

**Alzheimer's Disease & Related Disorders (ADRD)
Advisory Committee Meeting
August 3, 2023**

0:00

GOOD MORNING IT IS 10 O'CLOCK

0:07

MICHELLE ARE YOU ARE YOU READY CATHERINE ARE YOU READY TO START THE MEETING I AM THANK YOU PERFECT GOOD MORNING EVERYONE

0:16

THANK YOU FOR JOINING US TODAY WELCOME TO TODAY'S

0:22

WELCOME TO CALIFORNIA HEALTH AND HUMAN SERVICE AGENCY'S ALZHEIMER'S DISEASE AND

0:29

RELATED DISORDERS ADVISORY COMMITTEE MEETING I AM CARROLL DEANDREIS AND I'M GOING TO

0:36

SPOTLIGHT MYSELF SO YOU SEE ME SO IF YOU CAN HOLD ON FOR JUST A MOMENT

0:45

LET ME START AGAIN GOOD MORNING WELCOME TO TODAY'S CALIFORNIA HEALTH AND HUMAN SERVICE AGENCY'S

0:51

ALZHEIMER'S DISEASE AND RELATED DISORDERS ADVISORY

0:57

COMMITTEE MEETING THANK YOU I AM CARROLL DE ANDREIS AND I AM A MEMBER OF THE MASTER PLAN FOR AGING TEAM HERE AT THE

1:04

CALIFORNIA DEPARTMENT OF AGING TODAY IS THURSDAY AUGUST 3RD 2023 AND WE

1:11

ARE MEETING BOTH IN PERSON AT THE DEPARTMENT OF AGING'S OFFICES AT 2880

1:17

GATEWAY OAKS DRIVE HERE IN SACRAMENTO AND AS WELL AS VIRTUALLY

1:23

SO WE THANK YOU FOR JOINING US WHETHER YOU ARE HERE IN PERSON OR IN OUR VIRTUAL SPACE

1:30

NEXT SLIDE ROSIE SO WE HAVE A FEW MEETING LOGISTICS AS

1:36

YOU CAN SEE YOU COULD JOIN BY PHONE VIA ZOOM AND WE DO HAVE AN AUDIO

1:43

ONLY THERE IS THE NUMBER AND LIVE CAPTIONING IS AVAILABLE VIA THE

1:51

ZOOM WEBINAR FUNCTIONS WE ARE PROVIDING AMERICAN SIGN LANGUAGE INTERPRETATION

1:56

TODAY AND ALL THE RECORDING SLIDES AND TRANSCRIPTS

2:03

WILL BE POSTED TO THE CAL HHS ALZHEIMER'S DISEASE AND RELATED

2:08

DISORDERS WEB PAGE AFTER THIS WEBINAR NEXT SLIDE

2:16

WE WANT TO REMIND YOU THAT WE WILL HAVE A COUPLE OPPORTUNITIES FOR PUBLIC COMMENT IN-PERSON COMMENTS TODAY YOU

2:26

WILL RAISE YOUR HAND AND OUR MODERATOR IN THE ROOM WITH YOU MICHELLE WILL CALL

2:33

ON YOU TO MAKE YOUR COMMENT IF YOU HAVE

2:38

COMMENTS ON AND YOU'RE ATTENDING BY ZOOM YOU CAN USE THE RAISED HAND FUNCTION ON

2:44

YOUR ZOOM WEBINAR IF YOU ARE CALLING IN BY PHONE YOU WOULD PRESS STAR 9 ON YOUR TELEPHONE

2:52

DIAL PAD AND WE WILL UNMUTE YOUR LINE AND OF COURSE WRITTEN COMMENTS MAY

3:00

ALWAYS BE SUBMITTED TO THROUGH THE Q A FUNCTION THROUGHOUT

3:06

THE MEETING SO NOW I AM GOING TO TURN IT OVER

3:12

TO OUR COMMITTEE CHAIR CATHERINE BLAKEMORE GOOD MORNING CATHERINE GOOD

3:18

MORNING THANKS SO MUCH BEFORE WE GET STARTED IT LOOKS LIKE THERE IS AT LEAST ONE PANELIST THAT IS

3:25

IN THE ATTENDEE GROUP DR MOBLEY OKAY SO IF WE COULD ELEVATE HIM AND THEN SALLY BERGMAN AND MAYBE SOME OTHERS

3:32

INDICATE THAT THEIR VIDEO IS SOMEHOW BLOCKED SO I MEAN SO THAT THEY THEIR

3:38
THEIR PICTURES JUST SHOWING I TAKE THE PROBLEM SO I'M NOT QUITE SURE HOW
TO FIX

3:43
THAT EITHER OKAY AND THEN THE LAST IS THE ONLY THING WE SEE IN THE
MEETING

3:49
ROOM IS A BUNCH OF CHAIRS SO I CAN'T ACTUALLY TELL IF THERE ARE PEOPLE
THERE

3:54
THERE ARE CATHERINES SINCE WE HAVE PEOPLE SPEAKING IN THE ROOM THAT'S
WHERE THEY'RE GOING TO BE WHEN THEY'RE

3:59
PRESENTING SO THAT'S THE VIEW YOU ALL HAVE OF US I'M SORRY BUT WHEN WE
DO INTRODUCTIONS YOU'LL HEAR ALL THE PEOPLE

4:05
IN THE ROOM OKAY SO LET'S DO LET'S START WITH

4:11
INTRODUCTIONS AND IF EVERY

4:16
EVERY MEMBER OF THE COMMITTEE WILL JUST MAYBE WE'LL START WITH THE
PEOPLE IN THE ROOM THEY CAN INTRODUCE THEMSELVES

4:22
AND INDICATE IN A SHORT SENTENCE EITHER SOMETHING ABOUT THEM OR THE
MOST INTERESTING THING THEY'RE CURRENTLY

4:28
WORKING ON IN THE AGING SPACE SO MICHELLE ALL SINCE I CAN'T SEE ANYBODY I

4:34
WILL JUST LEAVE IT TO YOU TO SO ROSIE CAN YOU ADVANCE TO THE NEXT SLIDE
PLEASE

4:41
AND THEN ONE MORE SLIDE THERE WE GO OKAY SO NOW YOU CAN JUST
INTRODUCE PEOPLE IN ORDER THAT I'LL TAKE CARE OF

4:47
IT OKAY YEAH I'M JUST GONNA GO WHO'S IN THE MEETING ROOM THOUGH SO WHY
DON'T YOU JUST HAVE PEOPLE THAT ARE IN THE ROOM GO

4:53
THROUGH AND YOU CHOOSE AND WE CAN INTRODUCE THEM THAT WAY THAT'D BE
GREAT

4:58
ALL RIGHT GOOD MORNING EVERYONE THIS IS DARRICK LAMB FAMILY
REPRESENTATIVE ALSO THE VICE CHAIR OF THE COMMITTEE

5:05
GOOD MORNING EVERYONE GOOD MORNING JULIE SOULIERE SECRETARY

5:10

WITH CAL HHS BARBRA MCLENDON PUBLIC POLICY DIRECTOR OF ALZHEIMER'S LOS ANGELES

5:17

CELINE REGALIA DIRECTOR OF OPERATIONS AT PROVIDENCE COMMUNITY HEALTH AND ALSO

5:23

ALZHEIMER'S DAY CARE RESOURCE CENTERS REPRESENTATIVE PROJECT CAL COMPASS WYNN CAMEO I'M A

5:31

PSYCHIATRIST MENTAL HEALTH REPRESENTATIVES GOOD MORNING TODD SHETTER THE CHIEF

5:37

OPERATING OFFICER FOR ACTIVE CARE LIVING WE'RE A RESIDENTIAL PROVIDER DOWN IN SAN DIEGO COUNTY IN ORANGE COUNTY

5:44

EXCITED TO ANNOUNCE THAT WE'RE ALSO AN AUTHORIZED VENDOR NOW WITH THE ORANGE COUNTY REGIONAL CENTER AND WE'RE

5:51

PROVIDING WE'VE GOT 40 BEDS AVAILABLE INTELLECTUAL DEVELOPMENTAL DISABILITIES

5:57

AND DEMENTIA TO LIVE IN ONE OF OUR TWO COMMUNITIES IN NEW YORK OF LINDA OR ORANGE AND WE HAVE CURRENTLY 12 CLIENTS

6:04

LIVING WITH US THE SAN DIEGO REGIONAL CENTER DOWN IN SAN DIEGO COUNTY SO IT WAS GOING REALLY WELL

6:10

THANK YOU GOOD MORNING MY NAME IS ANDREA ROBERT I AM ON A COMMITTEE AS A

6:15

COMMUNITY MEMBER AS A PERSON WITH LIVE EXPERIENCE THANK YOU AND CATHERINE THAT IS ALL OF OUR

6:22

COMMITTEE MEMBERS WHO ARE IN THE ROOM TERRIFIC THANKS AND MICHELLE YOU WANT TO INTRODUCE YOURSELF TOO

6:27

I'M MICHELLE JOHNSTON I'M THE PROGRAM DIRECTOR FOR DEMENTIA INITIATIVES HERE AT THE CALIFORNIA DEPARTMENT OF AGING

6:33

AND GET TO HELP SUPPORT AND ASSIST THIS FINE GROUP TERRIFIC THANKS SO MUCH AND

6:39

THANKS FOR ALL OF YOU THAT ARE IN PERSON THAT'S FABULOUS AND IT LOOKED LIKE DR

6:44

FARIAS NEEDS HER VIDEO ENABLED AS WELL SO WE COULD TAKE CARE OF THAT THAT'D

6:49

BE AMAZING OKAY THANK YOU I'M SORRY I MUST HAVE

6:55

CLICKED THE WRONG THING AND JUST TO INTRODUCE MYSELF I'M SARAH FARIAS I'M AT UC DAVIS AND I'M

7:02

THE DIRECTOR OF ONE OF THE CADCS HERE AT UC DAVIS AND REPRESENT THE CADCS IN THIS

7:07

IN THIS COMMITTEE TERRIFIC THANK YOU I THINK WE'RE I THINK WE'RE JUST WORKING COLLECTIVELY ON

7:14

THE VIDEO SO DR MOBLEY YOU WANT TO INTRODUCE YOURSELF HI EVERYBODY GOOD TO BE ON THIS

7:22

CALL WITH EVERYONE AND THOSE IN PERSON I ENVY YOU PROBABLY THE GRAY WEATHER IN SACRAMENTO IS REALLY MAKING YOU HAPPY SO

7:29

UNFORTUNATELY DOWN HERE IN SAN DIEGO IT'S BEAUTIFUL IT'S 75 AND SUNNY AND WE'RE JUST LIVING THE LIFE ANYWAY I'M

7:37

BILL MOBLEY I'M FROM UC SAN DIEGO I'M A NEUROSCIENTIST AND A NEUROLOGIST AND VERY HAPPY TO BE PART OF THIS COMMITTEE

7:43

TERRIFIC THANKS THANK YOU SALLY BERGMAN YOU WANT TO SAY HELLO AND INTRODUCE YOURSELF

7:49

CERTAINLY GOOD MORNING I AM SALLY BERGMAN I AM AN ELDER LAW ATTORNEY FOR

7:55

PRACTICING IN THE BAY AREA HAPPY TO BE HERE

8:01

GLAD TO HAVE YOU MEG YOU WANT TO ENTER MAKE BARRON YOU WANT TO INTRODUCE YOURSELF I'M MEG

8:06

BARRON ALZHEIMER'S ASSOCIATION AND I AM THE REGIONAL LEAD FOR CENTRAL AND SOUTHERN CALIFORNIA

8:13

OKAY DID I MISS ANYBODY THAT WAS ON ZOOM THAT

8:18

IS A MEMBER OF THE COMMITTEE NOT HEARING ANYONE ELSE

8:26

I WANTED TO JUST ACKNOWLEDGE PAM MONTANA WHO I DON'T THINK IS

8:32

HERE YET I HAVEN'T SEEN HER SHE WAS GOING TO JOIN BY ZOOM BUT HER TERM IS UP AND SHE'S DECIDED

8:38

NOT TO CONTINUE SHE HAS TWO NEW GRANDBABIES SO WANTS TO SPEND SOME OF HER TIME

8:45

AND ENERGY WITH THEM WHICH I THINK IS WONDERFUL AND SHE'S JUST BEEN A TERRIFIC

8:50

REPRESENTATIVE OF SOMEONE LIVING WITH ALZHEIMER'S BROUGHT HER PERSPECTIVE

8:57

AND HER ENTHUSIASM FOR THE WORK THAT THIS COMMITTEE DOES AND THE IMPORTANCE OF IT SO I JUST WANTED TO TAKE A MOMENT

9:03

TO ACKNOWLEDGE HER AND THANK HER FOR HER PARTICIPATION AND IF SHE IS ABLE TO JOIN WE MIGHT SAY THOSE THINGS AGAIN ABOUT HER BUT I DIDN'T WANT TO OVER OVERLOOK

