NEXT SLIDE THE PRIMARY PURPOSE OF THE CALIFORNIA AGING AND DISABILITY RESEARCH

4:13

PARTNERSHIP CADRP IS TO ONE ADVANCED AGE AND DISABILITY FOCUSED RESEARCH TO

4:19

STRENGTHEN THE EVIDENCE BASE FOR PROMOTING EQUITABLE OPPORTUNITIES FOR CALIFORNIANS TO THRIVE AS THEY AGE

4:27

NUMBER TWO TO PROVIDE INPUT ON KEY PERFORMANCE INDICATORS AND DATA SOURCES

4:32

TO INFORM MPA OUTCOMES REPORTS AND THE DATA DASHBOARD FOR AGING AND THREE MODEL

4:39

A RESEARCH PARTNERSHIP BETWEEN CALIFORNIA STATE GOVERNMENT AND
ACADEMIC INSTITUTIONS FOCUSED ON USING DATA FOR

4:46

ACTION AND EQUITY THAT CAN BE REPLICATED ACROSS OTHER CAL HHS PERSON-
CENTERED

4:52

DATA-DRIVEN PRIORITIES AND WE COULDN'T DO THIS

4:58

WITHOUT OUR ESTEEMED COMMITTEE MEMBERS AS YOU CAN SEE WE HAVE
INDIVIDUALS FROM

5:05

ACADEMIA FROM PHILANTHROPIC ORGANIZATIONS SHARING THEIR KNOWLEDGE

5:11

AND THEIR EXPERTISE AND WE ARE VERY FORTUNATE TO LEAN UPON THESE

5:17

INDIVIDUALS TO ADVANCE THE MASTER PLAN FOR AGING SO THANK YOU VERY
MUCH FOR

5:22

TAKING YOUR TIME AND GIVING IT TO US NOT ONLY TODAY BUT THROUGHOUT THE
YEAR

5:29

SO THIS IS A BRIEF REVIEW OF OUR AGENDA TODAY WE HAVE A LOT TO GET

5:35

THROUGH DATA RELATED AGENDA ITEMS SO WITHOUT FURTHER ADO I'M GOING

5:42

TO TURN IT OVER TO OUR DIRECTOR SUSAN

5:48

DEMAROIS TO GIVE US A WELCOME THANK YOU THANK YOU CARROLL AND THANK
YOU ALL OF

5:55

OUR CDA STAFF WHO PULLED TODAY'S AGENDA AND SLIDES TOGETHER AND
WELCOME EVERYONE

6:01

IT'S GOOD TO SEE YOU THIS FRIDAY MORNING YOU HAVE SUCH A GOOD AGENDA
TODAY

6:07

I'M SO EXCITED THAT YOU'LL BE HEARING FROM DR KUSHEL MY COLLEAGUE ON THE
INTER AGENCY COUNCIL ON HOMELESSNESS NOW

6:15

AND MARGOT JUST YOUR WORK IS LIVING PROOF HOW DATA CAN INFORM

6:23

POLICY AND I CAN TELL YOU TWO YEARS AGO NO ONE WAS TALKING ABOUT OLDER ADULT

6:30

HOMELESSNESS AND NOW I SERVE ON THE NATIONAL ALZHEIMER'S PROJECT ACT AND

6:38

I WAS ASKED TO DO A SEGMENT AT THE AUGUST 3 MEETING FOLLOWING ON DR KUSHEL'S

6:44

PRESENTATION TO THAT GROUP AND IT'S JUST YOU KNOW THE WORK THAT YOU DO I

6:50

JUST WANT TO I WANT YOU TO KNOW IT'S SO IMPORTANT AND THAT WE'RE ABLE FOR THE FIRST TIME IN THE HISTORY OF

6:56

CALIFORNIA'S AGING AND DISABILITY MOVEMENT TO BE ABLE TO POINT TO DATA IN 7:01

LOTS OF FRONTS HOUSING AND HOMELESSNESS IS JUST ONE AREA AND I

7:06

JUST REALLY WANT TO THANK EACH OF YOU FOR PARTICIPATING IN CADRP FOR THE EXPERTISE THAT YOU BRING THE IDEAS THAT

7:13

YOU BRING THE OUTCOMES YOU PRODUCE WE'RE SO INCREDIBLY PROUD OF THE

7:19

LGBTQIA PLUS SURVEY AND REPORT AND THE WORK THAT WILL FOLLOW ON THAT IT'S

7:25

NOT JUST A ONE AND DONE THAT IT'S RESULTING IN EVEN MORE WORK AND FOCUS

7:31

GROUPS AND WE REALLY EXPECT THAT TO PRODUCE TANGIBLE RESULTS FOR REAL PEOPLE

7:36

IN CALIFORNIA SINCE WE LAST MET THE BUDGET HAS PASSED AND IT WAS MUCH MORE

7:43

FAVORABLE THAN IT STARTED OUT SO I WANT TO THANK EACH OF YOU THAT HAD A 7:48

HAND IN THAT AND ALL OF THE ADVOCACY BY OUR AGING AND DISABILITY PARTNERS OUR

7:53

ACADEMIC PARTNERS IN OUR PIECE OF THE WORLD SENIOR NUTRITION WAS PRESERVED

8:00

THAT'S CRITICALLY CRITICALLY IMPORTANT BUT THERE ARE COUNTLESS EXAMPLES OF PROPOSED CUTS THAT WERE NOT ENACTED AND

8:07

THE MASTER PLAN FOR AGING IS A BIG PART OF WHY SO MANY PROGRAMS AND SERVICES

8:13

WERE PRESERVED IN THE BUDGET YOUR WORK THE WORK OF OUR OTHER STAKEHOLDER COMMITTEES THE LEGISLATURE NOW KNOWS AND

8:21

UNDERSTANDS THE FIVE BOLD GOALS THEY KNOW THAT WE HAVE A 10-YEAR BLUEPRINT FOR OUR STATE LEGISLATIVE STAFF

8:28

LEGISLATIVE ANALYST STAFF FINANCE STAFF CAN GO TO OUR DATA

8:33

DASHBOARD AND THEY CAN PULL UP YOU KNOW THEY CAN USE DATA TO INFORM

8:39

DECISIONS PUT IT IN THEIR COMMITTEE ANALYSIS SO YOUR WORK IS REALLY

8:46

WHAT'S THE WORD NOT PENETRATING BUT IT'S PROLIFERATING YOUR WORK IS

8:52

PROLIFERATING AND THEN THE LAST PIECE THAT I WILL SHARE IS EARLIER THIS

8:57

WEEK ONCE A YEAR THE GOVERNOR AND THE FIRST PARTNER IN THE CABINET CONVENE ALL OF THE STATE LEADERS AND IT THE

9:04

MEETING HAPPENED THIS WEEK AND WE GOT TO HEAR FROM THE GOVERNOR THE FIRST PARTNER ALL OF OUR CABINET SECRETARIES OUR WORK

9:12

IS YOU KNOW SO MUCH OF OUR WORK IS IN THE HEALTH AND HUMAN SERVICES SPACE THE LABOR AND WORKFORCE DEVELOPMENT

9:19

AGENCY THE BUSINESS CONSUMER SERVICES AND HOUSING WE WORK PRIMARILY WITH THREE CABINET SECRETARIES BUT ALL THE CABINET

9:26

SECRETARIES WERE PART OF THIS AND THE ONE GROUP THAT I THOUGHT OF REPEATEDLY

9:34

AS THE GOVERNOR FIRST PARTNER CABINET LEADERS KEYNOTE SPEAKERS
ADDRESSED US

9:39

WAS THIS GROUP I THOUGHT WE ARE ON THE MARK YOU KNOW THE CALL FOR
9:45

DATA-DRIVEN SOLUTIONS AND STRATEGIES FOR KEY OUTCOMES PERFORMANCE
MEASURES AND

9:51

RESULTS PEOPLE FIRST

9:56

PERSON-CENTERED WORK I REALLY THOUGHT OF CADRP TIME AND TIME AGAIN
THROUGHOUT THAT DAY IS THE ONE GROUP THAT'S REALLY

10:03

HELPING TO BRIDGE DEPARTMENTS YOU KNOW PROGRAMS DEPARTMENTS
AGENCIES AND

10:08

COMMISSIONS IS THIS IS REALLY THE GROUP WHERE IT ALL COMES TOGETHER AND
WE'RE JUST INCREDIBLY INCREDIBLY GRATEFUL

10:16

FOR WHAT YOU'RE DOING FOR THE STATE OF CALIFORNIA AS MEMBERS OF CADRP
AND VERY EXCITED TO SEE WHAT YOU COME UP WITH FOR

10:22

YOUR PRIORITIES FOR THE DAY OF ACTION I HOPE I'LL SEE EVERY ONE OF YOU
THERE IN PERSON AND THAT'S WHAT I'VE GOT

10:28

FOR MY STATE UPDATE IN CARROLL I'LL TURN IT BACK OVER TO YOU I'M GOING TO
TURN IT OVER

10:35

TO ROSS IF I THANK YOU CARROLL GOOD MORNING EVERYONE THANK YOU SO
MUCH FOR

10:41

BEING HERE TODAY THE FIRST ITEM IS THE UPCOMING THE UPCOMING DAY OF
ACTION WE'RE ABOUT TWO AND A HALF MONTHS

10:47

AWAY FROM THE ACTUAL DAY OF ACTION SO WANT TO PROVIDE SOME CONTEXT ON
WHAT TO EXPECT THAT DAY AND JACKIE TOMPKINS IS

10:53

GOING TO KICK THINGS OFF THEN I'LL PROVIDE THIS AN OVERVIEW OF THE
RECOMMENDATIONS WE DISCUSSED LAST MEETING SO JACKIE I'LL HAND OVER TO

