California Master Plan for Aging
FRAMEWORK
Vision, Mission, Values, Goals, Objectives & Strategies
November 6, 2019 DRAFT

Vision
California for all across the life span.

Mission
A person-centered, data-driven, ten-year California Master Plan for Aging by October 1, 2020

Values
- Choices – access, quality, and autonomy
- Equity - eliminating health and social disparities due to age, disability, geography, income, race, ethnicity, immigration status, language, religion/faith, sex, gender identity, sexual orientation, and family status
- Dignity and disruption of age-bias, able-ism, and discrimination
- Inclusion and accessibility for all older adults and people with disabilities
- Innovation and evidence-informed practice
- Partnerships among local, state, and federal governments, philanthropy, and private sectors

Goals
As more and more diverse Californians live longer lives, California has the following goals for all older adults, people with disabilities, families, and communities:

Goal 1: Services & Supports. We will live where we choose as we age and have the help we and our families need to do so.

  Objective 1.1: Californians will have access to the help we need to live in the homes and communities we choose as we age.

  Strategic Recommendation 1A: Statewide Information & Assistance System

  Strategic Recommendation 1B:

Objective 1.2: Californians of all ages will be prepared for the challenges and rewards of caring for an aging loved-one, with access to the resources and support we need.

Strategic Recommendations:
Goal 2: Livable Communities & Purpose. We will live in and be engaged in communities that are age-friendly, dementia-friendly, and disability-friendly.

Objective 2.1: California’s neighborhoods will have the built environment to fully and meaningfully include older adults, people with disabilities, and people of all ages.

*Strategic Recommendations:*

Objective 2.2: Californians will age with lifelong opportunities for social and civic engagement, volunteering, learning, and leadership.

*Strategic Recommendations:*

Goal 3: Health & Well-being. We will live in communities and have access to services and care that optimize health and quality of life.

Objective 3.1: Californians will live in communities with policies and programs that promote well-being throughout our lifespans.

*Strategic Recommendations:*

Objective 3.2: Californians will have access to quality, affordable, and person-centered health care through delivery systems that are age-friendly, dementia-friendly and disability-friendly.

*Strategic Recommendations:*

Goal 4: Economic Security and Safety. We will have economic security and be safe from abuse, neglect, exploitation, and natural disasters and emergencies throughout our lives.

Objective 4.1: Californians will be economically secure throughout our life span with access to housing, food, and income as we age.

*Strategic Recommendations:*

Objective 4.2: Californians will be protected from abuse, neglect, and exploitation as we age.

*Strategic Recommendations:*

Objective 4.3: Californians, as communities and as individuals, will plan, prepare and respond to disasters and emergencies fully including the needs and vulnerabilities of older adults and people with disabilities.

*Strategic Recommendations:***
