARTMENT ON THE USE OF HPD

17:21

DATA ALL OF THE IMPORTANT I'LL HIGHLIGHT TWO ITEM NUMBER ONE JUST SO IMPORTANT TO PROTECT PATIENT PRIVACY IT'S A PILLAR IN

17:28

EVERYTHING THAT WE DO AT HIAI WITH DATA AND THEN ITEM NUMBER TWO THE USE OF THE

17:34

DATA SHOULD BE FEASIBLE AND CREDIBLE WITH THE AVAILABLE DATA AND RESOURCES

17:39

ALSO A KEY PILLAR EVALUATING THE APPROPRIATENESS FOR THE DATA TO ANSWER ANY PARTICULAR RESEARCH OR POLICY

17:46

QUESTION AND THIS IS CRITICAL WE THINK TO MAINTAIN THE PUBLIC'S TRUST IN THE DATABASE AND THE INFORMATION THAT

17:53

COMES FROM IT HOW CAN YOU USE HPD DATA SO FAR WE

17:59

HAVE RELEASED TWO PUBLIC ANALYTICAL REPORTS FROM THE HBD AND WE WILL CONTINUE TO RELEASE NEW REPORTS ONGOING

18:06

IN OCTOBER HPD'S ADVISORY COMMITTEE PROVIDED INPUT ON PUBLIC REPORTING

18:12

PRIORITIES FOR 2024 AND WHAT HEALTHCARE TOPICS WE SHOULD STUDY NEXT WITH THE DATA AND ADDITIONALLY JUST AS WE HAVE

18:19

A DATA RELEASE PROGRAM FOR HOSPITAL DATA AND AS MENTIONED WE'RE IN THE PROCESS OF DESIGNING SUCH A PROGRAM FOR THE CLAIMS

18:25

DATA THIS PROGRAM WILL HAVE A GREATER POOL OF ELIGIBLE DATA RECIPIENTS SO BEYOND RESEARCHERS AND HOSPITALS HEALTH

18:33

PLANS PROVIDER GROUPS AND OTHERS WILL ALSO BE ABLE TO REQUEST RECORD LEVEL DATA FROM THE HPD THIS PROGRAM IS

18:39

EXPECTED TO BEGIN ACCEPTING REQUESTS IN QUARTER TWO OF 2024 AND WE'RE MEETING

18:45

REGULARLY WITH THE DATA RELEASE COMMITTEE TO CO-DESIGN THIS PROCESS

18:50

INCLUDING DESIGNING THE DATA EXTRACTS AND PRODUCTS THAT BE AVAILABLE AT THE RECORD LEVEL FOR REQUESTS HOW THIS GROUP

18:56

WILL WORK WITH REQUESTERS TO REVIEW THEIR REQUESTS AS WELL AS THE PRICING FOR ACCESS TO THE DATA ALL ARE

19:04

WELCOME TO PARTICIPATE IN THOSE PUBLIC MEETINGS AND MORE INFORMATION IS AVAILABLE ON OUR

19:12

WEBSITE I MENTIONED THE PUBLIC REPORTS EACH OF THESE REPORTS HAS HUNDREDS OF THOUSANDS OF ROWS OF DATA AVAILABLE THE

19:20

UNDERLYING DEIDENTIFIED INFORMATION IS DOWNLOADABLE MACHINE READABLE AND API ENABLED I HEARD SOMEONE SAY TO ME

19:27

MIKE WE COULD SPEND OUR CAREER JUST USING THESE TWO DATA SETS THAT YOU'VE ALREADY PUBLISHED THERE'S SO MUCH

19:32

INFORMATION THERE BUT WE ALSO KNOW THERE'S SO MUCH MORE THAT COULD BE DONE TOO I'LL JUST A BRIEFLY GIVE YOU AN

19:37

OVERVIEW OF THE TWO THAT HAVE BEEN PUBLISHED SO FAR THE HPD SNAPSHOT
HPD.COM

19:44

SNAPSHOT THE PURPOSE OF THIS PRODUCT IS TO PROVIDE AN OVERVIEW OF
WHAT DATA IS AVAILABLE IN THE HPD SYSTEM SO IF YOU

19:51

ADD IT UP AGAIN OVER FIVE BILLION CLAIMS AND ENCOUNTERS OVER A FOUR-YEAR
PERIOD YOU CAN ALSO SEE THE NUMBER OF

19:57

COVERED LIVES BY PAYER AND LINE OF BUSINESS WE'RE WORKING ON GETTING
MORE GRANULAR WITH THESE LOOKING AT THE DUAL

20:03

ELIGIBLE POPULATION AND OTHER MORE DETAILED GEOGRAPHIES YOU CAN VIEW
BY MONTH THE NUMBER OF SERVICES RECEIVED BY

20:10

CLAIM OR ENCOUNTER WE ALSO HAVE TWO VIEWS FOR THE TOP MEDICAL
PROCEDURES AND THE TOP DRUG PROCEDURES BY NUMBER OF

20:17

CLAIMS SUBMITTED SO WE THINK THIS IS A REALLY FOUNDATIONAL PRODUCT
AND REPORT FOR USERS TO GET FAMILIAR WITH

20:25

WHAT INFORMATION IS AVAILABLE IN THE DATABASE SECOND HPD MEASURES
H.CA.GOV

20:33

MEASURES THERE ARE FOUR DISTINCT VIEWS IN THIS REPORT PRESENTING
STANDARDIZED

20:39

MEASURES ON CHRONIC CONDITIONS DEMOGRAPHICS AND UTILIZATION FURTHER
WITH FILTERS FOR BY UP TO 23 INDIVIDUAL

20:46

MEASURE CATEGORIES AND THE ABILITY TO DO SIMULTANEOUS GROUPINGS BY
20:51

DIMENSIONS SUCH AS AGE COUNTY SEX PAYER AND REPORTING YEAR AND WITH
THE

20:57

ABILITY TO COMPARE TO STATEWIDE AVERAGES WE INCLUDED SEVERAL STARTING
PROMPTS ON THE WEB PAGE FOR THIS

21:04

REPORT TO DEMONSTRATE WHAT YOU CAN DO WITH THIS INFORMATION SO FOR
EXAMPLE ANSWERING THE QUESTION WHAT PERCENTAGE

21:11

OF CALIFORNIANS IN MY AGE GROUP HAVE A DIABETES DIAGNOSIS AND YOU CAN
ANSWER THAT QUESTION IS THE NUMBER OF

21:18
SURGICAL INPATIENT STAY INCREASING OR DECREASING OVER TIME WE RECENTLY
21:23
PRESENTED THIS REPORT TO THE COALITION OF LOCAL HEALTH OFFICERS AND
CALIFORNIA AND THERE WAS A TREMENDOUS
21:30
AMOUNT OF INTEREST AND WE'RE VERY EXCITED TO HAVE THIS INITIAL PRODUCT
BE PUBLISHED ON OUR WEBSITE AND WE'LL
21:35
CONTINUE TO REFINE IT AND APPROVE IT OVER TIME OUR NEXT PUBLIC REPORT
WILL BE RELEASED SOON AND THAT'LL BE BASED ON
21:42
PRESCRIPTION DRUG COSTS WE'RE WORKSHOPPING THE DESIGN OF THAT REPORT
NOW IT'S OUR FIRST LOOK AT COST
21:49
INFORMATION IN THE HEALTHCARE PAYMENTS DATABASE SO THERE'S A
TREMEMDOUS AMOUNT OF INTEREST AND ANTICIPATION AND WE'RE
21:54
VERY EXCITED EXPECT THAT TO BE RELEAS RELEASED IN IN THE IN QUARTER ONE
AND YOU CAN SIGN UP FOR OUR LIST
22:01
SERVE TO BE ALERTED JUST AS SOON AS THAT REPORT IS PUBLISHED AT THE
OCTOBER 2023
22:08
ADVISORY COMMITTEE MEETING I MENTIONED OUR ADVISORY BODY
RECOMMENDED THREE
22:13
PRIORITY TOPICS THAT HIAI SHOULD FOCUS ON IN 2024 FOR OUR NEXT ROUND OF
REPORTING THE FIRST IS SOCIAL DRIVERS OF
22:19
HEALTH AND HEALTH EQUITY WE'RE LOOKING AT THE HEALTHY PLACES INDEX AND
OTHER PLACE-BASED PROXIES TO FILL IN SOME OF
22:26
THE GAPS IN THE PATIENT DEMOGRAPHIC DATA WE HAVE IN THE DATABASE
THAT'S NUMBER ONE NUMBER TWO I MENTIONED OUR
22:32
PRESCRIPTION DRUG REPORT THE INITIAL REPORT WILL BE PUBLISHED SOON WE
WANT TO FURTHER ENHANCE THAT REPORT WITH
22:38
MORE DATA ELEMENTS AND MORE COST CATEGORIES AND THEN FINALLY OUR
NEXT FORAY INTO HEALTHCARE COST LOOKING AT
22:44
HOSPITAL SPENDING AND CERTAINLY A KNOWN DRIVER OF COST OF CARE AND
SOMETHING THAT WAS OF SIGNIFICANT

22:51

INTEREST TO OUR STAKEHOLDER GROUP FINALLY WE'LL PLAN TO REFRESH THE SNAPSHOT AND MEASURES PRODUCT WITH NEW

22:58

YEARS OF DATA AND LOOK AT WAYS THAT WE CAN ENHANCE THOSE PRODUCTS WE'RE VERY EXCITED AGAIN ABOUT ALL THE PUBLIC

23:05

REPORTING OPPORTUNITIES THAT THIS DATABASE CAN PROVIDE AND WE'RE REALLY JUST GETTING STARTED I THINK WITH

23:11

WITH WHAT WILL BE POSSIBLE AS I MENTIONED WE'RE ALSO IN

23:18

THE PROCESS OF DESIGNING ACCESS TO NON-PUBLIC DATA AND I WANTED TO INTRODUCE A FOUNDATIONAL CONCEPT TO THAT

23:25

PROCESS FOR AHAI AND FOR THE HBD AND THAT'S THE CONCEPT OF A SECURE DATA ENCLAVE WHICH IS DESCRIBED ON THE SCREEN

23:32

AND WHICH WE'RE IN THE PROCESS OF TESTING NOW OUR STATUTE CONTEMPLATES THAT THIS APPROACH TO PROVIDING VIRTUAL

23:39

ACCESS TO DATA WHERE THE DATA REMAINS ON HIAI SERVERS BUT CAN BE VIEW AND ANALYZED THROUGH A REMOTE DESKTOP IS THE

23:45

BEST WAY TO PRESERVE PATIENT PRIVACY AND SO WE'RE COMMITTED TO DOING THAT IT

23:50

ALIGNS WITH OUR VALUES THE TECHNOLOGY RESOURCES ARE THERE TO

23:55

SUPPORT IT SO I WANTED TO INTRODUCE THIS CONCEPT HAVE IT ASK ANSWER QUESTIONS IF YOU HAVE THEM THOUGH OUR STATUTE DOES

24:01

PERMIT TRANSMITTING DATA OUTSIDE OF THE DATABASE ENVIRONMENT THE BAR WILL BE VERY HIGH TO DO THAT AND OUR DATA

24:08

RELEASE COMMITTEE MUST APPROVE ANY SUCH INSTANCE IN TERMS OF THE PROCESS ITSELF FOR THOSE FAMILIAR WITH AN

24:15

INSTITUTIONAL REVIEW BOARD THIS IS SOMEWHAT SIMILAR THE PROCESS WILL START WITH A REQUEST TO THE DEPARTMENT FOR

24:21

DATA AGAIN WE EXPECT TO OPEN THAT PROCESS IN QUARTER TWO OF THIS YEAR A

24:27

GOOD WAY TO BEGIN MIGHT BE TO LOOK AT THE PUBLIC REPORTS WE HAVE PUBLISHED TO GET A FEEL FOR WHAT THE DATABASE IS

24:33

CAPABLE OF TO HELP SCOPE YOUR RESEARCH QUESTION THOSE REQUESTS WILL THEN BE TRIAGED BY HQI STAFF AND ROUTED

24:41

TO THE DATA RELEASE COMMITTEE FOR THEIR RECOMMENDATION AT THEIR PUBLIC MEETINGS ADDITIONALLY THE DEPARTMENT OF

24:47

HEALTHCARE SERVICES WILL NEED TO REVIEW ANY REQUESTS THAT INCLUDE MEDICAID DATA

24:52

AND THE CAL HHS COMMITTEE FOR THE PROTECTION OF HAN SUBJECTS WILL ALSO NEED REVIEW FOR RES RESEARCH PROJECTS

24:58

THAT REQUEST ACCESS TO DIRECT IDENTIFIERS HIPPA LIMITED DATA SETS WILL ALSO BE AVAILABLE THAT OMIT

25:05

IDENTIFIABLE DATA ELEMENTS AND THOSE WILL HAVE A SOMEWHAT DIFFERENT PROCESS AND BAR TO

25:12

ACCESS I MENTIONED THE DATA RELEASE COMMITTEE I JUST WANT TO SHOW THEIR NAMES ON THE SCREEN THIS IS A

25:19

TREMENDOUSLY ESTEEMED GROUP YOU MAY KNOW SOME OF THEM WELL I COULD SAY DR

25:25

TERRY HILL IS VERY KEEN ON ADDRESSING ISSUES OF AGING AND WORKING IN THE GERONTOLOGY SPACE AND SUPPORTING THE

25:32

AGING COMMUNITY AND WE'RE VERY FORTUNATE TO HAVE HIM AS A MEMBER OF

25:37

OUR GROUP BUT THESE ARE THE FOLKS LEADING THE CHARGE DESIGNING THE POLICIES AND PROCEDURES FOR DATA

25:42

RELEASE THEY'LL BE THE ONES VOTING ON RECOMMENDATIONS TO RELEASE DATA

25:48

AND AGAIN JUST VERY VERY THANKFUL FOR THE SERVICE THAT

25:54

ALL OF THESE INDIVIDUALS ARE PROVIDING TO THE DEPARTMENT AND THE STATE OF CALIFORNIA IN CLOSING I'LL

26:00

JUST I'LL SAY THANK YOU FOR YOUR INTEREST IN IN HIAI AND WORKING WITH US TO ADVANCED EVIDENCE-BASED CARE IN

26:07

CALIFORNIA THERE ARE SOME LINKS ON THE SCREEN FOR HOW YOU CAN CONTINUE TO ENGAGE WITH US I WILL DRAW YOUR

26:13

ATTENTION TO THE SECOND TO LAST BULLET THERE WE CUR WE ARE CURRENTLY IN A PUBLIC COMMENT PHASE FOR THE REGULATIONS

26:20

THAT GOVERN OUR DATA RELEASE PROGRAM I CAN SAY THAT OVERALL THESE ARE MEANT TO PROVIDE STRUCTURE BUT ALSO BE

26:25

FLEXIBLE SO THAT THE DEPARTMENT AND THE COMMITTEE CAN GAIN EXPERIENCE OVER THE NEXT YEAR IN PROCESSING THOSE

26:32

REQUESTS ANYONE IS ABLE TO SUBMIT COMMENT AND THE LAST DAY TO DO SO

26:38

IS FEBRUARY 1 SO WITH THAT AGAIN I'LL SAY THANK YOU I'M HAPPY TO TAKE ANY QUESTIONS THAT YOU MAY HAVE THANK YOU

26:45

THANK YOU MIKE SO I THINK FOR THE PANEL MEMBERS WE HAVE TIME FOR A FEW QUESTIONS AWESOME PRESENTATION VERY COMPREHENSIVE

26:50

REALLY APPRECIATE IT AND THAT COULD HELP U WITH RAISE HANDS AND ANY QUESTIONS THAT COME UP SO PLEASE FEEL FREE

27:04

BELLA GO AHEAD I SEE YOUR HAND UP YEAH I HATE TO SAY IT MORE OF A COMMENT THAN A QUESTION THANK YOU SO MUCH FOR SUCH A

27:11

TERRIFIC PRESENTATION AND JUST YOU KNOW THE AVAILABILITY OF THESE DATA IS GOING TO BE SO

27:18

TRANSFORMATIVE FOR YOU KNOW HEALTH AND POLICY RESEARCH IN CALIFORNIA AND I

27:23

I ESPECIALLY APPRECIATED YOUR EMPHASIS ON DATA PRIVACY IN SECURITY AND

27:30

AND I REALLY APPRECIATE THE INCREDIBLE THOUGHTFULNESS THAT'S GONE INTO BOTH MAKING DATA AVAILABLE SO WE CAN DO

27:35

RIGOROUS POLICY AND HEALTH RESEARCH AND MAKING SURE THAT THE DATA IS INCREDIBLY PROTECTED SO WE ARE VERY

27:43

EXCITED TO BE APPLYING FOR THESE DATA EARLY THIS YEAR AND REALLY LOOKING FORWARD TO DOING SOME TRANSFORMATIVE

27:50

RESEARCH SO THANK YOU

27:56

BELLA ANYONE

28:02

ELSE CAN I GO ROSS ABSOLUTELY GO AHEAD I ECHO EVERYTHING THAT

28:08

BELLA SAID MICHAEL THIS IS A WONDERFUL RESOURCE THAT YOU'RE BUILDING FOR BOTH THE ACADEMIC BUT OTHER COMMUNITIES AS

28:16

I WAS LOOKING AT THE DATA SETS AVAILABLE WOULD IT BE POSSIBLE TO DIFFERENTIATE THE FFA SERVICE VERSUS THE DUELS VERSUS

28:23

THE MA PLAN PATIENTS THROUGH THIS DATA FANTASTIC QUESTION I THINK SHORT

28:29

ANSWER IS YES WE ARE COLLECTING ENCOUNTERS FOR NON- CLAIMS BASED

28:36

PAYMENT ARRANGEMENTS AS WELL HOWEVER WE'RE LACKING THE ACTUAL PAYMENT

28:41

INFORMATION AS YOU CAN IMAGINE THERE'S SOME COMPLEXITY THERE IN IN THE NON-FEE FOR SERVICE WORLD BUT

28:48

WE'RE VERY EXCITED FOR HOW RESEARCHERS CAN START TO DISSECT THAT

28:54

THERE'S PROXIES AND OTHER WAYS YOU CAN APPROXIMATE PAYMENT FOR NON-CLAIMS ENCOUNTERS BUT THEN WE'LL ALSO

28:59

HAVE ALL THE FEE FOR SERVICE INFORMATION SO THAT'S SOMETHING TO LOOK AT AND WE ARE IN THE PROCESS IT'S A

29:04

MULTI-YEAR PROCESS OF ADDING SUBMISSION OF NON- CLAIMS-BASED PAYMENT

29:10

INFORMATION FROM HEALTH PLANS SO WE'RE SORT OF FIRST IN THE NATION

WE'RE AGAIN ENGAGING WITH OUR

29:16

PARTNERS AT THE NATIONAL ASSOCIATION OF HEALTH DATA ORGANIZATIONS TO DEVELOP A NATIONAL SPECIFICATION FOR THAT BUT

29:22

THAT'S SOMETHING THAT WILL BE GOING THROUGH THE PUBLIC COMMENT PERIOD SOON AND WE EXPECT THAT IN 202

29:27

WILL BE FILLING IN THE NON- CLAIMS PAYMENT INFORMATION WITH THE CLA THE FEE FOR SERVICE CLAIMS AND ENCOUNTERS

29:33

THAT THAT WE HAVE NOW SO A LOT A LOT TO SORT OF UNPACK THERE BUT WE'RE

29:39

WE'RE REALLY EXCITED TO SEE WHAT COULD BE DONE WITH THESE DATA THANK YOU SO

29:45

MUCH THANK YOU MIKE I DON'T SEE ANY OF THEIR HANDS SO KIND OF A LAST CALL FOR MIKE IF NOT THANK YOU SO MUCH MIKE THAT

29:52

THAT WAS VERY INFORMATIVE APPRECIATE YOUR TIME THANK YOU SO MUCH OKAY TAKE CARE

29:58

HAVE A GOOD DAY MIKE ALL RIGHT SO WE CAN MOVE ON TO THE NEXT AGENDA ITEM AND I'M ON DECK FOR THAT AND THAT IS AROUND OUR MASTER PLAN

