Bagley-Keene Basics

California Health and Human Services Agency

THE PURPOSE OF THE BAGLEY- KEENE OPEN MEETING ACT

“It is the public policy of this state that public agencies exist to aid in the conduct of the people's business and the proceedings of public agencies be conducted openly so that the public may remain informed.”

What bodies are covered?

Definition of a “state body”

- Every state board, or commission, or similar multimember body of the state that is created by statute or required by law to conduct official meetings
- A multimember body that exercises any authority of a state body delegated to it by that state body
- A multimember advisory body of a state body, if created by formal action of the state body or of any member of the state body, and if the advisory body so created consists of three or more persons

What
meetings are
covered?

Definition of a
“meeting”

A meeting includes any congregation of a majority of the members of a state body at the same time and place to hear, discuss, or deliberate on any item that is within the subject matter jurisdiction of the state body.

A meeting also includes . . .

SERIAL COMMUNICATIONS

for example:

- “chain” communication: A texts B, then B texts C, etc.
- “hub and spoke” communication: A texts B, then A texts C, then A texts D, etc.

OF ANY KIND

including in-person, by phone, text, or email

DIRECTLY OR THROUGH INTERMEDIARIES

for example, through staff or lobbyists

Meeting Exception

- A member may have individual contact or conversations with any other person (unless it's part of a serial meeting).
- A majority of the body may be present at social events, meeting of other public bodies, and public conferences, but may not discuss board business outside of a properly notice board meeting.

What notice is required?

- The state body must provide 10 days advance written notice of a meeting
- Notice must be posted on the agency's website and provided to anyone who requests it
- The meeting notice must include an agenda with a brief description of the items to be acted on or discussed

Public Access and Participation

- Meetings must be open and public (with some limited exceptions)
- Meetings must be accessible as required under the ADA
- Public records distributed by staff or members to members of the state body prior to or during a meeting, pertaining to any item to be considered during the meeting, must be made available to the public at the meeting
- Members of the public must be provided the opportunity to directly address the state body on each agenda item before or during the state body's discussion or consideration of the item

Remote Meeting Rules Change on June 30 (rules for advisory bodies)

- Beginning July 1, 2023, a quorum of the state body must be present at the primary meeting location.
- The state body must provide notice to the public at least 24 hours before the meeting that identifies any member who will participate remotely.
- Remote locations are not required to be disclosed.

Questions?

Virtual Meeting Guidelines

- Meeting is being recorded
- American Sign Language interpretation in pinned video
- Live captioning link provided in chat

Working Group Members

- Mute/Unmute works for members and policy partners.
- Stay ON MUTE when not speaking and use the “raise hand feature” if you have a question or comment.
- Please turn on your camera as you are comfortable
- Use chat for additional conversation
- **MEMBERS OF THE PUBLIC** will be invited to participate during public comments period

Working Group Overview (purpose)

PURPOSE

As stipulated in SB 1338, the working group will “provide coordination and on-going engagement with, and support collaboration among, relevant state and local partners and other stakeholders throughout the phases of county implementation to support the successful implementation of the CARE Act. The working group shall meet no more than quarterly during the implementation and shall end no later than December 31, 2026” (see CHAPTER 6. 5983 (a) (2)). CalHHS will seek feedback from the Working Group on the array of implementation activities that are involved in standing up the CARE Act in counties.

Working Group Overview (operations)

OPERATIONS

- The Working Group will meet quarterly during the implementation of the CARE Act through December 31, 2026.
- Working Group meetings will be a mix of in person and virtual, with in person meetings held primarily in Sacramento, but at times possibly in other locations throughout California.
- Working group members are expected to attend 75% of meetings each year, with the option of sending a delegate for the remainder.
- All meetings of the Working Group shall be open to the public and subject to Bagley-Keene Open Meeting Act requirements.

Working Group Overview (operations, continued)

OPERATIONS CONT.

- Meeting agendas will be prepared and posted online in advance of a meeting. Working Group members are encouraged to suggest agenda items.
- This is not an oversight or voting group. The goal is to generate ideas and solutions.
- Members are encouraged to be brief and brilliant. Keep the discussion moving to allow for new ideas from all group members.
- Members understand and acknowledge that CalHHS has a responsibility to implement the CARE Act as enacted in statute.
- Members will be respectful of each other's expertise and any differences of opinion.

CARE Act Information and Working Session

Meeting the Housing Needs of CARE Act Participants

Marlies Perez, Chief, Community Services, DHCS

Behavioral Health Bridge Housing (BHBH)

Need for BHBH

- » The BHBH program is identified to meaningfully contribute to the implementation of the California Interagency Council on Homelessness' [Action Plan for Preventing and Ending Homelessness in California](#)
- » The BHBH program will be implemented in alignment with the Community Assistance, Recovery and Empowerment (CARE) Court, which prioritizes BHBH program resources for CARE Court participants

BHBH Program Specifications

- » The \$1.5B BHBH funding allocation is one-time only grant funding administered by DHCS
- » Qualifying applicants are county behavioral health agencies, and tribal entities
- » Funding must be expended by June 30, 2027
- » The emphasis of the BHBH program is on meeting the needs of the currently unsheltered population with a behavioral health condition

BHBH Models

- » County BHAs are encouraged to explore innovative models using existing real estate that can be leased or quickly converted to create new BHBH Program settings, including, but not limited to, the following:
 - » »
 - » Tiny homes
 - » Master-leased units or buildings
 - » Office, school, or warehouse conversions (Warehouse conversion should be designed to support privacy, as dormitory-style housing is not recommended for the BHBH Program.)
 - » Hotels and motels
 - » Churches and other community settings
 - » Duplexes or large single-family homes
 - » Modular buildings
 - » Decommissioned skilled nursing facilities (SNFs), assisted living, hospital conversions, etc.
 - » Scattered-site individual units

BHBH Program Specifications

- » Provide case management and other medical, behavioral or social services and supports, such as those provided by Full Service Partnerships, which provide field capable wrap around services
- » BHBH is intended to pay for housing and housing-related services that are not covered by Medi-Cal, including community supports
- » Funding cannot supplant specialty mental health and SUD services provided by counties – these must continue to be covered by Medi-Cal