11:01

YOU THANKS ROSS GOOD MORNING CADRP MY NAME IS JACKIE TOMPKINS I SERVE AS THE

11:07

PROJECT DIRECTOR HERE AT THE CALIFORNIA DEPARTMENT OF AGING FOR THE MASTER PLAN FOR AGING I'M THRILLED TO BE ABLE TO

11:14

JOIN YOU THIS MORNING TO TALK A LITTLE BIT ABOUT THE CALIFORNIA FOR ALL AGES AND ABILITIES 2024 MPA DAY OF ACTION

11:22

HAPPENING THIS OCTOBER I BELIEVE I WAS ABLE TO JOIN YOUR LAST MEETING BACK IN APRIL WHERE WE TOLD YOU SAVE THE DATE

11:30

FOR OCTOBER 8TH HERE IN SACRAMENTO AND LIKELY YOU'VE RECEIVED SUBSEQUENT

11:35

COMMUNICATIONS ENCOURAGING YOU ALL TO REGISTER FOR THE EVENT SO IF YOU HAVE NOT ALREADY I DO WANT TO TAKE THIS

11:43

OPPORTUNITY WHILE YOU ALL ARE ON THE LINE TO DO ONE MORE PLUG TO ENSURE THAT YOU A HAVE THE EVENT ON YOUR CALENDAR

11:51

AND B KNOW WHERE TO REGISTER FOR THE EVENT HERE IN SACRAMENTO AND BEFORE I MOVE FORWARD I DO WANT TO ALSO THANK

11:58

OUR MPA PHILANTHROPIC PARTNERS FOR SUPPORTING THIS EVENT WITHOUT THEIR

12:03

SUPPORT IT WOULD BE INCREDIBLY CHALLENGING TO BE ABLE TO PUT ON THIS WIDE LEVEL STATEWIDE EVENT CALLI CAN YOU

12:10

ADVANCE THE SLIDE SO JUST WANT TO KIND OF GIVE YOU AN OVERVIEW OF WHAT WE'RE GOING TO BE

12:16

DOING AT THE DAY OF ACTION SOME OF YOU MIGHT HAVE ATTENDED THE LAST DAY OF ACTION IN 2022 BUT SOME OF YOU MIGHT

12:22

HAVE BEEN IN A DIFFERENT ROLE AT THAT TIME OR MAYBE WERE A VIRTUAL ATTENDEE OR DIDN'T ATTEND AT ALL BUT REALLY THIS DAY

12:29

OF ACTION IS AN OPPORTUNITY FOR US TO BRING TOGETHER OUR MPA STAKEHOLDER COMMITTEES PUBLIC MEMBERS

12:36

STAKEHOLDERS AND PARTNERS THAT MIGHT NOT BE FORMALLY ON A COMMITTEE AND ALSO

12:41

DECISION MAKERS AT THE ADMINISTRATION LEVEL AS WELL AS THE LEGISLATURE AND IT'S AN OPPORTUNITY FOR US TO THINK

12:48

ABOUT AND REFLECT ON THE PROGRESS WE'VE MADE TO DATE ON CALIFORNIA'S MASTER PLAN FOR AGING BUT ALSO TO ENSURE THAT THE

12:55

MASTER PLAN REMAINS RESPONSIVE TO NEW INFORMATION AS WE PROGRESS THROUGH OUR 10-YEAR BLUEPRINT IT'S ALSO AN

13:02

OPPORTUNITY FOR US TO DEVELOP AND REFRESH NEW INITIATIVES TO FOCUS ON IN

13:08

CALIFORNIA FOR THE NEXT TWO YEARS AND SO THE PURPOSE THE PRIMARY PURPOSES OF THIS

13:13

EVENT ARE OUTLINED ON THIS SLIDE IN WHICH WE WANT TO ENSURE THAT WE ARE FOCUSING ON THE WORK ON THE HIGHEST

13:20

PRIORITY ISSUES FACING OLDER ADULTS PEOPLE WITH DISABILITIES AND CAREGIVERS IN CALIFORNIA TODAY IT'S REALLY

13:26

IMPORTANT THAT WE ALSO GROUND OUR MASTER PLAN FOR AGING ON LIVED EXPERIENCE AND FOCUS ON EQUITY AND THIS

13:33

WILL BE A TIME THAT WE GATHER PRIORITY RECOMMENDATIONS FROM ALL THE STAKEHOLDER COMMITTEES TO AGAIN INFORM THE

13:40

DEVELOPMENT OF CALIFORNIA'S MASTER PLAN FOR AGING INITIATIVES FOR THE NEXT TWO YEARS THIS IS ALSO A TIME FOR US TO

13:47

AGAIN HIGHLIGHT WHAT PROGRESS HAS BEEN MADE TO DATE BECAUSE THERE ARE OPPORTUNITIES HERE TO CELEBRATE THOSE

13:55

SUCCESSES AND HIGHLIGHT THE ADVANCEMENTS THAT THE MASTER PLAN FOR AGING HAS MADE RELATIVE TO ITS FIVE BOLD

14:02

GOALS AND ALSO MOVING FORWARD IT'S THAT OPPORTUNITY TO RENEW OUR SHARED

14:07

COMMITMENT TO CALIFORNIA'S MASTER PLAN FOR AGING WE ARE AT THAT
HALFWAY POINT WITH CALIFORNIA'S MASTER PLAN FOR AGING

14:14

SO AGAIN IMPORTANT TO REFLECT ON THE SUCCESS TO DATE BUT UNDERSTAND
THAT THE WORK IS DEFINITELY NOT DONE BUT WHAT CAN

14:21

WE DO IN THE NEXT TWO YEARS TO FURTHER ADVANCE CALIFORNIA'S BLUEPRINT
AND THEN FURTHERMORE IT AGAIN IS THAT OPPORTUNITY

14:27

TO ENGAGE DIVERSE PARTNERS IN THE MASTER PLAN FOR AGING THE MASTER
PLAN FOR AGING

14:33

IS AS YOU HEARD FROM SUSAN IS THAT WHOLE OF GOVERNMENT APPROACH AND
IT'S ALSO A WHOLE OF SOCIETY WHOLE OF

14:39

COMMUNITY APPROACH SO HERE IN CALIFORNIA WE ARE ABLE TO PUT ON THIS
EVENT TO

14:44

MODEL TO NOT ONLY THOSE WITHIN OUR STATE BUT EVEN WE'RE INVITING SOME
NATIONAL LEADERS WITH AGING AND DISABILITY TO

14:51

JOIN US SO THEY CAN SEE WHAT IS HAPPENING IN CALIFORNIA THEY CAN HEAR
DIRECTLY FROM PARTNERS AND STAKEHOLDERS

14:58

ABOUT PRIORITY ISSUES HAPPENING IN CALIFORNIA BECAUSE WE ARE ALL VERY

15:04

INTERESTED NOT ONLY IN MAKING CALIFORNIA AGE AND DISABILITY FRIENDLY BUT
OUR NATION AND GLOBAL AND BEYOND SO IT

15:11

REALLY IS THAT OPPORTUNITY TO INVITE DIVERSE PARTNERS ACROSS ALL LEVELS
OF

15:16

GOVERNMENT NONPROFITS COMMUNITY-BASED ORGANIZATIONS ACADEMIA ETC
TO REALLY

15:22

HAVE ROBUST DISCUSSIONS ABOUT PRIORITY TOPICS MOVING ON TO THE NEXT
SLIDE DO I

15:28

HAVE A NEXT SLIDE ROSS TRYING TO THINK I THINK THE NEXT SLIDE IS MINE I JUST
WANT TO DISCUSS THE RECOMMENDATIONS

15:33

WE DISCUSSED LAST PARTNERSHIP MEETING I THINK THE REALLY THOUGHTFUL ROBUST DISCUSSION IN TERMS OF THE RESEARCH

15:39

PARTNERSHIPS PRIORITIES AND PARTIES WE WANT TO BRING FORWARD FOR THE DAY OF ACTION SO THE KEY THEMES ARE LIST IN THE

15:45

SLIDE HERE WE DISCUSS FOCUSING ON MAKING OUR RESEARCH MORE RELEVANT TO PEOPLE THIS IS IMPORTANT AS WE OBVIOUSLY WANT

15:50

OUR RESEARCH TO INFORM POLICY SO DATA STORYTELLING CAME UP SEVERAL TIMES USING QUALITATIVE DATA TO EFFECTIVELY TELL

15:57

STORIES CAME UP AMPLIFYING LESSONS LEARNED WAS IMPORTANT I THINK ESSENTIALLY WE WANT OUR RESEARCH TO HAVE

16:02

THE A WIDE REACH BUT NOT BE OVERLY COMPLEX BE PRESENTED AS A STORY AND THIS IS POWERFUL AND THINKING ABOUT REALLY

16:09

IMPACTFUL RESEARCH THAT IS WIDELY UNDERSTOOD SO THAT WAS OUR FIRST RECOMMENDATION WE DISCUSSED LAST MEETING

16:15

ALSO SEVERAL OF THE PARTNERSHIP MEMBERS DISCUSS FOCUSING UPSTREAM ON ACTUAL BARRIERS RIGHT SO WE FOCUS

16:21

PRIMARILY ON DRIVERS WHAT'S CAUSING THESE ISSUES WHETHER IT'S HOMELESSNESS PSYCHOLOGICAL DISTRESS BURDENS FACED

16:27

BY CAREGIVERS THAT'S MORE REACTIONARY IT'S REALLY IMPORTANT BUT IT'S MORE REACTIONARY SO I THINK WE LIKE TO BETTER

16:33

ADDRESS AND UNDERSTAND WHAT'S GETTING IN THE WAY OF FOLKS EARLIER IN THESE PROCESSES SO FOCUSING ON PREVENTION IS

16:39

AN IMPORTANT RECOMMENDATION WE ALSO TALKED ABOUT CAUSAL INFERENCE AND THE IMPORTANCE OF IT SO WE'RE BETTER INFORM

16:45

ABOUT THE MAGNITUDE OR DEGREE WHAT'S CAUSING THESE ISSUES THAT THESE ISSUES THAT WE'RE STUDYING THIS

16:51

RECOMMENDATION ALSO GETS SET THE NEED TO INTEGRATE DIFFERENT TYPES OF DATA SETS BECAUSE THESE ISSUES ARE MULTIFACETED BUT ALSO INTERCONNECTED

16:58

RIGHT SO THAT'S A GOOD SEGUE TO THE LAST BULLET BECAUSE WE WANT TO LOOK AT INTERSECTIONS AS I JUST MENTIONED THESE

17:04

ISSUES ARE INTERCONNECTED SO WE CAN'T LOOK AT THESE ISSUES IN SILOS SO GOING FORWARD SOMETHING WE'D

17:10

LIKE TO SEE IS MORE INTEGRATION OF DATA SETS AGAIN WHEN POSSIBLE BUT TAKING A MORE HOLISTIC APPROACH WITH THESE ISSUES

17:16

AS WELL AND SO I THINK THOSE ARE ESSENTIALLY THE DIFFERENT RECOMMENDATIONS WE DISCUSSED LAST

17:21

MEETING WHAT WE WANT TO BRING FORWARD BUT YOU KNOW I'LL OPEN UP FOR Q&A HERE SO IF YOU HAVE OTHER

17:26

RECOMMENDATIONS FOR CONSIDERATION IF YOU HAVE COMMENTS ON THESE RECOMMENDATIONS PLEASE FEEL FREE IF YOU

17:32

HAVE QUESTIONS FOR JACKIE ON THE ACTUAL DAY OF ACTION THIS IS OUR OPPORTUNITY TO

17:37

DISCUSS SO WE'LL OPEN IT UP NOW AND YOU RAISE YOUR HAND OR JUST HOP RIGHT

17:43

IN WHILE FOLKS ARE FORMULATING SOME

17:50

QUESTIONS AND COMMENTS TO YOU KNOW THE RECOMMENDATIONS THAT CADRP WANTS TO

17:55

MOVE FORWARD WITH I JUST WANTED TO HIGHLIGHT THAT ON THE DAY OF ACTION ALL MPA STAKEHOLDER COMMITTEES WILL HAVE

18:02

THAT OPPORTUNITY TO VERBALLY PRESENT AND SHARE YOUR FORMAL RECOMMENDATIONS TO

18:08

THOSE IN ATTENDANCE AS WELL AS IT WILL BE VIRTUALLY STREAMED SO I JUST WANTED TO HIGHLIGHT THAT CADRP WILL HAVE SPACE ON

18:14

THE AGENDA TO SHARE THEIR RECOMMENDATIONS ALONG WITH THE OTHER MPA
STAKEHOLDER COMMITTEES

18:32

THERE MIGHT NOT BE ANY QUESTIONS THAT'S TOTALLY FINE TOO SO THAT'S OKAY
THANK YOU JACKIE SO I THINK WE CAN

18:38

MOVE ON TO THE NEXT AGENDA ITEM WE GET TO GO OKAY DR KUSHEL THANK YOU
SO MUCH

18:43

FOR JOINING TODAY SO DR KUSHEL IS GONNA PRESENT ON THE HOPE HOME STUDY
SO REALLY EXCITED ABOUT THAT AND I'M GONNA

18:49

HAND IT OVER TO YOU DR KUSHEL WONDERFUL THANKS SO MUCH FOR INVITING ME
AND I'M GOING TO PRESENT BOTH ON OUR DATA ON

18:55

OLDER ADULTS FROM THE HOPE HOME STUDY AND ALSO FROM THE CALIFORNIA
STATEWIDE STUDY OF

19:01

PEOPLE EXPERIENCING HOMELESSNESS AND WE RECENTLY ALSO PRODUCED A
REPORT

19:09

FOCUSING ON OLDER ADULTS FROM THAT AND ALL OF THOSE ARE AVAILABLE ON
OUR

19:14

WEBSITE I AM MARGOT KUSHEL I DIRECT THE BENIOFF HOMELESSNESS AND
HOUSING INITIATIVE AS WELL AS SOMETHING CALLED

19:20

THE CENTER FOR VULNERABLE POPULATIONS WHERE WE ARE SWITCHING THE
NAME IN A FEW WEEKS TO THE ACTION CENTER FOR

19:26

ACTION RESEARCH CENTER FOR HEALTH EQUITY UCSF NEXT

19:33

SLIDE SO I JUST THINK IT'S IMPORTANT BEFORE WE LAUNCH INTO ANY

19:39

DISCUSSION OF HOMELESSNESS TO JUST CALL OUT A NAME

19:45

THAT HOMELESSNESS IS AN ISSUE OF RACIAL INJUSTICE AND JUST A BRIEF
REMINDER TO

19:51

EVERYONE THAT IN OUR NATION HOME OWNERSHIP HAS BEEN THE PRIMARY MEANS OF INTERGENERATIONAL WEALTH BUILDING THAT

19:58

UNTIL VERY RECENTLY IN OUR COLLECTIVE HISTORY THERE HAS BEEN LEGAL AMORAL

20:04

UNETHICAL AND FRANKLY RACIST BUT LEGAL DISCRIMINATION IN HOME OWNERSHIP

20:10

OPERATING THROUGH RACIAL COVENANTS LEADING TO SEGREGATED NEIGHBORHOODS IN

20:15

THE PRACTICE OF REDLINING WHICH RESTRICTED ACCESS TO MORTGAGES AND SEGREGATED NEIGHBORHOODS AND EVEN THOUGH

20:20

THIS HAS BEEN ILLEGAL SINCE THE FAIR HOUSING LAWS WERE PASSED IN THE LATE 1960S WE STILL LIVE IN NEIGHBORHOODS

20:28

THAT ARE REALLY DERIVED FROM THOSE PRACTICES EVEN THOUGH IT'S NO LONGER 20:33

LEGAL WE SEE LOTS OF ONGOING DISCRIMINATION THROUGH THE PREDATORY LENDING CRISIS 2008 WHICH PARTICULARLY

20:39

IMPACTED OLDER ADULTS FROM RACIALLY MINORITIZED GROUPS WE STILL SEE 20:45

ILLEGAL BUT CLEAR ONGOING DISCRIMINATION ON THE BASIS OF RACE IN OUR RENTAL MARKETS AND YOU ADD THAT TO

20:53

WELL DESCRIBED DISCRIMINATION CRIMINAL JUSTICE EMPLOYMENT AND EDUCATIONAL DISCRIMINATION IT IS PERHAPS NOT A

20:58

SURPRISE THAT BLACK AMERICANS ARE AT THREE TO FOURFOLD INCREASED RISK OF HOMELESSNESS IS SO UNRACIALIZED AS

21:05

WHITE I THINK IT'S VERY IMPORTANT THAT WE ALWAYS THAT I ALWAYS MENTION THIS IN EVERY TALK OKAY NEXT

21:12

SLIDE SO AS SOME GROUNDING THE POPULATION OF PEOPLE EXPERIENCING HOMELESSNESS IS AGING AND JUST TO PUT A

21:19

NUMBER ON IT OUR RESEARCH SHOWED THAT IN THE EARLY 1990S APPROXIMATELY 11% OF HOMELESS SINGLE ADULTS SO THIS IS

21:25

EXCLUDING YOU KNOW MOMS AND HOMELESS FAMILIES AND THE VERY YOUNG ADULTS BUT THE VAST MAJORITY OF THE POPULATION ARE

21:31

SINGLE ADULTS 1990 11% WERE 50 OLDER 2003 32% WERE 50 OLDER THAT DATA IS FROM

21:38

SAN FRANCISCO AND THEN IN OUR STATEWIDE STUDY WHICH WE PUBLISHED LAST YEAR WE NOW KNOW THAT ACROSS CALIFORNIA

21:46

48% OF HOMELESS SINGLE ADULTS ARE NOW 50 AND OLDER NEXT

21:53

SLIDE OOPS SOR JUST IF YOU CAN JUST CLICK THROUGH THESE YEAH THANK YOU

22:00

NEXT SLIDE OKAY THIS IS A GENERATIONAL EFFECT FROM WORK BY DENNIS CULHANE AND

22:06

OTHERS WE KNOW THAT AMERICANS BORN IN THE SECOND HALF OF THE BABY BOOM SO ABOUT 1955 TO 1965 HAVE HAD AN ELEVATED

22:12

RISK OF HOMELESSNESS THROUGHOUT THEIR LIFETIME DENNIS AFTER WE PUBLISHED THAT STUDY ABOUT THE 1990S

22:20

TO EARLY 2003 DENNIS WENT INTO NATIONWIDE SHELTER RECORDS LOOKED AT MEN

22:26

TO TRY TO ISOLATE SORT OF SINGLE ADULTS FROM HOMELESS FAMILIES AND FOUND THIS BUBBLE EFFECT SO THAT ONE OF

22:33

EIGHT MALE SHELTER RESIDENTS IN 1990 WERE 31 TO 33 ONE AND FIVE YOU KNOW

22:41

YOU CAN SEE THIS BUBBLE RIGHT SO THERE'S THIS BIG BUBBLE OF PEOPLE 31 TO 33 IN THE IN THE 1990S UNDER THE

22:49

ORANGE LINE A BIG BUBBLE OF PEOPLE IN THE EARLY 40S UNDER THE BLUE LINE A BIG BUBBLE OF PEOPLE LATE 40S EARLY 50S IN

22:55

2010 AND THAT IS INCREASING THESE ARE COURSE RESPOND TO PEOPLE BORN IN THE SECOND HALF OF THE BABY BOOM THIS SORT

23:01

OF MAKES SENSE RIGHT THIS IS A GROUP OF PEOPLE WE KNOW IF YOU'RE BORN IN THE SECOND HALF OF THE BABY BOOM YOU ALWAYS SORT OF LOSE OUT UNEMPLOYMENT

23:08

OPPORTUNITIES BECAUSE LIKE THE FIRST HALF TOOK THEM THIS IS A GROUP OF PEOPLE WHO CAME OF AGE DURING HUGE CHANGES IN

23:14

CRIMINAL JUSTICE POLICY SO GOT REALLY CAUGHT UP IN THE WAR ON DRUGS THIS IS A GROUP OF PEOPLE WHO ENTERED THE JOB

23:21

MARKET DURING A RECESSION WE KNOW IF YOU DO THAT YOU NEVER MAKE UP THE LOST INCOME AND MOST IMPORTANTLY THIS IS A

23:26

GROUP OF PEOPLE WHO ENTER THE HOUSING MARKET AT A TIME OF HUGE CHANGES IN FEDERAL

23:32

SUPPORT FOR AFFORDABLE HOUSING LEAVING THEM AT A STRUCTURAL DISADVANTAGE THE REST OF THEIR LIVES NEXT

23:40

SLIDE WE PROJECT THAT THIS TREND WILL CONTINUE THIS IS FROM AGAIN DR CULHANE

23:46

DENNIS CULHANE'S WORK WHO SHOWED THAT LOOKING AT PEOPLE 65 AND OLDER THE PROPORTION EXPERIENCING HOMELESSNESS

23:52

ACROSS SEVERAL MAJOR CITIES IN THE US INCLUDING LA IS ANTICIPATED TO TRIPLE BETWEEN 2017 AND 2030 THIS GROUP OF

23:59

PEOPLE EXPERIENCING HOMELESS 65 AND UP HAS THE FASTEST RISE IN THIS TIME

24:04

PERIOD NEXT SLIDE I'M GOING TO PRESENT WORK FROM

24:11

TWO STUDIES TOWARD A NEW UNDERSTANDING THE CALIFORNIA STATEWIDE STUDY OF PEOPLE EXPERIENCING HOMELESSNESS WE PUBLISHED

24:16

THIS LAST JUNE THIS IS A STATEWIDE STUDY REPRESENTATIVE SAMPLE OF ADULTS

24:23

EXPERIENCING HOMELESSNESS THROUGHOUT THE STATE OF CALIFORNIA WE USE MIXED METHODS MORE RECENTLY WE PUBLISHED OUR REPORT ON

24:30

OLDER ADULTS NEXT SLIDE I'M ALSO GOING TO TALK ABOUT RESULTS FROM THE HOPE HOME STUDY THE

24:36

HEALTH OUTCOMES OF PEOPLE EXPERIENCING HOMELESSNESS IN OLDER MIDDLE AGE THIS IS AN NIH FUNDED STUDY THAT HAS BEEN ONGOING