30:05

FOR ASENT KEY OUTCOME MEASURES AND A DISCUSSION AROUND THAT SO I'M GONNA TRY TO SHARE MY SCREEN GIVE ME ONE SEC

30:12

HERE CAN EVERYONE SEE MY SCREEN SHOULD BE A SLIDE DECKS GREAT ROSS OKAY GREAT

30:19

GREAT ALL RIGHT SO I WANTED TO START OFF THIS DISCUSSION WITH KIND OF GROUNDING OURSELVES ON THE FOUR OUTCOME MEASURES

30:24

THAT WE LANDED ON SO THE FIRST ONE'S ARE REDUCING HOMELESSNESS FOR OLDER ADULTS REDUCING SELF-REPORTED PSY PSYCHOLOGICAL

30:30

DISTRESS AMONG OLDER ADULTS AND PEOPLE WITH DISABILITIES REDUCING BURDENS FACED BY FAMILY FRIENDS CAREGIVERS THEN

30:36

INCREASES IN THE PROVIDER TO POPULATION RATIO AMONG THE DIRECT CARE WORKFORCE AND I WANT TO GIVE A THANK YOU TO THE

30:42

WORK GROUPS WHO HAVE VOLUNTEERED THEIR TIME OVER THE LAST SEVERAL MONTHS THERE'S MANY OF YOU ON THIS CALL THIS TO TALK ABOUT DATA SOURCES AND KIND OF KEEP

30:48

MOVING THIS PROCESS FORWARD SO THANK YOU IT'S BEEN EXTREMELY HELPFUL AND I LOOK FORWARD TO COLLABORATING WITH YOU IN THE COMING MONTHS TO FLUSH THESE OUT EVEN

30:55

FURTHER AND SO I'M GOING TO PROVIDE UPDATES ON EACH OF THESE MEASURES BUT I'M ALSO GOING TO SHORTLY DRAFT OF A DASHBOARD RELATED TO EACH MEASURE

31:01

BECAUSE IF YOU RECALL OUR GOAL IS TO HAVE VISUALIZATIONS AND DASHBOARDS ON THESE MEASURES INCLUDED ON OUR DATA

31:06

DASHBOARD FOR AGING BECAUSE WE WANT TO BE TRANSPARENT WE WANT YOU ALL AND ALL OF OUR STAKEHOLDERS HAVE ACCESS TO THESE

31:12

DATA AT YOUR LEISURE SO THAT'S A REALLY IMPORTANT PIECE OF THIS EXERCISE SO I'M GOING TO BE KIND OF TOGGLING BACK AND FORTH BETWEEN THE POWERPOINT SLIDE DECK

31:19

AND INTERACTIVE DASHBOARD AND SO WE HAVE 30 MINUTES FOR THIS AGENDA ITEM ONLY HAVE A HANDFUL OF SLIDES SO A LOT OF

31:25

TIME FOR DISCUSSION SO I APPRECIATE YOUR FEEDBACK ON THE DASHBOARDS COMMENTS QUESTIONS ETC AND THE LAST PIECE BEFORE

31:32

WE MOVE FORWARD IS AN IMPORTANT PIECE THIS EXERCISES EQUITY SO YOU WANT TO BE ABLE TO MEASURE AS MANY EQUITY RELATED VARIABLES AS POSSIBLE BASED ON

31:38

AVAILABLE DATA AND YOU'LL SEE EXAMPLES OF THOSE EQUITY VARIABLES IN THE DASHBOARDS WHEN WE SHARE THOSE SO WITH

31:45

THAT WE COULD HOP INTO OUR FIRST MEASURE AND THAT'S ON HOMELESSNESS SO WE HAVE A DASHBOARD FOR YOUR FEEDBACK TODAY AND

31:50

THAT DASHBOARD IS BASED ON UPDATED HOMELESS DATA INTEGRATION SYSTEM DATA OR HDS DATA AND SO THE WORK GROUP WE FEEL

31:56

AS IF THIS IS A MOST COMPREHENSIVE DATA SET RELATED TO HOMELESS HOMELESSNESS IN THE STATE AND OUR COLLEAGUES WITH THE

32:01

BUSINESS CONSUMER SERVICES AND HOUSING AGENCY THEY'VE BEEN PHENOMENAL PARTNERS AND THEY SUPPLIED THESE DATA TO US AND

32:07

THERE SOME CONTEXT ON THESE DATA THE YEARS OF THE DATA ARE FROM 2017 TO 2023 THESE DATA REPORTED TO THE STATE VIA

32:13

CONTINUS OF CARE OR COC'S AND COC'S ARE HOMELESS SERVICE COORDINATION AND

32:18

PLANNING BODIES THERE'S 44 THROUGHOUT THE STATE SO WE DO HAVE STATEWIDE DATA THE VARIABLES INCLUDE AGE ETHNICITY RACE

32:25

AND GENDER ABOUT A THIRD OF THESE ROWS ARE MASKED BUT WE'RE WORKING CLOSELY WE WORKED CLOSELY WITH OUR

32:30

COLLEAGUES AT BCSH WHO SUPPLIED THESE DATA TO GET THAT NUMBER DOWN AS LOW AS POSSIBLE BUT SOME OF THE GROUPS THAT ARE

32:36

MASK ARE GROUPS THAT ARE MASK WITH MANY DATA SETS THAT WE WORK WITH PROBABLY YOU AS WELL SO FOR EXAMPLE NATIVE HELAN OR

32:42

PACIFIC ISLAND OR POPULATIONS THAT'S MASS AT ABOUT 2THIRD ASIANS OR ASIAN-AMERICANS THAT'S ALSO MASK AT

32:48

ABOUT TWO-THIRDS AS A COUPLE EXAMPLES SO THIS GRAPHIC HERE THIS COMES

32:53

FROM THE BUSINESS CONSUMER SERVICES AND HOUSING WEBSITE AND DISPLAYS THE DATA REPORTING PROC PROCESS AND ESSENTIALLY

32:58

HOW THIS WORKS I THOUGHT THIS WOULD BE HELPFUL CONTEXT FOLKS AT THE LOCAL LEVEL WHO ACTUALLY PROVIDE SERVICES THEY

33:04

PROVIDE DATA TO THE IN THE HOMELESS MANAGEMENT INFORMATION SYSTEM AND THAT'S HOW THE STATE RECEIVES THESE

33:09

DATA AND THE SERVICES ARE RELATED TO EMERGENCY SHELTERING RAPID REHOUSING PERMANENT HOUSING SOLUTIONS OUTREACH

33:16

PREVENTION ETC AND SO THE STATES WORKS WITH THE CC'S TO COLLECT THESE DATA ON ACCORDLY BASIS VIA A SECURE FILE

33:23

TRANSFER AND THEN DAT IS STANDARDIZED CLEANSE AND IT'S READY FOR AN ANIS AND SO THAT'S HOW THE DATA COMES INTO US

33:29

AND WITH THESE DATA WE'RE ABLE TO CREATE THE FOLLOWING DASHBOARD WHICH I'M GOING TO PULL UP SO I'M GOING TO PULL UP THIS

33:35

DASHBOARD HOPEFULLY THERE'S NO TECHNICAL ISSUES AND WAS A LITTLE NERVOUS SHARING A LIVE DASHBOARD CAN EVERYONE SEE THE

33:40

THE DASHBOARD YES OKAY GOOD SEC HERE OKAY

33:47

AND SO JUST WANT TO IS THIS IS THIS LARGE ENOUGH I LET ME BLOW IT UP A LITTLE BIT LET ME KNOW IF IT NEEDS TO BE

33:54

LARGER BUT THE INDICATOR HOW WE'RE MEASURING THIS THIS MEASURE IS WE'RE
LOOKING AT THE NUMBER OF PERSONS AG 65

34:00

AND OVER EXPERIENCING HOMELESSNESS PER 100,000 SO THIS IS A RATE AND
SOMETHING THAT THE WORK GROUP INFORMED OF US IS

34:07

MAYBE WE SHOULD LOWER THIS DAYS THRESHOLD FROM 65 TO 55 CAN YOU HEAR
ME

34:15

STEVE I THINK MAYBE HE'S SAYING MOVE IT UP A LITTLE BIT OR MOVE IT UP

34:21

OKAY YEAH THE WINDOW WE ONLY SEE HALF OF CALIFORNIA TO ABOUT WELL
RIGHT OKAY NOW

34:28

THANK YOU FOR THAT WE'LL FOCUS IN THIS TOP RIB AND THEN I'LL SCROLL DOWN
SO SORRY THE MEASURE THAT WERE

34:34

THAT WE'RE USING HERE IS MEASURING OUR RATE OF OLDER ADULTS
EXPERIENCING HOMELESSNESS CURRENTLY IS 65 PLUS BUT WE

34:40

THE WORK GROUP RECOMMENDED MAYBE LERING THAT THRESHOLD AGE DOWN TO
55 SO LEFT HEAR THE YOUR FEEDBACK THERE AND

34:46

THEN WE HAVE BASELINE DATA AND SO IT'S 126 BASICALLY WHAT THAT'S SAYING
IS IN 2017 126 OLDER ADULTS OUT OF 100,000 ARE

34:54

EXPERIENCING HOMELESSNESS IN OUR MOST RECENT YEAR IN 2022 THAT
NUMBERERS INCREASED A LOT UNFORTUNATELY IS 283 NOW

35:02

AND THAT'S WHAT'S DRIVING THE STATUS BAR WAS SAY GETTING WORSE WE'RE
COMPARING THE BASELINE DATA TO THE MOST CURRENT

35:07

DATA AND THAT THIS WILL THIS LINE GRAPH ALSO DISPLAYS THE DATA UPCOME

35:13

YEAR-OVER-YEAR AND IT'S SHOWING AN INCREASE BY YEAR UNFORTUNATELY SO
THAT'S WHAT'S DRIVING THE STATUS BAR AND YOU'LL

35:18

SEE THESE ON ALL FOUR OF THE DASHBOARDS I'LL SHARE TODAY AND THEN A
REALLY IMPORTANT PIECE THIS EXERCISE IS TARGET

35:23

SETTING AND SO THIS IS AN CRITICAL NEXT STEP FOR THE WORK TROOPS IN THE
PARTNERSHIP TO REALLY THINK ABOUT WHAT

35:29

TARGETS WE WANT TO SET GOING FORWARD TO 2030 WHAT DO WE WANT TO MEET
RIGHT NOW IT'S TBD BUT HOPEFULLY THE NEXT C

35:34

MEETING IN MAY WE'LL HAVE SOMETHING THERE FOR YOU TO REACT TO SO THAT'S
KIND OF THE TOP RIBBON AND

35:41

THEN I WANT TO FOCUS ON THIS EQUITY INDEX THIS IS A REALLY IMPORTANT PIECE
THIS EXERCISE AS WELL AND SO THE EQUITY

35:47

INDEX MEASURES VARIATION BETWEEN POPULATIONS AND THE SCILL Z TO 100 THE
BASICALLY THE LOWER THE NUMBER THE

35:54

MORE EQUITY THERE POSSIBLY IS THE HIGHER THE HIGHER NUMBER THE LESS
EQUITY THERE IS AND I'M GOING TO HOVER OVER ONE OF

36:00

THESE BARS HERE TO PROVIDE SOME CONTEXT OF WHAT I MEAN THERE SO FOR
RACE FOR EXAMPLE THE EQUITY INDEX SCORE IT'S ONLY

36:06

18 THAT'S PRETTY LOW OUT OF OUT OF 100 AND SO IF YOU HOVER OVER THIS THE
BAR TOOL TIP POPS UP RIDES MORE CONTEXT THE

36:13

REASON THAT SCORE IS SO LOW IS BECAUSE BLACK AFRICAN-AMERICAN
CALIFORNIANS OLDER ADULTS EXPERIENCED HOMELESSNESS AT

36:19

MUCH HIGHER RATES RELATIVE OTHER RACIAL GROUPS AND SO YOU HAVE THAT
THAT THAT DETAIL WHEN YOU HOVER OVER THE BARS AND

36:25

THAT'S WHAT DRIVING THIS EQUITY SCORE LOW IF WE LOOK AT GENDER THE SCORE
IS ONLY 39 THAT'S ALSO PRETTY LOW AND

36:30

THAT'S BECAUSE MALES HAVE HIGHER RATES OF VNESS COMPARED TO FEMALES
AND OTHER GENDERS AS WELL FOR ETHNICITY THE

36:37

EQUITY SCORE IS HIGH AS 97 AND IF YOU HOVER OVER THAT WE'RE NOT SAYING
THAT THIS RATE'S GOOD BUT THE RATE'S SIMILAR

36:43

RIGHT FOR HISPANIC LTIN X VERSUS NOT HISPANIC LADIN X SO WHEN I OPEN UP
FOR QUESTIONS HERE I WOULD LOVE TO HEAR

36:49

YOUR FEEDBACK ABOUT THIS EQUITY INDEX IS IT HELPFUL WHAT CAN WE DO TO
MAKE IT MORE HELPFUL OR MORE USER FRIENDLY

36:55

ETC THEN WE HAVE A MAP WE HAVE A VARIATION BY GEOGRAPHY AND THESE
GEOGRAPHIES ARE BASED ON THOSE

37:00

CONTINUS OF CARES SO IF YOU HOVER OVER THE RESPECTIVE COC'S YOU SEE THE RATE FOR THAT RESPECTIVE COC

37:07

SOMETHING THAT KIND OF CAUGHT MY ATTENTION AT LEAST WAS IN NORTHERN CALIFORNIA MOSINO IN HBLE THE RATES

37:13

WERE HIGHER RELATIVE TO OTHER COC'S OF COURSE THERE'S LESS OLDER ADULTS IN THOSE REGIONS VERSUS LOS ANGELES

37:19

FOR EXAMPLE THOSE RATES ARE RELATIVELY HIGHER AND THEN SOMETHING ELSE THAT'S REALLY CRITICAL LEFT TO GET YOUR

37:25

FEEDBACK ON IS POTENTIAL DRIVERS OF HOMELESSNESS SO THAT'S A REALLY IMPORTANT PIECE OF THIS EXERCISE AS WELL AND THE WORK GROUPS DISCUSSED THAT QUITE

37:31

A BIT WHAT WHAT'S DRIVING THESE ISSUES AND SO WE HAVE A COUPLE EXAMPLES HERE WE HAVE INCOME AND THAT'S AVERAGE INCOME

37:37

PER OLDER ADULT WE HAVE POVERTY AND THAT'S BASED ON THE 100% FPL OR FEDERAL POVERTY LEVEL AND THEN WE HAVE HOUSING

37:43

COST BURDEN AND THAT'S BASED ON OLDER ADULTS WHO RENT AND SPEND MORE THAN 30% OF THEIR INCOME ON RENT BUT I LOVE TO

37:49

HEAR FROM YOU ARE WE MISSING ANYTHING WHAT ELSE SHOULD WE BE TRACKING SHOULD WE REPLACE ANYTHING AS A DRIVER AS WE

37:55

DEVELOP THIS DASHBOARD IN JUST OTHER COMMENTS AND FEEDBACK IN GENERAL IN THE EQUITY INDEX OR ANYTHING ELSE AND SO I'M

38:01

GOING TO SHARE FOUR OF THESE DASHBOARDS I'M GOING TO PAUSE AFTER EACH ONE THIS OPEN UP FOR QUESTIONS AND FEEDBACK

38:07

SO ANYWAYS I'M GOING TO PAUSE THERE AND LOVE TO HEAR SOME FEEDBACK FROM THE GROUP AND CARROLL IF YOU COULD HELP ME WITH HANDS BECAUSE I'M SHARING SCREEN

38:13

I'M MIGHT TO APPRECIATE

38:21

THAT NOT SEEING HERE WE HAVE A HAND UP ELIZABETH YEAH

38:27

OKAY HI GOOD MORNING I LOVE THIS ROSS IT'S SO COOL TO SEE THIS AND SO CONNECTED TO WORK THAT WE'RE DOING OVER

38:33

IN CDI AND I JUST IT'S JUST GREAT TO BE ABLE TO HAVE THESE VISUALS

38:39

LIKE RIGHT OFF THE BAT WITH A DEEP DIVES I'M CURIOUS ABOUT THE EQUITY METRICS

38:44

AND OR CURIOUS IF THE NUMBERS THAT ARE SHOWN THERE ARE JUST THE REGULAR

38:51

COUNTS OR IF THEY'RE NORMALIZED OR ADJUSTED TO REFLECT THE PROPORTION OF THE POPULATION AS WELL SO I THINK

39:01

THAT IF THEY ARE JUST COUNTS THAT THE EQUITY GAP MIGHT BE EVEN BIGGER THAN IT

39:06

SEEMS OH YEAH SO I THINK IT'S ADJUSTED FOR A PROPORTION OF POPULATION AND EVAN SORRY

39:13

TO PUT YOU ON THE SPOT MY COLLEAGUE EVAN WALLIS HELPED DEVELOP THESE VISUALS IF YOU HAVE ANY FEEDBACK EVAN YOU COULD POP

39:18

IN OR PLACE IN THE CHAT BUT IF SO IT IS BASED ON THE PROPORTION OF THE POPULATION SO FOR AFRICAN-AMERICANS FOR

39:24

EXAMPLE THEY ONLY REPRESENT ABOUT 6% OF THE STATE POPULATION SO IT'S ALARMING TO SEE THEIR YOU KNOW OVERWHELMING KIND OF

39:30

THE RATIO OF THE RAT SO HIGH AND THAT'S WHAT'S DRIVING THAT THAT NUMBER LOWER REALLY GOOD QUESTION IF WAS JUST COUNTS

39:36

IT WOULDN'T CAPTURE IT AS ACCURATELY RIGHT SO APPRECIATE

39:44

THAT ANYONE ELSE IN THE HOUSING AND HOMELESSNESS WORK GROUP WE HAD A REALLY GOOD CONVERSATION A FEW WEEKS AGO ABOUT

39:50

THIS AND IF YOU WANT TO SHARE SOME OF YOUR THOUGHTS WITH THE LARGER PARTNERSHIP I THINK THAT WOULD BE HELPFUL AS WELL

40:05

GO AHEAD BELLA THANK YOU NO I JUST WANTED TO EXPRESS APPRECIATION

40:12

FOR ALL THE WORK THAT'S GONE INTO TO THESE MEASURES AND YOU KNOW SOMETHING WE REALLY HAVE BEEN GIVING A LOT OF

40:19

THOUGHT AND DISCUSSION TO IS NUMBER ONE ARE WE ARE WE MEASURING THE RIGHT THING YOU KNOW IS RIGOROUS AND

40:27

WHAT DATA SOURCES DO WE NEED IN ORDER TO REALLY DEEPLY UNDERSTAND WHAT'S

40:32

GOING ON IN CALIFORNIA AND EVALUATE INTERVENTIONS AND SO I THINK THIS IS

40:38

A REALLY GREAT PUBLIC FACING YOU KNOW SORT OF PORTAL WHERE PEOPLE CAN REALLY LOOK AND KIND OF SEE WHERE WE ARE I

40:45

PERSONALLY LOVE THESE I THINK THAT THEY'RE THOUGHTFUL AND WELL DONE

40:51

AND WE REALLY LOOK FORWARD TO MAKING QUITE A BIT OF PROGRESS THIS YEAR IN IN KIND OF DIGGING IN AND REALLY TRYING TO

40:57

UNDERSTAND HOW ARE THE INTERVENTIONS THAT CALIFORNIA IS DOING

41:03

WORKING THANKS BELLA I GUESS A QUESTION FOR THE PARTNERSHIP FOR ME IS GO AHEAD JAS WANT TO SEE YOUR HAND UP THANK

41:09

YOU OH NO GO AHEAD RESPOND TO THAT I HAVE A I'M I'LL BE SHIFTING OKAY I WAS

41:15

GOING TO ASK ABOUT DRIVERS JUST CURIOUS WHAT THE PARTNERSHIP THINKS ABOUT THESE DRIVERS THAT WE CURRENTLY HAVE ON THE DASHBOARD ARE WE MISSING SHOULD WE REPLACE