9:11

9:17

9:17

ALL THAT SHE'S CONTRIBUTED TO THE COMMITTEE OVER THE PAST THE PAST COUPLE OF YEARS

9:23

SO WITH THAT I THINK WE ARE GOING TO APPROVE THE MINUTES OF THE MAY

9:32

MEETING THOSE WERE SENT IN ADVANCE HAS EVERYONE HAD A CHANCE TO LOOK AT

9:38

THEM AND IF SO IS THERE A MOTION TO APPROVE THE MINUTES

9:47

ULTIMATELY THANK YOU AND I DON'T KNOW WHO THE SECOND WAS BUT IT SOUNDS LIKE SOMEBODY FROM THE MEETING

9:57

I'M SORRY THIS IS DARRICK OUR SECOND OH GREAT THANK YOU DARRICK VERY MUCH APPRECIATE

10:03

THAT OKAY ANY OTHER DISCUSSION ABOUT THE MINUTES

10:08

IF NOT WE HAVE A MOTION AND A SECOND ALL IN FAVOR I

10:14

ANY OPPOSITION ANY ABSTENTIONS OKAY THOSE ARE THOSE ARE

10:21

APPROVED SUSAN JUST NOTED ALSO AN APPRECIATION FOR PAM MONTANA IN THE

10:29

COMMENTS SO THANKS FOR DOING THAT SUSAN AND I ACTUALLY NEGLECTED TO LET THE STAFF INTRODUCE THEMSELVES INTO OUR

10:35

HEAD OF SCHEDULE SO SUSAN YOU WANT TO SAY GOOD MORNING AND THEN JUST IDENTIFY THE OTHER STAFF

10:40

THAT ARE HERE AND LET THEM IDENTIFY THEMSELVES AS WELL SURE GOOD MORNING

10:46

CATHERINE IN COMMITTEE THIS IS SUSAN DE MAROIS THE DIRECTOR OF THE CALIFORNIA DEPARTMENT OF AGING MY VIDEO IS NOT

10:53

ENABLED OR I WOULD BE ON VIDEO AND WE'RE JOINED TODAY BY YOU MET MICHELLE JOHNSTON WHO IS OUR STAFF LIAISON TO

11:00

THIS COMMITTEE WE ALSO HAVE CARROLL DEANDREIS AND ROSIE CARVAJAL AND I BELIEVE SARAH STEENHAUSEN ARE JOINING

11:07

TODAY AND DID I MISS ANYONE ON THE CDA TEAM

11:12

I DON'T THINK SO AND SARAH IS HERE I SEE I SEE HER PICTURE SHE MAY NOT HAVE HER

11:17

VIDEO ENABLED YET EITHER BUT I'M SURE WE'LL GET ALL THE TECHNOLOGY THESE WELL HYBRID MEETINGS HAVE THEIR OWN THEIR OWN

11:23

WRINKLES TO THEM ALWAYS THOUGH BUT THANKS TO ALL THE CDA STAFF MICHELLE WHO DOES A GREAT JOB

11:30

COORDINATING OUR MEETINGS AND PUTTING TOGETHER A REALLY GOOD AGENDA

11:36

AND ALL THE OTHER STAFF WHO JUST ADVANCE THE IMPORTANT WORK

11:41

I THINK IT'S JUST REMARKABLE ALL THE ENERGY AND

11:46

FORWARD PROGRESS THAT CDA HAS MADE AND I THINK YEAH I THINK THAT'S

11:53

EVERYONE THAT WE HAVE FROM THE STAFF OR FROM AGENCY THAT HAS INTRODUCED

11:59

THEMSELVES SO WITH THAT WE HAVE A VERY EXCITING PRESENTATION THIS MORNING ON

12:06

CALIFORNIA'S LEADERSHIP IN IMPLEMENTING THE FEDERAL ALZHEIMER'S AND CAREGIVER PLAN RECOMMENDATIONS

12:14

WE HAVE FOUR REALLY EXCELLENT PRESENTERS WHO ARE GOING TO BE JOINING

12:20

US I THINK I THINK THEY MAY ALL MAYBE I'M NOT SURE ABOUT IF JARED'S HERE
YET BUT THEY THE REST I KNOW ARE ALL IN

12:26

PERSON SO IT'S MY PLEASURE TO ARE YOU GOING TO HAVE THEM GO UP TO THE
FRONT NOW MICHELLE OR

12:32

YEAH THEY SO THEY ARE GOING UP TO THE FRONT AND AS THEY'RE DOING THAT
PAM HAS JOINED SO FAR PERFECT SO IF YOU COULD

12:40

MAKE PAM A CO-HOST SO THAT WE CAN SEE HER AND THEN WE CAN THANK HER
FOR HER

12:46

SERVICE I GOT IT THANK YOU SO WE'LL DO THAT AND THEN WE'LL WAIT

12:52

TILL EVERYONE GETS UP OH GOOD OUR PANELISTS ARE GETTING ALL UP THERE
THAT'S GREAT

12:58

WAIT TILL WE CAN SEE PAM

13:04

START MY VIDEO WELL ACTUALLY THERE I THINK THEY NEED TO DO SOMETHING
OKAY

13:10

OKAY A LITTLE UNCLEAR TO ME WHAT NEEDS TO HAPPEN BUT PAM YOU CAN TURN
YOUR CAMERA ON NOW IF

13:17

YOU'D LIKE I CLICK START VIDEO BUT IT THERE YOU GO THERE IT IS MADE IT

13:24

SURPRISE WELCOME WE A MINUTE OR TWO AGO I JUST EXPRESSED

13:30

MY APPRECIATION FOR ALL THAT YOU'VE BROUGHT TO THE COMMITTEE OVER THE
PAST FEW YEARS I THINK YOU BRING JUST SUCH AN

13:37

IMPORTANT PERSPECTIVE OF SOMEONE LIVING WITH ALZHEIMER'S AND LOTS OF
ENERGY AND

13:44

THOUGHTFULNESS ABOUT THE SERVICES THAT PEOPLE NEED AND CAREGIVERS
NEED SO WE'RE JUST

13:51

EXTRAORDINARILY GRATEFUL FOR ALL THAT YOU'VE CONTRIBUTED WE KNOW THAT
YOU

13:56

BECAUSE MICHELLE TOLD US THAT YOU HAVE SOME NEW GRANDBABIES IN YOUR
LIFE AND YES SPEND SOME TIME WITH THEM

14:02

THAT'S SO EXCITING I CAN ATTEST TO THAT AS HAVING TWO GRANDCHILDREN
THAT ARE GETTING A BIT OLDER NOW BUT IT'S

14:09

REALLY A WONDERFUL OPPORTUNITY FOR YOU SO WE JUST WANTED TO SAY
THANK YOU AND

14:15

I DON'T KNOW MICHELLE IF YOU WANT TO SAY ANYTHING OR ANOTHER MEMBER OF
THE COMMITTEE BUT THANKS FOR JOINING SO WE COULD APPRECIATE YOU FOR A
FEW MOMENTS

14:22

YEAH WELL THANK YOU JUST I HAVE A HARD TIME WITH WORDS NOW WHICH

14:29

IS PRETTY HYSTERICAL BECAUSE MY WHOLE LIFE I'VE SPOKEN FOR YOU KNOW I'VE

14:35

SPOKEN LIKE ON STAGE A MILLION TIMES AND WHEN I WAS TALKING

14:41

ABOUT IT WITH LIKE NOW I CAN'T EVEN REMEMBER WHAT I WAS TALKING ABOUT
YOU CAN SEE LIKE I CAN'T TALK AS WELL AS I

14:48

USED TO TALK AND I'M A REALLY GOOD TALKER BUT IT'S NOT REALLY WORKING
ANYMORE SO THAT'S WHEN I

14:53

DECIDED THAT I PROBABLY SHOULD KIND OF STOP COMING TO THESE MEETINGS
BUT YES

14:59

I'M VERY WAS VERY HONORED AND VERY HAPPY TO BE PART OF IT AND I KNOW I DID

15:05

GIVE SOME SNIPPETS THAT YOU KNOW THAT WERE HELPFUL BUT WITH THE SHORT-
TERM MEMORY STUFF THAT'S REALLY MESSING ME

15:12

UP IT'S REALLY NOT THAT MUCH FUN SO IT'S NOT REALLY A GOOD TIME FOR ME TO
BE ON A

15:17

MEETING SO ANYWAY YEAH

15:24

THEY'RE DOING I'M SUPER EXCITED TO SEE WHAT'S NEXT WITH THE COMMITTEE
AND

15:30

AGAIN JUST THANK YOU SO MUCH I REALLY APPRECIATE IT AND WE APPRECIATE

15:40

AND I THINK SUSAN PUT SOMETHING EARLIER IN CHAT SAYING THAT SHE WANTED
SUSAN DEMARIOS

15:46

WANTED TO ALSO EXPRESS HER APPRECIATION OUR THANKS TO PAM FOR HER
MANY

15:51

CONTRIBUTIONS AS THIS COMMITTEE AND ALZHEIMER'S ADVOCACY OVER THE YEARS SO LOTS OF PEOPLE SENDING YOU

15:59

APPRECIATION AND VERY GOOD WISHES FOR EVERYTHING THAT YOU'RE GOING TO DO NEXT SO THANK

16:05

YOU SO MUCH THANK YOU I'LL DROP OFF NOW AND YOU GUYS HAVE A WONDERFUL WONDERFUL MEETING AND

16:12

THANKS AGAIN I REALLY APPRECIATE EVERYTHING THAT YOU GUYS ARE DOING IN IN MY TIME THAT I DID WASN'T ABLE TO BE

16:17

WITH YOU THANKS SO MUCH PAM OKAY BYE

16:22

SO NOW WE HAVE OUR PANEL ALL IN THE FRONT UP THERE REALLY

16:28

ESTEEMED SPEAKERS WE HAVE DR WYNN CANIO WHO'S THE CHIEF OF GERIATRIC

16:34

MEDICINE AT KAISER PERMANENTE ALSO A COMMITTEE MEMBER BARBRA

16:40

MCLENDON WHO'S THE PUBLIC POLICY DIRECTOR OF THE ALZHEIMER'S LOS ANGELES AND A COMMITTEE MEMBER JARED

16:48

GIARRUSSO-KHLOK WHO'S THE GOVERNMENT AFFAIRS DIRECTOR OF THE ALZHEIMER'S ASSOCIATION AND OUR AMAZING VICE CHAIR

16:56

DARRICK LAMB WHO SERVES AS A FAMILY REPRESENTATIVE ALSO THE VICE PRESIDENT

17:01

OF SELF-HELP FOR THE ELDERLY AND THEY HAVE ALL BEEN WORKING HARD ALONG WITH

17:07

STAFF ON LOOKING AT THE ALZHEIMER'S AND CAREGIVER PLAN RECOMMENDATIONS SO WITH

17:13

THAT WE'RE GOING TO TURN IT OVER TO THEM FOR ABOUT AN HOUR TO GO THROUGH SORT OF

17:19

WHAT THE RECOMMENDATIONS ARE AND WHAT THEY'RE THINKING ABOUT THOSE ARE AND WE'RE JUST GRATEFUL FOR THE TIME AND

17:25

ENERGY YOU SPENT IN DOING THAT AND REALLY LOOKING FORWARD TO A PRESENTATION

17:30

AND I THINK WE'RE GOING TO LET YOU I ASSUME YOU ALL KNOW WHO'S SPEAKING FIRST AND JUST LET YOU TAKE IT AWAY FROM

17:38
FROM HERE I THINK IT'S GREAT GOOD MORNING AGAIN

17:43
EVERYONE MAYBE SECOND STRIDES IN THE BATTLE AGAINST DEMENTIA AND AS MENTIONED

17:50
TODAY WE MAY BE PRESENTING CALIFORNIA'S LEADERSHIP IN IMPLEMENTING FEDERAL ALZHEIMER'S AND CAREGIVER PLAN

17:56
RECOMMENDATIONS AND ENSURING PROACTIVE APPROACH TO PREVENTION TREATMENT AND

18:01
ENHANCING CARE QUALITY AND EFFICIENCY SO WE'D LIKE TO ANSWER THE QUESTION OF

18:08
HOW CALIFORNIA CURRENT EFFORTS MATCH THE RECOMMENDATIONS OF THE RECENT FEDERAL

18:15
PLANS ON DEMENTIA AND CAREGIVERS HOW DID WE DO THIS THE FOLKS HERE THAT YOU SEE

18:22
BARBRA JARED DERRICK AND I REVIEW THE NATIONAL PLANS OF A PROJECT AT NAPA

18:27
AND RECOGNIZES THIS INCLUDED SUPPORT RAISE FAMILY CAREGIVER ACT AND EXAMINE

18:33
AREAS OF COMMON FOCUS WE THEN MATCH CALIFORNIA'S CURRENT EFFORTS IN CREATING A DEMENTIA FRIENDLY

18:40
STATE WITH A PLAN'S RECOMMENDATIONS I WANT TO HIGHLIGHT THAT WHAT WE ARE PRESENTING TODAY DOESN'T INCLUDE

18:46
EVERYTHING THAT THE STATE OF CALIFORNIA IS DOING BUT HOPEFULLY CAPTURED THE MAJORITY OF THE EFFORTS

18:52
EXCUSE ME WHEN CAN YOU SPEAK UP A LITTLE BIT FOR FOLKS YOU'VE HEARD A LOT OF THEM FROM OUR PAST

18:58
MEETINGS AND SO WE WON'T BE EXPLAINING A LOT OF THE THINGS BUT

19:03
HOPEFULLY IT WILL REMIND YOU OF THE THINGS THAT WE'VE BEEN DOING SO FINALLY WE IDENTIFIED OPPORTUNITIES FOR

19:09
CALIFORNIA TO FURTHER OUR EFFORTS SO I WILL START US OFF WITH NAPA GOALS

19:16

NUMBER ONE AND TWO SO GOAL ONE IS PREVENT AND
19:23
EFFECTIVELY TREAT ALZHEIMER'S DISEASE AND RELATED DIMENSIONS BY 2025
AND THE
19:29
STRATEGIES INCLUDE RESEARCH PRIORITIES AND MILESTONES PREVENTING AND
TREATING
19:35
ALZHEIMER'S DISEASE AND RELATED DEMENTIA IDENTIFY EARLY AND PRE-
SYMPTOMATIC
19:40
STAGES COORDINATE RESEARCH WITH INTERNATIONAL PUBLIC AND PRIVATE
ENTITIES AND
19:46
TRANSLATE FINDINGS INTO PRACTICE SO WHAT ARE WE DOING IN CALIFORNIA TO
19:52
ADDRESS THIS THE CALIFORNIA HEALTH HEALTHY BRAIN INITIATIVE AND THE
CONCEPT OF LOOP ZONES
19:58
FOR DEMENTIA PREVENTION ARE TWO REMARKABLE APPROACHES THAT
CALIFORNIA HAS ADOPTED TO THAT DEMENTIA AND PROMOTE
20:05
BRAIN HEALTH ISSUE IN THE STATE THE CALIFORNIA HEALTH HEALTHY GRADE
INITIATIVE IT'S A COMPREHENSIVE PUBLIC
20:12
HEALTH PROGRAM FOLKS IN RAISING AWARENESS THAT BRAIN HEALTH AND
PROMOTING PREVENTATIVE MEASURES TO
20:18
REDUCE THE RISK OF DEMENTIA AND RELATED COGNITIVE DISORDERS ON THE
OTHER HAND THAT THE CONCEPT OF
20:24
BLUE ZONES COMES FROM THE WORK OF A RESEARCHER DAN BUETTNER ONE OF
OUR CALIFORNIA GOVERNORS ALZHEIMER'S AND
20:31
PREVENTION AND PREPAREDNESS TASK FORCE THAT WE WORK WITH WHO
IDENTIFIED CERTAIN REGIONS AROUND
20:37
THE WORLD WHERE PEOPLE TEND TO LIVE LONGER HEALTHIER LIVES AND THESE
REGIONS
20:43
KNOWN AS BLUE ZONES HAVE COMMON LIFESTYLE AND ENVIRONMENTAL
FACTORS THAT
20:48
CONTINUE TO THE WELL-BEING OF THEIR INHABITANTS AND AS CALIFORNIA HAS
INTEGRATED THE
20:54

PRINCIPLES OF THE BLUE ZONE SINCE YOUR DEMENTIA PREVENTION STRATEGIES
RECOGNIZING THE IMPORTANCE OF ADOPTING

20:59

HEALTHY HABITS AND CREATING SUPPORTIVE ENVIRONMENTS TO PROMOTE BRAIN
HEALTH AND OVERWHELM WELL-BEING

21:06

IN JUNE 2022 THERE WERE YOU RESEARCH GRANTEES WITH EQUITY FOCUS WHERE
IT'S

21:11

8.7 MILLION DOLLARS WE HAVE A VOLUNTARY TAX CHECK-OFF 600 000 A YEAR FOR
THE

21:18

ADRD RESEARCH FUND WHICH IS DISTRIBUTED TO DEMENTIA RESEARCHERS IN
CALIFORNIA

21:24

AND THEN WE HAVE THE DEMENTIA CARE AWARE THAT WE'VE BEEN HEARING A
LOT ABOUT FROM

21:30

THE MEETINGS HERE IT PROVIDES A STATEWIDE STANDARD OF CARE DEMENTIA
SCREENING THROUGH EQUITY FOCUSED

21:36

CULTURALLY APPROPRIATE TRAINING FOR PRIMARY CARE CLINICIANS AND CAL AIM
PATH-CITED FIVE-YEAR 1.8

21:44

BILLION DOLLARS INITIATIVE INCLUDING THE CAL AIM 1115 WAIVER WHICH
SUPPORTS

21:50

HISTORICALLY UNDER RESOURCED PROVIDERS AND COMMUNITY-BASED
ORGANIZATIONS TO MOVE TOWARDS MORE

21:56

EQUITABLE COORDINATED AND ACCESSIBLE MEDICAL MEDI-CAL SYSTEM AND THIS
22:01

PROVIDES DIRECT FUNDING FOR CAPACITY AND INFRASTRUCTURE TRANSITION
EXPANSION AND

22:07

DEVELOPMENT ARE EXCITED TO SUPPORT DELIVERY OF ENHANCED CARE
MANAGEMENT AND COMMUNITY SUPPORTS AND THEN YOU CAN

22:15

SEE HERE THE CDC BOLD GRANT APPLICATION WAS SUBMITTED AND ALSO
ALZHEIMER'S

22:21

AWARENESS CAMPAIGN OUR CALIFORNIA DEPARTMENT OF PUBLIC HEALTH HAS
ALREADY BEEN HELPING US WITH SOME OF THESE

22:27

EFFORTS AND THAT CDPH ACCELERATED SOCIAL MEDIA TOOLKIT RELATED TO
ALZHEIMER'S

22:33
AWARENESS MONTH AND ALSO PLANNING A SYMPOSIUMS TO SHARE RESULTS OF
PRIOR

22:38
RESEARCH GRANTS GO AHEAD AND GO TO THE NEXT SLIDE

22:44
FOR GOAL TWO ENHANCED CARE QUALITY AND EFFICIENCY STRATEGIES INCLUDE
BUILD

22:52
WORKFORCE TO PROVIDE HIGH QUALITY CARE ENSURE TIMELY AND ACCURATE
DIAGNOSIS

22:58
EDUCATE AND SUPPORT PEOPLE WITH ADRD AND THEIR FAMILIES IDENTIFY HIGH
QUALITY

23:03
DEMENTIA CARE GUIDELINES AND MEASURES ACROSS CARE SETTINGS EXPLORE
EFFECTIVENESS OF NEW MODELS OF

23:11
CARE ENSURE SAFE AND EFFECTIVE CARE TRANSITIONS ADVANCED COORDINATED
INTEGRATED HEALTH AND LONG-TERM SERVICES

23:17
AND SUPPORT IMPROVE CAREFUL POPULATIONS DISPROPORTIONATELY AFFECTED
BY ADRD

23:24
SO WHAT ARE WE DOING IN CALIFORNIA TO ADDRESS THESE

23:30
WE HAVE THE CALGROWS TRAINING AND STIPENDS WHICH OFFERS UNLICENSED
AND

23:35
INFORMAL CAREGIVERS FREE CAREER COACHING FREE TRAINING COURSES AND
INCENTIVE PAYMENTS TO THOSE WHO QUALIFY IN-HOME

23:43
SUPPORTIVE SERVICES CAREER PATHWAYS THIS PROVIDES TRAINING
OPPORTUNITIES TO ENHANCE PROVIDER SKILLS

23:50
HEALTH CONNECT THEY CREATE SPAN AND SUSTAIN DEMENTIA

23:56
CAPABLE HOME AND COMMUNITY-BASED SERVICES SYSTEM THAT INCLUDES OUR
NEURAL

24:02
ENDORSE SYSTEM FOR PEOPLE LIVING WITH DEMENTIA AND THEIR CAREGIVERS
ALZHEIMER'S DISEASE CENTERS ALZHEIMER'S

24:08
REGISTRY STATEWIDE STANDARDS OF DEMENTIA CARE AND CDPH FUND
STATEWIDE STANDARD C

24:14

DIMENSION HERE PUBLIC HEALTH RISK REDUCTIONS

24:20

POST-DIAGNOSIS RESOURCES FOR PROVIDERS AND RISK CALCULATORS AND THEN THE NO WRONGDOOR THE MPA INITIATIVE 71.