24:41

IN OAKLAND SINCE 2013 LOOKING SPECIFICALLY AT ADULTS 50 AND OLDER

24:48

EVERYONE IN THE STUDY WAS HOMELESS WHEN WE ENROLLED THEM BUT WE FOLLOWED THEM FOR THE LAST 14 YEARS OR SO OR HOWEVER

24:55

LONG IT'S BEEN A LONG TIME 10 YEARS WE FOLLOW THEM REGARDLESS OF WHETHER THEY REMAIN HOMELESS ENTER HOUSING OR GO

25:02

AS MOST PEOPLE DO IN AND OUT NEXT SLIDE IN THE CALIFORNIA STATEWIDE

25:09

STUDY TO PUT A NUMBER ON THE RACIAL INEQUITY THIS IS LOOKING AT THOSE 50 AND

25:16

OLDER SO NOW I'M LOOKING AT PEOPLE 50 AND OLDER ACROSS THE STATE OF THOSE 50

25:21

AND OLDER ACROSS THE STATE 31% OF PEOPLE EXPERIENCING HOMELESSNESS WHO ARE 50 AND

25:27

OLDER IN CALIFORNIA SUPPORT OF BLACK RACIAL IDENTITY VERSUS 6% OF THE OVERALL

25:32

STATE POPULATION OF PEOPLE 50 AND OLDER 3% OF THOSE 50 AND OLDER REPORT A NATIVE

25:38

AMERICAN INDIGENOUS IDENTITY VERSUS 3% STATEWIDE 14% OF THOSE 50 AND OLDER REPORTED

25:44

MULTI-RACIAL IDENTITY VERSUS 3% STATEWIDE AND THERE'S ACTUALLY AN UNDER REPRESENTATION OF LATINX POPULATION

25:51

BECAUSE A LATINX HOMELESS POPULATION TENDS TO BE MUCH YOUNGER IN THE YOUNGER POPULATION THERE'S AN OVER

25:56

REPRESENTATION IN THE OLDER POPULATION THERE IS A UNDER REPRESENTATION
HAVING TO DO WITH GENERATIONAL TREND NEXT

26:03

SLIDE THE HOMELESS POPULATION IS AGING THIS IS A

26:09

STATEWIDE ADULTS THE FIRST IS ALL ADULTS WHETHER THEY'RE IN FAMILIES VERY
YOUNG

26:15

ADULTS OLDER ADULTS THE MEDIAN AGE OF EVERY ADULT EXPERIENCING
HOMELESSNESS ACROSS OUR STATE IS NOW 47 THE RANGE OF

26:23

18 WHICH WAS OUR LOWEST AMOUNT TO 89 WAS THE OLDEST PERSON WE
RECRUITED AND AMONG

26:28

THOSE SINGLE ADULTS AS I SAID 48% WERE 50 PLUS AMONG ADULTS ALL ADULTS
WHO ARE

26:35

50 AND OLDER 41% HAD NEVER BEEN HOMELESS NOT EVEN FOR ONE NIGHT BEFORE
THE AGE OF

26:44

50 THIS IS FROM THE CALIFORNIA STATEWIDE STUDY OF PEOPLE EXPERIENCING
HOMELESSNESS AMAZINGLY THIS MATCHES

26:50

WITHIN ONE PERCENTAGE POINT TO WHAT WE HAVE FOUND IN OAKLAND IN THE
HOPE HOME

26:56

STUDY SO I HAVE A LOT OF CONFIDENCE IN THIS NUMBER NEXT

27:02

SLIDE THERE ARE REAL DIFFERENCES AMONG OLDER ADULTS EXPERIENCING

27:07

HOMELESSNESS BETWEEN THOSE WHO BECAME HOMELESS BEFORE 50 AND
REMAINED HOMELESS

27:13

AND THOSE WHO FIRST ENTERED HOMELESSNESS AFTER THE AGE OF 50 SO THIS IS
JUST LOOKING AT PEOPLE WHO ARE HOMELESS AND

27:19

OLDER ADULTS AND COMPARING THOSE WHO HAD BEEN HOMELESS BEFORE 50 TO
BE THOSE AFTER 50 SO AGAIN AMONGST OLDER ADULTS

27:26

EXPERIENCING HOMELESSNESS IF YOU LOOK AT THE OLDER ADULTS EXPERIENCING
HOMELESSNESS WHO WERE HOMELESS AT SOME

27:32

POINT BEFORE THE AGE OF 50 AND EITHER REMAINED HOMELESS AFTER 50 OR BECAME HOMELESS AGAIN AFTER 50 COMPARED TO

27:38

THOSE WHO ARE NEWLY HOMELESS AFTER 50 WE SEE A MUCH HIGHER PREVALENCE OF SEVERE

27:43

ADVERSE EARLY LIFE EXPERIENCES LEADING TO LOW INCOME ATTAINMENT IN OLDER ADULTHOOD MUCH MORE LIKELY TO HAVE NO

27:49

SPOUSE OR PARTNER MUCH MORE LIKELY TO REPORT SIGNIFICANT MENTAL HEALTH PROBLEMS ALCOHOL USE PROBLEMS TRAUMATIC

27:54

BRAIN INJURY AND IMPRISONMENT NEXT SLIDE

28:01

IF YOU LOOK AMONG THOSE OLDER ADULTS WHO FIRST BECAME HOMELESS AFTER 50 AGAIN

28:06

ABOUT 41% OF ALL OLDER ADULTS WHAT YOU SEE IS A VERY DIFFERENT STORY THESE WERE

28:12

PEOPLE WHO WORKED THROUGHOUT THEIR ADULT LIVES USUALLY MORE THAN ONE JOB BUT IN

28:18

PHYSICALLY DEMANDING LOW-WAGE WORK UNTIL SOMETIME AFTER THE AGE OF 50 THEY HAD AN

28:24

IDENTIFIABLE CRISIS THESE FOLKS WHEN TELLING US THEIR LIFE HIS COULD SAY AND

28:29

THEN YOU KNOW IN JUNE OF 2019 LIKE THEY WERE ABLE TO PINPOINT AN EVENT AND THOSE

28:36

EVENTS REALLY FELL INTO ONE OF FOUR BUCKETS EITHER THEY OR THEIR SPOUSE OR PARTNER LOST A JOB THEY OR THEIR SPOUSE OR

28:43

PARTNER HAD A MARITAL BREAKDOWN SO THEY AND THEY'RE SPOUSE HAD A MARITAL BREAKDOWN THEY BECAME

28:50

ILL OR THEY OR THEIR SPOUSE OR PARTNER BECAME ILL THEIR SPOUSE OR PARTNER DIED OR THEIR PARENT DIED A LOT OF

28:55

STORIES OF LIKE A 53 YEAR OLD MAN WHOSE 78-YEAR-OLD MOM WITH WHOM THEY WERE LIVING PASSED AND THEY SUDDENLY THEN HAD

29:03

NO ACCESS TO EITHER HER SHARE OF THE HOUSING SUPPORT LIKE HER SHARE OF THE

29:09

RENT OR THEIR NAME WASN'T ON THE LEASE AND THEY HAD NO TITLE TO THE HOUSE WHAT WE FOUND WAS AN INCREDIBLE LACK OF BOTH

29:16

ADVOCACY AND SOCIAL SUPPORT BY ADVOCACY WE MEANT MANY OF THEM WERE NOT

29:22

EXERCISING LEGAL RIGHTS IF THEY HAD ON PAPER THEY MIGHT HAVE HAD LEGAL RIGHTS LET'S SAY TO NOT BE EVICTED BUT THEY HAD

29:28

NO WAY OF KNOWING THAT AND THEY DIDN'T SEEK HELP WITH THAT BECAUSE THEY WERE UNAWARE SOCIAL SUPPORT WAS INTERESTING

29:34

IT WASN'T SO MUCH THAT PEOPLE DIDN'T HAVE SOCIAL SUPPORT IT'S THAT THEY DIDN'T EXERCISE THEIR SOCIAL SUPPORT BECAUSE OF SUCH SHOCK AND SHAME AND THE

29:42

STIGMA OF BECOMING HOMELESS MANY MANY OF THESE ELDER ADULTS TOLD US THAT THEIR FAMILIES LET'S SAY STILL DIDN'T KNOW

29:48

THAT THEY WERE HOMELESS AND THAT THEY WERE DOING A LOT TO HIDE IT NEXT

29:54

SLIDE GOING BACK TO THE CALIFORNIA STATEWIDE STUDY HOW DID OLDER ADULTS ENTER

30:01

HOMELESSNESS 19% OF OLDER ADULTS ENTERED HOMELESSNESS

30:07

DIRECTLY FROM AN INSTITUTIONAL SETTING THIS INCLUDED LONG-TERM JAIL STAYS AND PRISON STAYS BUT ALSO AMONG OLDER ADULTS

30:14

QUITE A BIG PROPORTION THAT CAME FROM HEALTH INSTITUTIONS NURSING HOMES DRUG TREATMENT CENTERS AND THE LIKE 46%

30:23

ENTERED FROM HOUSING IN WHAT WE CALLED A NON-LEASE HOLDING ARRANGEMENT SO OLDER ADULTS WHO WERE

30:28

DOUBLED UP WITH FAMILY OR FRIENDS BUT HAD NO LEGAL TITLE THE IMPORTANCE OF THIS IS THAT THESE ARE PEOPLE FOR WHOM

30:35

AT THAT MOMENT EVICTION PROTECTION LAWS WOULDN'T PROTECT THEM BECAUSE THEY HAD NO LEGAL RIGHTS TO THEIR HOUSING AND

30:41

35% OF THE OLDER ADULTS ENTERED DIRECTLY FROM A HOUSING ARRANGEMENT FROM WHICH THEY HELD LEGAL RIGHTS NEXT

30:48

SLIDE AMONG HOMELESS CALIFORNIANS 50 AND OLDER THE MEDIAN MONTHLY HOUSEHOLD

30:53

INCOME IN THE SIX MONTHS PRIOR TO HOMELESSNESS WAS A MERE \$920 A MONTH AMONG NON-LEASE HOLDERS AGAIN

31:00

THIS IS AMONG OLDER ADULTS THE MEDIAN MONTHLY HOUSEHOLD INCOME WAS 996 IT'S HIGHER THAN 920 BECAUSE SOME

31:07

OF THOSE WERE THE INSTITUTIONAL FOLKS WHO HAD REALLY LOW INCOMES AMONG THOSE NON-LEASE HOLDERS 42% WERE PAYING NO

31:13

RENT BUT OF THOSE WHO DID PAY RENT THE MEDIAN RENT WAS \$412 A MONTH AMONG THE

31:18

LEASEHOLDERS THE MEDIAN MONTHLY HOUSEHOLD INCOME WAS \$1,100 A MONTH THIS IS SORT OF LIKE AN SSI KIND OF RANGE

31:25

HERE BUT THE MEDIAN MONTHLY RENT WAS \$659 A MONTH SO TWO THINGS IF YOUR

31:30

HOUSEHOLD INCOME IS \$1,100 A MONTH YOU CAN'T REALLY SUSTAIN \$659 A MONTH

31:36

BUT ALSO THERE'S NO PLACE IN OUR STATE THAT YOU CAN REENTER THE HOUSING MARKET FOR AS LOW AS \$659 A MONTH NEXT

31:44

SLIDE THIS IS ONE OF OUR PARTICIPANTS OLDER PARTICIPANTS SAYING SO I'VE GIVEN MY WHOLE CHECK UP MANY TIMES JUST TO

31:51

PAY MY RENT YEAH I WOULD PREFER TO GO BROKE PAY MY RENT THAN TO GO BROKE AND HAVE NOT HAVE NOTHING AT ALL EVEN IF

31:58

IT COST ME MY WHOLE SSI CHECK I DON'T CARE AS LONG AS MY RENT GETS PAID THAT'S ALL I CARE MY BILLS MY LIGHTS I DON'T

32:03

CARE EVERYONE WAS SORT OF JUGGLING EVERYTHING TO MAKE THEIR RENT AND THEN EVENTUALLY COULDN'T DO SO NEXT

32:10

SLIDE WHERE DID OLDER ADULTS SPEND THEIR TIME AMONG PEOPLE 50 AND OLDER

32:18

ACROSS OUR STATE 79% SPENT THE MAJORITY OF THEIR NIGHTS

32:23

IN THE PRIOR SIX MONTHS IN AN UNSHELTERED SETUP 21% IN A VEHICLE AND 58% IN A NON-VEHICLE SETTING LOOKING A

32:31

LOT LIKE THIS WHICH IS A PICTURE WE TOOK DURING OUR RESEARCH ONLY

32:36

21% OF OLDER ADULTS SPENT THE MAJORITY OF THEIR LAST SIX MONTHS SHELTERED AND I

32:41

WILL SAY THAT THIS WAS THE SAME AS A POPULATION OVERALL THAT OLDER ADULTS WERE NO MORE LIKELY TO BE SHELTERED THAN

32:49

YOUNGER HOMELESS ADULT NEXT SLIDE AMONG THOSE 50 OR OLDER THEIR

32:56

HEALTH WAS REALLY TERRIBLE SO 50 AND OLDER THEY'RE EXPERIENCING HOMELESSNESS 53%

33:02

STATEWIDE REPORTED THEIR HEALTH IS FAIR OR POOR VERY SIMILAR BY THE WAY TO WHAT WE FOUND IN HOPE HOME 68% REPORTED AT

33:08

LEAST ONE MAJOR CHRONIC HEALTH CONDITION EVEN THOUGH WE ASSUME THAT THESE WERE UNDER REPORTED BECAUSE PEOPLE HAD SUCH

33:15

POOR ACCESS TO CARE THESE ARE THINGS LIKE DIABETES CONGESTIVE HEART FAILURE A STROKE OR A MAJOR CANCER DIAGNOSIS 35%

33:23

REPORTED HAVING AT LEAST TWO CHRONIC HEALTH CONDITIONS NEXT SLIDE AMONG OLDER ADULTS 43% REPORTED

33:32

DIFFICULTY WITH ONE OR MORE OF THE FIVE MAJOR ACTIVITIES OF DAILY

33:37

LIVING LIMITATIONS NEXT SLIDE 23% OF OLDER ADULTS REPORTED THREE OR

33:45

MORE ADL LIMITATIONS OBVIOUSLY NORMALLY THOUGHT OF AS MEETING CRITERIA FOR

33:51

NURSING HOME CARE NEXT SLIDE AMONG GOING BACK TO THE HOPE HOME

33:57

DATA SO THESE ARE ADULTS 50 AND OLDER MEDIAN AGE OF 57 26% HAD MODERATE TO

34:02

SEVERE IMPAIRMENT ON A SCREENING TEST FOR GLOBAL COGNITIVE IMPAIRMENT THIS IS ON A 3M TEST NEXT

34:09

SLIDE 35% HAD MODERATE TO SEVERE IMPAIRMENT ON A SCREENING TEST FOR EXECUTIVE FUNCTION THE TRAILS B THIS IS

34:16

IMPORTANT BECAUSE WHEN WE ASK OLDER ADULTS TO MANAGE HOMELESSNESS WE MAKE ENORMOUS DEMANDS ON PEOPLE'S EXECUTIVE

34:23

FUNCTION YOU KNOW IF YOU WANT TO GET YOUR IF YOU WANT TO GET YOUR HOUSING SUBSIDY YOU NEED TO GO TO THE DMV AND GET

34:30

YOUR YOU KNOW LICENSE AND THEN YOU NEED TO COME HERE LIKE PEOPLE JUST CAN'T DO IT WE'RE ASKING PEOPLE SOMETHING THAT REALLY IS NOT WITHIN WHAT THEY COULD DO

34:37

NEXT SLIDE ACROSS THIS IS AGAIN BACK TO HOPE HOME BUT VERY SIMILAR IN CASPEH 27%

34:46

MOBILITY IMPAIRMENT 34% HAD HAD ONE OR MORE FALLS IN THE PRIOR SIX MONTHS 45%

34:53

HAD A BEST MEASURED VISION WITH THEIR GLASSES ON MEETING CRITERIA FOR SIGNIFICANT

34:58

VISUAL IMPAIRMENT 36% HAD HEARING IMPAIRMENTS AND 48% WERE

35:03

EXPERIENCING URINARY INCONTINENCE IMAGINE TRYING TO GET A JOB

35:09

FIND HOUSING IF YOU HAVE NO PLACE TO DO LAUNDRY NO PLACE TO GET FRESH CLOTHES

35:16

AND YOU'RE EXPERIENCING URINARY INCONTINENCE NEXT SLIDE THIS LEADS US TO SAY THAT WHEN

35:23

WE'RE TALKING ABOUT HOMELESSNESS 50 IS A NEW 75

35:28

IN BOTH STUDIES WITH THE MEDIAN AGE OF PEOPLE 50 AND OLDER OF ABOUT 57 OR 58

35:35

PEOPLE HAD THE LEVEL OF GERIATRIC CONDITIONS FUNCTION AND HEALTH STATUS 35:41

THAT IS WORSE THAN WHAT WE SEE IN THE GENERAL POPULATION OF PEOPLE IN THEIR 70S OR 80S NEXT

35:49

SLIDE WE SAW INCREDIBLE BARRIERS ON THE BASIS OF

35:56

DISABILITY TO ACCESSING EVEN HOMELESS SHELTERS ONE OF THE REASONS WHY 36:01

WE DIDN'T SEE A HIGHER PROPORTION SHELTERED THAN WE SAW OF YOUNGER ADULTS IS THAT THERE A LOT OF AGE RELATED

36:08

ACTUAL LACK OF ABILITY FOR SHELTERS TO MANAGE PEOPLE SO THEY KICK THEM OUT AND

36:13

THEY SLEPT ON THE STREET THIS IS ONE OF OUR PARTICIPANTS TALKING A LOT OF SHELTERS THEY DON'T HAVE THEY'RE NOT

36:19

EQUIPPED FOR DISABILITIES FOR HANDICAP DISABLED YOU KNOW THEY DON'T HAVE HANDRAILS IN THE SHOWERS THEY DON'T HAVE A RAMP YOU KNOW THE DISABILITY CAN BE A

36:25

PROBLEM THEY DON'T ACCEPT US IN A LOT OF SHELTERS I'M SEEING MORE AND MORE

36:31

OLDER ADULTS TELLING US THAT THEY ARE TURNED AWAY FROM SHELTERS BECAUSE THEY ARE TOO IMPAIRED FOR THE SHELTER TO

36:37

MANAGE THEM AND SO INSTEAD THEY ARE SLEEPING OUTSIDE ON THE SIDEWALK WHERE

36:43

THEY ARE THEN SUBJECT TO HOMELESSNESS SWEEPS AND OTHER POLICING NEXT

36:48

SLIDE AMONG OLDER ADULTS THIS IS GOING BACK TO CASPEH VERY SIMILAR IN
HOPE HOME WE SAW A HIGH LEVEL OF MENTAL

36:56

HEALTH SYMPTOMATOLOGY BUT IT WAS REALLY DRIVEN BY DEPRESSIVE
SYMPTOMS AND ANXIETY SO 63%

37:02

OF OLDER ADULTS HAD SOME SIGNIFICANT MENTAL HEALTH SYMPTOMATOLOGY
46% WITH

37:07

ANXIETY SYMPTOMS 44% WITH DEPRESSIVE SYMPTOMS BUT OVER A THIRD
REPORTED TROUBLE REMEMBERING CONCENTRATING OR

37:14

UNDERSTANDING THIS CAN BE A SIGN OF SEVERITY LET'S SAY OF DEPRESSIVE
SYMPTOMS IT CAN BE A FORM IT CAN BE

37:21

REPRESENTING DEMENTIA IT CAN BE REPRESENTING ADHD IT COULD BE
REPRESENTING A THOUGHT DISORDER OR

37:27

OTHERS 13% OF OLDER ADULTS REPORTED CURRENTLY

37:32

EXPERIENCING HALLUCINATIONS AGAIN COULD BE A PRIMARY PSYCHOTIC
DISORDER COULD BE SECONDARY TO SUBSTANCE USE OR COULD BE A