41:21

ANY OF THESE DRIVERS SO WAS CURIOUS ABOUT THOSE THOUGHTS THERE BUT GO AHEAD JASMINE I'LL HAND IT OVER TO YOU

41:27

YEAH I JUST HAD A QUESTION ABOUT THE AGE RANGE THAT YOU HAD MENTIONED LOWERING IT TO 55 YEARS OLD VERSUS 65

41:37

AND WHAT FACTORS WENT INTO DECIDING THAT SINCE WE KNOW THAT

41:42

ESPECIALLY WITHIN THE PROFILE OF OLDER ADULTS WHO ARE EXPERIENCING HOMELESSNESS YOU KNOW A LOT OF THEM

41:48

DON'T REACH THOSE OLDER AGES OR HIGHER YEAH OLDER AGES AND THE WAYS

41:54

THAT OLDER ADULTS ARE BEGINNING TO EXPERIENCE HOMELESSNESS ARE PRETTY DIFFERENT THAN THOSE WHO HAVE BEEN

42:01

CHRONICALLY HOMELESS AT A YOUNGER AGE GREAT QUESTION SO WE STARTED WITH THIS

42:06

65 WAS KIND OF OUR FIRST DRAFT OUR FIRST THIS INITIAL DRAFT AND THEN THE WORK GR YOU KNOW TALKED ABOUT 55 POSSIBLY THE

42:13

WAY THE DATA IS AGE BANDS AT 10 YEARS IT'S 10 YEAR AGE BANDS IT'S AT THE FIVE SO IT'S 45 TO 55 55 TO 65 ETC

42:22

AND SO WE DISCUSS 55 IS MAYBE THE DEFINITION FOR OLDER ADULTS FOR THE HOMELESSNESS POPULAR THE HOMELESS

42:27

POPULATION AS YOU MENTIONED UNFORTUNATELY A LOT OF THEM DON'T MAKE IT BEYOND 65 RIGHT SO ANOTHER OPTION

42:32

COULD BE LOWER EVEN OF 45 SO THE REASON WE KIND OF THOUGHT ABOUT 55 JUST THE ACTUAL DATA IS PRESENTED THAT WAY

42:38

BECAUSE IT'S BY THE FIVES DO THAT MAKE SENSE

42:48

THANKS AND ROSS THE ONLY THING I WILL ADD TO THAT IS THAT YOU KNOW FROM A BIOLOGICAL VERSUS CHRONOLOGICAL AGE A

42:55

LOT OF LOT OF THIS POPULATION HAS THE SAME NEEDS AT AGE 55 THAT YOU WOULD SEE

43:01

IN A 65 75 YEAR OLD RIGHT JUST BECAUSE OF THEIR LIFE CIRCSTANCE AND ALL THE

43:06

OTHER ISSUES OKAY YOU THINK 55 IS APPROPRI OR EVEN ONE LOWER MAYBE TO

43:18

45 I I WOULD SUGGEST PERHAPS IT SHOULD EVEN BE DATA DRIVEN THAT AT THE POINT

43:24

WE'RE ABLE TO OBTAIN DATA TO LOOK AT I MEAN SOMETIMES THERE'S YOU KNOW JUST A STEADY SLOPE AND

43:31

SOMETIMES THERE'S SORT OF THESE BREAK POINTS WHERE YOU SEE A REAL ESCALATION IN YOU KNOW RATES OF DISABILITY RATES OF

43:36

HOMELESSNESS THINGS LIKE THAT AND SO PERHAPS ONE POTENTIAL APPROACH COULD BE ONCE DAT ARE AVAILABLE WE CAN REALLY

43:43

LOOK AT WHAT AGES DO WE SEE A STEEP RISE IN EITHER DISABILITY OR OR

43:49

HOMELESSNESS YEAH I LIKE THAT THANKS BELLA DOES A PARTNERSHIP HAVE THOUGHTS

43:56

ON THESE DRIVERS THOUGHT THAT'S A REALLY IMPORTANT PIECE THIS EXERCISE WE W BE ABLE TO DISPLAY DRIVERS THAT MAKE

44:01

SENSE THAT WERE ABLE TO TRACK AND PROVIDE VALUE SO ARE THESE THE RIGHT DRIVERS FOR THIS INITIAL CUT IS

44:07

THERE ANYTHING THAT THAT WE'RE MISSING GO AHEAD KATHERINE HI THESE ARE GREAT DATA AND

44:14

GREAT PRESENTATION THANK YOU I'M LOOKING AT THE DRIVERS AND I THINK THEY'RE ALL REALLY CLEARLY RELEVANT TO

44:22

FACTORS THAT MAY DRIVE HOMELESSNESS A COUPLE OTHER THOUGHTS COME TO MIND I'M

44:27

JUST WONDERING HOW PRACTICAL IT WOULD BE TO GET MEASUREMENTS ON THIS BUT AND THEY'RE INTERRELATED SO EMPLOYMENT

44:34

OPPORTUNITIES OF COURSE THAT WOULD LIKELY INTERTWINE WITH INCOME AND

44:39

POVERTY BUT ALSO SOCIAL NETWORK THE EXTENT TO WHICH THE OLDER ADULT HAS

44:45

FAMILY FRIENDS AND LOOKING AT THE HIGHER RISK AMONG THOSE WHO MAYBE DON'T

44:51

HAVE THOSE CONNECTIONS AGAIN WHERE THOSE DATA MIGHT COME FROM

44:57

MIGHT BE EVEN MORE COMPLICATED THAN GETTING THE EMPLOYMENT FIGURES BUT GIVEN THAT THE EMPLOYMENT IS

45:04

INCREASINGLY IMPORTANT FOR OLDER ADULTS ESPECIALLY LOW-INCOME OLDER ADULTS IN ORDER TO THRIVE AND TO REMAIN

45:12

HOUSED I'M CURIOUS ABOUT IF THE COMMITTEE MIGHT HAVE LOOKED A LITTLE BIT AT THAT FACTOR POTENTIAL

45:20

DRIVER THANKS KATHERINE WE HAVEN'T LOOKED AT THAT YET BUT THAT'S A REALLY GOOD IDEA THOUGHT SO WE COULD LOOK INTO THAT APPRECIATE

45:27

GO AHEAD DONNA I SEE YOUR HAND UP I I JUST WANT TO ANOTHER POTENTIAL
45:33
DRIVER THAT WE FIND IS BECOMING A FAMILY CAREGIVER AND PEOPLE DROPPING
OUT
45:39
OF THE OUT OF THE JOB MARKET AND THEN ALSO NOT HAVING HOUSING BECAUSE
THEY'VE
45:45
MOVED IN WITH THEIR RELATIVE AND WHEN THE RELATIVE PASSES AWAY THEY
HAVE
45:51
NOWHERE TO GO AND THEY HAVEN'T BEEN EMPLOYED IN MANY YEARS SO I DON'T
KNOW HOW WE CAN LOOK AT THAT BUT
45:58
YOU'LL READ STORIES AFTER STORIES AND YOU'LL SAY YOU KNOW IT ALL STARTED
WHEN THEY HAD TO TAKE CARE OF THIS
46:05
PERSON OKAY THANK YOU DONNA STEVE ORELLA I DON'T KNOW WHO
46:10
WENT FIRST SO GO AHEAD STEVE THAT'S SEE YOUR HAND FIRST OKAY I I LIKE THAT
46:16
THOUGH I THINK WE'RE GONNA HAVE TO LEARN HOW TO GET MORE
SOPHISTICATED TO GATHER THAT BUT I WAS WONDERING ALSO IF WE IF
46:22
IT WOULD MAKE SENSE TO SORT OF DRILL DOWN IN A COUPLE OF COUNTIES TO SEE
WHILE THESE ARE IMPORTANT DRIVERS THE
46:28
QUESTION MIGHT BE AVAILABILITY OF THE SERVICES TO MEET THOSE NEEDS AND
SO I
46:33
THINK MAYBE DOING SOME MORE QUALITATIVE ONGOING REGULAR INFORMATION
IN PARTICULAR COUNTIES AND WE SHOULD
46:39
FIGURE OUT WHICH WOULD BE THE GOOD REPRESENTATIVE ONES TO GET A FULLER
PICTURE GOOD THOUGHT THANKS GO AHEAD
46:47
BELLA YEAH AND ONE OF SO THESE SORT OF DRIVERS ARE ALL PARTICULAR TO
46:53
PEOPLE BUT PROBABLY IF NOT THE SINGLE BIGGEST DRIVER OF HOMELESSNESS IS
THE AVAILABILITY OF HOUSING OVERALL
47:00
AND THEN IN PARTICULAR THE AVAILABILITY OF SUBSIDIZED HOUSING SO ANY
MODELS THAT WE DO WOULD ALSO HAVE TO
47:06

INCORPORATE THAT THEY WOULDN'T NECESSARILY HAVE TO BE ON THIS DASHBOARD BECAUSE THAT'S SOMETHING THAT THAT'S SORT OF TRUE OF ANY GIVEN COUNTY BUT

47:13

THAT'S ALSO DEFINITELY AN INCREDIBLY IMPORTANT DRIVER OF HOMELESSNESS YEAH

47:18

THAT'S A REALLY GOOD POINT YEAH THANK

47:24

YOU THANKS FOR YOUR FE BACK THIS I DON'T SEE ANY OF THEIR HANDS UP SO WE CAN MOVE ON TO THE NEXT MEASURE SO I'M GOING TO PUT THE SLIDES

47:31

BACK UP SO NEXT MEASURE IS AROUND PSYCHOLOGICAL DISTRESS AND SO WE HAVE CREATED A

47:38

DASHBOARD FOR YOUR FEEDBACK TODAY BASED ON SOME OF THE DATA THAT WE CURRENTLY HAVE ON OUR DATA DASHBOARD FOR AGING AND THAT COMES FROM THE CALIFORNIA HEALTH

47:44

INTERVIEW SURVEY OR AKA CHIS AND WE PULLED IN SOME DATA FROM THE ASK CHIS FEATURE WE'RE ALSO WORKING WITH C AND

47:50

THE CHIS TEAM TO RECEIVE UPDATED DATA AND SOME OF THE HIGHLIGHTS OF WHAT WE'RE ASKING FOR IS ON THE SLIDE SO I THINK A

47:55

REALLY IMPORTANT PIECES ADDING MODERATE PSYCHOLOGICAL DISTRESS BECAUSE CURRENTLY WE ONLY HAVE SERIOUS PSYCHOLOGICAL

48:00

DISTRESS BUT NOT MODERATE IS IMPORTANT BECAUSE FOLKS BOUNCE BACK AND FORTH BETWEEN MODERATE AND SERIOUS PSYCHOLOGICAL DISTRESS THAT'S A REALLY

48:06

IMPORTANT PIECE OF THE STORY ADDING A MEASURE FOR DISABILITY THAT'S REALLY IMPORTANT AS WELL SO WE CURRENTLY DON'T HAVE THAT HOPEFULLY WITH THE NEXT

48:12

ITERATION OF DATA WE'LL HAVE THAT AS WELL AND SO WE GET CROSS TABULATE WITH DEMOGRAPHICS WE HAVE THAT FEATURE CURRENTLY AVAILABLE ON OUR DATA

48:18

DASHBOARD FOR AGING AND ALSO WITH AGE BAND SO WE HAVE A DASHBOARD TO REACT TO

48:24

TODAY BUT HOPEFULLY AT OUR NEXT MEETING IT'LL BE EVEN MORE ROBUST AND SO I'M GOING TO SHARE THE DASHBOARD FOR
48:29
PSYCHOLOGICAL DISTRESS CAN YOU GUYS SEE THE
48:35
DASHBOARD I THINK IT'S LOADING RIGHT NOW LOOKS GOOD ROSS GOOD OKAY IT'S
48:40
WORKING THE TECHNOLOG IS WORKING SO THE MEASURE FOR THIS IS THE PERCENT OF OLDER ADULTS AND WE DEFINE THAT IS 60 AND OVER
48:46
THAT SELFREPORTED PSYCHOLOGICAL DISTRESS WITHIN THE LAST YEAR THE BASELINE NUMBER IS 3.9% IN 2017 THE MOST RECENT DATA IS
48:54
2022 AND IT'S 5. 4% AND THAT'S WHY THE STATUS IS GETTING WORSE OF COURSE THE TARGETS TBD AND THIS LINE GRAPH'S
49:02
INTERESTING AND YOU KIND OF KNOW THE STORY RIGHT WE SEE THE SPIKE WITH COVID IN 2020 IT HAS GONE DOWN A LITTLE BIT
49:07
FROM 2021 TO 2022 AND WE HAVE MORE DEMOGRAPHIC DATA SO THIS EQUITY INDEX HAS MORE VARIABLES AS YOU CAN SEE
49:14
COMPARED TO THE HOMELESSNESS DASHBOARD SO IF WE HOVER OVER AGE FOR EXAMPLE WE SEE THAT SERIOUS
49:20
PSYCHOLOGICAL DISTRESS FOLKS IN THAT 60 TO 64 AGE GROUP HAVE THE HIGHEST SELF-REPORTED RATE INDEX STARTS GOING
49:26
DOWN ESPECIALLY WHEN FOLKS ARE OVER 70 YEARS OF AGE IT REALLY DOES GO DOWN QUITE A BIT IF WE LOOK AT
49:32
GENDER THE SCORE IS PRETTY LOW IT'S A 52 FOR THE EQUITY INDEX SCORE AND THAT'S BECAUSE FEMALES REPORTABLE THE DOUBLE
49:40
TERMS OF A HIGHER RATE OF SERIOUS PSYCHOLOGICAL DISTRESS AND THEN FOR SEXUAL ORIENTATION
49:46
JUST WANT TO POINT THAT OUT IT LOOKS LIKE THE LGBTQ COMMUNITY RELATIVELY SPEAKING REPORTS HIGHER RATES
49:52
OF SERIOUS PSYCHOLOGICAL DISTRESS SO THAT'S EQUITY INDEX ON THIS THIS DASHBOARD AND THEN FOR THE VARIATION BY
49:59

GEOGRAPHY WE USE THIS COUNTY GROUPING SO THIS GROUPS SOME COUNTIES
SOME OF THE SMALLER COUNTIES BUT IT PROVIDES

50:04

INSIGHTS YOU CAN SEE THE REGIONAL VARIANTS IT LOOKS LIKE I THINK HBL
COUNTY HAS THE HIGHEST RATE AT

50:10

11.1% S LOUIS ABISO IS ONLY 3.3% AND ORANGE COUNTY IS ONLY A 3.4%

50:17

THEN IF YOU NOTICE ON THE RIGHT HAND SIDE THE POTENTIAL DRIVERS KIND OF
THIS BLANK CANVAS THE WORK GROUP WE'VE TALKED

50:22

ABOUT IT QUITE A BIT BUT I' LOVE TO HEAR FROM THE PARTNERSHIP WHAT
DRIVERS SHOULD WE ADD TO THE SERIOUS PSYCHOLOGICAL

50:27

DISTRESS DASHBOARD WHAT SHOULD WE WHAT SHOULD WE BE TRACKING WHAT
WOULD BE HELPFUL AND THEN OF COURSE ANY OTHER

50:33

FEEDBACK THAT THAT YOU ALL HAVE SO I'LL PAUSE THERE AND OPEN UP FOR

50:49

CONVERSATION OLIVIA GO AHEAD WELCOME OLIVIA BY THE WAY OL NEW TO THE
50:54

PARTNERSHIP IS YOUR FIRST MEETING SO WELCOME THANK YOU THANK YOU ROSS
I APPRECIATE THAT YEAH I WAS JUST

51:00

WANTED TO OFFER MAYBE SOCIALIZE SOCIAL ISOLATION OR LONELINESS AS A

51:06

DRIVER POTENTIALLY JUST WONDERING IF THAT INFLUENCES YOU KNOW

51:13

WHETHER SOMEONE IS REPORTING MORE SERIOUS PSYCHOLOGICAL DISTRESS OR

51:21

NOT THAT'S A REALLY GOOD THOUGHT THANK YOU OLIVIA ABSOLUTELY I WOULD
THINK THAT WOULD PROBABLY DRIVE A THAT'S A GOOD

51:28

DRIVER FOR THIS I THINK SO

51:35

THANKS STEVE GO AHEAD YEAH I WOULD ALSO ADD OBVIOUSLY THE SAME IDEA AS
BEFORE

51:41

THE ACCESS AND AVAILABILITY OF SERVICES OF BEHAVIORAL HEALTH

51:46

SERVICES GREAT THANK YOU THAT WOULD PROBABLY VARY BY REGION

51:54

AS WELL SO THAT'D BE INTERESTING TO MATTER IT

52:03

OUT ANYONE ELSE HAVE

52:08

THOUGHTS OKAY SO WE CAN MOVE ON TO THE NEXT THE NEXT MEASURE AND THIS IS AROUND BURDENS FACE BY FAMILY AND FRIENDS

52:15

CAREGIVERS I'M GONNA SHARE THE SLIDE DECK SO WE

52:20

HAVE CURRENT DATA ON OUR DATA DASHBOARD FOR RAGING AROUND THIS MEASURE IT'S A BIT STALE IT'S FROM 2019 AND

52:25

2020 AND BUT THE BURDENS THAT THAT THAT ARE COLLECTED LET ME BACK UP FOR A SECOND THESE DATA ARE ALSO FROM CHIZ AND

52:31

THE CHIS QUESTION YOU'RE ASK ABOUT FINANCIAL STRESS PHYSICAL MENTAL HEALTH PROBLEM OR A CHANGE IN JOBS THAT IS

52:37

BASED ON CAREGIVING AND IN 2021 AND 2022 THAT JUST QUESTIONER FOCUS MORE ON

52:42

SUPPLY AT ASK FOLKS THAT THEY PROVIDE CAREGIVING SERVICES IF SO IF THEY PROVIDED THOSE SERVICES WITHIN THE LAST

52:47

12 MONTHS HOWEVER THE GOOD NEWS IS IN TERMS OF COLLECTING BURDENS DATA JUST 2023 DID ASK ABOUT BURDENS IN 2024 WE'LL

52:55

ASK ABOUT BURDENS AND THOSE DATA WILL BE AVAILABLE IN OCTOBER 2024 AND 2025 RESPECTIVELY AND SOMETHING EL I WANT TO

53:01

POINT OUT IS WE HAD A REALLY GOOD CONVERSATION WITH THE WORKFORCE WORK GROUP A COUPLE WEEKS AGO AND WE DISCUSSED THE OPTION OF USING THE C

