Public Comment**

The table below shows public comments that were made verbally during the March 18th virtual meeting. Additional public comments can be found in the meeting’s “Chat Log,” as well as in other documentation submitted and posted on the CHHS Data Exchange Framework [website](#).

| Count | Name | Comment |
|--------------|--|---|
| 1 | Erik Sternad, Executive Director, Interface Children & Family Services / 211 Ventura | Yes, thank you, are there any national standards or other standards from other states that we’ll be looking at and iterating from. I’m just wondering whether the projects, thus far has considered sort of special populations that have unique sort of security needs, so domestic violence clients, human trafficking clients, clients with immigration concerns would be I think sort of three good examples there. |