37:39

SIDE EFFECT OF DEPRESSION WHICH WE KNOW WHEN OLDER ADULTS IS MORE
LIKELY TO HAVE

37:45

HALLUCINATIONS AS A PART OF THE DEPRESSIVE DISORDER PICTURE NEXT

37:50

SLIDE WE LOOKED AMONG OLDER ADULTS AT MEASURES OF BEHAVIORAL HEALTH
COMPLEXITY

37:58

THINKING THIS IS A POPULATION THAT WOULD LIKELY NEED BEHAVIORAL HEALTH
SUPPORT IN

38:03

THEIR HOUSING EXIT SOMETHING LIKE PERMANENT SUPPORTIVE HOUSING WITH
BEHAVIORAL HEALTH SUPPORT AMONG ALL

38:09

OLDER ADULTS 43% REPORTED A COMPLEX BEHAVIORAL NEED INTERESTINGLY THIS IS

38:14

LOWER THAN IN YOUNGER HOMELESS ADULTS WE DID THIS BY EITHER CURRENT REGULAR ILLICIT DRUG USE HEAVY EPISODIC ALCOHOL

38:22

USE SO BINGE DRINKING AT LEAST WEEKLY CURRENT HALLUCINATIONS A REPORT OF A RECENT MENTAL HEALTH HOSPITALIZATION

38:28

43% OF OLDER ADULTS HAD AT LEAST ONE OF THOSE FOUR MEASURES OF SEVERE BEHAVIORAL

38:33

COMPLEXITY NEXT SLIDE THERE IS A WIDE OVERLAP BETWEEN

38:39

BEHAVIORAL HEALTH COMPLEXITY AND GERIATRIC CONDITIONS AND WE KNOW THAT

38:44

THE OLDER ADULT SYSTEM IS REALLY NOT VERY WELL SET UP TO CARE FOR PEOPLE WITH BEHAVIORAL HEALTH COMPLEXITY AND THE

38:51

BEHAVIORAL HEALTH SYSTEM IS COMPLETELY OVERWHELMED BY PEOPLE WHO HAVE AGE RELATED DISABILITY SO 22% OF ALL OLDER

38:59

ADULTS HAD BOTH WHAT WE CALL THE COMPLEX BEHAVIORAL HEALTH NEED AS DESCRIBED BEFORE AND AT LEAST ONE ADL LIMITATION

39:06

NEXT SLIDE VIOLENCE WAS CONSTANT TRAUMATIC

39:14

AND REALLY A REGULAR PART OF PEOPLE'S LIVES 28% OF OLDER ADULTS HAD

39:20

EXPERIENCED A PHYSICAL ATTACK DURING THEIR CURRENT EPISODE OF HOMELESSNESS OF

39:25

THOSE OLDER ADULTS WHO EXPERIENCE PHYSICAL VIOLENCE 59% SAID IT WAS

39:31

PERPETRATED BY A STRANGER SO A STRANGER AS OPPOSED TO BOTH AN INTIMATE PARTNER AN

39:38

ACQUAINTANCE OR SOMEONE THEY RECOGNIZE STRANGER IS LIKE SOMEONE WHO WASN'T EVEN FROM YOU KNOW SOMEONE WHO

39:44

THEY EVEN KNEW FROM AROUND THEIR ENCAMPMENT 59% THIS JUST DEMONSTRATES

39:50

HOW VULNERABLE OLDER ADULTS ARE WHEN THEY'RE EXPERIENCING HOMELESSNESS NEXT SLIDE 6%

39:57

OF OLDER HOMELESS ADULTS HAD EXPERIENCED A SEXUAL ASSAULT DURING THE CURRENT EPISODE AMONG CIS-GENDER WOMEN IT WAS

40:05

12% OF OLDER CIS-GENDER WOMEN OF THOSE WHO EXPERIENCED A SEXUAL ASSAULT 75%

40:11

SAID IT WAS PERPETRATED BY A STRANGER NEXT SLIDE IN THE PRIOR SIX MONTHS 37% OF

40:18

OLDER ADULTS HAD VISITED THE EMERGENCY DEPARTMENT 25% HAD BEEN HOSPITALIZED FOR AT

40:26

LEAST ONE NIGHT FOR PHYSICAL HEALTH CONDITION AND 5% FOR A MENTAL HEALTH HOSPITALIZATION NEXT

40:33

SLIDE WHEN WE ASK PEOPLE WHAT KEPT THEM FROM BECOMING HOUSED AND BY THE WAY THIS

40:39

IDEA THAT HOMELESS PEOPLE DON'T WANT TO BE HOUSED THERE MAY BE SOMEONE OUT THERE WHO THAT IS TRUE FOR BUT IN OUR

40:45

STATEWIDE STUDY WE COULDN'T FIND THAT PERSON EVERYONE WANTS TO BE HOUSED BUT THE MAJOR BARRIER WAS OF COURSE THE COST

40:53

OF HOUSING 86% SAID IT WAS A SIGNIFICANT BARRIER TO THEIR ABILITY TO BECOME

40:58

HOUSED MOST OF THEM SAYING IT WAS A LOT A MAJOR BARRIER NEXT SLIDE BUT OLDER

41:04

ADULTS TALKED ABOUT OTHER BARRIERS AS WELL EXPERIENCING DISCRIMINATION OFTEN ON THE

41:09

BASIS OF RACE 41% NOT HAVING THE NECESSARY DOCUMENTS 44% PEOPLE TALKED

41:16

ABOUT NOT HAVING ANY PROOF OF WHO THEY WERE PROOF OF INCOME RENTAL RECORDS OR ANYTHING MOST BECAUSE THEY'RE OUTSIDE

41:23

THINGS ARE BEING THROWN OUT AND THEY CAN'T GET INTO HOUSING 33% NOTED HAVING A RECORD WITH THE CRIMINAL

41:29

JUSTICE SYSTEM AGAIN WE ARE ARRESTING PEOPLE AND JAILING THEM FOR BEING HOMELESS THAT RECORD THEN MAKES IT HARD

41:34

FOR THEM TO GET BACK INTO HOUSING 44% SAID PROBLEMS WITH THEIR CREDIT OR PAST

41:40

EVICCTIONS THE IRONY OF COURSE IF YOU HAVE AN EVICTION ON YOUR RECORD YOU CAN'T GET BACK INTO HOUSING AND AMONG

41:45

OLDER ADULTS ALMOST A THIRD NOTED THAT THE HOUSING THAT THEY COULD IDENTIFY DID

41:52

NOT MEET THEIR NEEDS FOR ACCESSIBILITY SO JUST LIKE WE SAW IN LACK OF ACCESS TO

41:58

SHELTER WE'RE SEEING THE LACK OF AGE FRIENDLY HOUSING PRESENTING A MAJOR

42:04

BARRIER TO OLDER HOMELESS ADULTS BECOMING REHOUSED NEXT

42:10

SLIDE MOST BUILDINGS THAT I HAVE BEEN IN OR HAVE BEEN TO HAVE STAIRS A LOT OF

42:16

STAIRS A LOT OF THESE APARTMENT BUILDINGS DON'T HAVE ACCESSIBILITY FOR A WHEELCHAIR OR FOR A LEFT LEG AMPUTEE SO THAT'S

42:22

ONE OF THE MAJOR AND THE MONEY I DON'T RECEIVE ENOUGH MONEY EACH MONTH TO LIVE

42:27

ON IN MY OWN APARTMENT I DON'T HAVE ENOUGH INCOME NEXT

42:35

SLIDE GOING BACK TO HOPE HOME WE HAVE FOLLOWED THE PARTICIPANTS SINCE 2013 WE

42:43

ENROLLED 350 IN 2013 IN ADDITIONAL 100 IN 2017 2018 BY THE WAY WE'VE JUST
42:48

ENROLLED ANOTHER 200 BUT OF THE ORIGINAL 450 PEOPLE WE KNOW THAT 164
HAVE ALREADY

42:58

DIED AGAIN THE MEDIAN AGE IN 2013 WAS

43:04

57 MORTALITY RATES ARE 3.1-FOLD HIGHER THAN WE WOULD EXPECT IN

43:11

OAKLAND FOR MEN AND 5.2% AND THIS IS AGE ADJUSTED FOR WOMEN NEXT

43:21

SLIDE WHAT WERE THE TOP CAUSES OF DEATH FOR OLDER ADULTS HEART DISEASE
AND

43:26

CANCER FOLLOWED BY DRUG OVERDOSE THESE MIRROR THE MAJOR CAUSES OF
DEATH

43:32

HEART DISEASE AND CANCER FOR OLDER ADULTS NATIONWIDE BUT IT'S JUST
SHIFTED ABOUT 20 YEARS EARLIER THAN WE

43:39

WOULD SEE BUT EVEN AMONG OLDER ADULTS DRUG OVERDOSE OR DRUG
POISONING DEATHS ARE COMMON CAUSE OF DEATH NEXT

43:47

SLIDE THE POPULATION EXPERIENCING HOMELESSNESS IS AGING MANY ENTER
HOMELESSNESS FOR THE VERY FIRST TIME

43:55

AFTER THE AGE OF 50 WE SEE AN EARLY ONSET OF GERIATRIC CONDITIONS
INCLUDING COGNITIVE FUNCTIONAL MOBILITY IMPAIRMENT

44:01

WE SEE THEM MUCH EARLIER THAN WE WOULD SEE IN THE GENERAL POPULATION
THE EXPERIENCE OF HOMELESSNESS IS HARROWING

44:07

AND FILLED WITH VIOLENCE AND DESPAIR HOMELESSNESS SYSTEMS NEED TO BE
RESPONSIVE TO THE NEEDS OF AN AGING POPULATION AND

44:14

ENDING HOMELESSNESS WILL REQUIRE SUSTAINED EFFORTS TO ADDRESS ROOT
CAUSES PARTICULARLY THE SEVERE SHORTAGE OF

44:19

DEEPLY AFFORDABLE HOUSING NEXT

44:24

SLIDE WE MAKE A VARIETY OF POLICY RECOMMENDATIONS EVERY SINGLE ROUTE

44:30

TOWARDS ENDING THIS CRISIS EVERY SINGLE ROUTE THERE IS NO WAY TO END THIS WITHOUT ADDRESSING ACCESS TO DEEPLY

44:36

AFFORDABLE HOUSING WE NEED TO EXPAND TARGETED PREVENTION IS VERY

44:41

APPEALING IT'S ACTUALLY HARD TO DO MOST PREVENTION PROGRAMS ARE NOT APPROPRIATELY TARGETED AND MOST TARGET

44:47

PEOPLE WHO PROBABLY WOULDN'T BECOME HOMELESS ANYWAY BUT THERE'S A DESPERATE NEED TO GET RESOURCES TO PEOPLE WHO ARE

44:52

ON THE VERGE OF HOMELESSNESS THIS IS A POPULATION THAT HAS SIGNIFICANT BEHAVIORAL HEALTH NEEDS

44:58

BOTH BECAUSE OF INFLOW INTO HOMELESSNESS WHO'S AT HIGHEST RISK AND ALSO BECAUSE OF THE TRAUMA OF

45:04

HOMELESSNESS LEAVES PEOPLE WITH SIGNIFICANT BEHAVIORAL HEALTH NEEDS WE NEED TO RECOGNIZE THAT AND PROVIDE

45:11

APPROPRIATE SUPPORTS TO SUPPORT PEOPLE IN HOUSING WE ALSO NEED TO RECOGNIZE THAT

45:17

PEOPLE ARE EXPERIENCING ACCELERATED AGING AND WE NEED TO PROVIDE SUPPORTS THAT MATCH FUNCTIONAL MOBILITY AND

45:24

COGNITIVE HEALTH NEEDS WE OBVIOUSLY NEED TO INCREASE HOUSEHOLD INCOMES \$920 A

45:30

MONTH IS JUST NOT GOING TO CUT IT WE CANNOT LEAVE PEOPLE OUT THERE TO DIE AND

45:35

OF THE 79% OF PEOPLE WHO ARE MOSTLY UNSHELTERED THEY FELT MOSTLY ABANDONED THERE WAS NO ONE COMING FOR THEM WHILE

45:43

HOUSING IS THE ANSWER WE CAN'T HOUSE PEOPLE WHO HAVE ALREADY PASSED AND WE DEFINITELY NEED TO INCREASE AGE

45:49

APPROPRIATE OUTREACH AND SERVICE DELIVERY FOR PEOPLE WHILE THEY'RE EXPERIENCING HOMELESSNESS AND BY THE WAY WE NEED TO

45:56

MAKE SURE THAT OR ANY INTERIM HOUSING MEASURES ARE ACCESSIBLE TO OLDER ADULTS AND FINALLY BECAUSE OF THE DEEP DEEP

46:03

DEEP DISPARITIES BECAUSE OF THE STRUCTURAL RACISM THAT THIS COUNTRY SWIMS IN WE NEED TO EMBED A RACIAL

46:08

EQUITY APPROACH IN EVERYTHING THAT WE DO NEXT SLIDE THIS IS HOW YOU REACH ME AT OUR

46:17

WEBSITE HOMELESSNESS.UCSF.EDU YOU WILL FIND BOTH THE CASPEH

46:22

REPORT AND THE AGING HOMELESSNESS REPORT AND A VARIETY OF OTHER REPORTS AS WELL

46:27

AS ACCESS TO HOPE HOME PAPERS AND REPORTS THANK YOU SO MUCH AND IF WE

46:35

HAVE TIME I'M HAPPY TO TAKE SOME QUESTIONS THANK YOU DR KUSHEL THAT WAS REALLY SOBERING FINDINGS REALLY POWERFUL

46:40

FINDINGS AND WE DO HAVE PLENTY OF TIME CAN I SEE ONE QUESTION ABOUT SWEEPS YOU MENTIONED THAT WORD I'VE BEEN HEARING THAT QUITE A BIT MORE IT'S KIND OF A

46:47

CRUEL WORD RIGHT BUT COULD YOU JUST PROVIDE SOME CONTEXT ON WHAT A SWEEP IS AND WHAT HAPPENS TO FOLKS AFTER SWEEPS

46:53

THE UNHOUSED FOLKS YEAH SO SWEEPS IS SORT OF LIKE THE INFORMAL WORD FOR

46:59

FORCED DISPLACEMENTS SWEEPS ARE COMMON AND GOING TO HAPPEN MORE WITH THE GRANTS

47:04

PAST DECISION WHICH BASICALLY OPENS THE DOOR BY THE SUPREME COURT FOR LOCAL JURISDICTIONS TO INCREASE SWEEPS

47:11

BASICALLY PEOPLE EXPERIENCING HOMELESSNESS OUTDOORS WHICH IS MOST OF THE POPULATION AND I JUST ALSO WANT TO WARN YOU THAT MOST OF THE LITERATURE ON

47:18

UNSHELTERED POPULATIONS COMES FROM NEW YORK AND BOSTON WHERE 95% OF THE POPULATION IS SHELTERED SO PEOPLE

47:24

EXPERIENCING UNSHELTERED HOMELESSNESS ARE VERY VERY DIFFERENT RIGHT IF YOU HAVE A RIGHT TO SHELTER IN NEW YORK AND YOU DON'T EXERCISE THAT RIGHT YOU'RE

47:30

VERY DIFFERENT THAN THE PEOPLE WHO DO IN CALIFORNIA PEOPLE WITH MORE MENTAL HEALTH DISABILITIES AND MORE BEHAVIORAL

47:36

HEALTH DISABILITIES ARE MORE LIKELY TO BE UNSHELTERED BECAUSE SHELTERS DON'T TAKE PEOPLE WHO LET'S SAY USE DRUGS BUT BASICALLY EVERYONE ELSE IS OUT THERE

47:42

ALSO RIGHT IT DOESN'T MEAN YOU HAVE A SEVERE MENTAL HEALTH DISABILITY I HAVE PLENTY OF PATIENTS WHO ARE LIKE UBER

47:48

DRIVERS IN 52 AND HAVE SEVERE HEALTH PROBLEMS WHO ARE LIVING OUTSIDE SO

47:53

WHAT FORCE DISPLACEMENTS ARE PEOPLE ARE REALLY JUST NOT ALLOWED TO BE WHERE THEY ARE AND WE OBSERVE THIS IN

47:59

REAL TIME WE OBSERVE THIS IN REAL TIME WHEN WE'RE DOING OUR RESEARCH SO YOU'RE SLEEPING OUTSIDE BECAUSE YOU HAVE NO OTHER PLACE TO GO A SHELTER WON'T TAKE