53:07

CALIFORNIA CAREGIVER RESOURCE CENTER DATA TO INFORM THIS MEASURE SO LOOKING FORWARD TO THAT AS A POSSIBILITY MAYBE

53:13

INCLUDING SOME OF THOSE DATA AS PART OF THIS DASHBOARD NEXT TIME WE MEET THE CAREGIVER RESOURCE CENTER PROVIDES

53:18

IMPORTANT SERVICES TO CAREGIVERS AND THEY ALSO COLLECT RICH DATA TO THEIR CARE NAAV SYSTEM AND SO BURDEN RELATED

53:23

DATA IS COLLECTED THROUGH THAT PROCESS REALLY PROMISING SO HOPEFULLY NEXT MEETING WE'LL HAVE SOME OF THOSE DATA TO

53:28

SHARE AS WELL BUT WE DID CREATE A DASHBOARD BASED ON OUR CURRENT AVAILABLE DATA AND I'M GOING TO SHARE THAT WITH

53:34

YOU ALL SO HUGGLE OVER TO THAT SO THIS IS THE CAREGIVER BURDEN

53:39

DASHBOARD AND THE INDICATOR HERE IS THE PERCENT OF OLDER PERCENT OF ADULT CAREGIVERS EXCUSE ME WHO EXPERIENCE

53:45

FINANCIAL STRESS PHYSICAL BEHAVIORAL HEALTH ISSUES OR A CHANGE IN JOB STATUS AS A RESULT WITH THROUGH CAREGIVING SO

53:50

FOLKS LOOKED AT EI EITHER ONE OF THESE ARE INCLUDED IN THIS THIS PERCENTAGE HERE AND SO WE ONLY HAVE TWO YEARS OF

53:56

DATA THE BASELINE 67.7% IN 2019 AND THEN IT DECREASES 63.8% IN 2020 THAT'S WHERE

54:03

THE STATUS IS GETTING BETTER IMPROVING HOWEVER IT'S ONLY TWO YEARS OF DATA SO I'M NOT SURE IF WE CAN GLEAN FROM THAT

54:09

AND THIS THE EQUITY INDEX SHOW SOME HIGHLIGHTS THERE IF WE LOOK AT AGE FOR EXAMPLE IT LOOKS LIKE YOU KNOW AS

54:16

FOLKS GET OLDER AND THEY PROVIDE CAREGIV SERVICES THE BURDENS DO INCREASE IF YOU LOOK AT RACE AS WELL IT LOOKS

54:23

LIKE AMERICAN INDIAN ALASKAN NATIVES HAVE THE HIGHEST BURDENS FOLLOWED BY BLACK CALIFORNIANS SO WE HAVE THAT THAT

54:30

DATA AVAILABLE THERE'S WE DON'T CURRENTLY HAVE SUBSTATE LEVEL DATA FOR

54:35

THIS MEASURE AND HOPEFULLY AT THE NEXT MEETING WE'LL HAVE SOME REGIONAL DATA TO SHARE BUT CURRENTLY IT'S THE STATEWIDE DATA AND THE SAME

54:42

THING HERE THE POTENTIAL DRIVERS IS BLANK AND LOVE TO HEAR YOUR FEEDBACK AND WHAT DRIVERS WE SHOULD INCLUDE IN TERMS

54:47

OF CAREGIVER BURDENS WHICH WE SHOULD BE TRACKING SO AGAIN I'LL JUST PAUSE HERE AND OPEN IT UP FOR

54:54

COMMENT

55:00

GO AHEAD

55:06

HEATHER SOME OF THE DRIVERS WE SHOULD BE CONSIDERING ARE THE AVAILABILITY OF SUPPORTS WHETHER IT'S FAMILY AND

55:13

FRIEND SUPPORT NETWORKS AS WELL AS OTHER TYPES OF SUPPORTS POLICIES THAT SUPPORT

55:18

FAMILY CAREGIVING SUCH AS FAMILY MEDICAL LEAD AND EMPLOYER POLICIES TO ALLOW FOR

55:24

PEOPLE TO BE ABLE TO CARE I THINK INCOME AND SOME OF THE DATA WE'VE SEEN WITH THE CCC'S INCOME AND RURALITY

55:32

ARE A BIG EFFECTS AS WELL AND I THINK THE PEOPLE WHO ARE IN MORE RURAL

55:37

COMMUNITIES OFTEN HAVE LESS ACCESS TO TYPES OF SERVICE SUPPORTS THAT CAN ENABLE THEM TO CONTINUE

55:43

CARE THANKS HEATHER I'M INTEREST IN THE POLICIES THAT'S INTERESTING BUT YOU

55:48

KNOW KIND OF IT MIGHT BE A CHALLENGE TO TRACK THAT DATA OVER TIME SO AS A WORK GRP MAYBE WE COULD KIND OF FLESH THAT

55:54

THAT OUT AND HOW DO WE JUST PLAY THAT ON THE DATA DASHBOARD PHASING THANK YOU FOR YOUR

56:03

FEEDBACK ANYONE ELSE HAVE THOUGHTS ON THIS THIS MEASURE ANYONE FROM THE WORK GROUP

56:09

MAYBE YEAH HI ROSS I WONDER IF AN ASSOCIATION LIKE THE PUBLIC AUTHORITY

56:16

ASSOCIATION THAT'S BEEN TRYING TO WORK ON DATA WOULD HAVE SOME IDEA SOME DATA ON TURNOVER AND WHY PEOPLE COME AND GO I

56:23

THINK HIAI HAS A BIG CONTRACT NOW AND CAL GROV HAD A BIG CONTRACT IN IN

56:28

CAREGIVING THEY MAY HAVE SOME DATA FROM WHY PEOPLE JOINED WHY THEY

56:35

STOPPED THANKS STEVE AND SO THIS IS FOR THE FAMILY AND FRIENDS CAREGIVERS SO I THINK THAT'S A THEY DO HAVE THAT THAT

56:42

IT'S ABOUT 20% OF THE BOTH OF THOSE CONTRACTS ARE A FAMILY OKAY

56:53

THANKS ALL RIGHT SO WE CAN MOVE ON TO OUR FINAL MEASURE AND THAT IS AROUND
56:59
INCREASING THE PROVIDER POPULATION RATIO FOR THE DIRECT CARE WORKFORCE SO THE WORK GROUPS MET ABOUT THIS SEVERAL TIMES
57:05
AND ORIGINALLY FOCUSED ON TURNOVER RATES HOWEVER WE PIVOTED SLIGHTLY AND THOUGHT IT TRACKING A PROVIDER TO OLDER
57:10
ADULT RATIO IS MORE ACTIONABLE BASED ON THE ACTUAL DATA SO WE WORK WITH OUR COLLEAGUES AT HQI TO EXPLORE SUPPLY
57:17
SIDE DATA SO HQ HAS CERTIFICATION DATA ON HOME HEALTH AIDS CERTIFIED NURSING ASSISTANCE OF COURSE ONLY A FRACTION OF
57:23
CNA IS WORKING IN HOME SETTINGS AND THAT'S OUR FOCUS HERE SO THERE'S ALSO A GAP WITH PERSONAL CARE AIDS WE ALSO
57:29
EXPLORED CENSUS MICRO DATA AND THE MICRO DATA INCLUDES DATA ON HOME HEALTH AIDS PERSONAL CARE AIDS AS WELL AS CERTIFIED
57:35
NURSING ASSISTANCE SO THE WORK GROUP IS RECOMMENDING TO UTILIZE THE MICRO DATA AS OUR INPUT AS WE DEVELOP THIS DASHBOARD
57:41
SO WE TRACK A PROVIDED OLDER ADULT RATIO ESSENTIALLY WE WANT TO BE ABLE TO TRACK THAT REGIONALLY AND BETTER UNDERSTAND
57:46
STATEWIDE SUPPLY AND THEN ALSO THE REGIONAL LEVEL SO I HAVE ONE LAST DASHBOARD TO SHARE WITH YOU AND THIS IS
57:53
THE PROVIDER POPULATION DIRECT CARE WORKFORCE DASHBOARD AND SO THESE ARE THE NUMBER OF OLDER ADULTS PER DIRECT CARE
58:00
WORKER AND WE HAVE DATA FROM 2018 TO 2022 THE BASELINE IS 18.9 THEY WENT UP
58:05
MARGINALLY TO 19.9 THAT'S WHERE THE STATUS IS LITTLE OR NO CHANGE AND
58:11
SOME IT'S LOADING UP HERE THERE WE GO SO SOMETHING ELSE I
58:16
SHOULD HAVE POINTED OUT IS FOR ALL THESE DASHBOARDS WE HAVE THE HISTORICAL DATE ON THIS DROP DOWN HERE SO FOR THIS
58:21

ONE IT GOES BACK TO 2018 WE HAVE IT FOR ALL THE DIFFERENT DASH TOWARDS
SO SOMETHING I ALSO LIKE TO HEAR FROM THE

58:27

PARTNERSHIP IS WE DON'T HAVE WE DON'T CURRENTLY HAVE DEMOGRAPHIC DATA
ON THIS DASHBOARD AND CURIOUS WHAT

58:32

DEMOGRAPHIC DATA WOULD BE HELPFUL FOR THIS RESPECTIVE DASHBOARD
WHICH SHOULD BE TRACKING IN TERMS OF THE EQUITY INDEX

58:38

AND OF COURSE THE POTENTIAL DRIVERS AS WELL LOVE TO HEAR ABOUT THAT
AND SOME CONTEXT HERE ABOUT THE CNAS

58:45

WE TOOK ABOUT SIX% OF THE CNAS AND INCLUDED THEM THAT'S THE BLS
ESTIMATES THAT ABOUT 6% OF CNA IS WORKING IN HOME

58:52

SETTINGS SO THAT KIND OF MAKES UP THAT THIS RATIO HERE AND ALSO THE
GEOGRAPHY HERE IS BASED ON PUBLIC USE

58:58

MICRO DATA AREAS THAT'S WHAT THE CENSUS DEVELOPS THESE ARE CLUTCH OF
COUNTIES I BELIEVE THEY DON'T

59:05

OVERLAP THEY INCLUDE AT LEAST 100, FOLKS WITHIN EACH WITHIN EACH AREA SO
IF YOU HOVER OVER THE RESPECTIVE GEOGRAPHIES

59:11

YOU CAN GET THE RATE BY THE PUBLIC USE MICRO DATA AREA AND SO FOR

59:17

EXAMPLE YOU LOOK AT NAPA IT'S 55 ADULTS PER DIRECT CARE WORKER THAT'S
THE HIGHER END IF YOU GO TO IMPERIAL COUNTY

59:22

IT'S ONLY 7.4 SO WE HAVE THAT THAT FLEXIBILITY THERE AS WELL SO I'LL PAUSE

59:28

HERE AND OPEN IT UP LEFT TO HEAR ABOUT WHAT WE SHOULD INCLUDE IN THE
EQUITY INDEX AND ALSO THE POTENTIAL

59:41

DRIVERS WHAT HEATHER AGAIN I WOULD SAY ECONOMIC DRIVERS ARE REALLY
IMPORTANT WHEN A HEALTHCARE WORKER CAN GET A

59:47

FAST FOOD JOB AT A HIGHER RATE THAT'S A BIG DECISION FOR THEM TO MAKE SO I

59:52

WOULD DEFINITELY LOOK AT PREVAILING WAGE AGES AND MINIMUM WAGES IN
THOSE AREAS AS A MAJOR

1:00:01

DRIVER THANKS HEATHER GO AHEAD ZIA YEAH AND SIMILAR TO WHAT

1:00:08

HEATHER SAID I THINK IF YOU WANTED TO LOOK AT VARIATION IN RACIAL FROM A
1:00:13

RACIAL PERSPECTIVE IT WOULD NOT BE THE RACE OF THE PROVIDERS BUT THE
PREDOMINANT RACE OF THAT COUNTY OR THAT

1:00:19

AREA SO DO WE SEE THAT IN PREDOMINANTLY WHITE NEIGHBORHOODS THAT OR
ZIP CODES

1:00:25

THERE ARE MORE CAREGIVERS AVAILABLE THAN IN PREDOMINANTLY AFRICAN-
AMERICAN I LOVE THAT ZIA WE'RE

1:00:32

KIND OF STRUGGLING WITH THAT RIGHT BECAUSE THE PROVIDER RACET IN THE
CITY I DON'T KNOW IF IT MATTERS AS MUCH SO THE FOLKS RECEIVING SERVICES
RIGHT THAT'S

1:00:37

WHAT YOU'RE GETTING AT IT MAYBE INCLUDING THAT ON THE EQUITY INDEX GOOD
THOUGHT AGREE

1:00:47

THANKS ANYTHING ELSE WELL THANK YOU ALL I'M GOING TO

1:00:53

STOP SHARING NOW AND I APPRECIATE YOUR FEEDBACK THAT WAS EXTREMELY
HELPFUL AND WE'RE GOING TO SO THE NEXT STEPS

1:01:00

ON THIS IS I THINK TARGET SETTING WITH THE WORK GROUPS THAT'S GOING TO BE
CRITICAL IN OUR NEXT MEETING THE NEXT CATER MEETING COMING UP IN IN MAY

1:01:07

HOPEFULLY WE'LL HAVE SOME TARGETS TO SHARE WITH THE GROUP AND GET
YOUR FEEDBACK THERE AND THESE DASHBOARDS WILL BE FURTHER FLESHED OUT
SO THANK YOU I

1:01:14

THINK WE CAN MOVE ON TO THE NEXT AGENDA ITEM AND SO WE'RE GOING TO
MOVE TO LEORN ABOUT THE RESEARCH AND DATA HUB AND I'M

1:01:20

HAPPY TO HAND IT OVER TO OUR COLLEAGUES FROM THE CENTER FOR DATA
INSIGHTS AND INNOVATION ELIZABETH WILL

1:01:25

PRESENT ON THIS AGENDA ITEM I THINK ELIZABETH ARE YOU GOING TO SHARE
YOUR SCREEN YES BUT I WAS GOING TO LET

1:01:32

NESKA INTRODUCE HERSELF FOR CONFENCE ELIZABETH AND THANKS ROSS AND

1:01:38

THANK YOU EVERYBODY FOR HAVING US HERE TODAY I'M REALLY EXCITED TO
SHARE WHAT WE'VE BEEN UP TO MY NAME IS AGNIESZKA RYKACZEWSKA

1:01:45

I GO BY NESKA AND I AM THE NEW DEPUTY DIRECTOR OF INSIGHTS LAB WITHIN
1:01:51
THE CENTER OF DATA INSIGHTS AND INNOVATION HERE AT CAL HHS I AM VERY
NEW TO THIS ROLE I
1:01:58
THINK I CAN OFFICIALLY SAY IT'S BEEN ABOUT TWO AND A HALF MONTHS AND
NEW TO STATE SERVICE SO IT'S ALL NEW I'M
1:02:05
STILL LEARNING ALL THE ACRONYMS SO BEAR WITH ME BUT I'M REALLY
1:02:11
EXCITED ABOUT THE INSIGHT LAB WITHIN CDI BECAUSE REALLY CDI IS CHARGED
WITH
1:02:19
CREATING A PERSON CENTERED DATA ECOSYSTEM AT CAL HHS
1:02:25
WHICH SOUNDS GREAT BUT WHAT DOES IT REALLY MEAN AND IN MY MIND WHAT IT
MEANS
1:02:30
IS THAT WE HAVE A TON OF DATA WITHIN CAL HHS BUT IT TENDS TO LIVE IN SILOS
IT
1:02:35
DOESN'T TALK TO EACH OTHER AND SO WE'RE LIMITED ON THE TYPES OF INSIGHTS
THAT WE CAN REALLY SEE THEY TEND TO BE LIMITED
1:02:42
TO THE PROGRAM THEY TEND TO BE PROGRAM SPECIFIC BUT WHAT ABOUT THE
FACT THAT
1:02:47
INDIVIDUALS ARE SERVED BY MULTIPLE PROGRAMS AND LOOKING AT THEM MORE
HOLISTICALLY IN TERMS OF THEIR NEEDS AND
1:02:53
SO THAT'S REALLY WHAT THE INSIGHTS LAB IS DRIVING TOWARDS IS TO MERGE
TOGETHER
1:02:58
ALL OF THESE DIFFERENT DATA SITES AND CREATE AN ECOSYSTEM WITHIN CAL
HHS THAT
1:03:04
ALLOWS US TO LOOK ACROSS PROGRAMS AND REALLY FOCUS ON THE INDIVIDUAL
1:03:09
HOLISTICALLY AND ELIZABETH WILL BE SHARING ONE REALLY EXCITING EFFORT
THAT
1:03:14
IS AN EXAMPLE OF THIS TYPE OF WORK RELATED TO HOMELESSNESS TODAY
1:03:22