24:30

IT'S A LOT SO I THINK THIS IS MY LAST SLIDE NURSING HOME INNOVATION WHICH IS MASTER PLAN FOR

24:37

AGING INITIATIVE 63 LTSS FINDING FINANCING INITIATIVE MPA 18 AND COMMUNITY HEALTH WORKER

24:46

PROMOTORES AND AS YOU CAN SEE THERE ARE OTHER PROGRAMS THAT I ALREADY

24:51

MENTIONED SO I WON'T REPEAT AND THE REST OF THE FOLKS ARE GOING TO BE DOING THE SAME THING I'LL PASS IT ON TO I

24:58

THINK IT'S BARBRA YEAH I THINK IT'S ME I ALSO JUST WANT TO NOTE THAT BOTH OF

25:05

THESE FEDERAL REPORTS THE NAPA AND THE RAISE RECOMMENDATIONS ARE

25:10

VOLUMINOUS SO WE SPEND A LOT OF OUR TIME TRYING TO FIGURE OUT HOW TO CONDENSE THINGS AND NOT BRING 100 SLIDES TO THIS

25:17

MEETING BUT I ALMOST DID IT TRY TO PICK YOUR FAVORITE CHILDREN

25:24

AND SO I JUST WANT TO MAKE THAT POINT BECAUSE WE REALLY ARE PRESENTING YOU

25:30

CONDENSED INFORMATION AND BOTH OF THESE REPORTS GET VERY DETAILED ABOUT SOME

25:36

RECOMMENDATIONS AND HOW THINGS CAN BE IMPLEMENTED SO IF SOMETHING THAT WE'RE TALKING ABOUT PIQUES YOUR INTEREST I

25:42

REALLY ENCOURAGE YOU TO GO LOOK AT THESE REPORTS AND DIG IN BECAUSE THERE'S A LOT THERE FOR YOU TO TAKE A LOOK AT SO I'M

25:50

GOING TO BE TALKING I KIND OF HAVE THE CAREGIVING PIECE OF THIS AND SO I'M

25:55

GOING TO BE TALKING ABOUT RECOMMENDATIONS THAT ARE IN BOTH THE NATIONAL ALZHEIMER'S PROJECT ACT THAT

26:01

AND RAISE BECAUSE THAT'S WHAT WE WERE LOOKING FOR IS LIKE WHAT ARE THE AGAIN

26:06

WE WERE TRYING TO DECIDE HOW WE'RE GOING TO DIVIDE THIS UP YOU KNOW
WHAT COULD WE PULL OUT OF THESE TWO DIFFERENT PLANTS THAT WAS SORT

26:12

OF OVERLAPPING SO YOU'LL SEE A LOT OF SYNERGY BETWEEN THE NAPA
RECOMMENDATIONS

26:18

AND THE RAISE RECOMMENDATIONS SO IF I START SOUNDING IF ANY OF US START
SOUNDING LIKE WE'RE REPEATING OURSELVES

26:24

IT'S REALLY JUST BECAUSE THESE PLANS ARE KIND OF WALKING ON A LOT OF THE
SAME GROUND

26:31

SO WE'LL GO AHEAD AND DIVE INTO STARTING WITH THE RAISE THE
RECOMMENDATION SO

26:37

THIS FIRST SET OF GOAL TWO IS REALLY FOCUSED ON

26:42

WHAT ARE THE SYSTEMS AND STRUCTURES IN PLACE WHEN CAREGIVERS ARE
INTERACTING

26:49

WITH THE VARIOUS SYSTEMS THAT THEY INTERACT WITH AND THEY'RE PROVIDING
CARE AND HOW CAN THOSE SYSTEMS BE BUILT SO

26:56

THAT THEY BETTER ACKNOWLEDGE AND SUPPORT CAREGIVERS SO SOME OF THE
SPECIFIC

27:01

OUTCOMES OR RECOMMENDATIONS THAT THEY INCLUDED WERE AND I FEEL LIKE
FOR ALL OF

27:07

US ON THIS COMMITTEE WE'RE ALL GOING TO BE LIKE HOW LONG DID IT TAKE YOU
TO COME UP WITH THESE BECAUSE THESE ARE SO OBVIOUS RIGHT BUT
UNFORTUNATELY IN A LOT

27:14

OF SETTINGS THERE STILL ISN'T THERE AREN'T STRUCTURES THAT PLACE TO MAKE
SURE THIS IS HAPPENING SO YOU KNOW RECOGNIZING FAMILY

27:21

CAREGIVERS IS ESSENTIAL PARTNERS IN THESE CARE TEAMS REVIEWING THEIR

27:27

STRENGTHS AND NEEDS WHEN WE'RE TRYING TO FIGURE OUT WHAT DO

27:32

CAREGIVERS NEED AS FAR AS SPORTS SERVICES SO THEY CAN CONTINUE TO
PROVIDE CARE AND INCLUDING THOSE FAMILY

27:38

CAREGIVERS IN THE DEVELOPMENT OF CARE PLANS WE ALL KNOW IF YOU DON'T DO
THAT YOU'RE NOT SETTING YOURSELF UP FOR SIX

27:46

AND DOING DON'T WANT TO DO DON'T KNOW HOW TO DO IT'S PROBABLY NOT GOING TO HAPPEN

27:52

CONSIDERING THE IMPACT ON FAMILY CAREGIVERS IN THE POLICY DECISIONS THAT OUR HEALTH CARE SYSTEMS MAKE ALL TOO

27:58

OFTEN I FEEL LIKE WE'RE DOING A BETTER JOB OF THINKING ABOUT THE PERSON LIVING WITH THE PARTICULAR DISEASE AND WHAT

28:04

THEIR NEEDS ARE BUT I WE'VE GOT A WAYS TO GO STILL BEFORE WE'RE THINKING ABOUT WELL IF WE SET THIS POLICY WHAT'S GOING

28:10

TO DO TO FAMILY CAREGIVERS AND THEN SKILL BUILDING FOR PROFESSIONALS WHO WORK WITH UNPAID

28:15

CAREGIVERS WHICH IS DIFFERENT THAN THOSE WHO MIGHT BE WORKING WITH PAID CAREGIVERS

28:21

IT'S LIKE SO WHAT IS CALIFORNIA DOING TO TRY TO

28:28

ADVANCE TOWARDS BUILDING A SYSTEM THAT LOOKS LIKE WHAT WE THE OUTCOMES

28:34

THAT I JUST TALKED ABOUT ON THAT PREVIOUS SLIDE I DO THINK WE HAVE DONE A FAIRLY GOOD JOB

28:40

PARTICULARLY WITHIN THE LAST FEW YEARS OF GETTING CLOSER TO A SYSTEM THAT LOOKS LIKE WHAT THAT PREVIOUS SLIDE DESCRIBED

28:48

SO SOME OF THE WAYS THAT CALIFORNIA IS GETTING THERE IS WE HAVE HAD THE BEHAVIORAL RISK FACTOR SURVEILLANCE

28:55

SYSTEM PURPOSE DO YOU LIKE TO CALL IT DATA SO THIS IS

29:00

A MODULE THAT CALIFORNIA HAS ADOPTED FOR QUITE A WHILE NOW THAT GATHERS

29:06

INFORMATION ABOUT CAREGIVING AND THAT IS ESSENTIAL TO HAVE THAT

29:11

KIND OF DATA IF WE'RE GOING TO BUILD POLICIES RIGHT THAT ARE BASED ON REALITY LIKE WHAT'S REALLY HAPPENING OUT THERE

29:17

IN THE STATE OF CALIFORNIA IT'S JUST SO IMPORTANT THAT CALIFORNIA DOES IMPLEMENT THAT PARTICULAR COMPONENT

29:22

BECAUSE STATES CAN MAKE CHOICES ABOUT WHICH OF THE PURPOSE
COMPONENTS THEY'RE ACTUALLY GOING TO IMPLEMENT SO WE'RE
29:29
LUCKY THAT WE DO TO COLLECT THAT DATA HERE IN CALIFORNIA THE CALIFORNIA
DEPARTMENT
29:35
OF PUBLIC HEALTH AGAIN HAS A CAREGIVER TRAINING SERIES THAT'S GOING TO
COME BACK UP MULTIPLE TIMES WITH VARIOUS
29:41
SLIDES CAL AIM IS ALSO GOING TO COME UP A LOT AND I
29:48
DON'T WANT TO TAKE US DOWN THIS RABBIT HOLE NECESSARILY BUT I DO WANT
TO LEVEL SET A LITTLE BIT TO MAKE SURE THAT THOSE
29:53
OF US WHO ARE IN THIS MEETING UNDERSTAND WHAT THAT IS AND THAT'S
BASICALLY THE STATE'S REDESIGN OF OUR MEDICAID PROGRAM
30:00
WHICH WE CALL IT A CAP SO THIS IS SERVING MILLIONS OF CALIFORNIANS
30:05
FROM BIRTH TO DEATH FRANKLY AND SO THOSE PEOPLE WHO ARE BOTH
30:11
ELIGIBLE FOR THE MEDICAL PROGRAM AND ELIGIBLE FOR THE MEDICARE PROGRAM
WHICH WE CALL THE
30:16
ELIGIBLE A LOT OF THOSE FOLKS ABOUT 1.2 BILLION I BELIEVE ARE DULY ELIGIBLE
30:22
A LOT OF THOSE FOLKS ARE LIVING IN SOME KIND OF COGNITIVE IMPAIRMENT SO
WHEN WE TALK ABOUT THAT PROGRAM THERE'S A LOT OF
30:27
OPPORTUNITY TO INFLUENCE WHAT THEIR CARE ACTUALLY FEELS LIKE OUT IN THE
REAL WORLD
30:33
DEMENTIA CARE WHERE WHICH ONE ALREADY TALKED ABOUT AND THE
CALIFORNIA ALL SUMMER SPD CENTERS WHICH HAVE DEVELOPED
30:39
A LOT OF STANDARDS OF CARE AND PROVIDED TECHNICAL ASSISTANCE AND
GUIDANCE
30:44
FOR HOW SYSTEMS CAN ACTUALLY ACKNOWLEDGE SUPPORT CAREGIVERS
30:51
RIGHT SO NOW WE'RE MOVING TO GOAL THREE
30:58
FOR CAREGIVERS ALSO FROM THE RAISE REPORT AND SO THIS ONE IF YOU GO TO
THE
31:04

NEXT SLIDE THIS NEXT SET OF RECOMMENDATIONS IS REALLY FOCUSED ON WHAT ARE THE SERVICES

31:10

THAT THEY'RE GETTING SO THE FIRST SET WAS ABOUT LIKE WHAT'S HAPPENING WHEN THEY COME INTO THE SYSTEM ARE WE NOTING WHO THEY ARE WE ASSESSING WHAT THEIR

31:16

NEEDS ARE NOW THIS SET OF RECOMMENDATIONS IS WHAT ARE WE OFFERING THEM AS FAR AS SERVICES AND SO

31:24

THE OUTCOMES THAT THE RAISE REPORT IS RECOMMENDING IS WHAT WE WANT TO SEE ARE PERSON AND FAMILY CENTERED

31:30

TRAUMA-INFORMED AND CULTURALLY APPROPRIATE CAREGIVER SERVICES AND SPORTS APPROPRIATE RESPITE SERVICES

31:38

AND THAT THEY HAVE ACCESS TO EVIDENCE-BASED EDUCATION COUNSELING AND

31:43

PEER SUPPORT THE NEXT ONE I THINK IS JUST REALLY REFLECTIVE OF HOW IN MANY DIFFERENT

31:49

ROOMS VIRTUAL AND OTHERWISE I FIND MYSELF IN WE'RE ALL DOING A BETTER JOB OF THINKING HOLISTICALLY I THINK A LOT

31:55

OVER THE YEARS WE FOCUS A LOT ON THE HEALTHCARE SYSTEM SO WHAT HAPPENS WHEN YOU WALK INTO YOUR DOCTOR'S OFFICE WHICH MAKES SENSE BECAUSE THAT'S SO CENTRAL TO

32:01

THE EXPERIENCE OF PEOPLE LIVING WITH THE DISEASE AND THEIR CAREGIVERS BUT WE ALL LIVE IN THE REAL WORLD AND HAVE ALL

32:07

THESE OTHER ASPECTS OF OUR LIVES THAT IMPACT OUR EXPERIENCE OF LIVING WITH THIS DISEASE AND SO THIS NEXT ONE YOU

32:14

KNOW DO THEY HAVE ADD SAFE PLACES TO LIVE NUTRITIOUS FOOD AND ADEQUATE TRANSPORTATION SO WE HAVE TO START

32:20

THINKING OUTSIDE OF THE HEALTHCARE BUBBLE AND I THINK YOU'LL SEE WHEN WE

32:26

TALK ABOUT SOME OF WHAT CALIFORNIA IS DOING THAT'S STARTING TO HAPPEN AND THEN YOU KNOW SKILLS AND TOOLS TO PREPARE FOR

32:31

FUTURE CARE OBVIOUSLY THIS IS A PROGRESSIVE DISEASE WE'RE VERY HOPEFUL THAT DRUGS THAT HAVE

32:39

COME ON MARKET RECENTLY ARE GONNA MAYBE BE ALTERING THE TRAJECTORY OF THE DISEASE BUT THIS IS MOVING RIGHT SO

32:46

NEEDS WILL CHANGE OVER TIME AND SO WE NEED TO HELP CAREGIVERS PREPARE FOR THAT REALITY AND THEN A FEW OTHER

32:52

RECOMMENDATIONS TRAIN VETTED VOLUNTEERS READY TO ASSIST WE ALL KNOW THAT YOU CANNOT BE A

32:59

FAMILY CAREGIVER FOR SOMEONE WHO'S LIVING WITH BY YOURSELF YOU'RE NOT GOING TO MAKE IT RIGHT YOU NEED TO DO THIS AS PART OF A

33:05

LARGER COMMUNITY SO EXPANDING ACCESS TO VETTED EDUCATED TRAINED VOLUNTEERS

33:12

CAREGIVERS AND CARE RECIPIENTS NEEDS ARE CONSIDERED ARE OUR KEY CONSIDERATION AND EMERGENCY

33:17

RESPONSE ON US THERE IS A LOT OF CONVERSATION WE CAN HAVE WITHIN THIS COMMITTEE IN THAT SPACE AND SO I THINK

33:24

WE'VE TALKED IT PAST MEETINGS ABOUT POSSIBLY HAVING A PRESENTATION MAYBE FROM CAL EMSA OR

33:30

OTHERS I THINK THERE'S A BILL RIGHT NOW THAT WOULD ADD A FIRST RESPONDER TO THIS COMMITTEE SO I'M REALLY HAPPY ABOUT THAT

33:37

BECAUSE I THINK WHEN YOU LIVE IN CALIFORNIA WHERE OUR NATURAL DISASTERS LURK AROUND EVERY

33:42

CORNER THERE'S A LOT OF WORK THAT WE CAN DO TO BETTER PREPARE SO THAT OUR FAMILIES ARE NOT LEFT BEHIND

33:49

AND THEN AT AGILE FLEXIBLE WELL-TRAINED DIRECT CARE WORKFORCE OBVIOUSLY CENTRAL TO HELPING A FAMILY

33:56

CAREGIVER BE ABLE TO CONTINUE TO CARE FOR THEIR LOVED ONE IN THE SETTING OF CHOICE SO I THINK THE NEXT SLIDE WE'RE GOING TO TALK ABOUT WHAT CAL AIM IS DOING