48:06

YOU AND THERE ARE YOU KNOW YEARS OF WAIT LISTS TO GET INTO A SHELTER AND

48:11

EITHER THE POLICE CAL-TRANS PUBLIC WORKS PEOPLE SOMEBODY COMES AND BASICALLY

48:17

KICKS YOU OUT IN SOME PLACES THEY GIVE YOU A DAY'S WARNING IN MANY PLACES ALTHOUGH THEY'RE SUPPOSED TO THEY DON'T

48:25

THEY COME AND THEY BASICALLY THROW AWAY EVERYTHING THAT YOU HAVE SO THEY'LL JUST PICK UP PEOPLE'S TENTS PICK UP

48:30

PEOPLE'S BAGS AND THROW THEM OUT AND TELL YOU ON FORCE OF ARREST YOU NEED TO

48:36

LEAVE THERE WERE NINE CIRCUIT COURT RULINGS THAT WERE NOT REALLY

48:42

COMPLETELY FOLLOWED BUT WE'RE THERE SAYING THAT JURISDICTIONS IN THE NINTH

48:47

CIRCUIT WHICH CALIFORNIA IS WERE NOT ALLOWED TO DISPLACE PEOPLE SITE WELL

48:52

NOT ALLOWED TO ARREST PEOPLE SITE PEOPLE OR ARREST PEOPLE UNLESS THEY COULD PROVE THAT THEY HAD ANOTHER PLACE

48:58

TO GO THIS WAS INTERPRETED DIFFERENTLY THE SUPREME COURT JUST THREW ALL OF THAT OUT LAST MONTH IN THE GRANTS PASS

49:05

DECISION ALLOWING JURISDICTIONS STATES COUNTIES CITIES TO MAKE THEIR OWN RULES

49:12

AND MANY ARE VERY QUICKLY MOVING INTO INCREASED POLICING AND THE ABILITY TO

49:18

SITE ARREST AND JAIL PEOPLE FOR SLEEPING OUTSIDE THAT THAT IS THE CRIME THAT

49:25

YOU'RE SLEEPING OUTSIDE IN A STATE WHERE WE DON'T HAVE NEARLY ADEQUATE SHELTER

49:31

THE EFFECTS OF THESE SWEEPS ARE MYRIAD AS A PHYSICIAN I LAUGH AT LAUGH IS ONE

49:36

WORD AT THE AMOUNT OF TIME I SPEND BEGGING MEDICAL TO REFILL MEDICINES THAT

49:42

YOU KNOW ARE BEFORE THE REFILL DATE BECAUSE SOMEBODY ELSE IN GOVERNMENT HAS JUST THROWN THEM OUT SO PEOPLE LOSE

49:48

THEIR MEDICINES THEY LOSE CONNECTIONS TO SERVICES SO IF THEY HAD A HOUSING NAVIGATOR OR A CASE MANAGER YOU KNOW

49:54

FOLKS DON'T HAVE PHONES OR ANYTHING AND IF THEY PHONE IT WAS THROWN OUT AND SO THEY WERE FINALLY DEVELOPING A

50:01

RELATIONSHIP WITH THEIR CASE MANAGER AND THEIR CASE MANAGER LITERALLY CAN'T FIND THEM BECAUSE THEY'VE MOVE SOMEWHERE ELSE

50:06

IT ADDS TO PEOPLE'S ARREST RECORDS BECAUSE PEOPLE GET CITED WITH FINES THEY CAN'T POSSIBLY PAY AND THEN WHEN THOSE

50:12

FINES BUILD UP THEY GET JAILED AND THEN THEY HAVE AN ARREST RECORD THAT THEN IS

50:17

A REASON TO CREATE A BARRIER TO HOUSING LANDLORDS ARE ALLOWED TO USE THAT AS A REASON NOT TO HOUSE SO WE ARE GOING TO SEE A

50:24

HUGE INCREASE IN THIS AND WHAT I'VE BEEN TRYING TO EXPLAIN TO THE PUBLIC AND THE

50:29

PRESS IS THAT WHEN YOU THINK OF WHO'S AFFECTED BY THIS THIS IS PREDOMINANTLY OLDER ADULTS HALF OF THOSE FOLKS ENGAGED

50:35

IN SWEEPS ARE IN FACT PEOPLE 50 AND OLDER AND WHILE THEY'RE 50 AND OLDER

50:40

THEY REALLY ARE MORE LIKE PEOPLE IN THEIR 70S AND 80S IN THE GENERAL POPULATION WE'RE HEARING FROM OLDER ADULTS THEY CAN'T SEE THEY CAN'T HEAR

50:47

THEY DON'T EVEN REALIZE IF YOU KNOW IF THE PLACE HAS BEEN TOLD THE SWEEP IS COMING THE NEXT DAY AND THEY'RE JUST

50:52

WOKEN UP IN THE MIDDLE OF THE NIGHT EVERYTHING THEY OWN IS TOSSED OUT THANK YOU FOR THAT DONNA GO

50:58

AHEAD I SEE YOUR HAND UP THANK YOU THANK YOU FOR I HAVING THIS

51:06

TRULY DISTURBING REPORT YOU KNOW IT'S REALLY SAD TO HEAR THAT AND ONE OF

51:13

THE THINGS THAT I WAS LOOKING AT YOU KNOW THAT I AND I'VE BEEN SPEAKING OUT RECENTLY ABOUT HOMELESSNESS AND I

51:20

THINK THAT CONTINUES TO BE UNDERRECOGNIZED BUT I THINK WAS SOMEWHAT

51:28

SHOWN IN YOUR DATA ON PEOPLE WHO ARE GETTING WHO ARE BECOMING HOMELESS AFTER

51:33

AGE OF 50 IS THAT I THINK MANY OF THEM WERE FAMILY CAREGIVERS YES WE'VE

51:39

WRITTEN ABOUT THAT AND TALKED ABOUT IT IT'S AN AND I DIDN'T MENTION IT
TODAY IT'S REALLY COMMON ACTUALLY AND IT

51:46

OPERATES THROUGH A COUPLE OF WAYS WHAT WE SAW A LOT AND WE STARTED TO
SEE THIS IN HOPE HOME AND THEN WE FOUND IT AGAIN

51:52

IN CASPEH IS THAT OFTEN WHAT WE HEARD WAS THAT LIKE PEOPLE MOVED IN
WITH MOM

52:00

TO BE MOM'S CAREGIVERS SO THEY GAVE UP AN APARTMENT THEY GAVE UP THEIR
JOB WERE PAID FOR BY IHSS SO HAD SOME SOURCE OF

52:08

INCOME AND EITHER MOM MOVED INTO A NURSING HOME OR DIED AND LITERALLY
OVERNIGHT THEIR SOURCE OF INCOME GOES

52:14

AWAY BUT ALSO THEY'RE NOT ON THE LEASE LIKE NO ONE IS SAYING LIKE THEY'RE
SAYING OH YOU CAN MOVE IN WITH MOM SO

52:19

YOU CAN BE HER CAREGIVER BECAUSE WE ALL KNOW RIGHT LIKE IHSS WILL PAY
FOR A CERTAIN NUMBER OF HOURS A WEEK BUT MOM NEEDS 24/7 CARE AND THEN
THEY'RE OUT I'VE

52:28

ACTUALLY DISCUSSED THIS A LITTLE BIT WITH THE WITH ASME AND SEIU YOU KNOW
WHO LEAD THE AND THEY SAID TO ME

52:35

LIKE I WANNA I WANT TO LIKE TEST THIS LIKE ARE YOU GUYS HEARING THIS TOO
BECAUSE WE'RE HEARING THEY'RE LIKE OH WE'RE HEARING IT FROM OUR WORKERS
ALL

52:42

THE TIME THIS IS LIKE REALLY HORRENDOUS BUT IT'S ALSO AN OPPORTUNITY WE
THE

52:47

STATE ARE PAYING THEM WE KNOW WHEN THE PERSON HAS BEEN MOVED THE
OTHER THING I'M INCREASINGLY CONCERNED ABOUT IS THE

52:54

CLAW-BACK WE'VE SEEN PARTICULARLY FOR BLACK FOLKS MOVE INTO THE HOME
THAT

53:00

MOM OWNS YOU KNOW THE FAMILY HAS OWNED FOR YEARS MOM GOES TO SNIFF
(SNF) PAID FOR

53:06

BY MEDICAID AND THEN IT'S CLAWED-BACK TO PAY THE MEDICAID BILL AND THAT'S
WHY SON

53:12

WHO'S 52 IS DISPLACED INTO HOMELESSNESS SO WE SEE BOTH OF THOSE THINGS
IT'S BOTH SUDDEN LOSS OF INCOME SUDDEN LOSS OF

53:19

HOUSING SOMETIMES THEY WERE LIVING WITH MOM ANYWAY AND SOMETIMES
THEY MOVED IN

53:25

WITH MOM TO BE HER CAREGIVER YOU KNOW I HAVE ACTUALLY INCORPORATED
THIS IN MY CLINICAL PRACTICE INTO MY END

53:31

OF LIFE PLANNING BECAUSE I STARTED TO ASK THE ELDERS WHO ARE FACING THE
END OF THEIR LIFE ARE YOU CONCERNED THAT

53:36

SOMEONE IN YOUR HOUSEHOLD IS GOING TO BE DISPLACED INTO HOMELESSNESS
WITH YOUR DEATH AND IT'S LIKE PANDORA'S BOX LIKE

53:42

AND AT LEAST IF WE KNOW WE CAN REFER PEOPLE FOR LEGAL AID TO SEE IF
THERE'S ANY FORM OF GETTING THEM ADDED TO THE

53:48

LEASE OR ANYTHING THAT WE CAN DO WE'RE ALSO SEEING THE EFFECTS OF GRIEF
YOU KNOW LIKE MOST OF US IF OUR PARENT DIES

53:55

YOU KNOW IF WE'RE LUCKY ENOUGH TO HAVE A PROTECTED JOB WE GET
BEREAVEMENT LEAVE

54:00

WHICH IS NEVER LONG ENOUGH BUT IS THERE BUT IF YOU ARE IN THIS POSITION
THERE'S NO THERE'S NO BEREAVEMENT LEAVE

54:06

AND YOUR INCOME IS CUT OFF THE DAY MOM DIES LIKE THAT'S IT THE IHSS
PAYMENTS STOP RIGHT YEAH SO WELL THANK YOU I MEAN YOU

54:13

YOU'VE MADE MY POINT AND EVEN FOR NON IHSS PEOPLE YES YOU'LL SEE IN THAT
54:19

POPULATION THEY HAVE THIS IT'S BECOMES THE SAME BECAUSE WHAT I WAS
NOTICING YOU HAD LIKE DEATH AND ILLNESS

54:25

I THINK THOSE ARE PROXIES FOR THAT CAREGIVING COMING UP AND WE WROTE ABOUT THIS IN

54:32

THE CASPEH REPORT YOU ADDRESS THAT YEAH ABSOLUTELY WE WROTE ABOUT IN CASPEH I'VE TALKED TO SOME JOURNALISTS WHO'VE DONE SOME NICE WORK

54:39

ON IT I THINK IT'S REALLY IMPORTANT AND UNDER RECOGNIZE IT AND YET MAYBE AN OPPORTUNITY TO

54:45

INTERVENE THANK YOU THINK OLIVIA'S HAND IS UP YEAH GO THANK

54:51

YOU I KNOW YOU SAID PREVENTION PROGRAMS ARE HARD TO DO OR BUT I JUST

54:58

WONDERED HAVE YOU HEARD OF ANY PROMISING SERVICES MODELS PROGRAMS OUT THERE THAT

55:04

ARE TARGETED TO OLDER ADULTS NEEDS THAT MAYBE CAN COULD BE SUCCESSFUL IN

55:10

PREVENTING OH I MEAN ABSOLUTELY OBVIOUSLY HOME SAFE IS A MODEL LIKE WE'RE TRYING TO EVALUATE IT AND THE

55:17

QUALITY OF DATA MAKES IT HARD TO ACTUALLY DO A RIGOROUS EVALUATION OF LIKE WHO WOULD HAVE OTHERWISE BECOME

55:23

HOMELESS BUT WE HAVE SIGNALS THAT HOME SAFE IS ACTUALLY GETTING PEOPLE AT

55:28

EXTRAORDINARILY HIGH RISK BECAUSE THEY'RE ACTUALLY GETTING A LOT OF CALLS FROM PEOPLE LIKE AS THE SHERIFF IS ABOUT

55:34

TO GO EVICT THEM WHEN THERE'S CLEARLY NO PLACE ELSE TO GO SO THAT'S CLEARLY A HIGH-RISK INDIVIDUAL THAT WE ACTUALLY

55:39

NEED TO BACK IT UP A BIT WE NEED TO GET FOUR WEEKS WARNING AND NOT ONE DAY WARNING BUT WE HAVE SIGNAL WITH HOME

55:45

SAFE THAT THEY ARE GETTING ACCESS TO PEOPLE AT VERY VERY HIGH RISK THE WHOLE PROBLEM WITH PREVENTION IS THAT

55:51

PREVENTION NEEDS TO BE EFFECTIVE AND EFFICIENT EFFECTIVE MEANS IT NEEDS TO BE ENOUGH OF WHETHER IT'S WHETHER IT'S

55:57

MONEY WHETHER IT'S THE RIGHT SERVICE MIX YOU KNOW TO WORK CAUSE LIKE IF YOU IF YOU

56:02

NEED \$10,000 AND YOU GIVE SOMEONE \$500 YOU'RE JUST SORT OF THROWING GOOD MONEY AFTER BAD BUT AS IMPORTANTLY IT

56:09

NEEDS TO BE EFFICIENT IT NEEDS TO ACTUALLY IDENTIFY PEOPLE WHO ARE ACTUALLY GOING TO BECOME HOMELESS

56:15

BECAUSE BELIEVE IT OR NOT THERE ARE SO MANY PEOPLE WHO ARE DESPERATELY POOR WHO ARE DOUBLED UP LET'S SAY WHO

56:22

HAVEN'T WHO ACTUALLY MANAGED TO WORK IT OUT LIKE PEOPLE ARE INCREDIBLY RESOURCEFUL I THINK SOME PROBLEMS ARE A

56:28

LOT FOCUS ON LEASE HOLDERS SO YOU SEE A LOT OF LIKE SHALLOW SUBSIDY PROGRAMS FOR LEASE HOLDERS ACTUALLY THE PEOPLE WHO'VE

56:35

ALREADY LOST THEIR LEASE ARE AT MUCH HIGHER RISK OF HOMELESSNESS LIKE YOU KNOW IT LIKE YOU SEE AND TOO FEW

56:43

IDENTIFY NON-LEASE HOLDERS SO YOU SEE A LOT OF THINGS SAYING LIKE IF YOU CAN PROVE YOU'RE GOING TO BE EVICTED WHAT WE

56:49

FOUND IN OUR DATA IS THAT PEOPLE WHO WERE DOUBLED UP OR IN THESE NON-LEASE HOLDING SITUATIONS HAD LIKE ONE DAY WARNING BEFORE BECAUSE BASICALLY THERE

56:57

YOU DON'T KNOW YOU'RE GOING TO BE KICKED OUT RIGHT THINGS FALL APART AND THEY FALL APART REALLY QUICKLY I THINK

57:03

HOME SAFE HAS DONE A PRETTY GOOD JOB OF IDENTIFYING HIGH-RISK PEOPLE IN NEW YORK

57:08

THEY HAVE MODELS THEY HAVE MUCH BETTER DATA BECAUSE THEY HAVE A RIGHT TO SHELTER SO THEY KNOW ACTUALLY WHEN PEOPLE ARE GOING TO BECOME HOMELESS THEY

57:14

HAVE THEY HAVE SHOWN THAT THERE'S NO LEVEL OF RISK THAT IS TOO HIGH IT
TURNS OUT IF YOU LEAVE IT UP TO FRONTLINE CASE

57:21

MANAGERS THEY TEND TO THINK THAT LIKE LET'S SAY PEOPLE WITH BEHAVIORAL
HEALTH

57:26

COMPLEXITY LIKE OH THIS ISN'T GOING TO WORK SO THEY DON'T TRY BUT YOU'RE
ACTUALLY MUCH BETTER OFF GIVING IT TO

57:33

PEOPLE WHO ARE AT EXTRAORDINARILY HIGH RISK YOU'RE NOT GOING TO PREVENT
IT IN EVERYONE AND THAT IS THE OTHER THING IS YOU HAVE TO LOOK AT THE
DELTA OF WHAT

57:39

WOULD HAVE HAPPENED SO WHENEVER SOMEONE DOES WHICH HAPPENS ALL THE
TIME OH WE DID THIS PREVENTION PROGRAM AND WE WERE

57:45

100% SUCCESSFUL NOBODY BECAME HOMELESS THAT IS A CLEAR MARKER TO ME
THAT THEY WEREN'T TARGETING THE RIGHT PEOPLE

57:50

BECAUSE I LIKE TO JOKE LIKE IF YOU WERE TO GIVE ME \$1,000 A MONTH I CAN
PROMISE YOU I'M NOT GOING TO BE BECOME

57:56

HOMELESS AND THEN YOU WOULD HAVE 100% SUCCESS RATE SO LIKE WHENEVER
ANYONE TELLS YOU THAT THEY HAD 100% SUCCESS

58:03

RATE I KNOW THAT THEY'RE GIVING MONEY TO THE WRONG PEOPLE YOU REALLY
WANT TO TARGET PEOPLE AT EXTRAORDINARILY HIGH

58:10

RISK AND YOU NEED TO BE ABLE TO TOLERATE IT NOT WORKING IN SOME BECAUSE
THAT'S KIND OF HOW YOU KNOW NEW YORK THEY

58:16

HAVE A WHOLE SYSTEM CALLED HOMEBASE WHERE THEY WHERE THEY BASICALLY
HAVE COMMUNITY CENTERS THEY MAKE IT SORT

58:23

OF STICKY SO THAT THEY WANT TO PUT SOME BARRIERS UP BECAUSE THAT HELPS
SEPARATE THE PEOPLE WHO ARE AT HIGHEST RISK FROM

58:29

NOT THEY HAVE LIKE SIGNS AND BUS BUSES AND STUFF LIKE DO YOU THINK YOU'RE
GOING TO LOSE YOUR HOUSING COME ON IN AND IF

58:34

YOU COME IN THEY ASK A SERIES OF QUESTIONS THAT ARE DESIGNED TO FIND WHAT

58:39

ARE THE HIGH RISK CHARACTERISTICS THE HIGHEST RISK CHARACTERISTIC IS EVER HAVING BEEN HOMELESS BEFORE THAT IS A SINGLE BEST PREDICTOR BUT THERE ARE SOME

