Master Plan for Aging

CalAIM

Advancing and Innovating Medi-Cal

CalAIM Overview

1

Identify and manage comprehensive needs through whole person care approaches and social drivers of health.

2

Improve quality outcomes, reduce health disparities, and transform the delivery system through value-based initiatives, modernization, and payment reform.

3

Make Medi-Cal a more consistent and seamless system for enrollees to navigate by reducing complexity and increasing flexibility.

CalAIM:
Enhanced Care Management & Community Supports

A “Whole-Person” Approach to Care
