Notification regarding submitting materials to the committee:

California Government Code Section 11546.7, originating from AB434 (2017-18) requires state agency Directors and their Chief Information Officers certify their agency website complies with Government Code Section 7405 and 11135, and the Web Content Accessibility Guidelines, published by the Web Accessibility Initiative of the World Wide Web Consortium at minimum Level AA success criteria. These certifications must be signed by July 1, 2019, and then on July 1 every other year thereafter.

To comply with this requirement and to ensure that all Californians have meaningful access to CHHS website content, **CHHS is requesting that all content (including documents) submitted for posting on the CHHS website meet Web Content Accessibility Guidelines.** The California Department of Rehabilitation has created Web Accessibility Toolkit to serve as a resource for meeting these guidelines.