34:04

SO SOME OF THESE THAT'S MASTER PLAN ON AGING IF YOU SEE MPA AND SO THE FIRST COUPLE HERE ARE

34:11

MASTER PLAN ON AGING RECOMMENDATIONS AND I DO WANT TO NOTE THERE ARE STATE

34:16

AGENCY STAFF WHO ARE GOING TO BE JOINING US SO THEY MAY HAVE MORE INSIGHT INTO STATUS OF SOME OF THESE THAN I DO

34:24

SO IF SOMETHING AGAIN PIQUES YOUR INTEREST MAKE A NOTE OF IT MAYBE SOME OF THE STAFF THAT ARE PART OF THIS

34:30

CALL CAN EXPAND ON SOME OF WHAT'S HAPPENING THERE BUT THE FIRST RECOMMENDATION

34:36

YOU KNOW IT'S CHALLENGING WHEN YOU'RE A FAMILY HERE AND WE'RE GOING TO GET THIS DIAGNOSIS TO EVEN FIGURE OUT WHERE THE

34:41

RESOURCES ARE SO THERE'S A LOT OF CONVERSATION I WAS MEETING YESTERDAY THAT SOMEBODY TALKED ABOUT THERE'S NOT ONE PLACE WHERE I CAN FIND X RIGHT I

34:50

THINK THAT'S A COMMON FEELING AND SO ONE OF THE MPA RECOMMENDATIONS IS ABOUT YOU KNOW HOW

34:56

CAN WE DEVELOP THIS COMPENDIUM OF RESOURCES SO THAT WE CAN HELP EDUCATE AND TRAIN

35:02

OUR DIVERSE CAREGIVERS DATA WHICH I TALKED ABOUT WHEN I MENTIONED BRFSS I'LL USE THE ACRONYM

35:08

I SAID IT ONCE YOU KNOW WE NEED TO BE ANALYZING THAT STATE DATA WHEREVER THAT'S COMING FROM

35:16

SO THAT AGAIN WE CAN DO DEVELOPING POLICIES THAT ARE BASED ON REAL PEOPLE'S EXPERIENCES HERE AND THEN NEW FUNDING

35:22

22.5 MILLION TO BOOST CAREGIVER SUPPORTS FOR OUR AREA AGENCIES ON AGING

35:29

THANKS SO EXPANDING ACCESS TO VIRTUAL CARE TELEHEALTH WHICH I JUST NEED TO

35:35

SAY I FEEL LIKE THERE'S A LITTLE BIT OF A DOUBLE-EDGED SWORD WHEN IT COMES TO PEOPLE WITH COGNITIVE IMPAIRMENT OBVIOUSLY IT'S IT CAN BE REALLY HELPFUL

35:43

BECAUSE GETTING YOUR LOAN OUT THE DOOR INTO AN APPOINTMENT CAN SOMETIMES BE JUST A BRIDGE TOO FAR IT'S ALSO THOUGH

35:49

SO IMPORTANT FOR PEOPLE LIVING WITH A COGNITIVE IMPAIRMENT TO BE IN THE ROOM WITH THAT PRACTITIONER BECAUSE THERE'S A

35:56

LOT THAT YOU'RE GETTING A LOT OF INFORMATION YOU'RE GOING TO GET THAT
MAYBE SOMEONE CAN PRESENT REALLY WELL THROUGH A VIDEO SCREEN AND
YOU'RE NOT

36:03

SEEING THE WHOLE PICTURE SO I THINK WE NEED TO BE THOUGHTFUL AS OUR
COMMITTEE WITH ADVOCACY THAT WE DO FOR OUR

36:08

POPULATION HERE THAT TELEHEALTH IS USED APPROPRIATELY FOR OUR FAMILIES

36:15

AND THEN THE CAL COMMUNITY PROGRAM SO THIS IS CAL COMPASS WHICH WE
HAVE

36:21

SOMEONE IN THE ROOM HERE WHO'S A PART OF THAT PROCESS YOU KNOW CARE
OF A BAD EXPERIENCE TO SPEND LIKE

36:27

SO WE HAD A PROGRAM HERE IN CALIFORNIA THAT PROVIDED FUNDING FOR THE
ALZHEIMER'S DAYCARE RESOURCE CENTER

36:34

PROGRAM SO THAT'S EXTRA TRAINING AND SUPPORT FOR AND PROGRAMMING FOR

36:39

PEOPLE IN THE ADULT DAYCARE SPACE WITH COGNITIVE IMPAIRMENT

36:45

AND SO THIS IS AN EFFORT TO KIND OF REVITALIZE THEY LOST THE FUNDING
MANY YEARS AGO BUT IT'S SUCH A

36:52

VALUABLE PROGRAM THAT IS EVEN MORE NEEDED NOW THAN THEN AND SO I
KNOW THEY'RE SUPPOSED TO BE PRODUCING

36:58

A REPORT ABOUT BEST PRACTICES AND HOW WE CAN HELP YOU KNOW MOVE THAT
AND EXPAND

37:04

ACCESS TO THAT FIRM AGAIN SO NEEDED AND THEN THE CALIFORNIA EXPERIENCE
CORPS

37:09

PROGRAM ALL OF THESE ARE THIS IS NEW CAL GROWS IT'S NEW THE CAREGIVER
TRAINING

37:15

PROGRAM IS STILL UNDER DEVELOPMENT BUT I BELIEVE THAT'S ONLINE
RESOURCES TO HELP FAMILY CAREGIVERS AGAIN JUST

37:22

BECAUSE YOUR LOVED ONE GETS THE DIAGNOSIS DOESN'T MEAN YOU KNOW
EVERYTHING YOU NEED A NEW CARE AND THEN

37:28

THE CAL CONNECT WHICH WYNN SPOKE ABOUT WHICH AGAIN USING OUR

37:35

COMMUNITY HEALTH WORKERS AS DEMENTIA NAVIGATORS SO IT'S A PILOT PROJECT RIGHT NOW IN THREE COUNTIES BUT I

37:42

THINK THEY THINK IT'S STILL PROMISING AS A MODEL THAT HOPEFULLY COULD THEN BE AVAILABLE STATEWIDE AT SOME POINT

37:49

SLIDE OKAY NOW WE'RE MOVING ON TO NAPA AGAIN YOU'RE GOING TO SEE I FEEL LIKE A

37:54

LOT OF REPETITION FROM WHAT I JUST SAID SO NEXT SLIDE

38:00

SO SOME OF THE STRATEGIES HERE FOR NAPA GOAL NUMBER THREE EXPANSE PORTS FOR PEOPLE LIVING WITH

38:07

ADRD AND THEIR FAMILIES AGAIN YOU SEE HERE CULTURALLY AND LINGUISTICALLY APPROPRIATE

38:14

OBVIOUSLY IMPORTANT EVERYWHERE PARTICULARLY HERE IN CALIFORNIA WHERE WE ARE SO DIVERSE HELPING CAREGIVERS

38:21

MAINTAIN THEIR OWN HEALTH AND WELL-BEING IT'S SO IMPORTANT THAT THAT'S RAISED UP HERE BECAUSE WE KNOW IF YOU'RE CARING

38:27

FOR SOMEONE WITH A COGNITIVE IMPAIRMENT THE IMPACT ON YOUR OWN HEALTH FINANCES I

38:32

MEAN IT'S REAL RIGHT SO WE NEED TO ACKNOWLEDGE THAT HAPPENS WHO OFTEN YOU KNOW FEEL THAT IT'S AN HONOR TO BE

38:39

ABLE TO PROVIDE THIS CARE HOW DO WE HELP THEM KEEP DOING THAT PLANNING FOR FUTURE CARE NEEDS MAINTAINING DIGNITY SAFETY AND THE

38:46

RIGHTS OF PEOPLE ON ALZHEIMER'S DISEASE AND RELATED DISORDERS AND AGAIN ASSESSING AND ADDRESSING LONG-TERM

38:51

SERVICES AND SUPPORTING AND THE DISEASE CHANGES THE DEEDS CHANGE THE PLANNING AND SUPPORT THAT THESE FAMILIES RECEIVE

38:57

NEEDS TO CHANGE TOO THAT'S FINE SO WHAT ARE WHAT'S CALIFORNIA DOING IN

39:05

THIS SPACE ACTUALLY A LOT WHEN IT COMES TO CAREGIVER IDENTIFICATION AND ASSESSMENT FIRST TWO ARE AGAIN MASTER

39:12

PLAN ON AGING RECOMMENDATIONS PARTNERING WITH ORGANIZATIONS TO ENSURE FAMILY CAREGIVER ASSESSMENTS ARE

39:19

TRACKING WITH EQUITY AGAINST SUCH A THE HEALTH DISPARITIES

39:25

IN THIS SPACE ACROSS OUR STATE ARE PROFOUND AND SO REALLY IMPORTANT THAT

39:31

WE MAKE SURE THAT WHEN WE ARE ASSESSING THAT WE ARE CONSIDERING IT

39:36

WITHIN THE WITHIN THIS EQUITY LENS THE STATEWIDE CAREGIVER EQUITY ROAD MAP AND STRATEGY ALSO A MASTER PLAN

39:44

AND THEN THIS BUILDING OF COMMUNITY OF PRACTICE

39:52

I FEEL LIKE THIS THIS ADVISORY COMMITTEE HAS REALLY DONE A

39:57

BETTER JOB OF IN THE LAST YEAR OR SO OF CONNECTING THOSE TWO COMMUNITIES SO THIS IS SOMETHING THAT'S HAPPENING ON A

40:03

BROADER LEVEL WITHIN THE STATE NEXT SLIDE AND THEN ALL OF THIS TRAINING AND

40:10

AWARENESS I THINK ALL OF THIS HAS ALREADY BEEN MENTIONED SO I'M NOT GOING TO READ THAT

40:16

SLIDE YOURSELF I WILL JUST GO TO THE NEXT

40:22

SLIDE SO CONTINUING HERE ON SERVICES AND

40:28

SUPPORTS SO THE DEPARTMENT OF AGING AND THE DEPARTMENT OF HEALTHCARE

40:35

SERVICES ARE BOTH PARTICIPATING IN THIS ELEMENT COMMUNITY-BASED SERVICES GAP ANALYSIS I BELIEVE A REPORT IT'S

40:42

AFFECTED IS IT NEXT YEAR FROM THAT EFFORT SO THAT'S GOING

40:49

TO BE REALLY INTERESTING WHAT ARE OUR GAPS AND NO WRONG DOOR SO THIS IS OBVIOUS

40:57

WE ENSURE THAT A FAMILY WHATEVER PART OF THE SYSTEM IT'S LIKE AN ELEPHANT RIGHT

41:02

WHATEVER PARTY THAT YOU TOUCH YOU WANT TO BE ABLE TO GET WHAT YOU NEED FROM IT SO HOW ARE WE KNITTING THAT TOGETHER

41:08

YOU KNOW HOW WE MAKE THAT A REALITY FOR MORE FAMILIES IN CALIFORNIA THE HOME AND COMMUNITY-BASED SERVICES

41:14

SPENDING PLAN SO THIS WAS FROM A COUPLE OF YEARS AGO A WHOLE BUNCH OF FEDERAL MONEY CAME DOWN TO THE STATE OF CALIFORNIA AND THIS

41:22

IS WHERE A LOT OF THE MONEY IS COMING FROM TO DO WITH A LOT OF THE TRAINING PROGRAMS THAT WE'VE ALREADY BEEN TALKING ABOUT

41:28

THE MASTER PLAN ON AGING DISABILITY AND ACTION PLANNING GRANTS THAT HAVE GONE OUT THE DOOR AND THEN AGAIN ALREADY TALKED ABOUT

41:34

CALZ CONNECT AND THE CAL COMPASS PROGRAM SO A TREMENDOUS AMOUNT OF ACTIVITY IN

41:41

THE LAST COUPLE OF YEARS IN EXPANDING AND STRENGTHENING OUR SERVICES AND

41:46

SUPPORTS THE NEXT SLIDE WE'RE DONE

41:56

OKAY SO I DON'T EVEN KNOW WHERE I'M AT OR NOT YOU'RE DOING GREAT Y'ALL ARE AHEAD OF

42:03

SCHEDULE OKAY ALL RIGHT SO AND THEN WHEN IT COMES TO WORKFORCE WHICH AGAIN SO

42:09

CENTRAL IF WE'RE GENUINELY GOING TO BE SUPPORTING PEOPLE AND FAMILIES SO THE IN-HOME SUPPORTIVE SERVICES

42:15

CAREER PATHWAYS WE ALL KNOW IF YOU ARE AN IN-HOME SUPPORTIVE SERVICES WORKER LIKE THIS IS

42:21

A TOUGH JOB YOU KNOW IT DOESN'T PAY ENOUGH AND OVER THE YEARS TRAINING HAS

42:27

BEEN THAT WILL BE NECESSARILY LIKE IT TO BE SO THIS CAREER PATHWAYS IS A

42:32

RECOGNITION THAT WE NEED MORE PEOPLE IN THIS PROGRAM PROVIDING THESE SERVICES AND IF WE'RE GONNA HAVE PEOPLE STICK

42:39

AROUND WE NEED TO TRY TO INCREASE THEIR PAY AND INCREASE THEIR TRAINING SO THAT

42:45

THEY FEEL SUPPORTED AND LIKE THEY CAN DO THIS JOB AND DO IT WELL BECAUSE IF YOU'RE NOT IF YOU'RE NOT DOING WELL YOU'RE GOING TO LEAVE AND SO THAT

42:52

CAREER PATHWAYS PROGRAM IS A REALLY IMPORTANT THERE'S REAL MONEY BEHIND IT SO THIS ISN'T ONE OF THOSE LIKE WE'RE

42:58

GONNA DO THIS BUT WE'RE GONNA DO IT WITH THIS LITTLE BUCKET OF CHANGE OVER HERE IN THE CORNER SO I THINK THAT THERE'S POTENTIAL