NOW A LITTLE BIT OF BACKGROUND ON ME SO LIKE I SAID I'M NEW TO THE CENTER FOR

1:03:27

DATA INSIGHTS AND INNOVATION I AM BY TRAINING AN APPLIED RESEARCHER AND PROGRAM EVALUATOR I HAVE

1:03:35

ABOUT A DECADE OF VARIOUS PROGRAMS FROM EDUCATION SOCIAL SERVICES BEHAVIORAL

1:03:40

HEALTH JUST ABOUT ANY OTHER TYPE OF PROGRAM THAT'S OUT THERE TO HELP PEOPLE I'VE PROBABLY DONE AN EVALUATION OF ONE

1:03:48

AND SO MOST RECENTLY I WAS WORKING WITH FIRST FIVE LA WHICH IS AN EARLY

1:03:53

CHILDHOOD FOCUSED COMMISSION IN LA COUNTY REALLY LOOKING AT HOW DO WE

1:04:01

USE DATA AND WHAT'S THE MOST CRITICAL DATA THAT WE NEED TO BE TRACKING AND THAT REALLY SMARIZES MY APPROACH TO

1:04:10

DATA I REALLY DON'T WANT TO TRACK DATA FOR DATA'S SAKE DO STUDIES FOR STUDY SAKE THAT ARE JUST GOING TO SIT ON A

1:04:16

SHELF MY FOCUS IS HOW DO WE GET TO THE MOST CRITICAL INSIGHTS THAT ARE REALLY GOING TO CREATE CHANGE AND ALONG THE WAY

1:04:23

WHAT DO WE NEED TO DO TO MAKE SURE THAT THOSE INSIGHTS GET USED AND REALLY APPLIED ONCE WE HAVE NEW KNOWLEDGE TO

1:04:31

TO OFFER SO THAT WE CAN REALLY IMPROVE SERVICES FOR CALIFORNIANS SO THAT'S A LITTLE BIT

1:04:37

ABOUT ME I WANTED TO INTRODUCE MYSELF I'M REALLY EXCITED ABOUT THIS PARTNERSHIP ROSS GOT TO TELL ME A LITTLE

1:04:44

BIT ABOUT WHAT YOU'VE ALREADY DONE AND IT'S JUST SUCH AN EXCITING PIECE I THINK

1:04:49

FOR ME WITH THE INSIGHTS LAB THERE'S THE ECOSYSTEM PART OF IT BUT I THINK AS PART OF THAT ECOSYSTEM ONE OF

1:04:56

THE PIECES THAT I REALLY WANT TO BRING INTO THE CONVERSATION IS CREATING COMMUNITIES OF PRACTICE WITH RESEARCHERS

1:05:03

REALLY BRINGING THE EXPERTISE OF OUR RESEARCH COMMUNITIES INTO THIS
WORK AS
1:05:08
WELL SO THAT WE'VE GOT ALL OF THE DATA THAT CALS HAS PAIRED WITH THE
EXPERTISE
1:05:14
AND KNOWLEDGE AND WORK THAT RESEARCHERS ARE DOING OUTSIDE OF CAL AND
I THINK
1:05:19
BETWEEN PUTTING ALL OF THOSE INGREDIENTS TOGETHER WILL CREATE
SOMETHING TRULY
1:05:24
MAGICAL SO WITHOUT FURTHER ADO I DO WANT TO HAND IT OFF TO ELIZABETH TO
1:05:30
SHARE ABOUT THIS HOMELESSNESS EFFORT BECAUSE I THINK IT REALLY TRULY
1:05:35
DEMONSTRATES WHAT WE'RE TRYING TO DO AND WHAT WE'RE TRYING TO WORK
TOWARDS WITH THE INSIGHTS LAB SO I'LL TAKE ANY
1:05:43
QUESTIONS BUT IF THERE'S NO QUESTIONS I'M GOING TO HAND IT OFF TO
1:05:53
ELIZABETH ALL RIGHT ELIZABETH TAKE IT AWAY THANKS
1:05:58
NESKA AND HELLO EVERYONE AND I JUST WANT TO START BY SAYING I'M SO
1:06:06
HAPPY TO HAVE NESKA WITH US LEADING THE INSIGHTS LAB SHE IS AN AMAZING
VALUE ADD
1:06:11
TO CV AND IT IS SO WONDERFUL TO HAVE HER IN THIS GROUP WITH YOU ALL SO
REALLY
1:06:18
LOOKING FORWARD TO SEEING WHAT COMES OF THESE COLLABORATIONS I'M
GONNA GO AHEAD AND SHARE MY SCREEN WILL BE TALKING TODAY
1:06:25
ABOUT AN EFFORT TO INTEGRATE HOMELESSNESS DATA ACROSS HHS AND WITH
HDIS DATA SO ROSS WAS SO HAPPY TO HAVE
1:06:33
YOUR PRESENTATION EARLIER AND JUST YOU HAVE THAT THAT BACKGROUND FOR
THIS THIS CONVERSATION AS WELL ALL
1:06:42
RIGHT CAN YOU SEE MY SCREEN YES LOOKS
1:06:48
AWESOME AND I'M GOING TO ALSO GO OFF VIDEO WHILE I'M PRESENTING MY
1:06:53

BAND WITH DOESN'T SEEM TO LIKE THE TWO OF THOSE TOGETHER SO WE ARE
HERE TO TALK TODAY ABOUT

1:07:02

THE LATEST USE CASE FOR THE AGENCY DATA HUB WHICH IS HOMELESSNESS
DATA

1:07:07

INTEGRATION AND AN AGENCY LEVEL DIGITAL DATA

1:07:13

PRODUCT SO THE NEED THERE I MEAN THERE'S A LOT OF NEEDS BUT IN THE IN THE

1:07:20

THE FIRST SETTING OF THIS USE CASE WHAT WE'RE DOING IS WE'RE CREATING A
BUP OR A

1:07:26

DATA SHARING AGREEMENT BETWEEN CAL ICH WHICH HOLDS THAT
HOMELESSNESS HDIS DATA

1:07:34

AS WELL AS WITH CDI AND CAL HHS DEPARTMENTS AND THERE IS A SLIGHTLY

1:07:42

DIFFERENT NEED AT THE DEPARTMENT LEVEL AND THE AGENCY LEVEL BUT THEY
REALLY DO COMPLEMENT AND CROSSOVER IN REALLY

1:07:50

GREAT WAYS SO AT THE DEPARTMENT LEVEL THERE'S A NEED TO BE ABLE TO
ASSESS AND EVALUATE THEIR HOMELESSNESS AND

1:07:57

SAFETY NET PROGRAMS THE EFFECTIVENESS THE DESIGN AND SO FORTH AND
ALSO MEASURE

1:08:04

HOUSING INSTABILITY AND IDENTIFY WHO IS OR ISN'T RECEIVING THEIR SERVICES
WITHIN

1:08:10

THEIR PROGRAMS AND THEIR DEPARTMENTS AND AT THE AGENCY LEVEL WE WANT
TO DO MANY OF THESE SAME ANALYSES

1:08:18

BUT AT A HOLISTIC HHS LEVEL WE WANT TO BE ABLE TO UNDERSTAND

1:08:24

THE INTERPLAY BETWEEN HHS SERVICES AND HOMELESSNESS TRENDS WHO IS

1:08:32

RECEIVING SERVICES FROM WHICH PROGRAMS AND WHAT HAPPENS TO THOSE
FOLKS TO BE

1:08:40

ABLE TO UNDERSTAND THEIR OUTCOMES AND REALLY KIND OF WALK THROUGH
THEIR

1:08:45

EXPERIENCES YOU KNOW WHAT ARE THE JOURNEYS THAT A PERSON TAKES THROUGH HOMELESSNESS AND THROUGH

1:08:51

HHS SO YOU CAN SEE THE COMPLIMENTARY NATURE BETWEEN THE

1:08:57

DEPARTMENT LEVEL AND AGENCY LEVEL USE CASES AND SO WE TALK MORE ABOUT THOSE

1:09:03

NEXT SO THE HOW LIKE NESKA JUST SAID WE'RE LOOKING TO LINK CURRENTLY

1:09:09

SILOED DATA SETS THIS IS ANYTHING HAVING TO DO WITH HOMELESSNESS DATA

1:09:16

WHETHER IT'S SPECIFIC TO A HOMELESSNESS PROGRAM FOR SERIES OF SERVICES LIKE THE HDIS OR WHETHER IT'S POPULATION

1:09:24

DATA WHETHER IT IS COUNT DATA WE WANT TO

1:09:29

TAKETH SORRY TO HOP IN THE MIDDLE I'M SORRY I THINK SOME ISSUES WITH THE VOLE IF YOU COULD THIS POSSIBLY TURN

1:09:35

THE VOLE UP A BIT SORRY TO INTERRUPT YOU NO THANK YOU FOR THAT IS THAT A LITTLE BIT BETTER FOR ME IT IS I THINK

1:09:42

YEAH THAT IS PERFECT THANK YOU ELIZABETH THAT'S PERFECT I APPRECIATE YOU

1:09:47

SAYING SOMETHING THANK YOU SO WE'RE GOING TO BE LINKING DIFFERENT DATA SETS

1:09:53

TOGETHER THEY'RE CURRENTLY SILOED WE'RE GOING TO LEVERAGE SUPPLEMENTAL DATA SETS WE'RE GOING TO BE CREATING INTEGRATED

1:10:00

DATA SETS THAT WILL HELP US GIVE A FULLER PICTURE OF WHAT'S GOING ON AND ALSO BUILD AN AGILE DIGITAL DATA PRODUCT

1:10:07

FOR AGENCY LEVEL USE CASES AND OF COURSE COLLABORATION IS KEY SO AGENCY

1:10:14

AND DEPARTMENT COLLABORATION WILL REALLY BE CRITICAL FOR ALIGNING OUR HOMELESSNESS EFFORTS AND ANALYSES FOR

1:10:22

ALIGNING OUR STORYTELLING AND UNDERSTANDING AND TO LEVERAGE OUR RESPECTIVE EFFORTS YOU KNOW WE

1:10:28

DEFINITELY DON'T WANT TO BE DOING DUPLICATIVE WORK WE DON'T WANT TO BE COMING UP WITH SEEMINGLY CONFLICTING

1:10:33

FINDINGS WE REALLY WANT TO BE WORKING TOGETHER AND TYING ALL OF OUR EFFORTS

1:10:40

TOGETHER IN TERMS OF WHAT DATA WILL BE INTEGRATED WE HAVE A STARTING POINT

1:10:46

RIGHT NOW WITH THE CAL ICH CIS STATEWIDE DATA WE'RE ALSO GOING TO BE LOOKING

1:10:54

AT THE POINT IN TIME HOMELESSNESS COUNTS TO START GETTING AN UNDERSTANDING OF HOW MANY FOLKS ARE EXPERIENCING

1:11:01

HOMELESSNESS AND THE FIRST BCP IS WITH TWO DEPARTMENTS WITH THE DEPARTMENT OF

1:11:06

HEALTH CARE SERVICES AND THE DEPARTMENT OF SOCIAL SERVICES WE'LL BE PULLING IN MEDICAL DATA CAL FRESH DATA CAL SAWS CAL

1:11:16

WORKS AND OTHER DATA SETS THAT ARE SPECIFIC TO HOUSING AND HOMELESS PROGRAMS BUT THIS THIS IS REALLY JUST

1:11:23

THE STARTING POINT THE DATA SHARING AGREEMENTS ARE A GOOD A

1:11:29

GOOD LIFT SO WHAT WE'RE DOING IS AN ITERATIVE APPROACH WHERE WE'RE GETTING STARTED WITH THE FIRST COUPLE OF CAL

1:11:35

DEPARTMENTS AND THEN WE'LL BE DOING AMENDMENTS TO INCORPORATE ADDITIONAL CALHHS

1:11:42

DEPARTMENTS WE ARE THINKING ABOUT PULLING IN DATA FROM THE DEPARTMENT OF STATE HOSPITALS LOOKING AT THEIR PATIENT

1:11:50

RELEASE DATA AND SEEING ABOUT THAT TRANSITION FROM HAVING INSTITUTIONAL CARE TO INDEPENDENT LIVING

1:11:57

AND SEEING WHAT THE TRIGGERS AND CORRELATIONS MIGHT BE AROUND HOMELESSNESS THERE WE'LL BE PULLING DATA

1:12:05

FROM THE DEPARTMENT OF REHABILITATION WHO PROVIDES VOCATIONAL REHABILITATION SERVICES FOR INDIVIDUALS WITH

1:12:11

DISABILITIES AND SEEING OVERLAYS WITH THOSE SERVICES AND INDIVIDUALS WHO ARE HOMELESS ALSO LOOKING WITH WORKING

1:12:19

WITH HIAI FOR HOSPITALIZATION DATA WITH CDPH FOR WITH THEIR CAL DATA WHICH LOOKS

1:12:26

AT INFECTIOUS DISEASES DEATH DATA WOMEN INFANTS AND CHILDREN DATA AND THEN

1:12:32

DHCS AND CDPH BOTH HAVE REALLY GREAT BEHAVIORAL HEALTH DATA THAT WE CAN PULL

1:12:39

IN AND SO JUST DOING A LANDSCAPE ASSESSMENT OF STARTING TO GET A SENSE OF

1:12:45

WHAT DIFFERENT KINDS OF DATA SETS DO WE HAVE THAT WE CAN PULL TOGETHER AND START

1:12:50

INTEGRATING WE'RE ALSO INTERESTED IN FUTURE EXPLORATIONS OUTSIDE OF CAL HHS

1:12:57

TO BE SEEING WHAT WE CAN WORK WITH THE DEPARTMENT OF EDUCATION WITH CORRECTIONS IN REHABILITATION AND WITH

1:13:03

VETERANS

1:13:08

AFFAIRS FOR THE AGENCY LEVEL PRODUCT THERE'S A QUESTION ABOUT WHAT WILL THIS

1:13:15

DATA PRODUCT BE LIKE WE ARE NOT GOING TO BE BUILDING A DASHBOARD SO A BIG PART

1:13:22

OF THE NEED IS FOR EXECUTIVE LEADERSHIP AT THE AGENCY LEVEL BUT ALSO THE

1:13:28

DEPARTMENT LEVEL TO BE ABLE TO ASK A QUESTION AND GET AN ANSWER SO WE'RE

1:13:33

LOOKING TO BUILD AN AGILE DATA ANALYSIS AND VISUALIZATION TOOL THAT WOULD BE A

1:13:39

REALLY NAVIGATED BY EXPERTS BY ANALYSTS BY SUBJECT MATTER EXPERTS AND

1:13:45

THAT WOULD PRODUCE REPORTS AND VISUALIZATIONS AND SMARIES BASED ON THE QUESTIONS AND NEEDS OF EXECUTIVE

1:13:52
LEADERSHIP SO A DIFFERENT TYPE OF DATA PRODUCT BUT ONE THAT ENABLES US
TO INTERFACE RELATIVELY QUICKLY AND EASILY

1:14:00
WITH THIS DATA COMING IN FROM ALL THESE DIFFERENT

1:14:06
SOURCES WE HAVE SO MANY USE CASES AROUND HOMELESSNESS AND SO MANY
QUESTIONS TO

1:14:12
ANSWER ONE OF THE THINGS WE'RE LOOKING AT IS WHAT SHOULD WE ANSWER
FIRST AND THE VERY FIRST PLACE

1:14:19
WE'RE GOING TO BE GOING IS TO LOOK AT HOW MANY PEOPLE ARE HOMELESS
ACCORDING TO WHAT SOURCES SO WHAT WE KNOW RIGHT

1:14:27
NOW IS THAT THERE'S SOME PRETTY BIG VARIATION IN DIFFERENT SOURCES
ESTIMATES

1:14:32
OF CALIFORNIA'S HOMELESS POPULATIONS SO LET'S LOOK AT WHAT THOSE
COUNTS ARE WHAT

1:14:39
THOSE SOURCES ARE AND WHAT WHERE WE MIGHT GET TO THE BEST ESTIMATE
WE CAN

1:14:47
WITH THE DATA THAT WE HAVE WE WANT TO HAVE A GENERAL SENSE OF WHERE
THESE FOLKS ARE LIVING AND WHAT

1:14:54
SERVICES THEY'RE RECEIVING ACROSS CAL HHS AND THEN IT STARTS LOOKING AT
THE

1:15:00
FOCUS BACK TO EXPERIENCES AND OUTCOMES SO THIS IS GOING BACK TO
HOLISTICALLY

1:15:05
ANALYZING THE INTERPLAY BETWEEN OUR SERVICES AND HOMELESSNESS TRENDS
UNDERSTANDING THOSE OUTCOMES OF THE

1:15:12
COLLECTIVE SERVICE PROVISION AND THEN AGAIN BACK TO THAT PERSON'S
JOURNEY SO MANY QUESTIONS TO ANSWER

1:15:19
BUT ALL FOCUSED IN THESE GENERAL AREAS AND OF COURSE SHARING IS CARING
SO WE

1:15:28
WANT TO JUST REALLY CALL OUT ALL IDEAS ARE WELCOME WE WANT TO
COLLABORATE WITH

1:15:33
DEPARTMENTS WE WANT TO COLLABORATE WITH STAKEHOLDERS WE REALLY
WANT TO HEAR ABOUT OTHER PEOPLE'S IDEAS FOR WHAT DATA
1:15:41
SETS WE SHOULD BE CONSIDERING PULLING IN WHAT OTHER QUESTIONS COULD
WE ASK
1:15:47
WHAT ARE OTHER VISIONS FOR COMPILING AND ANALYZING HOMELESSNESS
1:15:52
DATA AND THEN WHO ELSE TO CONCLUDE WHO WANTS OR NEEDS TO STUDY
HOMELESSNESS
1:15:59
DATA WHO MIGHT BE ABLE TO LEVERAGE THE DATA ASSETS THAT WE'RE
PRODUCING DURING PRODUCT DEVELOPMENT SO ONE OF THE
1:16:07
THINGS THAT CDI WILL BE DOING AS WE MOVE FORWARD WITH PRODUCT
DEVELOPMENT IS
1:16:12
CREATING AN INTEGRATED HOMELESSNESS DATA SET THAT LOOKS AT DATA FROM
1:16:19
HDIS AS WELL AS DATA FROM OTHER SOURCES OF HOME LENSE COUNTS AS WELL
AS PROGRAM
1:16:26
PARTICIPATION DATA AS WELL AS CAL HHS PROGRAM DATA WHERE THERE'S AN
INDICATOR
1:16:33
OF HOMELESSNESS BUT THAT WHEN THAT PERSON IS NOT IN THE STATEWIDE HDIS
DATA
1:16:39
SET SO WE REALLY WANT TO START PULLING TOGETHER ALL OF THESE DIFFERENT
SOURCES
1:16:44
TO HAVE THIS ROBUST INTEGRATED DATA SET THAT GETS REGULARLY UPDATED
AND YOU
1:16:49
KNOW ALWAYS OF COURSE ACKNOWLEDGING PRIVACY AND LEGAL AUTHORITY WE
WANT TO SHARE SO REALLY LOOKING
1:16:56
FORWARD TO COLLABORATIONS AND CONVERSATIONS WITH YOU AND WITH
1:17:01
CAL HHS OVERALL AND STOP
1:17:08
SHARING ANY QUESTIONS ELIZABETH WELL I'M THAT IS
1:17:14

THIS IS PHENOMENAL I'M JUST BLOWN AWAY I'M KIND OF SPEECHLESS RIGHT NOW
AND ABOUT THE HOMELESSNESS MEASURE THAT WE'RE WORKING ON THAT I
1:17:19
PRESENTED ON WHAT A GREAT INPUT AND LIKE LINKING THESE ADMINISTRATIVE
DATA SETS THAT'S SO CRITICAL AND I WISH THE STATE
1:17:25
ACTUALLY DID THAT MORE SO THANK YOU SO MUCH AND THEN I JUST WANT TO
SAY THAT FOR WE OPEN FOR QUESTIONS BELLA HAS
1:17:31
HER HAND UP I KNOW I KEEP SAYING THIS BUT THIS IS SO EXCITING THANK YOU
FOR AN AMAZING
1:17:39
PRESENTATION AND YOU KNOW ONE OF THE THINGS YOU KNOW WE'VE REALLY
BEEN
1:17:44
TALKING ABOUT IN OUR IN OUR COMMITTEE IS THAT WE HAVEN'T BEEN ABLE TO DO
1:17:49
CAUSAL INFERENCE BECAUSE WE JUST DON'T HAVE THE DATA AND WHAT YOU
1:17:56
JUST PRESENTED WOULD ALLOW US TO DO THE RESEARCH WE'VE BEEN WANTING
TO DO FOR A DECADE SO ALL I HAVE TO SAY IS WE'RE
1:18:04
INCREDIBLY EXCITED I MEAN I THINK FOR ANY INDIVIDUAL QUESTION YOU KNOW IF
YOU'RE LOOKING AT YOU KNOW WHAT IS THE EFFECT OF YOU KNOW INTERVENTION
A ON
1:18:11
OUTCOME B YOU KNOW THE PARTICULAR VARIABLES YOU'D NEED FOR THAT YOU
WOULD COME UP IN THAT PROJECT BUT
1:18:18
WHAT YOU PRESENTED LOOKED GOOD ENOUGH TO DO MOST OF WHAT WE
1:18:23
WANT TO DO AND MY ONLY QUESTION IS WHEN CAN WE GET STARTED THIS IS
AMAZING
1:18:28
EXCITING AND WILL BE TRANSFORMATIVE IT'LL LET US DO REALLY GOOD RESEARCH
SO THANK
1:18:34
YOU THANK YOU SO MUCH BELLA THAT THAT'S REALLY AWESOME TO HEAR AND
REALLY
1:18:40
EXCITING THE WHEN IS SUCH A GREAT QUESTION SO I'M GONNA SAY
1:18:46
THIS JUST REALLY CANDIDLY IT'S IT IS A CHALLENGING THING TO PUT TOGETHER A
BCP