58:46

OTHER PREDICTORS THAT GIVE THE FRONTLINE PEOPLE A LITTLE BIT OF WIGGLE ROOM SO THAT IF YOU DON'T QUITE MAKE IT

58:54

BUT THE CASEWORKER HAS SOME REASON TO BELIEVE THEY'RE ALLOWED TO OVERRULE IT BUT MOSTLY WHETHER YOU GET RESOURCES OR

59:00

NOT DEPENDS ON WHETHER YOU SCORE HIGH ENOUGH THE REALLY THE SINGLE BEST PREDICTOR IS WHETHER YOU'VE EVER BEEN

59:06

HOMELESS BEFORE BUT THE OTHER THINGS THAT WORK FOR SINGLE ADULTS ARE THINGS LIKE DO YOU LIVE IN A HIGH AREA

59:13

DEPRIVATION INDEX CENSUS TRACK PROBABLY BECAUSE THAT IS A MARKER FOR YOUR SOCIAL

59:18

NETWORK NOT HAVING THE ABILITY TO PROTECT YOU FROM

59:25

BECOMING HOMELESS AND AS AN ASIDE IN HOPE HOME I MENTIONED THAT WE'VE BEEN FOLLOWING PEOPLE IN AND OUT OF

59:31

HOMELESSNESS SO 80% OF HOPE HOME PARTICIPANTS THEY ALL STARTED HOMELESS

59:37

FOUND HOUSING AT SOME POINT DURING THEIR TIME 50% OF THOSE WHO FOUND HOUSING

59:43

RE-ENTERED HOMELESSNESS AT A MEDIAN OF ONE YEAR THOSE ARE THE PEOPLE WE NEED TO GET TO THAT IS OUR SINGLE PROBABLY

59:50

HIGHEST RISK THING IS PEOPLE WHO HAVE AND WHAT ARE THE INDICATORS IF YOU HAD A VOUCHER YOU DIDN'T BECOME HOMELESS AGAIN

59:57

FOR THE MOST PART I MEAN SOME PEOPLE DID BUT MOST DIDN'T WE HAVE TO FIND THOSE PEOPLE AS MOST PEOPLE WHO EXIT

1:00:03

HOMELESSNESS EXIT HOMELESSNESS WITH NO SUPPORT FROM THE GOVERNMENT
BUT LIKE HMIS IS LIKE OH THEY HOUSE NOW THEY WENT

1:00:09

TO LIVE WITH THEIR BROTHER THOSE ARE THE PEOPLE AT HIGHEST RISK THOSE ARE
THE OLDER ADULTS THAT WE NEED TO GET TO IF I HAD A LIMITED POOL OF MONEY I
WOULD BE

1:00:17

PUTTING THOSE OLDER ADULTS WHO HAD EXITED HOMELESSNESS WITHOUT ANY
SUBSIDY

1:00:22

FINDING THEM AND PREVENTING THEM THANK

1:00:28

YOU ANY OTHER QUESTIONS FROM THE PARTNERSHIP DR KUSHEL SO I THINK YOU

1:00:35

MENTIONED 95% SHELTER AND I THINK THAT WAS NEW YORK WHAT'S THE MAIN

1:00:40

PURPOSES OF THAT LIKE WHAT'S THE MAIN REASONS WHY THEY ABLE TO SHELTER
SO MUCH IS BECAUSE THOSE PREVENTION PROGRAMS COMPARED TO CALIFORNIA
IS IT TOO COMPLEX

1:00:47

NO IT'S NOT THAT IT'S THAT THERE WAS A LAWSUIT WHICH ACTUALLY THEY KIND OF
REGRET IN THE LATE

1:00:54

1970S THAT GUARANTEED A RIGHT TO SHELTER SO UNDER THE STATE SUPREME
COURT

1:01:02

BASICALLY NEW YORK CITY IS UNDER SORT OF A RULE THAT NEW YORK CITY IS
OBLIGATED

1:01:08

TO PROVIDE SHELTER TO ANYBODY WHO ASKS AND SO AS A RESULT

1:01:15

YOU BECOME HOMELESS YOU RAISE YOUR HAND THEY HAVE TO GIVE YOU SHELTER
THAT SOUNDS GREAT IN A WAY BUT IT'S ALSO BEEN

1:01:21

SORT OF A TOTAL DISASTER IN ANOTHER WAY BECAUSE THEY BASICALLY HAVE
THESE HUGE WAREHOUSES THEY SPEND AN AMOUNT OF MONEY

1:01:27

BILLIONS OF DOLLARS EVERY YEAR ON SHELTERING PEOPLE PEOPLE STAY
SHELTERED FOR 10 15 20 YEARS IN WAREHOUSES WITH

1:01:33

500 OTHER PEOPLE AND THEY'VE PUT ALL OF THEIR RESOURCES INTO SHELTER AND THEY

1:01:39

CAN'T PULL THE RESOURCES OUT TO PROVIDE HOUSING IN CALIFORNIA WE'VE TRIED TO

1:01:45

QUIETLY ADVOCATE AGAINST THAT THERE ARE POLICY MAKERS WHO WANT TO TALK ABOUT A RIGHT TO SHELTER WE WORRY THAT WHILE

1:01:51

SHELTER IS PROBABLY BETTER DEPENDING ON HOW YOU DESIGN SHELTER LIKE NON-CONGREGATE SHELTER IS VERY EXPENSIVE BUT

1:01:57

PROBABLY BETTER THAN BEING OUTSIDE CONGREGATE SHELTER IT'S A LITTLE MESSIER TO KNOW HOW MUCH BETTER IT'S PROBABLY A LITTLE BETTER BUT NOT THAT

1:02:04

MUCH BETTER THAN BEING OUTSIDE DEPENDING ON THE QUALITY AND THINGS

1:02:09

WE TRIED TO PUT OUT MODELS OF LIKE THE RIGHT RATIO OF SHELTER TO HOUSING YOU'RE

1:02:15

STARTING TO SEE A LOT OF PUSH FOR TINY HOMES AND A LOT OF SLIPPERY LANGUAGE LIKE PEOPLE CALLING IT HOUSING A TINY

1:02:22

HOME IS A SHACK THAT YOU BUY AT HOME DEPOT IS NOT A HOUSE IT'S A SHACK IT HAS SOME

1:02:27

ADVANTAGES TO BEING OUTSIDE IT PROTECTS YOU A LITTLE BIT FROM THE RAIN IT'S A DOOR TO LOCK SO YOU'RE LESS

1:02:34

LIKELY TO GET ASSAULTED BUT WHAT I'M REALLY FEARFUL OF IS SOME OF THOSE PROGRAMS ARE NOW LET'S SAY GOING AFTER

1:02:40

HOUSING CHOICE VOUCHERS AS A WAY TO PAY FOR IT THE ONLY REASON WHY THOSE PROGRAMS WORK IS IF THERE'S A PERMANENT

1:02:47

EXIT RIGHT SO YOU CAN'T PUT ALL OF YOUR MONEY INTO THOSE AND IGNORE THE PERMANENT EXIT BECAUSE AS I LIKE TO SAY

1:02:54

TO POLICY MAKERS JUST THINK ABOUT THE MENTAL MODEL IF YOU HAVE A SIX-MONTH LENGTH OF STAY BECAUSE YOU HAVE ENOUGH

1:03:01

HOUSING FOR PEOPLE TO EXIT TO THAT YOU CAN MOVE THEM FROM THERE TO HOUSING VERSUS IF YOU HAVE A TWO-YEAR LENGTH OF

1:03:06

STAY AND IN NEW YORK IT'S LIKE 10 YEARS BUT YOU HAVE A TWO-YEAR LENGTH OF STAY VERSUS A SIX-MONTH LENGTH OF STAY YOU

1:03:12

HAVE OVERNIGHT QUADRUPLD YOUR SHELTER RESOURCES RIGHT BECAUSE IT'S NOT LIKE SOMEONE USES A SHELTER AND THEN IT

1:03:17

CLOSES LIKE IF YOU CAN PUT FOUR DIFFERENT PEOPLE IN THAT SHELTER OVER THE SAME TWO YEARS YOU HAVE EFFECTIVELY

1:03:23

QUADRUPLD YOUR SHELTER CAPACITY SO THERE'S SOME RIGHT RATIO THAT WE NEED TO

1:03:30

FIND BETWEEN SHELTER AND HOUSING BECAUSE THE AMOUNT OF SHELTER YOU HAVE IS

1:03:35

DIRECTLY RELATED TO THE AMOUNT OF HOUSING EXITS YOU CAN MAKE EVERY PERSON YOU EXIT TO PERMANENT HOUSING YOU'VE

1:03:41

CREATED YOU'VE OPENED UP THAT SHELTER BED ALL HOME PUT FORWARD A ONE TWO FOUR

1:03:47

RATIO FOR EVERY UNIT OF SHELTER YOU BUILD YOU SHOULD CREATE TWO UNITS OF PERMANENT HOUSING AND FOUR UNITS OF

1:03:55

PREVENTION SOME PEOPLE THINK IT SHOULD BE ONE THREE SIX BUT WE NEED TO HAVE A MODEL FOR HOW MUCH

1:04:00

MONEY WE INVEST IN SHELTER VERSUS HOW MUCH WE PUT THE MONEY OUT BECAUSE YOU SEE FOR INSTANCE SANTA CLARA RAISED A

1:04:07

LOT OF MONEY THROUGH A MEASURE FOR HOUSING SAN JOSE IS JUST PULLING

1:04:13

THAT MONEY OUT OF HOUSING AND PUTTING IT INTO SHELTER THAT IS ULTIMATELY A LOSING GAME BECAUSE THEY'RE NEVER GOING TO BE ABLE TO CREATE ENOUGH SHELTER IT'S NOT

1:04:19

LIKE ONE GROUP OF PEOPLE IT'S PEOPLE ENTERING HOMELESSNESS ALL THE TIME
YOU'VE GOT TO KEEP THE EXITS

1:04:24

UP WELL THANK YOU SO MUCH DR KUSHEL I DON'T SEE ANY OF OTHER HANDS SO
APPRECIATE YOUR TIME THANK YOU SO MUCH

1:04:30

FOR GREAT DISCUSSION THANKS YOU TAKE CARE HAVE A GOOD WEEKEND THANK

1:04:36

YOU ALL RIGHT SO MOVING AHEAD OUR NEXT AGENDA ITEM IS EVAN WILL PROVIDE
UPDATES RELATED TO THE DATA DASHBOARD

1:04:43

FOR AGING WE HAD A DISCUSSION WITH SOME OF YOU A FEW WEEKS AGO JUST
WANT TO FOLLOW UP ON THAT SO EVAN I'M GONNA HAND IT OVER TO

1:04:50

YOU OKAY QUICK MIC CHECK CAN YOU HEAR ME OKAY ROSS YEAH COULD YOU
SPEAK

1:04:56

AGAIN ACTUALLY IT WAS KIND OF FAINT CAN YOU HEAR ME OKAY YEAH I COULD
HEAR YOU CAN EVERYONE ELSE HEAR EVAN

1:05:03

IF YOU SPEAK A LITTLE LOUDER IT'LL BE AWESOME OKAY I WILL SPEAK AS LOUD AS I

1:05:09

CAN THANK YOU HI EVERYONE I'M EVAN WALLIS I'M A RESEARCH DATA SPECIALIST
AT CDA I MANAGE THE

1:05:16

DATA DASHBOARD FOR AGING OR THE DDA WHICH IS IF YOU HAVEN'T BEEN THERE
IT'S OUR COLLECTION OF PUBLIC DASHBOARDS

1:05:22

THAT HELP TRACK THE PROGRESS OF THE MPA AND WE'VE MADE A FEW UPDATES
RECENTLY THAT WE'RE HAPPY TO HAVE AN OPPORTUNITY

1:05:27

TO SHARE WITH YOU ALL SO ON NEXT SLIDE THE BIG ONE IS THAT THE DDA

1:05:33

RECENTLY MOVED TO A NEW WEB ADDRESS SO THE PAGE ITSELF SHOULD APPEAR
SIMILAR TO PEOPLE BUT IT JUST

1:05:38

LIVES IN A DIFFERENT PLACE NOW BUT MORE IMPORTANTLY FOR US IS THAT
BECAUSE IT'S NOW ON A CDA SERVER AND IT

1:05:45

ENABLES THE DEPARTMENT TO MAKE FASTER AND LARGER CHANGES TO THE DDA
SO WE

1:05:51

CAN BASICALLY CHANGE ANY PART OF IT NOW BECAUSE IT'S ALL INHOUSE WE'VE MADE SOME OF THOSE CHANGES ALREADY

1:05:56

WE WANTED TO SHARE SOME OF THEM WITH YOU AND ALSO SOLICIT SOME FEEDBACK

1:06:02

TO HEAR ABOUT WHAT OTHER THINGS YOU'D LIKE TO SEE IN THE DDA TO MAKE IT AS HELPFUL AS POSSIBLE NEXT

1:06:08

SLIDE SO MOST OF THESE UPDATES FOCUS AROUND USABILITY IMPROVEMENTS WE HEARD SOME FEEDBACK IN THE PAST SAYING

1:06:15

IT WASN'T THE MOST USER-FRIENDLY THING TO USE WE ALSO SAW SOME WEB ANALYTICS SAYING THAT PEOPLE WERE ON AVERAGE

1:06:21

SPENDING LESS THAN A MINUTE ON THESE PAGES PROBABLY 40 SECONDS I THINK WAS THE NUMBER I HEARD AND SO WHAT WE DECIDED TO DO WAS

1:06:27

REALLY JUST OPTIMIZE THOSE SHORT EXPERIENCES AND SO WE'VE IMPLEMENTED SUMMARY

1:06:33

PAGES WE REDUCED THE NUMBER OF DECISIONS THE USER HAS TO MAKE TO BE ABLE TO SEE STUFF WE'RE IMPLEMENTING

1:06:40

A CONSISTENT LAYOUT SO THAT YOU KNOW WHAT DATA TO EXPECT TO SEE ON THE DDA

1:06:45

GENERALLY THAT'S GOING TO BE THE MAIN METRIC HOW THAT NUMBER VARIES BY POPULATION GROUPS AND HOW THAT NUMBER

1:06:51

VARIES BY LOCATION AND ALL OF THESE THINGS ARE GOING TO CONTRIBUTE TO HELPING SO EVEN IF YOU ONLY STAY ON OUR

1:06:58

PAGES FOR 40 SECONDS YOU'RE STILL GOING TO GET SOME INFORMATION OUT OF IT YOU'LL STILL GET A TAKE HOME MESSAGE SO

1:07:03

THOSE IN GENERAL THAT'S WHAT WE'RE DOING HERE SOME MORE SPECIFIC THINGS WE'VE DONE IS WE'VE ADDED A NEW DASHBOARD

1:07:09

THE MPA KEY OUTCOMES DASHBOARD THAT HIGHLIGHT SOME OF THE WORK THAT CADRP HAS DONE OVER THE LAST SIX MONTHS TO A

1:07:15

YEAR AND THERE'S ALSO A DEMOGRAPHIC PROFILE OF OLDER ADULTS ON THIS ON THE

1:07:20

DDA THAT WE'VE UPDATED RECENTLY SO HOW DO YOU GET TO THE DDA

1:07:26

WE CAN TYPE IN THE ADDRESS YOURSELF MAKE SURE YOU UPDATE YOUR BOOKMARK IF YOU HAVE A BOOKMARK BUT IF YOU'RE ON

1:07:32

THE MAIN MPA WEBSITE WHICH IS M P A DOT AGING DOT GOV AT THE TOP AT THE HEADER

1:07:37

THERE'S AN MPA PROGRESS DROP DOWN AND THE DDA IS THE FIRST LINK THERE A LINK IS ALSO PEPPERED THROUGHOUT THE BODY OF

1:07:44

THE WEBSITE BUT THIS IS THE MOST CONSISTENT WAY TO GET TO IT NEXT SLIDE THAT LINK WILL TAKE YOU

1:07:51

TO THE DDA HOMEPAGE AND AMONG OTHER THINGS IT'S LIKE THE NAVIGATION HUB FOR THE DDA SO THE MPA HAS FIVE GOALS THE

1:07:59

DDA HAS A PAGE FOR EACH GOAL AND SO THOSE ARE THE BLUE RECTANGLES YOU'LL SEE ON THE PAGE ON THE LEFT THERE ANOTHER

1:08:06

FUNCTION OF THIS PAGE IS THAT IT'S BECAUSE IT'S THE PAGE THAT EVERYBODY GOES TO FIRST IT'S AN OPPORTUNITY FOR US

1:08:11

TO HIGHLIGHT TO SHOW PEOPLE DATA TO YOU KNOW

1:08:18

RECENT WORK WE'VE DONE THAT'S COME OUT OF CADRP OR IF IT'S A PARTICULARLY TIMELY ISSUE THIS IS A PLACE FOR US TO SHOW

1:08:23

DATA ABOUT THAT ISSUE AND IT ALSO IS A PLACE FOR US TO PUT DATA ABOUT FREQUENTLY ASKED QUESTIONS IF

1:08:29

WE GET A LOT OF QUESTIONS ABOUT YOU KNOW WHAT IS THE YOU KNOW HOW MANY OLDER ADULTS HAVE THIS HOW MANY OLDER ADULTS

1:08:35

HAVE THAT THIS IS THE PLACE FOR US TO PUT THAT INFORMATION IN A CENTRAL PLACE SO IF WE ZOOM IN ON A COUPLE OF

1:08:42

THESE THAT FIRST DASHBOARD YOU SEE THAT'S OUR KEY OUTCOMES DASHBOARD YOU SEE THE NAVIGATION PANEL ON THE LEFT

1:08:47

THERE'S ONE FOR HOMELESSNESS ONE FOR PSYCHOLOGICAL DISTRESS THERE'S TWO MORE TO FOLLOW SOON THE DIRECT CARE

1:08:52

WORKFORCE AND CAREGIVER BURDEN THESE AGAIN CAME OUT OF OUR THESE ARE PRIORITY ISSUES THAT WE'RE TRACKING THAT CADRP

1:09:00

RECOMMENDED THEY GENERALLY ALL FOLLOW THE SAME STRUCTURE WHERE THERE'S A MAIN METRIC AT THE TOP THAT'S JUST KIND OF

1:09:06

LIKE THE BASELINE YOU KNOW AND HOW THE HISTORY OF THE METRIC AND HOW WE'RE DOING AND THEN YOU'LL FIND ADDITIONAL

1:09:12

INFORMATION AT THE BOTTOM THERE'S AN EQUITY PANEL WHICH IS THE ONE ON THE LEFT THERE THIS PARTICULAR ONE HAS OUR EQUITY INDEX ON IT WHICH IS A KIND OF A