43:05

HOPEFULLY WE'LL SEE I MEAN IT'S AGAIN LIKE SO MUCH OF WHAT WE'RE TALKING ABOUT HERE IT'S NEWLY ROLLING OUT SO TIME

43:11

TO PROPEL BUT HOPEFULLY IT'S GOING TO KEEP MORE PEOPLE IN IHSS AS PROVIDERS

43:17

AND ATTRACT MORE PEOPLE TO THAT PROGRAM AND THEN AGAIN CAL

43:22

GROWS DIRECT CARE WORKFORCE INITIATIVE AND THEN THE HOME AND COMMUNITY-BASED SORT OF SPENDING PLAN AGAIN ALSO HAS

43:29

SIGNIFICANT MONEY IN IT TO SUPPORT OUR CAREGIVING WORKFORCE

43:39

WELL AND I WANTED TO NOTE THAT WE WERE ABLE TO ORGANIZE OURSELVES BASED ON ORDER WITHOUT ANY CONVERSATION OR

43:46

COORDINATION SO YOU KNOW KUDOS TO US AND HOW NICE IT IS ACTUALLY TO BE

43:52

PRESENTING TO A ROOM OF PEOPLE INSTEAD OF A YOU KNOW A SCREEN OF BOXES THAT ARE YOU KNOW TYPICALLY BLACKED OUT AND HAVE

43:58

NAMES ON THEM YOU HAVE NO IDEA IF ANYBODY'S LISTENING TO YOU OR YOU'RE SCREAMING INTO THE VOID I AM STILL

44:04

GETTING USED TO IN PERSON SO I'LL BE USING MY LAPTOP FOR NOTES WE

44:09

ORGANIZE THESE RAISE GOAL ONE IN THE NAPA GOAL FOUR AND SIX BECAUSE OF

44:15

THE OVERLAP ON PUBLIC AWARENESS AND PUBLIC HEALTH SO THERE'S A LOT OF OVERLAP BETWEEN THESE THREE GOALS AND

44:21

AND THAT KIND OF TOPIC IN PARTICULAR AND FOR A RAISE GOAL ONE

44:27

IT'S REALLY ABOUT INCREASING AWARENESS AND OUTREACH THAT FAMILY CAREGIVERS THAT BROADLY RECOGNIZED BROADLY AND PUBLICLY

44:33

RECOGNIZING THE ROLES THAT FAMILY CAREGIVERS PLAY AND REALLY HOW YOU KNOW THE WORK THAT THEY DO UNDERPIN REALLY

44:39

EVERY PART OF OUR SOCIETY INDUSTRY FAMILIES COMMUNITIES HOW CRUCIAL

44:45

THAT THAT WORK THAT THEY THAT THEY DO REALLY IS SO CRUCIAL TO EVERYTHING

44:50

THAT WE'RE ALL DOING IT'S ABOUT UH PREPARING INDIVIDUALS THIS GOAL IS ABOUT PREPARING INDIVIDUALS FOR COMPLEX TASKS

44:57

OF CAREGIVING SO THAT THEY'RE AWARE OF WHAT IT WILL TAKE SO MANY SO SO OFTEN PEOPLE KIND OF

45:03

FALL INTO FAMILY CAREGIVING WITHOUT ANY PREPARATION OR UNDERSTANDING OR GUIDANCE AND SO THIS IS ABOUT TRYING TO PREPARE

45:09

EVERYBODY FOR THAT EVENTUALITY YOU KNOW WE KNOW AND CALIFORNIA FOR FOR THOSE WHO ARE CAREGIVING FOR THOSE LIVING WITH

45:15

ALZHEIMER'S IT'S ABOUT 1.4 MILLION CAREGIVERS AND THEY'RE PROVIDING 1.8 BILLION HOURS OF UNPAID CARE

45:22

SO IT'S SO YOU KNOW IT'S THERE WE'RE ALL AWARE OF IT IT'S REALLY ABOUT MAKING EVERYBODY AWARE OF IT

45:29

YOU KNOW OF SOME OF THE SUB GOALS IN HERE ARE ABOUT YOU KNOW AGAIN CREATING

45:35

THAT AWARENESS HELPING FAMILY CAREGIVERS SELF-IDENTIFY THROUGH EMBEDDED TOOLS IN

45:40

HEALTH CARE SYSTEMS SOCIAL SERVICE AGENCIES SCHOOLS EMPLOYERS IT'S ABOUT

45:45

MAKING SURE OUTREACH IS A OF THESE AVAILABLE SERVICES IS MADE EASIER SO LIKE RESPITE PROGRAMS FAMILY CAREGIVERS

45:53

ARE MADE AWARE OF THEM AND IT'S EASIER FOR THEM TO ACCESS THEM I YOU KNOW I THINK WE ALL HEAR SO OFTEN ABOUT HOW

45:59

LATE PEOPLE FIND OUT ABOUT THESE SERVICES AND SUPPORTS AND A LOT OF TIME AND COST AND ENERGY THAT WENT INTO

46:05

YOU KNOW DOING THAT WORK WITHOUT ACCESSING AVAILABLE SERVICES IS SUCH A CHALLENGE AND SO YOU KNOW WE KNOW HOW

46:11

IMPORTANT IT IS FOR PEOPLE TO BE MADE AWARE OF THEM IT'S ALSO ABOUT INCORPORATING THE NEEDS

46:18

OF FAMILY CAREGIVERS INTO ALL LEVELS OF PUBLIC PLANNING YOU KNOW IN THE
IN RAISE THEY REFERENCE THE OUR STATE'S

46:24

MASTER PLAN IN THE WAY THAT IT ENGAGED FAMILY CAREGIVERS AS
STAKEHOLDERS AND WE KNOW THAT ADVISORY COMMUNITIES LIKE THIS

46:30

AND LIKE MANY OF THE OTHER ONES UNDER HEALTH AND HUMAN SERVICES DO
HAVE FAMILY CAREGIVERS AS LISTED MEMBERS SO THIS IS

46:37

YOU KNOW THIS IS SOMETHING I THINK WE'RE DOING WELL HERE IN CALIFORNIA
COMPARATIVE TO OTHER PLACES BUT HAVING THAT VOICE IS SO CRUCIAL AS WELL

46:45

AND THEN IT'S YOU KNOW I THINK WE'VE MENTIONED PARTNERSHIPS BUT
EXPANDING PARTNERSHIPS

46:52

BETWEEN PUBLIC AND PRIVATE ENTITIES TO BE ABLE TO YOU KNOW COALESCE
SERVICES AND BE ABLE TO DO MORE WITH WHAT WE HAVE

47:00

IN RAISE THEY UTILIZE INDICATORS OF SUCCESS IN A WAY THAT NAPA DOESN'T
AND

47:05

SO THE WAYS IN WHICH THIS WOULD BE YOU KNOW THIS GOAL IF IT WAS ACHIEVED
SOME OF THOSE ARE EASILY MEASURED SO YOU KNOW

47:11

CAREGIVER IDENTIFICATION AS EMBEDDED INTO THESE SYSTEMS THAT WOULD BE
AN EASY TO MEASURE INDICATOR OF SUCCESS

47:18

DESIGNATED CAREGIVER PARTICIPATION AND PLANNING PROCESSES SO HERE IN
CALIFORNIA SOME ARE LESS EASY TO

47:27

MEASURE SO ONE OF THEM WAS THAT SOCIETY RECOGNIZES APPRECIATES AND
ACKNOWLEDGES AND CELEBRATES FAMILY CAREGIVERS YOU

47:33

KNOW I THINK WE ALL WOULD LIKE TO SEE THAT HOW YOU MEASURE THAT I THINK
IS A LITTLE BIT MORE CHALLENGING

47:39

AND THEN YOU KNOW IN THIS GOAL AS I THINK IN ALL THE GOALS WITHIN RAISE
AND NAPA THERE IS A I THINK A

47:46

REALLY FINE POINT PUT ON THE INEQUITIES OF THE FAMILY CAREGIVER
EXPERIENCE AND WITHIN YOU KNOW ALZHEIMER'S

47:52

COMMUNITY PREVALENCE AS WELL SO THERE IS YOU KNOW IN THE HUNDREDS OF
SLIDES

47:57

THAT WE COULD HAVE DONE AND DONE THERE WOULD HAVE BEEN A LOT THERE IN TERMS OF RECOGNIZING THOSE INEQUITIES AND FOCUSING PROGRAMS ON THEM
NEXT SLIDE

48:06

FOREIGN THIS IS REALLY FOCUSED AS NAPA IS UNLIKE

48:12

THE GREATEST PLAN ON ALZHEIMER'S AND SO THIS IS IN SOME WAYS SOME SIMILAR THOUGH IN THAT PUBLIC AWARENESS

48:20

THAT NEED FOR ADDITIONAL PUBLIC AWARENESS THE NAPA ACKNOWLEDGES THAT
48:25

WHILE THE PEOPLE THAT THEY'VE KIND OF SURVEYED OR SURVEYS THAT THEY REVIEWED 85 OF INDIVIDUALS CAN IDENTIFY

48:31

ALZHEIMER'S AND ITS SYMPTOMS THERE STILL REMAINS SIGNIFICANT PUBLIC MISPERCEPTIONS ABOUT WHAT THAT MEANS AND

48:38

SO THAT LEADS TO DELAYED DIAGNOSIS ISOLATION STIGMATIZATION AND THAT'S WHY THIS IS SO IMPORTANT EVEN THOUGH YOU'RE

48:45

SEEING A HIGH LEVEL OF RECOGNITION THERE'S STILL SO MUCH WORK TO DO IN THIS SPACE

48:50

SO THIS GOAL HIGHLIGHTS THE NEED FOR PUBLIC EDUCATION ABOUT ALZHEIMER'S AND RELATED DEMENTIA

48:56

IT RECOGNIZES THE NEED FOR TRANSLATION OF MATERIALS FOR DIFFERENT POPULATIONS WITHIN A STATE IN THE COMMUNITY TO BE

49:03

ABLE TO ACCESS INFORMATION AND DATA AND THEN COORDINATION ACROSS GOVERNMENT LEVELS TO PROMOTE MODEL INITIATIVES THAT

49:11

WE'RE SEEING IN DIFFERENT STATES AND DIFFERENT COMMUNITIES YOU KNOW ONE THING I WOULD ALSO NOTE THAT FOR BOTH OF

49:16

THESE PLANS THEY'RE REALLY FOCUSED THEY ARE I THINK GUIDES AND ROADMAPS FOR THE WORK THAT WE DO HERE IN THE STATE BUT

49:22

THEY'RE ALSO VERY EXPLICIT RECOMMENDATIONS FOR THE FEDERAL GOVERNMENT AND SO COORDINATING EFFORTS

49:28

BETWEEN U.S AND GLOBAL GOVERNMENTS THAT'S NOT SOMETHING THAT WE WOULD DO HERE IN CALIFORNIA THERE'S A LOT THAT WE

49:33

SEE HERE THAT IS REALLY FOR THE FEDERAL GOVERNMENT BUT WE STILL LOOK AT THIS AS A GUIDE FOR WHAT WE'RE DOING HERE

49:39

IN CALIFORNIA NEXT SLIDE FOR GOAL SIX IN NAPA THIS IS ABOUT

49:44

PUBLIC HEALTH PROMOTION PARTICULARLY ABOUT REDUCING RISK FACTORS FOR ALZHEIMER'S SO IN THIS THERE IS A CALL

49:51

OUT ABOUT INCREASING RESEARCH INTO RISK FACTORS PARTICULARLY THROUGH THE NATIONAL INSTITUTES OF HEALTH AND THE

49:57

GRANTS THAT ARE FUNDING THAT WORK BUT THEN ALSO MOVING WHATEVER THOSE FINDINGS ARE INTO CLINICAL PRACTICE AND

50:04

THEN MOST CRUCIAL FOR THE ALIGNMENT OF THIS GOAL WOULD BE OTHER GOALS IN THIS SECTION IT'S ABOUT ACCELERATING THAT

50:09

PUBLIC HEALTH ACTION THAT FOCUSES AND HIGHLIGHTS AND UPLIFTS THOSE RISK FACTORS SO THAT INDIVIDUALS ARE MADE

50:15

AWARE OF WHAT HEALTHY LIVING ARE AND DEMENTIA FRIENDLY LIVING PRACTICE WOULD BE

50:20

AND THEN AND THEN AGAIN THIS YOU KNOW THERE'S A LOT IN THIS SECTION ABOUT WHERE WE SEE THOSE RISK FACTORS AND

50:27

HOW INEQUITABLE THE PREVALENCE OF RISK FACTORS ARE ACROSS HEALTH CONDITIONS AS MANY OF US KNOW NEXT SLIDE

50:35

SO AS HAS BEEN MENTIONED THE MASTER PLAN HAS DONE A FANTASTIC JOB OF UPLIFTING

50:40

THIS WORK AND IT IS EMBEDDED IN THESE INITIATIVES AS WELL AND THESE

50:46

INITIATIVES ARE EMBEDDED IN GOALS ONE TWO AND THREE SO HOUSING FOR ALL STAGES AND AGES HEALTH REIMAGINE AND INCLUSION

50:52

AND EQUITY NOT ISOLATION SO YOU KNOW AGAIN YOU KNOW AS I PREVIOUSLY MENTIONED

50:58

WE SAW REALLY GREAT FAMILY CAREGIVER ENGAGEMENT THROUGH THE STAKEHOLDER PROCESS FOR THE MASTER PLAN AND WE

51:04

CONTINUE TO SEE THAT AND THEN WE SEE A FOCUS ON CLIMATE FRIENDLY AGING

51:10

GERIATRIC CARE EXPANSION AS WELL AS DEMENTIA AND FOCUS WITHIN HEALTH REIMAGINE AND THEN AND THEN INCLUSION

51:16

AND EQUITY NOT ISOLATION GOAL 3 WHERE WE WHERE WE SEE THESE MASTER
PLAN INITIATIVES EMBEDDED NEXT SLIDE

51:26

AND THEN HERE IN CALIFORNIA I'M TRYING TO THINK IF WE'VE MENTIONED MANY
OF THESE SO WE HAVEN'T BEEN I DON'T THINK

51:31

WE HAVE EXCEPT FOR BLUE ZONE SO A HEALTHY BRAIN INITIATIVE WE'VE SEEN
GREAT SUCCESS FOR THE HEALTHY BRAIN

51:37

INITIATIVE IN THE SIX INITIAL COUNTIES THAT WERE FUNDED IN 2019 THEN WE SAW
AN EXPANSION OF THESE COUNTIES INTO 13

51:44

TOTAL COUNTIES NOW I THINK FOR THE NEW COUNTIES FUNDING IS YET TO BE
DISPERSED BUT THEY'RE

51:51

YOU KNOW THOSE COUNTIES ARE WORKING ON THAT ON THEIR PROJECTS AS WE
SPEAK AND THAT'S A YOU KNOW THE HEALTHY

51:57

BRAIN INITIATIVE IS A GREAT LOCAL FOCUSED PUBLIC AWARENESS PUBLIC HEALTH
ROAD MAP FOR DIFFERENT

52:04

COMMUNITIES TO ADDRESS THE ISSUES THAT ALZHEIMER'S IS CREATING AND THEN
YOU KNOW TWO YEARS AGO WE SAW SUCH AN

52:10

INVESTMENT FROM THE STATE IN ALZHEIMER'S PROGRAMS SO THAT'S WHERE WE
SAW 10 MILLION DOLLARS IN STATEWIDE ALZHEIMER'S

52:16

PUBLIC AWARENESS CAMPAIGN WHICH IS IN DEVELOPMENT AND THEN AS WAS
MENTIONED HERE IN SACRAMENTO WE'RE SEEING THOSE

52:22

BLUE ZONE FUNDS BE ACTUALIZED BY THE DEPARTMENT OF PUBLIC HEALTH HERE
AND ARE REALLY EXCITED

52:28

TO SEE WHAT THEIR FINDINGS ARE NEXT SLIDE SO

52:34

THIS GOAL IS FOCUSED ON AFFORDABILITY AND IT IS SOLELY IN THE RAISED PLAN

52:41

IT'S NOT EXPLICITLY MENTIONED IN NAPA NEXT SLIDE

52:46

SO YOU KNOW AS WAS MENTIONED YOU KNOW THE COST THE FINANCIAL COSTS
THAT IT

52:53

TAKES TO BE AN UNPAID CAREGIVER THE RAISE PLAN REFERENCES THE AARP DATA
POINT OF ABOUT

53:00

7 200 OF OUT-OF-POCKET COSTS A YEAR FOR UNPAID CAREGIVERS IN THE DEPARTMENT
53:06
OF PUBLIC HEALTH ALZHEIMER'S RELATED RESEARCH THEY FOUND
53:12
THAT IT'S HIGHER FOR THOSE WHO ARE CARING FOR THOSE LIVING WITH ALZHEIMER'S SO ABOUT TEN THOUSAND DOLLARS A YEAR AND
53:18
THOSE NUMBERS CHANGE DEPENDING ON THE COMMUNITY THAT YOU'RE FROM SO THERE'S AN INEQUITY IN HERE IN THE AARP
53:25
DATA IT'S 14 PERCENT OF A HOUSEHOLD INCOME OF WHITE FAMILY GOES TO THESE COSTS BUT 44 PERCENT
53:30
OF A HOUSEHOLD INCOME FOR LATINO COMMUNITIES GO TO THESE COSTS IN ABOUT 34 PERCENT OF THE HOUSEHOLD INCOME GO TO
53:38
THESE COSTS FOR AFRICAN-AMERICAN COMMUNITIES SO WE SEE THE INEQUITY IN IN TERMS OF HOW WE'RE PAYING FOR THIS
53:44
AND HOW INDIVIDUALS ARE PAYING FOR THIS WE DO SEE THAT THERE ARE A NUMBER OF PROGRAMS THAT ARE TARGETED TO FINANCIAL
53:51
ASSISTANCE FOR THE CARE FOR CAREGIVING OF CHILDREN BUT WE ARE NOT YOU KNOW WE
53:56
DO NOT SEE ANYTHING LIKE THE TEMPORARY ASSISTANT FOR NEEDY FAMILIES PROGRAM THAT IS FOCUSED ON AGING OR ON
54:03
ALZHEIMER'S AND THAT'S SOMETHING THAT YOU KNOW THERE'S BEEN A LOT OF WORK DONE HERE IN CALIFORNIA TO DEVELOP PROGRAMS
54:09
THAT ARE TARGETED AND HELP INDIVIDUALS AFFORD THAT CARE WE HAD HAD A FAMILY
54:14
CAREGIVER TAX CREDIT 20 YEARS AGO IN OUR STATE WE NO LONGER HAVE ANYTHING LIKE THAT AND THEN YOU KNOW I'LL TALK A LOT
54:21
ABOUT THE LONG-TERM SERVICES AND SUPPORTS BENEFIT THAT'S BEING DEVELOPED AND EVALUATED BY THE INSURANCE
54:26
COMMISSIONER'S LONG-TERM CARE TASK FORCE RIGHT NOW WE
54:31
AND THAT YEAH AND THAT AND THAT'S AND THAT'S THE BIG ONE IN WASHINGTON STATE THEY HAVE PASSED SOMETHING
54:38

