

**DRAFT—FOR DISCUSSION PURPOSES ONLY**

**Alzheimer's Advisory Committee Discussion Items**

**2016 Discussion Items:** (Committee will monitor these items in 2017)

- Ensuring individuals with Alzheimer's disease and related disorders are receiving appropriate and timely mental health services;
- Identifying how individuals with developmental disabilities and Alzheimer's disease and related disorders are served by the Department of Developmental Services Regional Centers;
- Understanding the role and impact of the Coordinated Care Initiative on individuals diagnosed with Alzheimer's disease and related disorders;

**2017 Discussion Items:**

- Understanding the role of the Alzheimer's Day Care Resource Centers, including their funding history and service models;
- Assessing the supports and services offered to individuals with Alzheimer's disease and related disorders who live alone, while identifying best practices and lessons learned in the field; and
- Assessing the training programs on Alzheimer's disease and related disorders for Residential Care Facilities for the Elderly and Assisted Living Facilities.