1:09:17

NEW THING WE'RE TRYING DIFFERENT CONVERSATION REALLY BUT IT'S GENERALLY A WAY TO SUMMARIZE EQUITY DATA INTO A

1:09:24

SCORE OR LOWER NUMBER MEANS IT'S LESS EQUITABLE AND A HIGHER NUMBER MEANS IT'S MORE

1:09:29

EQUITABLE BUT YOU ALSO GET THE MIDDLE PANEL WHICH IS SHOWS YOU HOW THIS NUMBER VARIES BY GEOGRAPHY AND YOU HAVE

1:09:36

POTENTIAL DRIVERS ON THE RIGHT SO THESE ARE POTENTIAL OTHER DATA POINTS THAT MIGHT HAVE A RELATIONSHIP WITH THE MAIN THING WE'RE TRACKING THE DRIVERS

1:09:43

ARE A FLUID BOX SO AS WE DO MORE RESEARCH AND FIND NEW BETTER DRIVERS AS

1:09:48

LONG AS DATA IS AVAILABLE WE CAN SWAP THEM OUT HERE NEXT SLIDE

1:09:55

THIS IS OUR NEW DEMOGRAPHIC PROFILE DASHBOARD WE GET JUST COMMON QUESTIONS ABOUT JUST THE WHAT'S

1:10:02

THE GENERAL MAKEUP OF OLDER ADULTS A LOT OF THEM WILL BE ANSWERED HERE IT'S A COMBINATION OF DEPARTMENT OF FINANCE

1:10:07

DATA AMERICAN COMMUNITY SURVEY DATA AND CALIFORNIA HEALTH INTERVIEW SURVEY DATA

1:10:12

IT'S ABOUT THE PRESENT DAY AND MAYBE A FEW YEARS IN THE PAST I THINK IT GOES BACK TO 2018 2017 IF YOU'RE INTERESTED

1:10:18

IN PROJECTIONS AND GOING IN THE FUTURE THAT'S THE OTHER TAB THERE ON THE NAVIGATION PANEL POPULATION PROJECTIONS

1:10:25

THAT TAKES THE DEPARTMENT OF FINANCE PROJECTION POPULATION PROJECTIONS WHICH GO OUT TO 2060 AND PUTS IT IN A FORMAT

1:10:31

THAT'S EASIER TO DIGEST YOU CAN SEE LIKE DEMOGRAPHIC SHIFTS AND STUFF LIKE THAT SO THAT IS THE DDA

1:10:39

HOMEPAGE IF YOU WERE TO CLICK ON ONE OF THOSE BLUE RECTANGLES AT THE TOP IT WOULD TAKE YOU TO A GOAL PAGE WHICH

1:10:45

IS THE NEXT SLIDE IT LOOKS LIKE THIS THIS IS THE GOAL PAGE FOR GOAL FIVE AND GENERALLY

1:10:52

WHAT THESE DO IS THEY JUST LIST THE METRICS THAT WE'RE TRACKING FOR EACH GOAL AND STRATEGY THERE IS ALSO MORE DETAIL

1:10:59

ABOUT EACH ONE OF THOSE GOALS IF YOU'RE INTERESTED YOU HAVE TO CLICK INTO IT AND WE ALSO WANT TO ADD CONTEXT TO THESE

1:11:05

METRICS BY INTEGRATING THE ACTIVE POLICY INITIATIVES THAT ARE SUPPOSED TO AFFECT THE METRIC

1:11:11

SO LET'S GO NEXT SLIDE WE'LL ZOOM IN ON ONE OF THESE SO THIS IS GOAL

1:11:17

FIVE STRATEGY GOAL FIVE HAS THREE STRATEGIES IN IT AND SO THAT'S WHY YOU SEE THREE DASHBOARDS HERE ONE PER

1:11:22

STRATEGY THIS BOTTOM ONE IS STRATEGY C WHICH IS PROTECTION FROM POVERTY HUNGER THESE ARE THE METRICS WE'RE

1:11:28

TRACKING WE'RE TRACKING FOUR METRICS THOSE ARE THE LATEST VALUES FOR THE METRICS AND THE HISTORY IS RIGHT NEXT TO

1:11:33

THEM EVERY STRATEGY WILL HAVE THIS HOMEPAGE ON IT SO JUST ADD A GLANCE THIS IS WHAT'S IN HERE IF IT'S SOMETHING

1:11:40

INTEREST TO YOU CAN ADD MORE YOU CAN CLICK MORE DETAIL ON THE LEFT SO IF YOU WERE TO CLICK FOOD INSECURITY THAT'S

1:11:45

THE NEXT SLIDE HERE IT WOULD LOAD MORE INFORMATION ABOUT FOOD IN SECURITY

1:11:50

GENERALLY OUR DASHBOARD IS GOING TO LOOK LIKE THIS WE HAVE YOUR MAIN METRIC AT THE TOP KIND OF YOUR PULL QUOTE IF YOU WILL 30% OF LOW-INCOME ADULTS

1:11:58

WERE EXPERIENCING FOOD INSECURITY AND THEN WE'LL SHOW YOU HOW THE THINGS YOU

1:12:03

SHOULD EXPECT TO SEE IN THE DDA HOW THAT NUMBER VARIES BY POPULATION GROUPS AND HOW IT VARIES BY

1:12:08

LOCATION AND SO THERE'S SOME FILTERS KIND OF IN THE MIDDLE THERE A TOPIC A YEAR YOU CAN CHANGE DIDN'T REALLY SHOW

1:12:15

UP ON THE SCREENSHOT BUT SO YOU CAN CHANGE THE TOPIC TO FROM RACE TO SAY POVERTY STATUS OR LANGUAGE

1:12:21

SPOKEN OR THERE'S SOME SOGI DATA IN SOME OF THESE YOU CAN JUST SEE THAT THE BARS ARE LARGER FOR SOME POPULATIONS AND

1:12:28

LOWER FOR OTHERS AND THEN THE MAP SHOWS YOU THE GEOGRAPHY THAT'S AVAILABLE

1:12:33

YOU CAN SEE HOW IT VARIES THERE YOU CAN SEE STANISLAUS IS A LOT DARKER THAN SAY SOMETHING LIKE SAN

1:12:38

DIEGO BUT THAT'S SO THAT'S THE GENERAL LAYOUT OF OUR NEW DASHBOARDS BUT SAY YOU WANTED TO SAY OH WHAT ARE THE THIS

1:12:45

IS GREAT BUT WHAT ARE THE ACTIVE POLICY INITIATIVES THAT MIGHT AFFECT THE THESE NUMBERS AND SO WE'VE TRIED TO

1:12:50

INTEGRATE THE INITIATIVES THERE YOU GO PERFECT TIMING IF YOU CLICK ON THE MPA INITIATIVES BUTTON YOU SEE THE ACTIVE

1:12:57

INITIATIVES FOR THIS TWO-YEAR CYCLE IN THE MPA AND YOU CAN SEE FOR STRATEGY C THERE'S ONE ABOUT EXPANDING

1:13:03

CAL FRESH AND THERE ONE ABOUT YOU KNOW OPTIMIZING MEAL SERVICE PROGRAMS AND SO YOU KIND OF SEE THE RELATED

1:13:09

POLICY THINGS THAT ARE HAPPENING WITH THESE METRICS OKAY NEXT SLIDE PLEASE SO THIS

1:13:17

IS THE LAST ONE FOR ME SO WHAT WHAT'S NEXT FOR THE DDA THERE ARE SIX TOTAL PAGES INCLUDING THE HOMEPAGE OF THE DDA

1:13:22

WE IMPLEMENTED THE REDESIGN FOR THREE OF THEM SO WE HAVE TO DO UPDATE THE OTHER THREE WE WILL CONTINUE TO ADD

1:13:29

ADDITIONAL YEARS OF DATA TO ALL OF THESE DASHBOARDS THAT'S A CORE PRINCIPLE OF THE DDA THAT IT'S CONTINUALLY UPDATED SO

1:13:35

WE'LL CONTINUE DOING THAT THE EQUITY SCORE WHICH YOU SAW FIRST DEBUTED ON THAT KEY OUTCOMES DASHBOARD

1:13:42

THERE ONCE WE GET A LITTLE MORE FEEDBACK ON THAT SOME MORE EYES ON IT AND SEE HOW IT'S PERCEIVED WE WOULD LIKE TO IMPLEMENT THAT ACROSS THE DDA ON OUR OTHER

1:13:49

MEASURES WHERE IT'S APPROPRIATE OBVIOUSLY AND THEN WE'VE HAD RECENT DISCUSSIONS ABOUT INTEGRATING SOME

1:13:56

QUALITATIVE DATA TO KIND OF IMPROVE OUR ABILITY TO TELL DATA STORIES OR STORIES WITH

1:14:01

DATA AND THE CATALYST FOR ALL THESE UPDATES AND ALL THESE CHANGES IS
FEEDBACK SO WE'RE ACTIVELY LOOKING FOR

1:14:07

FEEDBACK THANK YOU TO THE CADRP MEMBERS WHO WE HAD A DDA FEEDBACK
SESSION NOT LONG AGO THAT WAS GREAT FOR

1:14:13

US GOT A LOT OF GOOD NOTES OUT OF THAT SO WE'LL CONTINUE TO DO THAT WE
TRYING TO COME UP WITH A FORMALIZED

1:14:19

WAY OF GETTING FEEDBACK I DON'T KNOW IT'S SURVEY OR WHAT BUT ANYWAY
WE'RE ACTIVELY LOOKING THAT IN FOR MORE

1:14:24

DETAILS ON BUT THAT'S AN OVERVIEW OF THE DDA HOW IT LOOKS NOW IF YOU
HAVEN'T

1:14:31

LOOKED AT IT IN A WHILE PLEASE CHECK IT OUT AND LET US KNOW WHAT YOU
THINK WE DO LOVE FEEDBACK THANKS EVAN GREAT JOB ANY

1:14:38

QUESTIONS FOR EVAN DDA RELATED

1:14:43

QUESTIONS UNDERLYING DATA COULD FOLKS ACCESS THAT LIKE THE ACTUAL
FINANCE DATA FOR EXAMPLE ARE THERE OTHER

1:14:49

DATA I KNOW THERE'S QUITE A BIT OF DATA SOURCES HOW WOULD FOLKS GO
ABOUT ACCESSING THAT WOULD THEY EMAIL US IS ANOTHER

1:14:55

OPTION FOR THEM YEAH SO THERE'S A COUPLE OF WAYS IF YOU HAVE TABLEAU YOU
CAN DOWNLOAD IT AND DOWNLOAD THE

1:15:01

WORKBOOKS AND EXTRACT IT THAT WAY YOU CAN SEE THE SOURCE DATA WHEN
YOU DO THAT IF YOU DON'T WE'RE WORKING ON OTHER WAYS OF GETTING THAT TO
YOU THERE'S WE

1:15:08

HAVE LIKE COMPANION FILES THAT WE CAN EITHER POST ALONGSIDE THE
DASHBOARDS OR THERE'S OPEN DATA PORTALS WHERE WE

1:15:15

CAN POST DATA SETS OF THE UNDERLYING DATA JUST TO MAKE IT MORE
ACCESSIBLE GOOD GOOD I'M EXCITED ABOUT

1:15:23

THIS THERE'S SO MUCH WE CAN DO WITH THIS PARTNERSHIP MEMBERS THIS
OPENS UP A LOT OF OPPORTUNITIES FOR

1:15:29

US I DON'T SEE ANY HANDS EVANS YOU'RE OFF THE HOOK I THINK THANK YOU SO MUCH FOR THE

1:15:35

PRESENTATION I APPRECIATE IT SO WE ARE AT OUR LAST AGENDA ALREADY WE ARE KIND OF CRUISING THROUGH THIS I'M EXCITED ABOUT THIS

1:15:41

AGENDA ITEM WE TALKING ABOUT LGBTQIA STUDY FOR A WHILE NOW WE HAVE INITIAL FINDINGS TO SHARE WITH YOU TODAY SO I'M

1:15:46

REALLY EXCITED ABOUT THAT SO ANGIE I'M GONNA HAND IT OVER TO YOU OR BELLA DO YOU HAVE A QUESTION I SEE YOU SPOTLIGHTED NO OKAY