1:18:51

DATA SHARING AGREEMENT CROSS DEPARTMENTS IT I KNOW THAT'S WHY IT'S SUCH A BIG

1:18:57

DEAL SUCH A BIG DEAL BUT YOU KNOW WE'RE AT A REALLY GOOD SPOT WE HAVE BEEN CHUGGING ALONG SO WE'RE NOT SHARING

1:19:05

THIS PRESENTATION AT THE VERY START OF THE EFFORTS WE'RE I THINK WE'RE LET SEE WE'RE ABOUT THE THREE QUARTER WAY

1:19:10

THROUGH SO WE'RE REALLY HOPEFUL THAT WE WILL HAVE THE DATA

1:19:17

SHARING AGREEMENT IN PLACE BEFORE THE END NO PROBLEM WITH OF MEETING ESPECIALLY WITH

1:19:23

I'M SORRY BEFORE THE END OF WHAT THE CURRENT FISCAL YEAR OKAY AND THAT FOR YOU GUYS IS AUGUST OR I'M SORRY COULD

1:19:32

YOU PLEASE MUTE WHOEVER IS UNMUTED PANEL MEMBERS JUST PLEASE BE THANK YOU AND THE CURRENT FISCAL YEAR FOR

1:19:39

THE STATE IS JUNE 30TH OKAY SO WONDERFUL YEAH GREAT THANK YOU

1:19:49

ABSOLUTELY OTHER QUESTIONS FROM PANEL MEMBERS

1:19:58

I DON'T SEE ANY HANDS THANK YOU SO MUCH GO AHEAD I'M SORRY I'LL JUMP IN IF I CAN TAKE A JUST A COUPLE OF SECONDS

1:20:04

BECAUSE ONE OF THE THINGS THAT I'M IN THE VERY EARLY STAGES OF THINKING ABOUT IS YOU KNOW ONCE WE HAVE

1:20:12

ELIZABETH'S DATA SET IN PLACE WE'RE GOING TO START CHUGGING AT THE

1:20:19

ANALYSES RIGHT BUT THAT GIVES US NUMBERS IT DOESN'T GIVE US THE STORY AND ONE OF

1:20:26

THE THINGS THAT I'M THINKING ABOUT IS HOW DO WE CREATE A COMMUNITY WHERE WE CAN BRING THOSE NUMBERS TO FOLKS WITH

1:20:33

LIVED EXPERIENCE WHO FOLK WITH FOLKS WHO HAVE BEEN RESEARCHING THESE TOPICS FOR AGES AND AGES AND THEY HAVE ALL THE

1:20:39

EXPERTISE WITH POLICY MAKERS WITH A VERY DIVERSE GROUP OF PEOPLE TO REALLY

1:20:45

TAKE A LOOK AT THESE NUMBERS AND UNDERSTAND WHAT MIGHT BE GOING ON
HERE AND HOW CAN WE REALLY UNDERSTAND BEYOND

1:20:52

JUST NUMBERS BEYOND JUST TRENDS WHAT THE STORY MIGHT BE WHERE WHAT
OTHER QUESTIONS WE NEED TO ASK WHAT KINDS

1:20:59

OF RECOMMENDATIONS MIGHT BE MADE BASED OFF OF WHAT WE'RE
SEEING

1:21:05

AND JUST KIND OF WANTED TO NOTE THAT HERE BECAUSE I'M PROBABLY GOING
TO BE COMING AT SOME POINT TO THIS GROUP TO

1:21:10

SAY WOULD ANYBODY BE INTERESTED YOU KNOW BECAUSE I REALLY ONE OF THE
1:21:17

THINGS THAT'S REALLY IMPORTANT TO ME IS AS WE TELL THAT STORY AS AND
ELIZABETH NOTED WE'RE REALLY WANTING TO ALIGN NOT

1:21:23

JUST ON THE DATA WORK THAT WE'RE DOING BUT ALSO ALIGNING ON THE
STORYTELLING PIECE OF IT AND I REALLY WANT THAT TO BE

1:21:30

GROUNDING WITH THOSE THAT HAVE VARIOUS TYPES OF EXPERTISE RELATED TO
THESE ISSUES SO JUST KIND OF ALSO WANTED TO

1:21:37

CREATE THAT KIND OF SHOUT OUT I AM SAID AT THE VERY EARLY STAGES OF
THINKING ABOUT THIS SO I HAVE NO DETAILS ABOUT

1:21:44

WHEN OR HOW OR WHAT IT'S GOING TO LOOK LIKE OR HOW I'M GOING TO MAKE IT
HAPPEN BUT JUST WANTED TO CALL OUT THAT THAT'S

1:21:49

ANOTHER REALLY IMPORTANT PIECE FOR ME THANKS NESA WE APPRECIATE THAT
AND I

1:21:56

THINK THE PARTNERSHIP IS REALLY INTERESTED IN THIS THIS WORK SO WE'RE
DEFINITELY A THANK

1:22:02

YOU I DON'T SEE ANY OTHER HAND SO THANK YOU SO MUCH THAT WAS REALLY
INTERESTING LOOK FORWARD TO COLLABORATING GOING

1:22:09

FORWARD SO WE CAN MOVE ON TO THE LAST AGENDA ITEM AND I COULD KICK
THINGS OFF AND I'M EXCITED ABOUT THIS AGENDA

1:22:16

ITEM BECAUSE THIS IS ABOUT COLLABORATION AND SO THE PURPOSE OF THIS
WHEN TO PULL UP THE SLIDES HERE

1:22:23

AND SO THE PURPOSE OF THIS THIS FUNNEL AGENDA ITEM IS FOR THE PARTNERSHIP TO AGREE IN A COMMON SET OF GOALS AND PRIORITIES AND I'M HOPING THAT

1:22:29

WE CAN COME BACK TO THIS KIND OF AS GOALS AND PRIORITIES DISCUSSION MAYBE EVERY MEETING AND ALSO IT'S AN

1:22:34

OPPORTUNITY FOR FOLKS IN THE PARTNERSHIP TO PRESENT AND IDEAS FOR

1:22:41

COLLABORATION JUST WAITING FOR THE SLIDES TO POP UP BUT I SENT OUT A GO AND PRIORITIES DOCENT MAYBE A COUPLE WEEKS

1:22:47

AGO AND THAT'S GOING OF SPURRED THIS CONVERSATION SO FOR TODAY AND THIS THIS THIS AGENDA ITEM MYSELF ANGIE AND Z WILL

1:22:53

PRESENT IN SOME OF OUR EFFORTS AND WELCOME YOUR FEEDBACK AND OPPORTUNITIES TO WORK WITH US SO GO BACK ONE

1:23:01

SLIDE PLEASE THANK YOU AND SO ALSO THE PURPOSE

1:23:08

OF EXERCISE IS TO PLAN FOR THE UPCOMING DAY OF ACTION SO OUR LAST DAY OF ACTION WAS SEPTEMBER 2022 THAT WAS BEFORE MY

1:23:14

TIME I JOINED CDA IN DECEMBER BUT I KNOW A LOT OF YOU CAME TO THE 2022 DAY OF

1:23:20

ACTION AND I THINK FOR THE RESEARCH PARTNERSHIP AND IN PARTICULAR THEY PRESENTED ON THE PARTNERSHIP AND OUR

1:23:25

PLANS OVER THE NEXT COUPLE OF YEARS AND SO NOW WE HAVE OUR NEXT DAY OF ACTION COMING UP AND THE PURPOSE OF THIS DAY OF

1:23:30

ACTION SIMILAR IS TO GATHER RECOMMENDATIONS AND PROVIDE UPDATES ON SOME OF THE PRIORITY WORK OF THE PARTNERSHIP AND SO WE HAVE THREE

1:23:36

PARTNERSHIP MEETINGS INCLUDING THIS ONE BEFORE THE DAY OF ACTION SO I'M HOPING WE COULD USE THESE MEETINGS TO PRIORITIZE WHAT WE LIKE TO PRESENT AT

1:23:43

THE DAY OF ACTION SO THE DAY OF ACTION IS ON TUESDAY OCTOBER 8TH IT'S GOING TO BE IN DOWNTOWN SACRAMENTO THE

1:23:48

CONVENTION CENTER TIMES TBD BUT PLEASE WE WOULD LOVE TO HAVE YOU THERE OR MARK IT ON YOUR ON YOUR CALENDAR AND

1:23:55

SO I'M HOPING YOU CAN GO THE NEXT SLIDE PLEASE TELL PRIORITIZE WHAT WE'RE GOING TO PRESENT AT THE DAY OF ACTION WE DEVELOPED A DRAFT OF DIFFERENT TOPICS WE

1:24:01

FEEL ARE IMPORTANT AND THIS IS NOT AN EXHAUSTIVE LIST IT'S ALSO FLUID BECAUSE BASED ON YOUR FEEDBACK IT'S

1:24:07

PROBABLY GOING TO CHANGE AND WE OBVIOUSLY CAN'T PRESENT EVERYTHING SO WE'LL KIND OF WORK ON FOCUSING THE SCOPE OF THIS LIST DURING THESE MEETINGS SO

1:24:15

JUST WANT TO POINT OUT A COUPLE HIGHLIGHTS I THINK CHAMPIONING THE NEED TO LINK ADMINISTRATIVE DATA THAT'S THE FOURTH ROW THIS PERFECT SEGUE LAST BASED

1:24:21

ON THE LAST PRESENTATION WE HAD THAT'S CRITICAL RIGHT WE KNOW THE IMPORTANT INSIGHTS WE CAN GAIN WHEN WE LINK

1:24:28

THESE ADMINISTRATIVE DATA THERE'S A COUPLE TOPICS RELATED TO BEHAVIORAL HEALTH THAT W HEALTH IS LEADING IN SOME'S EFFORTS AND ZIA WILL DISCUSS THAT

1:24:35

HERE IN A FEW MINUTES ADVANCED DATA COLLECTION OF THE DIRECT CARE WORKFORCE AND THE FAMILY AND FRIENDS

1:24:40

CAREGIVERS THAT'S REALLY CRITICAL ESPECIALLY AS YOU MOVE ALONG THE OUTCOMES PROCESS AND THE LAST WAS ABOUT COLLECTING DATA ABOUT THE

1:24:46

EXPERIENCES AND NEEDS OF THE OLDER ADULT LGBTQA COMMUNITY AND MYSELF AND ANGIE WILL SPEAK TO SOME OF THAT WORK SO

1:24:54

WE'LL PROBABLY HAVE TIME I'M NOT SURE BUT IF ANY OTHER PARTNERSHIP MEMBERS WANT TO SHARE SOME OF THE WORK THAT THAT

1:24:59

THEY'RE INVOLVED IN PLEASE FEEL FREE IF NOT YOU CAN THINK ABOUT IT FOR THE NEXT PARTNERSHIP MEETING GO THE NEXT

1:25:05

SLIDE PLEASE SO WITH THAT I'D LIKE TO MOVE US ALONG AND PROVIDE YOU WITH AN UPDATE ON A SURVEY THAT SOME OF YOU HAVE PROBABLY HEARD ABOUT AND THAT'S OUR

1:25:10

OLDER ADULT LGBTQA PLUS SURVEY REALLY EXCITED TO ANNOUNCE THAT IT'S LIVE AS OF JANUARY 8TH

1:25:18

THIS EFFORT CAME ABOUT BECAUSE STATES NEVER COLLECTED DATA ON THE OLDER DEL LGBTQ COMMUNITY AND ALL THE WORK THAT WE

1:25:23

UNDERTAKEN IS GROUNDED WITH EQUITY AND LIFTING UP UNDERSERVED COMMUNITIES BUT WITHOUT DATA WE DON'T FULLY UNDERSTAND THE NEEDS AND THE

1:25:29

EXPERIENCES OF THE COMMUNITY AND WE ALSO ALLOCATING RESOURCES AS ACCURATELY AS WE COULD BE AND THAT'S WHY

1:25:36

THIS SURVEY IS SO IMPORTANT WHY WE'RE EXCITED TO GET THIS OUT IN THE FIELD SO CDA IS PROUD TO SUPPORT THIS EFFORT AND

1:25:41

WE'RE WORKING WITH A GREAT TEAM WE PARTNERED WITH THE CITRUS TEAM AT UC BERKELEY OPENHOUSE IN SAN FRANCISCO AND

1:25:47

A REALLY TALENTED RESEARCH TEAM AT UCSF SO OPEN HOUSE HAS LED EFFORTS TO

1:25:52

ENSURE THAT WE WORK CLOSELY WITH THE COMMUNITY THEY'VE BEEN A GREAT PARTNER AS HAS A CITRUS TEAM HAS REALLY KEPT THIS PROJECT ON TRACK THEY'VE BEEN

1:25:59

GREAT COLLABORATORS AND PROJECT MANAGERS ON THIS EFFORT THE RESEARCH TEAM AT UCSF THAT WE'RE WORKING WITH THESE ARE THE FOLKS THAT ADMINISTER THE PRIDE STUDY IF

1:26:05

YOU'RE FAMILIAR WITH THAT TALENTED VERY TALENTED TEAM THEY'RE VERY WELL VERSED IN SURVEY DESIGN THEY ALSO PRESENT

1:26:12

DATA IN A VERY EASY TO UNDERSTAND MANNER WE THOUGHT THAT WAS REALLY IMPORTANT SO THIS RUN OF THE SURVEYS TO COLLECT BASELINE DATA OUR HOPE IS THAT CDA AND

1:26:19

ONE OF OUR PARTNERS CAN ADMINISTER THE SURVEY HERE PERIODICALLY GOING FORWARD SO WE CAN BUILD UPON THIS

1:26:24

BASELINE DATA SET AND REALLY UNDERSTAND HOW NEEDS ARE SHIFTING AND THE OVERARCHING GOAL IS THAT THESE DATA

1:26:30

INFORMED POLICY AND INFORMED POLICY MAKERS HEALTH CARE PROVIDERS AND ADVOCATES AND OTHERS AND HOW TO IMPROVE

1:26:35

HEALTH CARE ACCESS AND QUALITY FOR THE OLDER ADULT LGBTQIA COMMUNITY BECAUSE WE KNOW BASED ON PREVIOUS RESEARCH THAT THE

1:26:41

LGBTQ COMMUNITY THEY FACE BARRIERS IN TERMS OF ACCESSING HEALTH CARE RECEIVING TIMELY CARE NOT HAVING A USUAL SOURCE OF

1:26:48

CARE AND EXPERIENCING UNFAIR TREATMENT SO WE HOPE THAT THESE DATA CAN HELP LEAD TO IMPROVEMENTS EXPANSION OF

1:26:55

TRAINING ACROSS HEALTHCARE NETWORKS IMPROVED ACCESS TO LGBT LGBTQ AFFIRMING

1:27:01

MEDICAL AND SOCIAL SERVICE PROVIDERS AND THE DEVELOPMENT OF PROGRAMS BASED ON THE NEEDS OF THE COMMUNITY AND THIS SURVEY

1:27:06

ALSO ADVANCES THE GOALS OF THE NPA SO THE SURVEY TOUCHES ON SEVERAL GOAL TOPICS IN IN THE NPA BUT IT REALLY GETS

1:27:12

TO EQUITY WHICH IS WHAT THE NPA IS GROUNDED IN GO TO THE NEXT SLIDE PLEASE SO THIS SLIDE SHOWS A TIMELINE OF

1:27:18

THE STUDY AND SO WE'RE PAST THE PLANNING PHASE AND THIS SURVEY

1:27:24

SURVEY REFINEMENT PHASE HAPPY TO ANNOUNCE WE LAUNCHED THE SURVEY ON JANUARY 8TH SO IT'S LIVE RIGHT NOW WE'LL

1:27:30

CONDUCT ANALYSIS OF THE SURVEY DATA IN SPRING AND THEN WE'LL HAVE OUTPUTS TO SHARE IN EARLY SPRING YOU CAN GO TO THE

1:27:35

NEXT SLIDE PLEASE SO I MENTIONED THAT OPEN HOUSE WAS INSTRUMENTAL IN ENSURING THAT WE WORK CLOSELY WITH THE COMMUNITY ON THIS EFFORT AND SO AN OPEN HOUSE L

1:27:42

EFFORTS TO DEVELOP A STATEWIDE COALITION AND SO THE STUDY TEAM WE PARTED WITH THAT COALITION WE'RE LEANING ON THEM

1:27:47

HEAVILY TO HELP PROMOTE THE SURVEY AND THE COALITIONS COMPRIS OF 52 ORGANIZATIONS THROUGHOUT THE STATE THESE ARE

1:27:53

LGBTQ CENTERS AREA AGENCIES AND AGING HEALTHCARE PROVIDERS COMMUNITY CENTERS ETC AND WE HAVE REPRESENTATION ALL

Commented [CD1]: HERE

1:28:00

THROUGHOUT CALIFORNIA SO LA OTHER PARTS OF SOUTHERN CALIFORNIA
CENTRAL CALIFORNIA THE BAY AREA SACRAMENTO AS

1:28:07

WELL AND A SUBSET OF THAT COALITION SERVED AS THE SURVEY ADVISORY
GROUP AND SO THE RESEARCH TEAM MET WITH THE SURVEY ADVISORY GROUP
SEVERAL TIMES AS

1:28:14

WE DEVELOPED THE ACTUAL SURVEY INSTRENT THEY PROVIDED VALUABLE
FEEDBACK ON WHAT QUESTIONS TO INCLUDE WHAT NOT TO INCLUDE POSSIBLY
RESPONSE

1:28:21

OPTIONS ETC AND WE ALSO UNDERSTOOD THAT IT WAS CRITICAL TO GAIN THE
TRUST OF THE COMMUNITY TO REALLY GAR OUR HIGH

1:28:26

RESPONSE RATE AND I THINK IN PARTNERSHIP AT THE OPEN HOUSE WE MADE
REALLY WE MADE PROGRESS IN IN IN IN THAT REGARD GO

1:28:34

TO THE NEXT SLIDE PLEASE SO I WANT TO SHARE SOME HIGH LEVEL INFORMATION
ABOUT SURVEY METHODOLOGY AND THE SURVEY DOMAINS INCLUDE ECONOMIC
AND SOCIAL

1:28:40

WELLBEING P OVERAL HEALTH AND PHYSICAL HEALTH WE'LL OF COURSE COLLECT
DEMOGRAPHIC DATA FROM SURVEY RESPONDENTS

1:28:45

AS WELL SO WIDE RANGING SURVEYS WE ESTIMATE IT WILL TAKE ABOUT 20 TO 25
MINUTES TO COMPLETE TO QUALIFY TO TAKE

1:28:51

THIS SUR SURVEY ONE MUST IDENTIFY AS A MEMBER OF THE LGBTQIA COMMUNITY
BE AT LEAST 50 YEARS OF AGE AND BE A

1:28:57

CALIFORNIA RESIDENT THIS SURVEY WILL BE AVAILABLE IN IN TAGALA SPANISH
CHINESE AND ENGLISH AND THERE'S GOING TO BE AN

1:29:03

EMPHASIS TO OVER SAMPLE THE BIP POOP COMMUNITY BECAUSE WE WANT TO
MAKE SURE THAT WE COLLECT ENOUGH DATA THAT IT'S SIGNIFICANT AND THE
RESEARCH TEAM AT

