## IMPACT Stakeholder Committee Year One Progress Report

Response by Susan DeMarois

# Budget Investments in the Master Plan for Aging: Assessing Two Years of Progress

IMPACT Stakeholder Committee July 12, 2022

# Building a California for All

"This historic budget signed by the Governor today builds on prior investments in health and human services and furthers our vision of a Healthy California for All. The budget improves our ability to serve the whole person, and ensures that the health care, housing, and social needs of those we serve are considered together, not solely through the lens of separate funding streams or programs. Most importantly, the investments will improve the lives of our most vulnerable neighbors while addressing the underlying inequities in our society."

-Dr. Mark Ghaly, California Health & Human Services Agency Secretary
