

The background of the slide is a top-down view of a collaborative workspace. It shows several people's hands and arms as they work on a light-colored surface. There are various hand-drawn sketches and physical objects scattered around. A large yellow circle with a lightbulb icon and three lightning bolts is a central feature. Other elements include a magnifying glass, puzzle pieces, gears, a computer monitor, a coffee cup, and several colored circles (blue, red, orange, green). Dashed lines and arrows indicate a flow or process. The words "INSPIRE", "DESIGN", and "RESEARCH" are written in a casual, hand-drawn style. The overall atmosphere is one of creative collaboration and problem-solving.

# Our Work So Far

The committee has met five times and discussed:

- Our shared values for caring out this work and our vision statements for the future of Californians with developmental disabilities.
- What equity means to us and brainstormed about how we will work to address equity in this plan.
- Creating workgroups that will develop recommendations for the Master Plan under 5 focus areas.