1:29:10

UCSF THEY EMPLOY BEST PRACTICES AND THEY HAVE A LOT OF EXPERIENCE IN
SURVEY DESIGN SO REALLY PROUD OF THE

1:29:15

SURVEY AND THEN MY FINAL SLIDE IF YOU COULD JUST MOVE FORWARD ONE SLIDE
IS A HBLE ASK TO YOU I THINK IT'D BE REALLY

1:29:21

HELPFUL IF THE PARTNERSHIP CAN PLEASE HELP PROMOTE THIS SURVEY WE' LIKE TO REACH EVERY COMMUNITY AND REGION IN IN

1:29:27

THE STATE AND EVERY TYPE OF COMMUNITY RURAL FRONTIER URBAN I HAVE SOME PROMOTIONAL MATERIALS I CAN SEND OUT TO

1:29:32

THE THE PARTNERSHIP IT'S AS EASY AS SCANNING THE CODE ON THE SLIDE HERE AND ALSO C IS HOSTING A THE WEB PAGE FOR THE

1:29:38

SURVEY THE LINK IS ON THE SLIDE AS WELL AND WE I'LL PLACE THE LINK IN THE CHAT SORRY TO KIND OF RUSH THROUGH THAT

1:29:45

BUT KIND OF RUNNING SHORT ON TIME SO WITH THAT I WANT TO HAND IT OVER TO DAVID SO DAVID AND ANGIE ARE GOING TO

1:29:50

SPEAK TO SOME FURTHER EFFORTS WITH THE LGBTQ EFFORT I GUESS AND SOME FOCUS

1:29:56

GROUP SO DAVID I'LL HAND IT OVER TO YOU THANK YOU ROSS AND I JUST I'LL KEEP MY

1:30:01

COMMENTS SHORT TO TURN IT OVER TO OUR COLLEAGUE ANGIE PERON WHO WE'RE THRILLED AS THE PROJECT LEAD FOR CONDUCTING

1:30:09

THE NEXT PHASE A SUPPLEMENTAL PHASE BUT I DO HAVE TO CALL OUT THREE SPECIFIC THANK YOUS FIRST TO THE DEPARTMENT FOR

1:30:17

CHAMPING THIS AREA IT HAS BEEN FABULOUS TO HAVE THE SUPPORT THE OPPORTUNITY CREATE THIS STATEWIDE SURVEY WHICH WILL

1:30:24

BE A NATIONAL MODEL AND IS ALREADY HAVING FANTASTIC RESULTS WE IN THE

1:30:29

FIRST WEEK WE RECEIVED 650 RESPONSES AND WITH THIS VAST PROMOTION NOW WE HOPE

1:30:36

TO RAPIDLY EXPAND NOT ONLY TO THOSE WHO ARE EASILY ACCESSIBLE BUT THOSE ACROSS

1:30:41

THE STATE SECOND IT'S BEEN JUST A FABULOUS COLLABORATION OF OUR CITRUS

1:30:47

TEAM WITH UC BERKELEY UC SF AND OPENHOUSE WHO ARE JUST GREAT

1:30:52

PARTNERS IN THIS AREA AND WE HAVE TO THANK MARCY ADELMAN FROM OUR CALIFORNIA COMMISSION ON AGING WHO GOT US STARTED

1:30:58

HERE AND FINALLY AND THIS LEADS TO WHAT WE'RE EXCITED TO SHARE WITH YOU TODAY THAT THROUGH THE SUPPORT OF THREE

1:31:07

ADDITIONAL FOUNDATIONS THIS CALIFORNIA HEALTHCARE FOUNDATION THE META FUND AND THE SCAN FOUNDATION WE'RE

1:31:13

NOW ABLE TO DO A DEEPER DIVE IN FOCUS GROUPS AND THIS WILL HELP US GET TO ALL

1:31:19

AREAS OF THE STATE REALLY LOOK AT POPULATION AND SUBGROUPS THAT HAVE NOT BEEN EVER REALLY IDENTIFIED OR HAD

1:31:27

INPUT INTO OUR PROCESS AND OUR NEEDS FOR THIS VERY IMPACTED POPULATION SO

1:31:34

WITH THAT I'D LIKE TO JUST TURN IT OVER TO ANGIE PERON ASSISTANT PROFESSOR AT BERKELEY WHO IS GOING TO LEAD THIS

1:31:41

EFFORT FOR THE NEXT YEAR SO WITH THAT ANGIE PLEASE TAKE IT AWAY GREAT THANKS

1:31:46

SO MUCH DAVID WE CAN MOVE TO THE NEXT SLIDE IF THAT'S OKAY GREAT SO WE JUST WANTED TO EXPLAIN

1:31:53

A LITTLE BIT ABOUT THE RESEARCH METHODOLOGY YOU HEARD ABOUT THE SURVEY ALREADY SO FOR THE FOCUS GROUPS WE'RE

1:31:59

GOING TO BE USING AN EXPLANATORY SEQUENTIAL DESIGN USING AN EQUITABLE AGING FRAMEWORK THEORETICAL FRAMEWORK

1:32:06

AND SO WE'RE FORTUNATE TO HAVE THE SURVEY IS GOING TO PRODUCE ALL SORTS OF

1:32:11

GREAT INFORMATION AND DATA SO WE'LL BE ABLE TO USE THAT TO HELP CONTEXTUALIZE SOME OF THE SURVEY RESPONSES PROVIDE

1:32:18

SOME SORT OF USE IT SORT OF SORT OF TO PROVIDE SOME EXPLANATION TO AND TO REALLY DIVE INTO THE NUANCES OF SOME OF

1:32:24

THE DISPARITIES THAT WE'RE ANTICIPATING TO FIND AND ALSO POTENTIAL SOURCES FOR

1:32:30

SUPPORT AND OPPORTUNITIES FOR INTERVENTIONS AND PREVENTION AS WELL
AND SO WE'RE TARGETING 10 TO 14 FOCUS

1:32:38

GROUPS THROUGHOUT THE STATE OF CALIFORNIA ALTHOUGH WE'RE IN HOPING TO
DO WITH THE SORT OF THE HIGHER END ALTHOUGH IT DEPENDS ON WHAT WE

1:32:45

END UP HOW THE GROUP SORT OF EMERGE ALSO AIMING FOR 80 TO 100

1:32:51

LGBTQ PLUS OLDER ADULTS 50 YEARS AND OLDER SO MIDLIFE AND OLDER ADULT
AND

1:32:56

THEN WE'RE GOING TO BE DOING RECRUITMENT VIA SURVEY THROUGH THE
PREVIOUS THROUGH THE SURVEY THAT YOU JUST HEARD ABOUT AND THEN
COMMUNITY PARTNERS

1:33:03

AND SO WE HAVE A QUESTION AT THE END OF THE SURVEY THAT ASKS
PARTICIPANTS IF

1:33:08

THEY'RE INTERESTED IN ENGAGING IN ADDITIONAL RESEARCH AND SO THAT WILL
BE A WAY TO SORT OF WE'RE GOING TO

1:33:15

USE THAT TO IDENTIFY POTENTIAL PARTICIPANTS FOR THE FOCUS GROUPS BASED
ON PARTICULAR GROUPS THAT WE'RE

1:33:22

TARGETING AND WE'RE GOING TO BE REALLY TARGETING THE HARDEST TO REACH
THE COMMUNITIES

1:33:28

LGBTQ PLUS COMMUNITIES OLDER ADULT COMMUNITIES THAT HAVE BEEN LESS

1:33:34

VISIBLE ARE SORT OF SMALLER IN NUMBER AND SO WE MAY NOT BE ABLE TO DO

1:33:39

SORT OF CERTAIN TYPES OF STATISTICAL ANALYSES BASED ON THE SMALLNESS OF
THE POPULATION OR THE SAMPLE ITSELF BUT

1:33:46

THEY'RE A SAMPLE OR A COMMUNITY THATS PERHAPS HAS ELEVATED NEEDS AND
TARGETED INTERVENTION I ARE NEEDED BECAUSE OF

1:33:52

INTERSECTIONS OF RACE AND GENDER AND EXPERIENCES LIVED EXPERIENCES OF
DISCRIMINATION AS WELL AS COPING AND

1:34:00

ALL SORTS OF STRATEGIES THAT MAY INFORM REALLY INTERESTING AND CREATIVE
INTERVENTIONS AND NEEDED INTERVENTIONS

1:34:05

TOO SO THAT'S SORT OF A LITTLE OVERVIEW AND THEN ALSO RECRUITMENT WE'RE GOING TO BE RECRUITING THROUGH OUR

1:34:11

FANTASTIC COMMUNITY PARTNER NETWORK NEXT SLIDE PLEASE AND THEN OH SOMETHING HAPPENED

1:34:18

WITH THE FORMATTING HERE BUT APOLOGIES ON THAT BUT WHY FOCUS GROUPS AS OPPOSED TO OTHER TYPES OF METHODS OR

1:34:25

APPROACHES SO AGAIN WE WANT TO USE FOCUS GROUPS TO HELP CONTEXTUALIZE THE COMMUNITY NEEDS AND EXPLAIN DISPARITIES

1:34:31

REVEALED IN THE SURVEY AND THEN FOCUS GROUPS ARE ESPECIALLY HELPFUL WHEN YOU WANT TO EXPLORE COMPLEX PHENOMENA AND

1:34:37

NEEDS IN COMMUNITIES THAT ARE EXPERIENCING MULTIPLE FORMS OF OPPRESSION THAT ARE DIFFICULT TO STUDY SOLELY FROM SURVEY DATA SO EXAMPLE HERE

1:34:44

WOULD BE BLACK TRANSGENDER OLDER ADULTS CAN ALSO INCLUDE INCOME LOWINCOME PARTICIPANTS AS WELL AND THEN WE

1:34:52

ANTICIPATE THAT BECAUSE OF HISTORICAL EXPERIENCES OF DISCRIMINATION AND STIGMA THAT THERE WILL BE SOME COMMON

1:34:57

EXPERIENCES THAT WILL HELP FORM THE BEDROCK OF THESE FOCUS GROUPS BUT THAT THERE WILL BE DIFFERENCES THAT WE CAN

1:35:03

EXPLORE AND NUANCES THAT WILL AGAIN HELP SORT OF IDENTIFY REALLY ROBUST INTERVENTIONS FOR THESE FOR THESE

1:35:10

SORT OF SUBPOPULATIONS OR SUBGROUPS AND COMMUNITIES THAT THAT WE REALLY NEED TO SORT OF FOCUS ON IN TARGETED

1:35:17

INTERVENTIONS AND THEN OF COURSE FOCUS GROUPS ALSO ALLOW PARTICIPANTS TO BOUNCE OFF IDEAS DIVERSIFY OPINIONS AND

1:35:24

FLUSH OUT IDEAS MORE COMPREHENSIVELY WHICH WILL HELP US REALLY IDENTIFY SO THIS I THINK THIS ALSO IS

1:35:30

NICE DOVETAIL OFF OF THE PREVIOUS PRESENTATION OF SORT OF GETTING THE LIVED EXPERIENCES FROM PEOPLE WHO ARE

1:35:35

ACTUALLY YOU KNOW LIVING THE LIVING THE DATA AS IT IS SO AGAIN WE

1:35:41

THINK THAT THIS WILL SURFACE PROMISING OPPORTUNITIES FOR COMMUNITY
BASED INTERVENTIONS RESOURCES AND SUPPORTS

1:35:47

NEXT SLIDE PLEASE AND THEN THIS IS THE TIMELINE WE'RE GOING TO BE WE'RE
STARTING THIS

1:35:54

NOW IT'S GOING TO OVERLAP OF COURSE WITH THE SURVEY AND THEN WE'LL BE
DOING SOME WE ANTICIPATE DOING MOST OF OUR FOCUS

1:36:00

GROUPS OVER THE SMER ALTHOUGH WE MIGHT HAVE SOME THAT WE DO A LITTLE
BIT IN THE FALL AND THEN WE'LL BE DOING OUR DATA

1:36:06

DISSEMINATION THROUGH MOSTLY THROUGH THE FALL OR QUARTER FOUR NEXT
SLIDE

1:36:12

PLEASE AND THEN WE WANTED TO I WANTED TO SHARE THIS IN TERMS OF FINAL
PRODUCTS THAT WE'RE ANTICIPATING THAT WE THINK

1:36:18

HOPEFULLY WILL BE BENEFICIAL FOR LOTS OF STAKEHOLDERS LOTS OF FOLKS IN
1:36:23

CALIFORNIA BUT MAYBE OF INTEREST PARTICULAR INTEREST TO THIS GROUP AS
WELL SO WE'LL DO OF COURSE THIS SORT OF SMARY AND THE FINAL REPORT BUT
WE'RE

1:36:30

ALSO INTENDING TO DO SOME ONEPAGE FAQs AND HANDOUTS WITH
INFOGRAPHICS WE'RE LOOKING AT DOING

1:36:36

SOME VIDEOS AND CASE STUDIES AND THEN WE'LL HAVE A PUBLIC SLIDE DECK
THAT WILL SHARE INFORMATION ABOUT WHAT WE'VE

1:36:42

LEARNED FROM THIS PARTICULAR PART OF THE PROJECT AND THEN NEXT SLIDE
PLEASE AND THEN AGAIN JUST SORT OF

1:36:49

EMPHASIZING WHAT DAVID HAD MENTIONED AS IS THAT WE'RE FORTUNATE TO
HAVE AND WHILE WE'RE STILL FINALIZING THE

1:36:55

FUNDING WE'RE FORTUNATE TO HAVE SUPPORT FROM THE CALIFORNIA
HEALTHCARE FOUNDATION METAP FUND AND THE SCAN

1:37:00

FOUNDATION AND OF COURSE THE CALIFORNIA DEPARTMENT OF AGING AND ALL
OF THE AMAZING COMMUNITY PARTNERS THAT HAVE BEEN FOUNDATIONAL AND
CRITICAL

1:37:08

TO TO MAKING THIS PROJECT HAPPEN SO SO HAPPY TO ANSWER ANY QUESTIONS
BUT VERY EXCITED TO HAVE THE SUPPORT AND

1:37:15

LOOKING FORWARD TO GETTING THIS MUCH NEEDED INFORMATION AND TO SHARE
IT WITH EVERYONE HERE THANKS ANGIE SO WE'LL

1:37:22

PAUSE HERE BEFORE WE HAND OVER TO Z SO DOES ANYONE HAVE QUESTIONS ON
THE SURVEY OR THE FOCUS

1:37:34

GROUPS OKAY I'M SEE ON JASMINE GO AHEAD HI THANK YOU SO MUCH FOR THE

1:37:40

PRESENTATION I'M THIS IS REALLY EXCITING TO BE ABLE TO HEAR OF ALL OF THIS
THAT'S COMING ABOUT I THINK IT'S

1:37:48

LONG OVERDUE AND REALLY A NEED TO FOCUS ON THE LGBTQIA

1:37:55

COMMUNITIES MY QUESTION IS COULD YOU PROVIDE SOME EXAMPLES OF THE
FOCUS

1:38:01

GROUPS THAT YOU'LL BE THAT YOU'RE PLANNING TO HOST AND LIKE AND THE

1:38:06

DIFFERENT REGIONS OR DIFFERENT U RACE ETHNICITY BACKGROUNDS THAT
YOU'LL BE

1:38:15

INCLUDING YEAH GREAT QUESTION AND SO PART OF THAT IS STILL BEING
INFORMED WITH CONVERSATIONS WITH SOME OF OUR

1:38:21

FUNDERS BUT WE ANTICIPATE DOING FOCUS GROUPS BOTH BASED REGIONALLY
AND SO

1:38:26

WE'LL HAVE A COUPLE OF FOCUS GROUPS IN SOUTHERN CALIFORNIA AND WE HAVE
IDENTIFIED COMMUNITY PARTNERS THAT WE'RE

1:38:32

GOING TO BE WORKING WITH AND THEY HAVEN'T BEEN PUBLICLY IDENTIFIED SO I
CAN'T SHARE THOSE QUITE YET BUT WE HAVE TWO COMMUNITY PARTNERS IN
SOUTHERN

1:38:39

CALIFORNIA WE'RE VERY LIKELY GOING TO BE WORKING WITH SORT OF AN LA IN
THE SAN DIEGO AREA WE'RE ALSO GOING TO BE

1:38:45

WORKING WITH COMMUNITY PARTNERS IN THE CENTRAL SORT OF LIKE CHICO
SORT OF CENTRAL CALIFORNIA AREA WE HAVE

1:38:51

COMMUNITY PARTNERS WE'RE WORKING WITH IN THE SORT OF UPPER UPPER
NORTHERN REGION SO LIKE SORT OF LIKE THINKING LIKE FR
1:38:57
AND EUREKA SORT OF AREA AND THEN WE ALSO SO WE HAVE SORT OF THE
REGIONAL
1:39:02
PLACE WHICH WE ANTICIPATE WILL HELP US IDENTIFY THE VARIOUS NEEDS BASED
ON
1:39:08
PLACE AND LOCATION AND ALSO HELP US IDENTIFY GEOGRAPHICALLY ISOLATED
PARTICIPANTS AND THEN WE'LL ALSO BE
1:39:14
FOCUSING ORGANIZING SOME OF THE FOCUS GROUPS SPECIFICALLY AROUND
POSITIONALITIES LIKE RACE AND GENDER AND
1:39:21
THE INTERSECTIONS THEREOF TARGETING COMMUNITIES THAT ARE PARTICULARLY
1:39:27
MORE INVISIBLE AND IN A LOT OF THE SORT OF RESOURCES AND TOOLS AND
RESEARCH INTERVENTION INTERVENTIONS AND
1:39:33
APPROACHES TO INTERVENTIONS SO WE'VE IDENTIFIED SEVERAL COMMUNITIES IN
PARTICULAR SO BLACK LOWINCOME WE
1:39:42
ALSO HAVE LINGUISTIC SUPPORT SO WE CAN DO SOME FOCUS GROUPS IN SPANISH
1:39:47
AND CANTONESE WE ALSO HAVE SOME ADDITIONAL LINGUISTIC POTENTIAL
FOCUS GROUPS THAT WE'RE
1:39:53
EXPLORING AND PART OF THAT WILL DEPEND ON THE INTEREST IN THE FOCUS
GROUP THROUGH THE RECRUITMENT PROCESS AND
1:39:59
THEN WE'RE GOING TO BE ALSO SORT OF AND AGAIN THESE ARE THE
INTERSECTIONS LOOKING AT FOCUS GROUP PARTICIPANTS SPECIFICALLY
LOWINCOME PARTICIPANTS
1:40:06
AS WELL AND SO WE HAVE THIS APPROACH THAT'S ALSO GOING TO BE SORT OF
1:40:12
A HYBRID OF BOTH INPERSON AND HYBRID KNOWING THAT THERE ARE STRENGTHS
AND WEAKNESSES TO BOTH AND BENEFITS AND
1:40:18
CHALLENGES TO BOTH TO TARGET THE HARDEST TO REACH IN A VARIETY OF
DIFFERENT WAYS AND SO PART OF THAT APPROACH IS
1:40:26

GOING TO BE DETERMINED AGAIN AS WE CONTINUE TO WORK WITH OUR
COMMUNITY PARTNERS OVER THE COURSE OF THE NEXT FEW MONTHS TO
DETERMINE WHICH REGIONS AND