LIKE THAT BY VOTERS BUT THAT THEY HAVE YET TO INITIATE THAT THAT PROGRAM SO NOBODY'S RECEIVING IT YET THERE HAVE
54:44
BEEN A NUMBER OF HURDLES PARTICULARLY THROUGH THE CHALLENGES WITH OPTING OUT OF THEIR STATEWIDE PROGRAM BUT IN
54:51
FULL ACTUALIZATION IN JULY OF 2026 THEY ESTIMATE THAT INDIVIDUALS WOULD BE ABLE TO RECEIVE THIRTY SIX THOUSAND DOLLARS
54:57
IN LIFELONG BENEFIT AND SO THAT'S A HUGE BENEFIT THAT WOULD BE A HUGE BENEFIT THAT WOULD BE A HUGE
55:03
BENEFIT FOR US AND WE'RE VERY OPTIMISTIC THAT SOMETHING LIKE THAT WILL HAPPEN HERE IN CALIFORNIA
55:08
AND THEN INDICATORS OF SUCCESS ON THIS GOAL ARE ABOUT YOU KNOW WHETHER OR NOT FAMILIES ARE DEPLETING THEIR SAVINGS TO
55:14
PROVIDE THAT CARE WHICH IS YOU KNOW I THINK HOPEFULLY EASY TO MEASURE
NEXT SLIDE
55:21
THE MASTER PLAN DOES CALLED CALL OUT THIS WORK SO THERE IS STILL THE
55:26
YOU KNOW THE EVALUATION AND DEVELOPMENT OF THE LTSS OPTION WHICH YOU KNOW CONTINUES AND IS AGAIN
55:32
IN THE INSURANCE COMMISSIONERS TASK FORCE AND THEN THERE IS MEASUREMENT OF
55:38
EQUITY FOCUSED MEASUREMENT FOR CAREGIVER ASSESSMENT
55:43
PARTICULARLY WITH THE FOCUS ON ECONOMIC NEED AND THEN THE EXISTING COMMUNITY-BASED SERVICES GAP ANALYSIS SO
55:50
HOW ARE INDIVIDUALS ACCESSING AND WHAT IS AVAILABLE IN THE LONG-TERM SERVICE AND SUPPORTS
55:56
NETWORK THROUGHOUT THE STATE AND THEN NEXT AND I THINK LAST SLIDE AND THERE HAS BEEN THERE HAS BEEN
56:02
SIGNIFICANT WORK IN THE LEGISLATURE AROUND PAID FAMILY LEAVE PROTECTIONS
56:07
AN EXPANSION OF STATE DISABILITY INSURANCE WE SEE THIS YEAR THERE ARE SOME BILLS
56:14

I WILL TALK ABOUT LATER AND WE HAVE TALKED ABOUT AT THE ADVISORY COMMITTEE DURING THE LEGISLATIVE UPDATES

56:19

BUT WE ARE YOU KNOW WE DO THINK THAT THE LEGISLATURE RECOGNIZES THESE CHALLENGES

56:25

BUT OBVIOUSLY THERE'S STILL SO SO MUCH WORK TO DO IN TERMS OF ACTUALLY PROVIDING FUNDS TO HELP INDIVIDUALS PAY

56:31

FOR THAT CARE YEAH AND I THINK THAT THAT'S ME

56:36

YEAH WELL THANK YOU JARED I START TALKING ABOUT GOAL FIVE

56:43

NATIONAL STRATEGY TO SUPPORT FAMILY CAREGIVERS RAISE AND NATIONAL

56:49

PLANNED ADDRESS ALZHEIMER'S DISEASES ONCE YOU THANK MICHELLE AGAIN BECAUSE SHE ACTUALLY HAS DONE A LOT OF

56:57

STAFF WORK TO SUPPORT THE FOUR OF US DURING MONTHS TWO MONTH AND A HALF

57:03

LONG YOU SEARCH AND REVIEW AND COMPILE ALL

57:09

THIS IN MY SLIDES I JUST WANT YOU TO KNOW SHE WAS VERY HELPFUL SO WE'RE SO THANKFUL TO HAVE HER

57:16

I'LL LET YOU COVER FIRST OF ALL THE RAISE ACTS PERTAINING TO GOAL 5 AND

57:21

SO JUST WANT TO POINT OUT DOWN TO ASK THE RAISE ACT INITIAL REPORTS TO CONGRESS THAT INDICATED THE EXPERIENCE OF

57:29

CAREGIVING CHINESE FAMILY CAREGIVERS FINANCIALLY EMOTIONALLY AND PHYSICALLY

57:34

DEPLETED HOWEVER DESPITE A GROWING NUMBER OF RESEARCH GOING ON THERE'S

57:42

LIMITED INFRASTRUCTURE FOR THE COLLECTION OF COMPREHENSIVE POPULATION-BASED DATA ABOUT THE

57:48

PREVALENCE OF CAREGIVING AND THE CONTEXT IN WHICH CARE IS PROVIDED FOR THE

57:54

FINANCIAL EMOTIONAL AND PRINCIPAL IMPACTS OF PROTECTIVE SO YOU WILL SEE A LOT OF

57:59

INTERCONNECTEDNESS BETWEEN RAISE AND NEVER ALREADY FROM YOU KNOW
OTHER SPEAKERS AND SO FOR THE REMAINING PARTS

58:07

OF THIS PRESENTATION BEFORE WE GO INTO OPPORTUNITIES I'M GOING TO COVER
AGAIN

58:12

SO GOAL NUMBER FIVE BASICALLY IS TO EXPAND DATA RESEARCH AND EVIDENCE-
BASED

58:19

PRACTICES TO SUPPORT OUR FAMILY CAREGIVERS AND THIS IS REALLY A
PREREQUISITE TO THE SUCCESS OF THE

58:26

STRATEGY AND SHOULD BE AMONG THE HIGHEST PRIORITY EFFORTS BY ALL
SECTORS THESE

58:32

EFFORTS WILL NEED TO BE ITERATED IN COORDINATION WITH THE ACHIEVEMENTS
OF

58:37

OTHER GOALS THESE EFFORTS CAN ENSURE THAT'S THE NATION HAS THE
KNOWLEDGE AND

58:42

DATA NECESSARY TO ADEQUATELY RECOGNIZE ASSIST AND SUPPORT FAMILY
CAREGIVERS

58:49

SO FIRST OF ALL THE OUTCOME IS THAT A NATIONAL INFRASTRUCTURE WILL EXIST
TO

58:55

SUPPORT THE COLLECTION OF POPULATION-BASED DATA USING STANDARDIZED
59:00

WORDING OF THE DEFINITION OF FAMILY CAREGIVING AND STANDARDIZED
WORDING OF

59:06

QUESTIONS THAT ADDRESS THE CORE CHARACTERISTICS OF FAMILY CAREGIVING
EXPERIENCE SO THERE ARE LISTENING SESSIONS HELD

59:13

THROUGHOUT THE NATION AND PERTAINING TO THIS OUTCOME IT WAS FOUND OUT
THAT A

59:18

SMALL DATA EMERGES TO SHOW THAT CAREGIVERS ARE PEOPLE AND GOOD
WORKERS THE EDUCATION GOES UP THE STIGMA GOES

59:25

DOWN AND WE START MAKING SOME HEADWAY SO THIS IS INDEED A VERY VERY
IMPORTANT

59:30

OUTCOMES THAT WE'RE HAVING RIGHT NOW UH THE SECOND OUTCOME IS THAT'S
A

59:36
FAMILY CAREGIVER RESEARCH FACILITATES THE DEVELOPMENT AND DELIVERY
59:42
OF PROGRAMS AND SERVICES THAT SUPPORT AND ENHANCE THE HEALTH AND
WELL-BEING OF
59:48
FAMILY AND CAREGIVER AND THE PERSON RECEIVING SUPPORT AND DURING THE
LISTENING SESSIONS YOU'LL
59:53
FIND OUT THAT ONE OF THE BEST WAYS TO INCREASE A FAMILY CAREGIVER
RESEARCH IS
59:59
TO EITHER REQUIRE OR TO INCENTIVIZE IT WELL NOTED THE LAST OUTCOME UNDER
THIS
1:00:07
GOAL ON THE RACE IS DEVELOPING PROMISING AND EVIDENCE IN PHONE
PRACTICES THAT ARE
1:00:14
PROMOTED TRANSLATED AND DISSEMINATED TO SUPPORT FAMILY CAREGIVERS IN
THE
1:00:20
DELIVERY OF HEALTH CARE AND SOCIAL SERVICES PLEASE NOTE THAT THERE ARE
FEW PROVEN
1:00:25
EVENT INTERVENTIONS AVAILABLE FOR FAMILY CAREGIVERS AT THE PRESENT TIME
SO THOSE
1:00:31
THAT HAVE BEEN DEVELOPED TEND TO FOCUS ON FAMILY CAREGIVERS OF PEOPLE
WITH DEMENTIA AND MOST OF THESE PROGRAMS HAVE
1:00:39
YET TO BE TRANSLATED FOR DELIVERY IN REAL WORLD SETTINGS AND OUR
COUNTRY WE MUST COMMIT TO
1:00:46
FUNDING AND CONDUCTING CONSISTENT RESEARCH INTO CULTURALLY
ADAPTABLE FAMILY CAREGIVER INTERVENTIONS FOR A
1:00:54
RANGE OF CIRCUMSTANCES AND TRANSLATING EXISTING RESEARCH SO DELIVERY
IN
1:00:59
CLINICAL AND SOCIAL SERVICES SYSTEMS SO AS ONE OF THE QUOTES FROM THE
LISTENING
1:01:06
SESSIONS IS THAT THIS QUESTION OF WHAT DO WE KNOW ABOUT WHAT WORKS IN
TERMS OF
1:01:11

SUPPORTING FAMILY CAREGIVERS AROUND THE TRANSITIONS AND CARE THAT WILL PRODUCE BETTER OUTCOMES

1:01:17

AND I THINK THAT'S A BIG BIG QUESTION AND UNKNOWN NEXT SLIDE PLEASE

1:01:27

SO NEXT I'M GOING TO TALK ABOUT THE NATIONAL PLAN TO ADDRESS

1:01:33

ALZHEIMER'S AND GOAL FIVE IS ON IMPROVING DATA TO TRACK PROGRESS

1:01:39

AND SO THE FIRST STRATEGY IS TO ENHANCE THE FEDERAL GOVERNMENT TO TRACK

1:01:45

PROGRESS SO THE FEDERAL GOVERNMENT ACTUALLY NEEDS TO IMPROVED DATA ON PEOPLE WITH ALZHEIMER'S DISEASE AND

1:01:50

RELATED DEMENTIA AS WELL AS THE CAREGIVERS AND THE CARE AND SUPPORTS THAT THEY USE TO ADDRESS POLICY

1:01:57

QUESTIONS AND PLAN AND EVALUATE NEW INITIATIVES THE HEALTH AND HUMAN SERVICES AND ITS PARTNERS WE IDENTIFY

1:02:04

THE POLICY QUESTIONS THAT CANNOT BE ANSWERED WITH EXISTING DATA AS WELL AS

1:02:09

QUESTIONS LIKELY TO ARISE IN THE FUTURE SO THIS IS REALLY GOOD NEWS THAT WE ARE

1:02:15

GOING TO SEE SOME ENHANCEMENT UH IN THE FEDERAL GOVERNMENT TO TRY PERFORMANCE

1:02:20

AND THEN THE SECOND STRATEGY IS TO MONITOR PROGRESS ON THE NATIONAL PLAN

1:02:25

AND THE NATIONAL PLAN IS INTENDED TO BE A ROADMAP FOR ACCOMPLISHING SIX GOALS

1:02:31

AND IT'S A DOCUMENT THAT IS DESIGNED TO BE UPDATED REGULARLY AND THE U.S DEPARTMENT OF HEALTH AND HUMAN SERVICES

1:02:37

IS COMMITTED TO TRACKING PROGRESS AND INCORPORATING FINDINGS INTO AN UPDATED NATIONAL PLAN

1:02:45

AND SO WHAT ABOUT CALIFORNIA WHAT HAVE WE DONE IN THE SPACE OF BETTER SO THIS

1:02:51

YEAR AND NEXT YEAR CALIFORNIA WE ADVANCE A 95 NEW MASTER PLAN FOR AGING

1:02:57

INITIATIVES BUILDING UPON THE WORK OF THE PLANS FIRST TWO YEARS EACH

1:03:03

INITIATIVE FEATURES A DESIGNATED AREA OF FOCUS SO OUR NUMBER ONE IS DELIVERED IT WILL

1:03:08

DELIVER RESULTS WITH AN EMPHASIS ON INCREASING THE NUMBER OF PEOPLE REACHED AND OR IMPROVING THE QUALITY OF SERVICES

1:03:15

PROVIDED FOR BOTH INCLUDING THAT THESE INITIATIVES ARE BASED ON AVAILABLE RESOURCES AND ONGOING BUDGET CHANGES

1:03:24

NUMBER TWO IS TO ANALYZE THAT IS ANALYZING DATA POLICIES FUNDING AND

1:03:29

PROGRAMS TO DRIVE SYSTEM CHANGE FURTHER NOT LEAST IS TO COMMUNICATE TO

1:03:36

COMMUNICATE INFORMATION AND RESOURCES TO THE PUBLIC WITH A RENEWED COMMENCEMENT TO EQUITY LANGUAGE ACCESS AND DISABILITY

1:03:44

ACCESS SO THESE DESTINATIONS AT ANOTHER LEVEL OF ACCOUNTABILITY TO THE EXISTING DATA

1:03:51

DASHBOARD FOR AGING THE ANNUAL REPORTS TO THE LEGISLATURE THE CHAPTER BILL LIST

1:03:57

AND THE NEW ONLINE MASTER PLAN FOR AGING INITIATIVE TRACKER AND DURING THIS

1:04:03

TWO-YEAR CYCLE THE STAGE WILL FURTHER DEFINE UP TO FIVE KEY OUTCOMES UNDER THE

1:04:08

DEVELOPMENTS OF THE CALIFORNIA AGING AND DISABILITY RESEARCH PARTNERSHIP TO MONITOR AND MEASURE POPULATION-BASED

1:04:14

OUTCOMES LONGITUDINALY SO THE NEXT PAGE HAS START TO TRACK

1:04:21

THOSE EFFORTS AND SO MAY HAVE A NEXT SLIDE

1:04:26

PLEASE NEXT OKAY SO ALL THESE ARE UNDER

1:04:34

THE MASTER PLAN FOR AGING I HAVE TO NOTE THAT 12 OUT OF 95 INITIATIVES

1:04:41

COVER THE AREA OF DATA AND SO SAY FOR EXAMPLE INITIATIVE EIGHT IS TO

1:04:47
REVIEW MOBILITY AND DEMOGRAPHIC DATA THROUGH TOOLS SUCH AS THE CAL
TRANS TRANSPORTATION EQUITY INDEX AND COVERAGE

1:04:54
FEEDBACK FROM THE IN THE AGENCY TRANSPORTATION EQUITY ADVISORY
COMMITTEE TO ENHANCE TRANSPORTATION PROJECT

1:05:00
DECISION MAKING INCLUDING A FOCUS ON THE BUSINESS NEEDS OF OLDER ADULTS
AND PEOPLE WITH DISABILITIES SO THERE ARE 12

1:05:07
OF THEM AND I'M NOT GOING TO SPEND ALL MY TIME TALKING ABOUT THEM
BECAUSE I WOULD LIKE TO SHIFT FOCUS RIGHT NOW TO

1:05:14
TALK ABOUT THE OPPORTUNITIES THAT OUR STATE CAN INCORPORATE IN THIS
YOU KNOW

1:05:19
VERY ADVENTURE AND I'M GOING TO ASK MY ESTEEMED COLLEAGUES BARBRA AND

1:05:24
JARED TO COVER THOSE SLIDES SO OVERDO IT OKAY

1:05:29
SO THE NEXT PART OF THIS OKAY YOU TARGET TREMENDOUS AMOUNT OF
INFORMATION RIGHT

1:05:36
WHAT WE HEAR THOUGH AS THIS ADVISORY COMMITTEE YOU KNOW WE ARE
TASKED WITH

1:05:42
MAKING RECOMMENDATIONS TO THE SECRETARY RIGHT AND SO THIS I HOPE IS A
CONVERSATION

1:05:49
MORE THAN JUST US TALKING AT YOU ABOUT WHAT DO WE THINK IS NEXT YOU
KNOW

1:05:56
WE'VE LAID OUT HERE ARE THESE RECOMMENDATIONS THAT HAVE COME DOWN
FROM THESE FEDERAL REPORTS WE'VE SHARED HERE'S WHAT CALIFORNIA IS DOING

