

Shasta County Probation Department
Secure Track Treatment Program (STTP)
Division of Juvenile Justice (DJJ) Realignment Plan

Addendum

Facility Modifications and Improvements

Immediate Plans:

- Upgrading the current monitoring systems to a digital system, enhancing surveillance coverage, repositioning current cameras and adding fourteen additional cameras.
- Upgrading the safety cell by installing a food port.

Long Term Plans:

- Expanding the West recreation area; to include security fencing and surveillance coverage.
- Installing outdoor exercise equipment.
- Developing a mobile de-escalation cart that can be used conjunction with our de-escalation room.
- Providing Edovo Tablets for virtual welding classes, hands-on trade/certificate programs and expansion for secondary education.
- Purchasing of tools, equipment, and supplies to support ongoing woodworking and vocational programming.
- Purchasing of tools, equipment, and supplies to support ongoing bicycle repair and vocational programming.

Staff Training

- Train staff in Core Correctional Practices (CCP) and train identified staff as instructors to development annual training curriculum for staff. CCP is an evidenced-based training which instructs detention staff on the core skills needed to support cognitive behavioral programing and interventions.
- Train staff in the Mandt System and train identified staff as instructors to development annual training curriculum for staff. The Mandt System is a relationally based program that uses a continuous learning and development approach to prevent, de-escalate, and if necessary, intervene in behavioral interactions that could become aggressive.