1:15:52

SORRY SO I THINK ANGIE'S GONNA GO OVER A FEW SLIDES CARROLL MISREAD ANGIE FOR ISABELLA

1:16:01

THAT HAPPENS CARROLL HELLO ANGIE I'M GONNA SPOTLIGHT YOU HOLD ON FOR TWO

1:16:08

SECS GOOD MORNING HI GOOD MORNING EVERYONE NO

1:16:15

WORRIES ABOUT THAT AT ALL SO YEAH SO I'M GOING TO JUST SHARE SOME PRELIMINARY FINDINGS AND ALSO

1:16:21

CONTEXTUALIZE THEM A LITTLE BIT WITHIN LARGER RESEARCH THAT WE HAVE WITH

1:16:27

THIS POPULATION ALL RIGHT SO FIRST LET ME

1:16:32

GIVE YOU SOME OVERVIEWS ABOUT THE DEMOGRAPHICS OF THE SURVEY RESPONDENTS SO WE HAD A MIX OF AGE IN TERMS OF

1:16:41

FOLKS FROM 50 TO 70 AND ABOVE IN TERMS OF RACE IT WASN'T AS DIVERSE AS

1:16:47

WE HAD HOPED BUT THIS WAS THE BREAKDOWN IT WAS ABOUT A LITTLE LESS THAN 80% WHITE AND 22% PEOPLE OF COLOR

1:16:55

AND THEN IN TERMS OF TRANSGENDER IT WAS A LITTLE LESS THAN 90% OF FOLKS

1:17:00

WHO IDENTIFY AS CISGENDER AND 11% WHO IDENTIFY AS TRANSGENDER OR GENDER EXPANSIVE AND THAT STATISTIC IS

1:17:08

CONSISTENT NATIONALLY AS

1:17:17

WELL AND THEN WE DID HAVE IN TERMS OF QUALITY OF LIFE A LARGE PERCENTAGE OF

1:17:23

FOLKS REPORTED THAT THEY HAD A HIGH QUALITY OF LIFE WHICH IS INCONSISTENT

1:17:29

WITH NATIONAL DATA AND I'LL TALK ABOUT THAT IN A SECOND AND THEN WE ALSO HAD ONE THING THAT IS MORE CONSISTENT THOUGH

1:17:35

IS THAT THERE WAS LOWER QUALITY OF LIFE REPORTED AMONG PEOPLE OF COLOR AND TRANSGENDER AND GENDER EXPANSIVE FOLKS

1:17:42

AND THEN WHILE IT'S NOT REPORTED HERE WE EXPECT WE'RE STILL THERE'S STILL FOLKS DOING DATA ANALYSIS AND LOOKING AT

1:17:48

DIFFERENT SUBGROUPS BUT WE EXPECT THAT TO BE TRUE WE ANTICIPATE THAT WILL ALSO BE TRUE

1:17:54

FOR WOMEN AS WELL ASSUMING THAT IS CONSISTENT WITH OTHER RESEARCH BUT WE'RE

1:17:59

STILL DIGGING INTO THE DATA TO DETERMINE THAT AND THEN JUST A COUPLE OF NOTES FOR

1:18:05

HIGH QUALITY OF LIFE SO THERE'S RESEARCH NATIONAL RESEARCH THAT HAS CONTROLLED FOR INCOME EDUCATION AND AGE

1:18:12

AS WELL AS SEXUAL ORIENTATION AND GENDER IDENTITY THAT'S FOUND

1:18:18

MUCH LOWER PERCENTAGE AND SO THAT'S ADDITIONAL DATA COLLECTION OR DATA ANALYSIS THAT'S OCCURRING WITHIN THE

1:18:24

TEAM NOW AND SO I'LL JUST SO THAT'S JUST TO SORT OF CONTEXTUALIZE THAT PIECE

1:18:31

AND THEN NEXT SLIDE

1:18:37

PLEASE AND THEN FOR PHYSICAL HEALTH WE HAD 23% REPORTED PHYSICAL HEALTH AS

1:18:42

FAIR OR POOR 17% ARE LIVING WITH HIV AND AGAIN THIS IS WE'RE GOING TO DO MORE

1:18:49

SORT OF ANALYSIS TO SORT OF UNDERSTAND THAT AND CONTEXTUALIZE THAT A LITTLE BIT MORE WITHIN THE DATA WITHIN SUBGROUPS

1:18:55

MENTAL HEALTH 49% EXPERIENCED A TRAUMATIC EVENT IN THEIR LIFETIME 24%

1:19:00

HAD SYMPTOMS CONSISTENT WITH PTSD 11% REPORTED SERIOUS THOUGHTS OF SUICIDE IN

1:19:06

THE PAST YEAR AND THIS WAS HIGHER AMONG TRANSGENDER AND GENDER EXPANSIVE FOLKS WHICH WAS AT

1:19:12

16% AND THAT ALSO IS NATIONALLY IN

1:19:18

SOME OF THE OTHER LARGER RESEARCH STUDIES SPECIFICALLY LOOKING AT TRANSGENDER FOLKS THAT STATISTIC OUR

1:19:24

STATISTIC IS ON THE LITTLE BIT OF THE LOWER SIDE AND SO WE'RE TRYING TO CONTEXTUALIZE THAT AND LOOK AT DIFFERENT

1:19:29

ASPECTS IN TERMS OF INCOME AND OTHER ASPECTS OF SORT OF INTERSECTING

1:19:34

POSITIONALITIES TO UNDERSTAND THAT THAT A LITTLE BIT BETTER AND THEN THE OTHER THING I'LL SAY ABOUT THAT WELL ACTUALLY

1:19:41

LET ME LET ME GO ON TO THE NEXT SLIDE AND THEN I'LL ADD A COUPLE OF MORE NOTES TOO IN TERMS OF FINANCIAL

1:19:46

STATUS AND VULNERABILITY 26% REPORTED FINANCIAL INSECURITY OR CONCERNS ONE

1:19:52

IN FIVE WORRIED ABOUT HAVING ENOUGH MONEY FOR NUTRITIOUS MEALS AND THEN

1:19:59

IN TERMS OF FOLKS WORKING PAST 67 WE HAD 21% WHO IDENTIFIED AS CISGENDER 26%

1:20:06

WHO IDENTIFIED AS TRANSGENDER OR GENDER EXPANSIVE 39% FROM THE MENA REGION

1:20:12

AND 32% WHO IDENTIFIED AS BLACK OR AFRICAN-AMERICAN WHO WERE WORKING PAST AGE 67 SO MORE FOLKS OF COLOR AND

1:20:20

THEN TRANS FOLKS AS WELL AND THEN NEXT SLIDE

1:20:27

PLEASE WE ALSO HAD SOME MEASURES REPORTING DISCRIMINATION AND SAFETY

1:20:32

79% DID NOT REPORT TO AUTHORITIES WHICH IS PRETTY CONSISTENT WITH OTHER DATA THAT WE KNOW 30% OF TRANSGENDER AND

1:20:39

GENDER EXPANSIVE RESPONDENTS REPORTED DISCOMFORT WITH FIRST RESPONDERS KNOWING GENDER IDENTITY AND SEX ASSIGNED AT

1:20:45

BIRTH WHICH IS ALSO PRETTY CONSISTENT WITH OTHER DATA AND THEN AND ALSO

1:20:52

HIGHLIGHTS THE NEED FOR CULTURALLY RESPONSIVE SERVICES AND THEN IN TERMS OF

1:20:58

PERSISTENT DISCRIMINATION 27% REPORTED BEING TREATED UNFAIRLY OR DISCRIMINATED AGAINST IN THE PAST 12

1:21:04

MONTHS AND THIS WAS HIGHER AMONG PEOPLE OF COLOR WHICH WAS AT 41% AND ALSO HIGHER AMONG TRANSGENDER AND GENDER

1:21:10

EXPANSIVE FOLKS WHICH WAS AT 49% AND AGAIN THAT'S CONSISTENT

1:21:16

WITH OTHER DATA AS WELL NEXT SLIDE PLEASE SO ACTUALLY BEFORE I GO TO

1:21:22

RECOMMENDATIONS I'LL JUST ADD THAT THERE'S STILL THIS IS PRELIMINARY THERE'S STILL A LOT OF DATA ANALYSIS

1:21:28

THAT'S OCCURRING I KNOW THE TEAM IS DOING A LOT OF ANALYSIS TO SORT OF LOOK AT TO CONTROL FOR ADDITIONAL

1:21:36

VARIABLES AND ALSO TO LOOK AT SUBGROUPS WITHIN THIS THE LARGER LGBTQ PLUS AGING COMMUNITY OF

1:21:43

RESPONDENTS BUT THE OTHER THING I I'LL NOTE TOO IS THAT AND AGAIN WE'RE STILL AT THE PRELIMINARY STAGES OF DATA

1:21:48

ANALYSIS AND INTERPRETATION REALLY BUT SOME OF THE FINDINGS WERE

1:21:55

CONSISTENT WITH NATIONAL DATA AND SOME ARE NOT SO WE'RE STILL TRYING TO MAKE SENSE OF THAT AND ONE THING COULD BE

1:22:01

THAT THAT SOME OF THE SOME OF THE SERVICES AND PROGRAMS THAT ARE HAPPENING

1:22:07

IN CALIFORNIA THAT ARE BEING FUNDED AND SORT OF EMERGING MAY BE ACTUALLY PROVIDING AVENUES FOR THRIVING AND

1:22:14

RESILIENCE IN WAYS THAT ARE HELPING IN TERMS OF QUALITY OF LIFE IT COULD

1:22:20

ALSO BE THAT THE SAMPLE YOU KNOW IS OVER REPRESENTED IN TERMS OF WHITE

1:22:26

AND THEN ALSO WE HAVE NOT THIS IS NOT REFLECTIVE THIS IS A LITTLE BIT MORE AGGREGATE IT'S NOT IT DOESN'T REPRESENT

1:22:33

WE HAVEN'T THERE'S STILL ANALYSIS THAT'S OCCURRING THAT SHOW SORT OF DIFFERENT SUBGROUPS AND DIFFERENT

1:22:39

FINDINGS FOR DIFFERENT SUBGROUPS SO THAT I'LL PUT IN TERMS TO CONTEXTUALIZE THE FINDINGS BUT THEN IN TERMS OF

1:22:45

INITIAL RECOMMENDATIONS THERE WE HAVE FEW OF COURSE THERE'S MANY BUT THESE ARE THE ONES WE'RE GOING TO HIGHLIGHT HERE

1:22:52

IS TO IMPROVE ACCESS INCLUSIVITY AND SAFETY OF SERVICE FOR LGBTQI PLUS OLDER

1:22:57

ADULTS TO PROMOTE HEALTHY AGING AND I'LL ADD HEALTHY AND EQUITABLE AGING TO

1:23:02

INCREASE SOCIAL AND ECONOMIC SUPPORT FOR LGBTQIA PLUS OLDER ADULTS TO

1:23:08

UNDERSTAND AND ADDRESS DISPARITIES AMONG TRANSGENDER AND GENDER EXPANSIVE OLDER ADULTS AND OLDER ADULTS OF COLOR TO

1:23:14

MEASURE POLICY OUTCOMES AND IMPROVE DATA COLLECTION AMONG LGBTQI PLUS OLDER ADULT COMMUNITIES NEXT SLIDE

1:23:23

PLEASE AND THEN LESSONS LEARNED THERE'S ALWAYS LESSONS LEARNED WHEN YOU DO A BIG PROJECT LIKE THIS AND ONE WAS

1:23:29

EFFECTIVE COMMUNITY ENGAGEMENT IS CRITICAL THIS PROJECT INVOLVED A

1:23:34

LARGE GROUP OF COMMUNITY PARTNERS WHICH HELPED US GET A REALLY STRONG

1:23:40

REALLY LARGE NUMBER OF RESPONDENTS AND SO THAT WAS REALLY

1:23:45

HELPFUL AND COMMUNITY RAPPORT BUILDING TAKES A LOT OF TIME ESPECIALLY IN HARD

1:23:50

TO REACH COMMUNITIES AND SO THAT'S ANOTHER PIECE THAT'S A REALLY IMPORTANT LESSON LEARN LEARNED COLLECTING

1:23:56

DETAILED AND REPRESENTATIVE DATA REQUIRES CAREFUL PLANNING AND EXECUTION AND SOME OF THESE ARE

1:24:01

THINGS THAT SORT OF WE KNOW BUT JUST IMPORTANT LESSONS LEARNED TO SORT OF REITERATE AS WELL DESIGNING AN INCLUSIVE

1:24:07

SURVEY THAT REFLECTS THE DIVERSITY OF LGBTQI PLUS COMMUNITY IS ESSENTIAL

1:24:12

AND SIGNIFICANT DISPARITIES EXIST WITHIN LGBTQIA PLUS OLDER ADULTS

1:24:18

PARTICULARLY AMONG PEOPLE OF COLOR AND TRANSGENDER AND GENDER EXPANSIVE INDIVIDUALS I THINK ANOTHER IMPORTANT LESSON

1:24:24

LEARNED THAT RELATES TO THE DATA THAT WE YOU KNOW THAT WE JUST REPORTED ON IS

1:24:30

THAT THE POPULATION IS REALLY HETEROGENEOUS IT'S NOT A HOMOGENEOUS POPULATION AND SO THAT MEANS THAT THERE

1:24:36

ARE GOING TO HAVE TO BE TARGETED SUPPORTS TARGETED FUNDS TARGETED PRIORITIES THAT ARE TARGETED IN

1:24:41

DIFFERENT WAYS FOR SUBGROUPS WITHIN THE LARGER LGBTQ PLUS AGING COMMUNITY AND SO

1:24:47

THAT'S I THINK REFLECTED IN THE DATA THAT WE'RE SEEING AS WELL NEXT SLIDE PLEASE

1:24:54

SO CONCLUSIONS AND NEXT STEPS SO ONE KEY CONCLUSION OF COURSE IS THAT CALIFORNIA'S LGBTQIA PLUS COMMUNITIES

1:25:02

CANNOT ACHIEVE THEIR POTENTIAL FOR HEALTHY AGING UNLESS SPECIFIC DISPARITIES AND DISCRIMINATION ARE

1:25:08

ADDRESSED ACROSS AN ARRAY OF SERVICES THE INITIAL SURVEY DOCUMENTED AREAS OF NEED IMPORTANT TO CONDUCT SURVEY ON A

1:25:15

PERIODIC BASIS GOING FORWARD AND THEN ALSO DATA COLLECTION SHOULD CONTINUE AND BE MORE ROBUST I THINK THE YOU KNOW

1:25:23

THERE WAS YOU KNOW WE HAD A REALLY STRONG RESPONSE RATE AND YET WE WOULD

1:25:28

LOVE TO ACTUALLY EXTEND IT BEYOND TO GET A MORE REPRESENTATIVE SAMPLE THROUGHOUT CALIFORNIA SO THE STUDY

1:25:36

TEAM IS WORKING ON FINALIZING OUTPUTS FOR DISTRIBUTION FOCUS GROUPS THROUGHOUT THE STATE ARE BUILDING ON THIS

1:25:42

DATA SO WE'RE USING REALLY A SEQUENTIAL MIXED METHODS A MODIFIED I WOULD SAY MODIFIED SEQUENTIAL MIXED METHODS

1:25:49

APPROACH BY EXAMINING THE NEEDS OF TARGETED GROUPS IDENTIFIED AS HARD TO REACH AND UNDERREPRESENTED

1:25:55

AND WE'RE EMPLOYING KIND OF AN INTRA GROUP MODEL OF FOCUS GROUP RESEARCH

1:26:01

SO THAT'S WHY WE'RE FOCUSING ON HARD-TO-REACH POPULATIONS WITHIN THESE FOCUS GROUPS THAT WERE INCLUDED TO

1:26:08

SOME DEGREE IN THIS IN THE SURVEY AND YET WE REALLY WANT TO DIVE DEEPER INTO WHAT WE LEARNED FROM THE SURVEY AND

1:26:14

ALSO WHAT MAYBE WHAT IS MISSING FROM THE SURVEY TOO AND SO WE'RE GOING TO DO THAT THROUGH THE FOCUS GROUPS

1:26:19

THAT ARE STARTING THIS MONTH AND CONTINUING REALLY THROUGH OCTOBER AND WE HAVE CURRENTLY EIGHT FOCUS GROUPS

1:26:26

SCHEDULED THIS MONTH AND IN AUGUST AND HAVE A NUMBER OF OTHER ONES THAT WILL

1:26:31

OCCUR IN THE FALL SO I'M HAPPY TO ANSWER ANY QUESTIONS THAT FOLKS MAY

1:26:38

HAVE THANKS ANGIE THE FOCUS GROUP THAT'S SO EXCITING THE FOCUS GROUPS HAVE BUILD UPON THIS SURVEY FILLING THOSE GAPS I'M

1:26:44

REALLY LOOKING FORWARD TO WHAT COMES OUT OF THAT RIGHT QUESTIONS FOR

1:26:51

ANGIE OLIVIA GO AHEAD HOP RIGHT IN YEAH I JUST HAVE A PROCESS

1:26:56

TIMELINE QUESTION OF WHEN YOU KNOW FINAL OUTPUTS LIKE REPORTS AND DATA

1:27:02

WILL BE RELEASED LIKE IF YOU HAVE AN ESTIMATED TIMELINE ON THAT SO MY UNDERSTANDING IS THAT THE TEAM YOU

1:27:09

KNOW WE HAVE A NUMBER OF FOLKS ON THE TEAM HAVE CREATED OR ARE IN THE PROCESS OF CREATING A REALLY ROBUST

1:27:14

DISSEMINATION STRATEGY THAT WILL HAVE I THINK ALL THOSE DATES ROSS MAY HAVE A BETTER SENSE OF THAT BUT YEAH WE'RE

1:27:22

WE'RE STILL WORKING THROUGH IT I THINK THIS SUMMER SORRY TO BE SO BROAD LIKE PROBABLY NEXT MONTH FINAL REPORT IS

1:27:27

GOING TO COME OUT WE'RE STILL WORKING ON IT WE'RE GETTING REALLY CLOSE OLIVIA SO I DON'T HAVE AN EXACT DATE BUT I'M THINKING LIKE SOMETIME IN AUGUST AND

1:27:34

WE'RE GONNA HAVE LIKE THERE'S GONNA BE MORE OUTPUTS AFTER THAT THE FINAL REPORT WILL COME OUT FIRST WE'LL HAVE OTHER REPORTS AND LIKE YOU KNOW OUTPUTS NOT

1:27:40

REPORTS NECESSARILY FACT SHEETS INFOGRAPHICS THINGS OF THAT

1:27:45

NATURE DOES THAT HELP OKAY THANKS YES THANK YOU GO

1:27:51

AHEAD DAVID THANK YOU ROSS THANK AND ANGIE THANK YOU

1:27:56

AGAIN FOR A WONDERFUL OVERVIEW AND YOU'VE BEEN DOING AMAZING WORK ON THIS JUST TO SHARE WITH EVERY TO BUILD ON THAT COMPLIMENT ROSS AND THE

1:28:04

DEPARTMENT FOR A THOUGHTFUL COMMUNICATION PROCESS THAT WILL CONTINUE

1:28:09

A COMBINATION OF THE STATEWIDE SURVEY AND ANGIE'S WONDERFUL RESULTS WE'RE LOOKING AT THE NEXT 12 18 MONTHS OF

1:28:17

CONTINUOUS USE OF THE DATA CONTINUOUS COMMUNICATION ON MULTIPLE LEVELS

1:28:22

STARTING WITH THE STATE AND THE DEPARTMENT DOING THAT BUT WE'RE ALSO ALIGNING MULTIPLE CONFERENCE

1:28:28

PRESENTATIONS TO USE THIS AND AT THE COMMISSION ON AGING WE ARE UNDERTAKING A REVIEW OF POTENTIAL LEGISLATION SO AGAIN

1:28:36

1:31:03

PREVENTION AND HOW THE DATA DASHBOARD CAN REALLY SHOW US THAT WE'RE