1:06:04
OR IS IN THE PROCESS OF BUILDING TO ADDRESS AND MEET A LOT OF THOSE

1:06:09
RECOMMENDATIONS BUT WHAT NEXT AND SO WE TRIED TO IDENTIFY WHAT WE
SAW

1:06:16
AS SOME OF THOSE OPPORTUNITIES FOR ACTION BUT I MEAN THIS IS UP FOR
DISCUSSION SO THESE ARE NOT JUST BECAUSE

1:06:22
THEY'RE ON A SLIDE DOESN'T MEAN THAT WE'VE DECIDED IN AND THERE'S YOU
KNOW

1:06:27

THEY'RE NOT THEY CAN'T BE CHANGED OR ADDED TO OR DELETED SO MAYBE YEAH
1:06:35
NUMBER 49 OF THE SLIDE DECK
1:06:42
SO AGAIN NEXT SLIDE THANK YOU AND TO THE NEXT SLIDE OKAY
1:06:48
SO JUST FOCUSING AGAIN WITHIN THE CAL
1:06:55
AIM WHICH AS I SAID IS THE REDESIGN OF HOW THE STATE'S MEDICAL PROGRAM IS
1:07:00
ADMINISTERED HERE ARE SOME OPPORTUNITIES THAT WE SAW AGAIN BECAUSE
1:07:07
THIS PROGRAM TOUCHES MILLIONS OF CALIFORNIANS
1:07:12
THERE ARE OPPORTUNITIES TO STRENGTHEN SOME OF THE REQUIREMENTS AND
POLICIES OF
1:07:20
THE CAL AIM PROGRAM SO IF YOU'RE A HEALTH PLAN AND YOU WANT TO DELIVER
MEDICAL IN THE STATE OF CALIFORNIA YOU HAVE TO
1:07:26
AGREE TO WHATEVER THE STATE'S REQUIREMENTS ARE TO BE A PROVIDER AND SO
THE STATE COULD CONSIDER INCLUDING
1:07:35
THE REQUIREMENT THAT A HEALTH PLAN ASSESS FAMILY CAREGIVER SO RIGHT
NOW THE
1:07:41
REQUIREMENTS THERE TO IDENTIFY THEM AND DOCUMENT THEM IN THE MEDICAL
RECORD WHICH I THAT SOUNDS
1:07:47
LIKE WHAT WASN'T THAT ALWAYS HAPPENING BUT IT WASN'T AND SO IT REALLY IS
AN
1:07:52
IMPORTANT STEP FORWARD THAT CAL AIM REQUIRES THAT OF HEALTH PLANS
NOW UM
1:07:58
BUT MAYBE IT TAKES THE NEXT STEP AND AGAIN THEN REQUIRES
1:08:03
NOT JUST RECOMMENDS OR PROVIDES TOOLS SO THAT A PROGRAM CAN CHOOSE
TO DO REQUIRES THAT ASSESSMENT OF WHAT ARE THE
1:08:10
CAREGIVERS NEEDS IN ORDER TO CONTINUE TO SUPPORT THEIR FAMILY CAREGIVER
UM
1:08:15
SO THIS WHOLE IDEA OF QUALITY MEASURES IF YOU ARE A HEALTH PLAN AND I
1:08:22

DO HAVE SYMPATHY FOR THE HEALTH PLANS THAT ARE PARTNERING WITH THE STATE AS PART OF CALANG BECAUSE THEY ARE BEING

1:08:28

ASKED TO DO THINGS NOW BUT THEY WERE NEVER TO DO BEFORE IN THE PAST THEY DID NOT

1:08:35

HAVE TO PAY ANY ATTENTION TO YOUR HOUSING SITUATION THEY COULD YOU COULD BE RELEASED FROM THE HOSPITAL AND WHAT

1:08:43

HAPPENED TO YOU FROM THERE AS PART OF YOUR HOUSING WAS KIND OF NOT THEIR PROBLEM RIGHT NOW THEY'RE BEING REQUIRED

1:08:49

TO TAKE TO PAY ATTENTION TO THAT ISSUE WELL WHAT IS YOUR HOUSING AND TO PROVIDE

1:08:54

ASSISTANCE AND SUPPORT TO PUT YOU IN STABLE HOUSING I MEAN THEIR EYES WERE LIKE DINNER PLATES RIGHT AT THE

1:09:01

BEGINNING OF THAT CONVERSATION LIKE HOW WE HAVE NO EXPERTISE IN THIS AREA HOW ARE WE GOING TO DO THIS SO AGAIN I'M

1:09:06

VERY SYMPATHETIC TO EVERYTHING THAT THEY ARE BEING ASKED TO DO AND SO YOU'RE A HEALTH PLAN WHO HAS THIS EXPANDED WORLD

1:09:14

THAT YOU'RE OPERATING IN WHICH FIRES ARE YOU PUTTING OUT FIRST WELL IT MIGHT BE THE ONES YOU'RE BEING

1:09:21

MEASURED ON SO QUALITY MEASURES HAVE THE POTENTIAL TO DRIVE WHERE PLANS ARE PUTTING IN

1:09:29

THEIR EFFORT AND RESOURCES AGAIN NOT BECAUSE THEY DON'T CARE ABOUT THE OTHER AREAS BUT THIS IS WHAT THE STATUS COULD

1:09:35

BASICALLY COMING IN AND GRADING THEM ON YOU KNOW AND SO THERE IS FOR THE VERY FIRST TIME IN THE CAL AIM PROGRAM A

1:09:42

DEMENTIA SPECIFIC QUALITY METRIC IT IS THE PERCENTAGE OF PEOPLE WHO ARE BEING

1:09:48

ASSESSED THEIR WHOSE COGNITION IS BEING ASSESSED SO THAT'S FANTASTIC AND IMPORTANT

1:09:55

PROGRESS AT LEAST SENDS A BASELINE FOR US BUT THERE'S DEFINITELY ROOM FOR MORE IN THAT SPACE SO MAYBE AT SOME POINT THE

1:10:03

STATE PUTS IN A CAREGIVER RELATED QUALITY METRIC BECAUSE THAT COULD DRIVE PLANS TO PAY ATTENTION TO THOSE
1:10:11
CAREGIVER NEEDS IN WHATEVER WAY THE QUALITY METRIC IS MEASURING UM
1:10:17
SO CALIM ALSO HAS SOMETHING CALLED COMMUNITY SUPPORTS IT'S A LIST I THINK
1:10:24
IT'S 12. MAYBE IT'S MORE THAN THAT THERE ARE OPTIONAL SUPPORTS PLANS CAN
1:10:31
PICK AND CHOOSE HOW MANY OF THESE THEY WANTED TO PROVIDE THEM ALL THEY COULD WRITE A HANDFUL OF THEM
1:10:36
SO COULD WE HAVE A CONVERSATION WITH THE STATE ABOUT ADDING TO THAT LIST OF
1:10:41
WHAT ARE THE COMMUNITY SUPPORTS THAT A PLANNED COULD CHOOSE TO PROVIDE COULD ONE OF THEM BE AROUND CAREGIVER
1:10:48
EDUCATION AND SUPPORT FOR THOSE PROVIDING CARE FOR A LOVE ON THE DEMENTIA
1:10:55
AND THEN THE LAST ONE HERE ABOUT SHARING CAL AIM DATA ON ENHANCED CARE
1:11:00
MANAGEMENT AND COMMUNITY SUPPORT SO I BELIEVE THAT THERE ARE DASHBOARDS MY
1:11:06
GOODNESS THEY HAVE A LOT OF DASHBOARDS BUT IF YOU
1:11:12
BUT THEY CAN BE REALLY IMPORTANT TOOLS RIGHT SO A DASHBOARD THAT TELLS US AS CAL AIM REALLY ROLLS OUT
1:11:19
FOR THEIR ENHANCED CARE MANAGEMENT BENEFIT HOW MANY PEOPLE GET IT
1:11:25
FOR THE COMMUNITY SUPPORTS HOW MANY PEOPLE GET ACCESS TO THESE COMMUNITY
1:11:30
SUPPORTS WELL DOES IT MAKE A DIFFERENCE IN THEIR LIFE I MEAN THERE'S A LOT OF DATA
1:11:36
THAT REALLY COULD BE HELPFUL AND SO I DO FEEL LIKE DEPARTMENT OF HEALTHCARE
1:11:43
SERVICES HAS BEEN VERY TRANSPARENT WITH THIS WHOLE DEVELOPMENT PROCESS AND A

1:11:48

PRETTY OPERATIONS WITH A LOT OF US OUT THERE WITH ALL OF OUR QUESTIONS AND DEMANDS AND SO I YOU KNOW WE

1:11:57

WANT TO ENCOURAGE THEM TO CONTINUE TO GATHER AND SHARE THIS KIND OF DATA SO

1:12:02

THAT THEY CAN IDENTIFY MAYBE WHAT'S NOT WORKING AS WELL AND THOSE OF US WHO ARE OUT THERE AS

1:12:09

COMMUNITY-BASED ORGANIZATIONS AND HOW CAN WE HELP THE SLIDE

1:12:15

AND DO WE WANT TO JUST KEEP ROLLING THROUGH THESE OR DO YOU WANT TO PAUSE AND LIKE GET INPUT FROM FOLKS YOU'VE

1:12:21

BEEN LISTENING TO OH SO LONG I THINK WE SHOULD GET THROUGH THEM JUST AN INTENSIVE TIME

1:12:27

EITHER 20 MINUTES PER SO NEXT SLIDE WE'RE ON CALI AND THEN

1:12:35

GO BACK ONE BACK UP AND DEMENTIA CARE AWARE SO NOW

1:12:41

SPECIFICALLY FOCUSING ALSO SO I'VE BEEN DEMENTIA CARE AWARE PROGRAM WHERE ARE MY ADDITIONAL OPPORTUNITY

1:12:46

THIS TO EXPAND THE SUPPORTS THAT ARE AVAILABLE TO BOTH OF THESE INITIATIVES THAT TO

1:12:54

HELP HEALTH CARE SYSTEM S DEVELOPMENT TOOLS AND PUT IN PLACE THE TRAININGS ACCESS THE TRAININGS AND THE REFERRAL

1:13:01

SYSTEMS IN ALL OF OUR THRESHOLD LANGUAGES SO THAT NO MATTER WHAT COMMUNITY YOU ARE IN IN CALIFORNIA YOU

1:13:08

ARE GETTING THE BENEFIT THAT THESE TWO PROGRAMS ARE OFFERING AND CONTINUE TO

1:13:14

EXPAND DEMENTIA CARE AWARE TRAININGS THAT SUPPORT THAT ADDRESS CAREGIVER NEEDS SO THEY DO THIS

1:13:20

I THINK THAT THERE'S ALWAYS THE POTENTIAL TO PUT EVEN MORE FOCUS ON

1:13:26

TRAINING AND SUPPORT FROM CAREGIVER NEEDS SLIME

1:13:33

SO THIS IS STILL MINE RIGHT I THINK SO OKAY SO DATA AND AWARENESS WHERE ARE

1:13:42

THOSE ADDITIONAL HE'S SO ANOTHER IDEA THAT WE CAME UP WITH

1:13:49

FUNDING AN ANNUAL STATEWIDE PUBLIC AWARENESS CAMPAIGN SO THERE IS A PUBLIC AWARENESS CAMPAIGN THAT DEPARTMENT OF

1:13:55

HEALTHCARE DEPARTMENT OF PUBLIC HEALTH IS IN THE PROCESS OF BUILDING SO I BELIEVE THAT ONE AND I KNOW WE

1:14:02

HAVE LAUREN GROVES COMING LATER IS FOCUSED ON

1:14:07

KIND OF THE BASICS OF AWARENESS ABOUT THE DISEASE AND

1:14:12

ENCOURAGING EARLY DETECTION OF IT THERE'S A LOT OF OTHER PUBLIC AWARENESS CAMPAIGN WEATHER

1:14:19

FOCUSES FOR PUBLIC AWARENESS CAME PUBLIC AWARENESS CAMPAIGNS THAT THE STATE COULD

1:14:24

CONSIDER THERE WAS A PIECE OF LEGISLATION IN THIS MOST RECENT SESSION ABOUT A PUBLIC AWARENESS CAMPAIGN THAT

1:14:31

WAS FOCUSED ON CAREGIVERS THAT WAS HELD IT HAD DOLLARS ATTACHED TO IT SO HEALTH AND SUSPENSE NOT GOING TO MOVE

1:14:38

FORWARD IN THIS LEGISLATIVE SESSION I'VE ALREADY TALKED ABOUT PERFECT DATA MAKING THAT MORE AVAILABLE AND

1:14:45

USER-FRIENDLY CALIFORNIA DEPARTMENT OF PUBLIC HEALTH THEIR ALZHEIMER'S REPORT YOU KNOW

1:14:52

REGULAR UPDATES WITH MORE DETAILED COUNTY LEVEL SO I'M FROM MY ORGANIZATION

1:14:58

WE'RE IN L.A COUNTY RIGHT AND THERE ARE A LOT OF PEOPLE THAT LIVE IN LA COUNTY AND THERE HAS BEEN KIND OF

1:15:05

SPOTTY DATA COLLECTION OVER THE YEARS IN L.A COUNTY TO TELL REALLY IN A MORE GRANULAR WAY PREVALENCE

1:15:12

RATES FOR THE DISEASE AND CAREGIVER INFORMATION WE WOULD LOVE TO HAVE MORE

1:15:19

COMPREHENSIVE COUNTY LEVEL DATA ON REALLY WHAT DOES ALZHEIMER'S DISEASE AND

1:15:27

RELATED DISORDERS LOOK LIKE IN L.A COUNTY WHO HAS IT WHAT ARE THE CAREGIVING EXPERIENCES

1:15:33

SO THAT WE CAN BE ADVOCATING WITHIN OUR COUNTY YOU KNOW HOW ARE WE STRUCTURING PROGRAMS TO MATCH THE NEED

1:15:41

AND THEN STRENGTHENING DATA COLLECTION RELATED TO ISSUES OF HOMELESSNESS

1:15:47

SO I THINK WE ALL KNOW THAT ISSUE IS VERY TOP OF MIND IN MOST COMMUNITIES AND

1:15:53

WHAT WE ALSO KNOW IN LOOKING AT THE DATA IS THAT THE HOMELESS POPULATION

1:15:59

IS AGING RIGHT SO THE MAJORITY OF PEOPLE WHO ARE HOMELESS I BELIEVE NOW ARE OVER THE AGE OF 50. AND SO AND WE ALSO KNOW

1:16:07

IF YOU'RE ON THE STREETS YOU AGE FASTER RIGHT SO THE NUMBER OF PEOPLE ON THE STREET LIVING WITH A COGNITIVE

1:16:15

OR THAT SOCIAL THAT SERVICE SPACE HAS NOT HISTORICALLY FOCUSED ON OLDER ADULTS

1:16:20

SO IT'S TRYING I THINK SORT OF AS FAST AS IT CAN TO BUILD SOME EXPERTISE

1:16:26

BUT YOU KNOW THE SHELTER SYSTEM DOESN'T REFLECT THE NEEDS OF OLDER ADULTS SO YOU KNOW THERE'S A LOT THAT WE

1:16:33

COULD DO IN THAT SPACE IF WE HAD BETTER DATA TO BUILD PROGRAMS THAT ACTUALLY

1:16:39

MEET THE NEEDS OF THOSE INDIVIDUALS NEXT SLIDE

1:16:52

YOUR LAST ONE AND THEN SO THIS IS AN ISSUE I

1:16:58

BROUGHT UP BEFORE ABOUT THAT WE NEED TO THINK ABOUT OUTSIDE OF OUR BUBBLE AND SO THERE REALLY ARE

1:17:03

OPPORTUNITIES FOR STATE AGENCIES THAT MAYBE WE'VE NEVER THOUGHT ABOUT COLLABORATING WITH

1:17:10

TO BEGIN TO DO THAT SO HOUSING ISSUES TRANSPORTATION ISSUES THERE'S A LOT OF COLLABORATION THAT I

1:17:17

THINK I THINK WOULD BE VERY BENEFICIAL TO HAVE A NUTRITION

1:17:23
EXPANDING THE HEALTHY BRAIN INITIATIVE TO ALL INTERESTED COUNTIES AND IN
THAT FIELD

1:17:30
THE WAY THAT WE COULD EXPAND AND BUILD CAPACITY AT THE COUNTY LEVEL

1:17:36
THIS ONE'S WAY OUT OF MY WHEELHOUSE BUT

1:17:42
EXPLORING INTERNATIONAL RESEARCH COLLABORATIONS THAT SOUNDS EXCITING
YEAH I DO KNOW THAT THERE'S SO MUCH WE CAN

1:17:49
LEARN FROM INTERNATIONAL COMMUNITIES THERE'S A

1:17:54
COMMUNITY I THINK IT'S IN THE NETHERLANDS THAT I JUST WANT TO LIKE COPY
AND PASTE INTO EVERY COMMUNITY IN

1:18:01
AMERICA SO THERE'S NO DOUBT A LOT WE CAN LEARN FROM THOSE IN OTHER
COUNTRIES AND THEN

1:18:09
INCORPORATING THE RAISE INDICATORS OF SUCCESS UNDER THE MASTER PLAN
FOR AGING SARAH DID A GREAT JOB IN

1:18:15
HIS PART OF THE PRESENTATION AWARD SOME OF THOSE BECAUSE THAT WAS
WHAT WAS KIND OF COOL ABOUT THE RAISE

1:18:20
REPORT IS IT DID GIVE THESE INDICATORS WELL WHAT WOULD THE WORLD LOOK
LIKE IF

1:18:26
THE RECOMMENDATIONS AT LEAST BEFORE IN THIS REPORT WERE ACTUALLY
IMPLEMENTED SO THE NAMPA PLANT DID NOT INCLUDE ANYTHING