1:40:34

WHICH POPULATIONS MAKE SENSE TO DO IN PERSON AND WHICH MAKES SENSE TO
DO SORT OF IN KIND OF A HYBRID FORMAT OR LIKE A

1:40:41

A MORE SORT OF REMOTE FORMAT THAT SOUNDS GREAT THANKS ANGIE

1:40:49

SURE ANY OTHER QUESTIONS

1:40:54

OKAY I'M SEE ANY HANDS SO HAND IT OVER TO IA AND THEN IF WE COULD PULL THE
SLIDES BACK UP PLEASE THANKS

1:41:03

ZIA CAN YOU HEAR ME ROSS YES THANK YOU SO MUCH BOY I AM

1:41:11

COMPLETELY BLOWN AWAY BY TODAY'S PRESENTERS AND PRESENTATIONS IF WE
WERE TO CREATE A GREATEST HIT HITS ALB

1:41:18

WE HAVE THREE FROM ANGIE MICHAEL AND BELLA BUT TODAY SO I DON'T KNOW
HOW I

1:41:24

WILL DO NOW BUT I WILL TRY TO KEEP IT SHORT AND BRIEF AND LEAVE IT OPEN FOR
MORE DISCUSSION FROM OUR

1:41:30

GROUP BUT ROSS HAD ASKED ME TO PROVIDE AN UPDATE ON YOU KNOW SOME OF
THE WORK THAT WE ARE DOING IN PARTNERSHIP WITH

1:41:36

CDA AND THE MPA COLLABORATIVE AROUND BEHAVIORAL HEALTH IF YOU CAN GO
TO THE NEXT SLIDE

1:41:43

PLEASE SO IN OUR WORK ON DEFINING THE KEY OUTCOMES AND DRIVERS WE WERE
ALSO

1:41:48

SIMULTANEOUSLY AS A GROUP AND AS OUR WORK GROUP AND THE LARGER GROUP
HAVE BEEN LOOKING AT OPPORTUNITIES TO

1:41:54

IDENTIFY GAPS THAT CAN BE THAT CAN BE SORT OF U RESEARCHED AND SORT OF
1:42:00

START TO BUILD THIS BODY OF WORK TO REALLY INFORM SOME OF THE THINGS
THAT WE

1:42:05

TALKING ABOUT IN THE SLIDES TODAY IN TERMS OF WHAT ARE SOME OF THE
DRIVERS FOR BEHAVIORAL HEALTH AND ARE THERE

1:42:10

ACCESS ISSUES ARE THERE OTHER SORT OF PAIN POINTS FROM THE POPULATION PERSPECTIVE SO DO THAT WE'VE SORT OF

1:42:17

DONE TWO ALIGNED EFFORTS THAT I'M REALLY EXCITED TO SHARE ABOUT THEY'RE BOTH SORT OF I CAN'T SHARE THE FULL RESULTS TODAY

1:42:23

OF BOTH OF THESE BUT WE WILL BE SENDING OUT MORE INFORMATION IN THE COMING WEEKS TO ALL OF YOU SO WE

1:42:29

ENGAGED WITH A GROUP CALLED WHAN RESEARCH I GUESS IN NOVEMBER LAST YEAR AND WITH OUR PARTNERS ON THIS

1:42:37

CALL AND I REALLY WANT TO THANK CDA AND SARAH AND SUSAN AND ROSS AND TERRY

1:42:42

FOR HELPING US DEVELOP THIS SURVEY AND LAUNCHED THE SURVEY IT WAS IN THE FIELD NOVEMBER THE SECOND WEEK OF

1:42:50

NOVEMBER AND WE JUST GOT THE TOPLINE RESULTS AND IT'S ESSENTIALLY A SURVEY OF OLDER ADULTS IN CALIFORNIA REALLY A

1:42:57

PUBLIC OPINION POLL OF WHAT ARE THE IMPACTS OF BEHAVIORAL HEALTH AND WHAT ARE SOME OF THE NEEDS AND THEN THE

1:43:03

SECOND THING I WILL TALK ABOUT IS THE OTHER SIDE OF THE COIN WHICH IS REALLY LOOKING AT THE DELIVERY SYSTEM AND WHAT

1:43:09

ARE SOME OF THE PAIN POINTS AND OPPORTUNITIES FOR IMPROVING HOG CARE IS DELIVERED AND THAT WE'RE HOPING TO DO

1:43:14

THROUGH A ALL PAIRS CLAIMS ANALYSIS NEXT SLIDE

1:43:19

PLEASE SO A LITTLE BIT ABOUT THE SURVEY THE SURVEY WAS DESIGNED

1:43:25

AND LAUNCHED IN CALIFORNIA FOR ADULTS 65 AND OLDER WE HAD A SAMPLE OF 1500

1:43:31

RESPONDENTS WHICH WE DID ACHIEVE IT WAS CONDUCTED IN FOUR OF OUR

1:43:36

MOST COMMON LANGUAGES ENGLISH SPANISH CANTONESE AND VIETNAMESE AND WE

1:43:42

REALLY SORT OF TOOK A TOOK A YOU KNOW AN APPROACH TO ADDRESS TOPICS THAT INCLUDED BOTH SORT OF THE SELF ASSESSED NEEDS OF
1:43:49
OF THE POPULATION AND I THINK SOME OF THE DATA HERE WILL CONFIRM AND DIG A LITTLE DEEPER
1:43:56
ON THE DATA THAT WE SAW FROM CHESSE WE WANTED TO REALLY STUDY THE IMPACT OF
1:44:01
BEHAVIORAL HEALTH ISSUES ON LIVES SORT OF THE LIVED EXPERIENCE WE NEED TO LOOK AT AFFORDABILITY AND ACCESS AND
1:44:09
THEN WHAT ARE SOME OF THE MOST COMMON BARRIERS TO GETTING ACCESS TO TREATMENT AND THEN YOU KNOW COMING OUT OF CO AND
1:44:16
WITH THE SORT OF USE OF TECHNOLOGY WE WANTED TO ALSO SEE WHAT IS THE INTEREST
1:44:21
AT THE POPULATION LEVEL TO RECEIVE CARE REMOTELY I THINK REMOTE MODALITIES REALLY HELP IN SOME WAYS
1:44:28
LEVEL THE PLAYING FIELD AND REDUCE ACCESS BARRIERS IN RURAL AND FAR TO REACH
1:44:33
COMMUNITIES AND THEN WE ALSO WANTED TO HAVE THE RESPONDENTS COMPARE AND CONTRAST THEIR EXPERIENCE OF RECEIVING
1:44:40
PHYSICAL CARE AND MENTAL HEALTH CARE AND IT'S IMPORTANT BECAUSE THERE'S BOTH POLICY WORK HAPPENING AROUND PARITY
1:44:46
ISSUES I.E SHOULD PAIRS BE TREATING BEHAVIORAL HEALTH SIMILAR TO PHYSICAL
1:44:51
HEALTH AND I THINK THERE'S ALSO ISSUES AROUND PROVIDERS AND THEN ULTIMATELY STIGMA AROUND BEHAVIORAL HEALTH AND HOW
1:44:58
PEOPLE THEMSELVES DIFFERENTIATE THEIR BEHAVIORAL HEALTH NEEDS FROM PHYSICAL HEALTH NEEDS WE WILL HAVE THE RESULTS
1:45:05
BY LATE JANUARY ALL WRITTEN UP AND WE'LL BE HAPPY TO SHARE THOSE WITH ALL OF
1:45:11
YOU CAN YOU GO TO THE NEXT SLIDE PLEASE SO HERE ARE SOME I WOULD SAY SOME OF THE YOU KNOW TOP LEVEL FINDINGS THAT WE

1:45:18
ARE SORT OF ASSIMILATING RIGHT NOW WE SAW FROM THE CHIS DATA
APPROXIMATELY 5%

1:45:24
RESPONDED TO BE MODERATE TO SEVERELY YOU KNOW DEPRESSED IN THIS
SURVEY 10%

1:45:30
BECAUSE THIS INCLUDES NOT JUST THE MODERATE TO SEVERE BUT ANY
SYMPTOMS OF DEPRESSION OR SOCIAL

1:45:37
ISOLATION WE ALSO SAW THAT ONE IN FOUR CALIFORNIANS REPORTED HAVING
FEELINGS OF SADNESS STRESS WORRY AND

1:45:44
THEIR INABILITY TO ENJOY LIFE WHICH IS A VERY HIGH NUMBER I WOULD SAY AND

1:45:50
THEN IF YOU THINK ABOUT HOW THEY BELIEVE THAT MENTAL HEALTH SERVICES IN
THE US

1:45:55
ARE MEETING THEIR NEEDS ALMOST HALF FELT THAT HEALTH THAT MENTAL
HEALTH CARE IS NOT AFFORDABLE AND WE NEED TO DO A

1:46:01
BETTER JOB OF MAKING IT MORE AFFORDABLE TO THEM AND MAKING IT MORE
ACCESSIBLE AND THEN ON A POSITIVE NOTE ALMOST TWO

1:46:08
AND THREE RESPONDED THAT THEY WOULD BE OPEN TO ACCESSING HEALTH CARE
IN A VIRTUAL MODALITY AND THIS IS IMPORTANT

1:46:15
BECAUSE THERE'S THE PERCEPTION THAT OLDER ADULTS ARE UNLIKELY TO USE

1:46:20
TECHNOLOGY AND I THINK THAT'S A AGISM OR A BIAS THAT WE SHOULD WE
SHOULD VERY QUICKLY DISPEL THAT THE LAST THE

1:46:28
LAST MAJORITY OF PEOPLE ARE ABLE AND IF PROVIDED THE RIGHT RESOURCES OF

1:46:33
COURSE THERE ARE GAPS IN ACCESS TO TECHNOLOGY IN THESE POPULATIONS
NEXT SLIDE

1:46:43
PLEASE AND THEN ON THE OTHER SIDE OF THE COIN REALLY TO TRY TO
UNDERSTAND YOU KNOW WE HAVE THE POPULATION LEVEL DATA

1:46:49
AND ITS IMP BUT THEN HOW DO WE FILL IN THE GAP ON UNDERSTANDING YOU
KNOW WHAT ARE THE PATTERNS OF CARE TODAY

1:46:56

AND WHERE PEOPLE ARE ACCESSING CARE AND I'M SO EXCITED BY THE BY THE CALIFORNIA ALL PAIRS CLAIM DATABASE THAT

1:47:03

IS GOING TO COME ONLINE WHICH REALLY IS EVEN A MORE RICHER RESOURCE THAN WHAT WE HAVE ACCESS TO TODAY

1:47:08

WE'RE WORKING WITH A COMPANY CALLED INTELED THAT HAS ALL PAIRS CLAIMS DATA FOR THE NATION WE HAD GOT ACCESS TO

1:47:16

THAT IN THE FOURTH QUARTER OF LAST YEAR AND IT HAS SIMILAR TO THE CALIFORNIA

1:47:21

DATA IT HAS INPATIENT OUTPATIENT DATA IT DOES NOT HAVE PHARMACEUTICAL DATA

1:47:27

WHICH I SAW THAT THE CALIFORNIA DATA DOES HAVE AND THEN YOU HAVE THE ABILITY TO USE THIS DATA TO ASSESS PATTERNS

1:47:33

OF CARE WHILE THE PATIENT IS DEIDENTIFIED TO US THEY'RE ABLE TO

1:47:40

PROVIDE YOU WHAT THEY CALL PATIENT JOURNEY SO YOU CAN ACTUALLY FOLLOW PATIENTS OR COHORTS OF PATIENTS

1:47:46

LONGITUDINALLY TO SEE WHAT HAPPENS TO THEIR CARE JOURNEY YOU CAN OBVIOUSLY LY STUDY UNDERSERVED POPULATIONS AND

1:47:53

ACCESS ISSUES BECAUSE THE DATA IS AVAILABLE BY PROVIDER AND ZIP CODE AND COUNTY AND

1:47:59

NPI YOU CAN LOOK AT UTILIZATION IN DIFFERENT CARE SETTINGS I.E WHAT TYPE OF CARE IS BEING PROVIDED IN THE

1:48:06

INPATIENT SETTING VERSUS THE OUTPATIENT SETTING OR EMERGENCY ROOM SETTING AND

1:48:11

THEN THERE'S I THINK THIS DATA CAN REALLY HELP US UNDERSTAND WHERE THERE ARE OPPORTUNITIES TO HAVE CARE

1:48:16

COORDINATION AND THEN HOW DO WE YOU KNOW BUILD TOWARDS THIS WHAT WE CALL A CONTINU OF CARE A SYSTEM OF CARE

1:48:23

MANY PATIENTS ARE RECEIVING BEHAVIORAL HEALTH SERVICES IN THE MOST ACUTE OR THE

1:48:29

MOST EXPENSIVE CARE SETTING AND I THINK WE NEED TO TRANSITION SOME OF THAT

1:48:34

CARE TO MORE IN THE OUTPATIENT SETTING AND COMMUNITY BASED SETTING SO THAT WE CAN PREVENT BOTH THOSE BAD OUTCOMES THAT

1:48:41

HAPPEN IN THESE ACUTE SETTINGS BUT ALSO LOWER THE HEALTHCARE

1:48:48

COST WHAT I WANTED DISCUSS TODAY AND I I DON'T THINK WE HAVE TIME TODAY BUT WE CAN YOU KNOW WE CAN DO THIS OFFLINE ALSO

1:48:54

IS LIKE HOW DO WE PARTNER WITH ALL OF YOU TO START TO THINK ABOUT HOW CAN

1:48:59

WE USE THIS ALL PAIRS CLAIMS DATABASE AND WE ARE EXPLORING IT FROM BEHAVIORAL HEALTH PERSPECTIVE RIGHT NOW BUT I'M

1:49:04

SURE YOU ALL HAVE IDEAS ON HOW TO PARTNER WITH US WE HAVE PURCHASED

1:49:09

SEATS FOR ROSS AND HIS TEAM TO BE ABLE TO HAVE ACCESS TO THIS DATA AND

1:49:15

I THINK IF WE CAN COLLABORATE TOGETHER THERE ARE OPPORTUNITIES TO START TO LEVERAGE THIS IN 2024 TO START TO ASK SOME

1:49:22

QUESTIONS PERHAPS EVEN IN PREPARATION TO THEN HAVING ACCESS TO THE CALIFORNIA

1:49:27

ALL PAIR SCAM DATA SET THAT WE HEARD ABOUT TODAY SO I'LL STOP THERE YOU

1:49:33

KNOW ANYBODY HAS ANY QUESTIONS OR THOUGHTS PLEASE EITHER SHARE IN THE CHAT OR WE HAVE Q&A SESSION AFTER

1:49:43

THIS SO THERE ANY QUESTIONS AND I THINK Z THAT'S A GOOD TOPIC FOR NEXT MEETING TO DISCUSS IF WE CAN COLLABORATE ON

1:49:50

THOSE POTENTIAL RESEARCH TOPICS THANK YOU SO MUCH SO THANKS EVERYONE I THINK I'M

1:49:56

GOING HAND IT BACK TO CARROLL FOR PUBLIC

1:50:09

COMMENT HELLO THANK YOU THANKS FOR THAT SLIDE ROSIE THIS IS OUR PUBLIC

1:50:15

COMMENT PERIOD THE PUBLIC'S INVITED TO MAKE COMMENTS YOU MAY YOUR HAND VIA

1:50:20
ZOOM OR STAR N IF YOU'RE ATTENDING BY PHONE I SEE LET'S GET RIGHT INTO IT I
1:50:27
SEE WENY GRECO HAS HAD THEIR HAND UP SO I WILL UNMUTE YOU IF YOU WANT
TO GO
1:50:34
AHEAD AND POSE YOUR QUESTION WINNIE OR POSE GIVE US YOUR PUBLIC
1:50:46
COMMENT COULD BE AN OLD HAND COULD HAVE PUT THE HAND UP
1:50:54
EARLIER IN THE MEETING I SHOULD
1:51:02
SAY THIS WAS A VERY ROBUST DISCUSSION AMONG COMMITTEE MEMBERS IF
THERE'S ANY PUBLIC COMMENTS I'M HAPPY TO TAKE THEM
1:51:11
NOW AND WINNIE HAS TAKEN DOWN THE
1:51:18
HAND GIVE HAD A COUPLE MORE BEATS WE HAD A LOT OF DATA
1:51:23
THIS
1:51:31
MORNING OKAY WELL WE DO WANT TO REMIND YOU AT ANYTIME IF YOU HAVE A
COMMENT YOU MAY
1:51:38
EMAIL IT TO US AT ENGAGE AG
1:51:45
GAGING AGING. CA.GOV HAPPY TO TAKE YOUR WRITTEN
1:51:50
COMMENTS AT ANY TIME I'M GOING TO TURN IT BACK TO ROSS TO CLOSE US OUT
1:51:58
THANK YOU CARROLL GO TO THE NEXT SLIDE PLEASE SO IN TERMS OF NEXT STEPS
YOU KNOW I MENTIONED THE DAY OF ACTION
1:52:05
COMING UP AND WE'LL USE THE NEXT COUPLE OF CADRP MEETINGS TO KIND OF
PLAN FOR WHAT WE'RE GOING TO PRESENT AT THE DAY OF
1:52:11
ACTION ALSO WORK WITH THE RESPECTIVE WORK GROUPS THAT KIND OF FLUSH
THE MPA KEY OUTCOME MEASURES OUT FURTHER AND SHARE
1:52:17
THOSE AT THE UPCOMING PARTNERSHIP MEETINGS IF YOU WANT GO TO THE NEXT
SLIDE PLEASE SOMETHING I WANTED TO SHARE AS WELL AS WE KIND OF WRAP
THINGS UP
1:52:24

IT'S A BIG YEAR FOR CDA THIS THIS YEAR CELEBRATES 50 YEARS OF SERVING OLDER CALIFORNIANS TO CELEBRATE THIS

1:52:30

ANNIVERSARY WE'VE LAUNCHED THE 50 STORIES 50 YEARS CAMPAIGN AND BASICALLY WE'RE SHARING STORIES FROM PEOPLE WHOSE

1:52:36

LIVES HAVE BEEN POSITIVELY IMPACTED BY CALIFORNIA'S AGING NETWORK OF SERVICES THIS INCLUDES YOU ALL OUR STAKEHOLDERS

1:52:42

AND PARTNERS INCLUD A PIVOT ROLE IN SHAPING DELIVERING SERVICES OVER THE PAST FIVE DECADES SO AS A MPA

1:52:48

STAKEHOLDER COMMITTEE MEMBER WE INVITE YOU TO SHARE YOUR STORY YOUR EXPERIENCES AND INSIGHTS CAN SERVE AS AN INSPIRING

1:52:54

EXAMPLE OF THE POSITIVE IMPACT WE'VE HAD TOGETHER OVER THE YEARS AND WHAT'S TO COME THROUGH THE COLLECTIVE EFFORTS OF THE MPA SO

1:53:01

IF YOU'RE INTERESTED IN SHARING THE STORY YOU COULD PLEASE EMAIL CDA'S COMMUNICATIONS TEAMS AND THE EMAIL IS

1:53:07

RIGHT THERE COMMUNICATIONS AT AGING.COM AND SO WITH THAT WE COULD WRAP

1:53:12

THINGS UP THANK YOU SO MUCH FOR YOUR TIME THIS IS A PHENOMENAL MEETING I APPRECIATE EVERYONE'S FEEDBACK THANK YOU SO MUCH HAVE A GREAT

1:53:18

WEEKEND