1:18:31
LIKE THAT BUT I DID THINK THAT THAT WAS REALLY INTERESTING AND
SOMETHING I

1:18:37
THINK THAT THE STATE SHOULD CONSIDER IN THE NEXT ITERATION OR UPDATE OF
THAT MASTER PLAN TO INCLUDE SOME OF THOSE

1:18:43
INDICATORS ARE SUCCESSFUL WITH THE WHAT WOULD CALIFORNIA LOOK LIKE IF
WHAT THE MASTER PLAN FOR AGING IS RECOMMENDING WAS

1:18:50
ACTUALLY YEAH OH YEAH

1:18:57
ALL RIGHT I'LL GO QUICK SO OBVIOUSLY EARLY DETECTION IS SUCH A HUGE HAS
BEEN SUCH A HUGE PRIORITY AND MAINTAINS IS

1:19:03

SUCH A HUGE PRIORITY WE'VE SEEN SOME SUCCESS IN THIS IN THIS AREA WITH THE CREATION OF DEMENTIA CARE AWARE HERE BUT

1:19:10

THAT'S REALLY NARROWLY FOCUSED ON THE MEDICAL POPULATION AND IT REQUIRES PHYSICIANS TO BE

1:19:15

INTERESTED IN DOING THE TRAINING SO THERE'S STILL SO MUCH WORK TO DO BOTH IN THE PRIMARY CARE SETTING BUT

1:19:22

OUTSIDE OF THE PRIMARY CARE HEALTH CARE SETTINGS TO BE ABLE TO INCREASE EARLY DETECTION

1:19:27

YOU KNOW WE ARE IN I THINK WHAT WE CALL THE ERA OF TREATMENT WHICH WE'RE SO EXCITED ABOUT TO SEE TREATMENTS THAT ARE

1:19:34

FINALLY YOU KNOW DISEASE-ALTERING AND WE ARE CONCERNED YOU KNOW AS WE

1:19:40

SHOULD IF WE SEE THE INEQUITIES IN ALL STAGES OF THIS PARTICULARLY IN TERMS OF RECEIVING A DIAGNOSIS THAT WE'LL SEE

1:19:47

THAT IN TERMS OF ACCESSING TREATMENTS SO YOU KNOW WHAT CAN THE STATE DO AS YOU

1:19:52

KNOW THEY BECOME MORE ACCESSIBLE HOW CAN WE ENSURE THAT THEY'RE ACCESSIBLE FOR EVERYONE UH AND THEN YOU KNOW WE KNOW

1:19:58

THAT I THINK IT'S LIKE A MILLION ER VISITS A YEAR BY THOSE LIVING WITH ALZHEIMER'S

1:20:03

DEMENTIA AND SO MAKING SURE THAT THOSE EMERGENCY DEPARTMENTS ARE REALLY DEMENTIA FRIENDLY INSOFAR AS THEY CAN BE

1:20:10

THERE'S BEEN SOME GREAT WORK DONE IN TERMS OF SENIOR FRIENDLY EMERGENCY ROOMS SO YOU KNOW AND START THINKING ABOUT

1:20:15

DISCHARGE PLANNING CAREGIVER ASSESSMENT POST VISIT HOW ARE THOSE REALLY RECOGNIZING THE UNIQUE NEEDS OF THOSE

1:20:21

LIVING ALZHEIMER'S NEXT SLIDE WE HAVE THREE SO YOU KNOW CONTINUING TO INCORPORATE

1:20:28

FAMILY CAREGIVER INTO LOCAL PLANNING SOMETHING THAT WE'RE REALLY THINKING ABOUT IS EMERGENCY PLANNING I THINK AS

1:20:33

BARBRA MENTIONED A STATEWIDE EMERGENCY WORKS BEHIND EVERY CORNER THAT'S THE NATIONAL THE STATEWIDE MOTTO I THINK AT

1:20:39

THIS STAGE SO YOU KNOW HOW ARE WE MAKING SURE THAT FAMILY CAREGIVERS ARE ACCOUNTED FOR THOSE WHO THEY ARE CARING

1:20:45

FOR ARE ACCOUNTED FOR AND THE UNIQUE CHALLENGES OF THOSE LIVING WITH ALZHEIMER'S ARE ACCOUNTED FOR IT THERE'S A LOT OF WORK TO BE DONE THERE

1:20:52

MAKING SURE THAT FAMILY CAREGIVERS ARE CONNECTED TO INDIVIDUALS THROUGHOUT THE DIAGNOSIS PROCESS BECAUSE

1:20:58

OF THE ROLE THAT THEY'LL HAVE IN TERMS OF MAKING SURE THAT THEY ARE MEETING THEIR MEDICAL NEEDS MEETING THEIR CARE

1:21:04

NEEDS THAT'S THERE'S STILL WORK TO BE DONE THERE AND THEN THERE ARE TWO BILLS THAT ARE EXPANDING UPON THE

1:21:10

FAMILY CAREGIVER PROTECTIONS THAT ARE CURRENTLY ACTIVE IN THE LEGISLATURE AB518 EXPANSIVE DESIGNATION OF WHAT IT

1:21:17

MEANS TO BE A FAMILY CAREGIVER SO THAT'S SOMETHING THAT WE WOULD BE EXCITED TO SEE PASSED AND SIGNED AND THEN

1:21:23

MAKING SURE THAT THERE IS DISCRIMINATION PROTECTION FOR THOSE WHO ARE FAMILY CAREGIVERS IN EMPLOYMENT SETTINGS AND

1:21:29

THAT'S SOMETHING THAT WE'D BE EXCITED TO SEE AS WELL LAST SLIDE AND THEN YOU KNOW BOTH OF THESE I THINK

1:21:35

ARE CHALLENGING ONE SIGNIFICANTLY MORE THAN THE OTHER BUT WE SEE VOLUNTARY SAVINGS ACCOUNTS IN THE STATE OF

1:21:41

CALIFORNIA LIKE CHILD SAVERS FOR RETIREMENT FOR COLLEGE SAVINGS SO IT CAN YOU KNOW CAN SOMETHING BE ESTABLISHED

1:21:47

THAT IS LONG-TERM CARE FACING THAT IS A VOLUNTARY SAVINGS ACCOUNT THERE'LL BE A LOT OF WORK NECESSARY BUT NOT AS MUCH

1:21:53

AS ESTABLISHING THE LONG-TERM SERVICES AND SUPPORTS BENEFIT THEN POTENTIALLY IS PAYROLL TAX FUNDED YOU KNOW WE STILL

1:22:00

HAVE SO MUCH WORK TO DO LUCKILY WE'RE SEEING MOVEMENT BUT IT IS GOING TO REQUIRE A SIGNIFICANT AMOUNT OF

1:22:07

INVESTMENT TIME ENERGY ADVOCACY ENGAGEMENT AND I THINK WE ALL

1:22:13
KNOW THE NEED FOR IT SO WE WANT TO SEE SOMETHING LIKE THAT AS WELL
THAT'S IT YES

1:22:20
THAT IS AMAZING THAT WAS AN AMAZING PRESENTATION AND SO MUCH WORK
THAT YOU

1:22:27
ALL PUT INTO IT HONESTLY IT FELT A LITTLE OVERWHELMING WITH LIKE THE
AMOUNT OF

1:22:32
INFORMATION SO I THINK OUR CHALLENGE IN SOME WAYS IS TO

1:22:37
SEE IF THERE'S ANY QUESTIONS ABOUT THE PRESENTATION AND THEN TO FOCUS
MAYBE ON

1:22:43
THE RECOMMENDATIONS THAT YOU HAVE AND THINGS THAT WE WANT MAY WANT
TO ADD

1:22:49
TO THE RECOMMENDATIONS OR GET CLARIFICATION ON AND SO FORTH SO IT
LOOKS LIKE DR MOBLEY HAS HIS HAND UP SO LET'S GO

1:22:56
THERE FIRST AND MICHELLE I'LL RELY ON YOU TO IDENTIFY PEOPLE IN THE ROOM
THAT WANT TO SPEAK BECAUSE WE DON'T SEE THEM

1:23:04
THANKS TO THIS GROUP FOR DOING SUCH A TERRIFIC JOB AND I AGREE WITH THE

1:23:09
WORD OVERWHELMING IS PROBABLY A PRETTY GOOD WORD TO DEAL WITH IT AND I

1:23:14
GET IT THAT THE PROBLEM IS SO BIG AND SO PERVASIVE THAT THERE NEEDS TO BE
ACTION ON MANY DIFFERENT FRONTS I HAD A COUPLE

1:23:21
OF QUESTIONS THE FIRST QUESTION IS THE ACTIVITIES ARE PROPERLY FOCUSED

1:23:28
ON PEOPLE WITH AD IN THEIR FAMILY AND THEIR CAREGIVERS BUT I AM
CONCERNED ABOUT PUBLIC

1:23:34
AWARENESS OF A.D AND HOW MANY PEOPLE IN THE PUBLIC REALLY UNDERSTAND
THE

1:23:40
THREATS TO ALL OF US NOT JUST THE FAMILIES THAT ARE IMPACTED BUT MORE
GENERALLY SOCIETY

1:23:47
WHAT ARE THOSE PUBLIC JUST IF YOU COULD SAY AGAIN HOW MUCH ENERGY IS
BEING

1:23:52

PUT INTO PUBLIC AWARENESS OF AD AMONG THOSE WHO JUST GENERALLY NEED TO KNOW

1:23:58

ABOUT IT TO UNDERSTAND THE THREAT

1:24:05

YEAH I'LL JUST SAY I THINK THAT WE HAVE SEEN SOME REALLY POSITIVE MOVEMENT

1:24:12

ON THAT THE HEALTHY BRAIN INITIATIVE IS ONE GOOD EXAMPLE THAT IS MORE COUNTY FOCUSED AND AN EXPANSION OF THAT WHICH

1:24:18

IS REALLY GREAT AND THEN AS WE MENTIONED 10 MILLION DOLLARS INVESTED BY THE STATE TO CREATE A WHAT IS

1:24:25

CHARACTERIZED AS A STATEWIDE PUBLIC AWARENESS CAMPAIGN WE KNOW THAT THERE NEEDS TO BE MUCH MORE FUNDING AND ONGOING FUNDING TO ACTUALLY SUPPORT

1:24:31

SOMETHING LIKE THAT AND I WOULD LOOK TO THE DEPARTMENT OF PUBLIC HEALTH TO PROVIDE UPDATES ON

1:24:37

WHERE THEY'RE AT IN THAT PLANNING PROCESS AND WHAT IT WILL LOOK LIKE BUT YOU KNOW IT'S A GREAT FIRST STEP

1:24:43

WE'RE SEEING A LOT OF REALLY GREAT INITIAL STEPS BUT COULDN'T AGREE MORE THAT SO MUCH MORE NEEDS TO BE DONE

1:24:49

I'M SORRY GO AHEAD PARTICULARLY EFFECTIVE WAY

1:24:57

SO YOU CAN'T REALLY HEAR THE SPEAKER AND IF YOU COULD ALSO SAY WHO YOU ARE THAT'D BE AMAZING

1:25:04

CHANGE THE CAMERA OH YEAH

1:25:10

THIS IS BARBRA SO I THINK A LOT OF PEOPLE IF WE START TALKING

1:25:15

ABOUT ALZHEIMER'S AND DEMENTIA JUST SELF-SELECT OUT SO YOU WANT TO TALK ABOUT IT RIGHT THEY

1:25:21

DON'T WANT TO TAKE IT BUT IF YOU TALK ABOUT MAINTAINING BRAIN HEALTH NOW PEOPLE ARE INTERESTED SO I DO

1:25:28

THINK IT'S THE IF OUR PUBLIC SO THIS IS WHY THE HEALTHY BRAIN INITIATIVE IS SO USEFUL I

1:25:33

THINK IN DR MOBLEY GETTING TO YOUR POINT HOW DO WE GET THIS PERVASIVE
BASIC UNDERSTANDING IN OUR
1:25:40
COMMUNITIES ABOUT ALZHEIMER'S DISEASE AND DEMENTIA AND WHAT'S GOING
TO DO TO
1:25:45
REDUCE THEIR RISK I THINK THAT'S YEAH I MEAN THAT SENSE RIGHT AND I MEAN I
THINK THE
1:25:51
EMPHASIS THEN A HEALTHY BRAIN IS REALLY POSITIVE THE REALITY IS MOST OF
THE DATA
1:25:57
AROUND HEALTHY BRAIN WILL HAVE COME FROM UNDERSTANDING THE RISK
FACTORS FOR DEMENTIA BUT YEAH SPEAKING ABOUT A
1:26:04
HEALTHY BRAIN TALKING ABOUT WHAT PEOPLE CAN DO RIGHT NOW SOMETHING
AS SIMPLE FOR EXAMPLES YOU KNOW GETTING A HEARING TEST
1:26:11
AND MAKING SURE THAT YOU CAN HEAR THOSE VERY SIMPLE THINGS IT SEEMS TO
ME MIGHT BE A REALLY APPROPRIATE
1:26:18
ADDITIONAL MESSAGE TO PROVIDE NOT ONLY IS THERE ALZHEIMER'S DISEASE OUT
THERE BUT YOU CAN ACTUALLY DO THINGS TO
1:26:25
DECREASE YOUR RISK FOR IT QUITE SIGNIFICANTLY SO LET'S GO WHAT I THINK
THERE WAS
1:26:31
CELINE HAD A COMMENT IN THE MEETING ROOM AND THEN WE'LL GO TO DR
FARIAS AFTER THAT
1:26:38
A COUPLE OF COMMENTS THANK YOU FOR REFERENCING CAL CAMPUS AND THE
WORK THAT
1:26:44
WE'RE DOING AND I'M GOING TO READ A STATEMENT ON BEHALF OF MY
COLLEAGUES THAT HAVE BEEN WORKING ON THAT BUT ALSO
1:26:49
WE'VE BEEN TALKING ABOUT THE SUSTAINABILITY AND I THINK THE IDEAS AROUND
CAL AIM BECAUSE ALZHEIMER'S
1:26:56
DISEASE IS A SPECIALTY POPULATION IN CAL AIM AND THE COMMUNITY SUPPORTS
YOU
1:27:02
KNOW DO CALL IT SPECIAL POPULATIONS I THINK RISING IT ABOVE EVEN BEYOND
QUALITY TO CALL IT OUT AS THE
1:27:08

POPULATIONS OF THE HEALTH PLANS ARE YOU KNOW TAKING NOTICE OF SO
CALLING OUT CAREGIVERS CALLING OUT PEOPLE WITH THE

1:27:15

DIAGNOSIS THAT WAS ONE THOUGHT I HAD AND THEN

1:27:21

ALSO WE WE'VE BEEN TALKING ABOUT YOU KNOW THE ALL THE INVESTMENT THAT
THE STATE IS DOING AND THE ALZHEIMER'S

1:27:27

DISEASE I MEAN THAT'S AWESOME THE RESOURCE CENTERS AND SO AGAIN AS AN

1:27:33

ALZHEIMER DAYCARE RESOURCE CENTER YOU KNOW WE'VE ALWAYS BEEN THIS
RESOURCE CENTER FOR THE COMMUNITY BEYOND JUST PROVIDING YOU KNOW THE
CARE FOR PEOPLE

1:27:40

WITH MODERATE ADVANCED BUT REALLY THAT COMMUNITY SUPPORTS AND UH
YOU KNOW ALZHEIMER'S DAYCARE RESOURCE CENTERS DO

1:27:46

CARE PLANNING THEY'RE KIND OF A ONE-STOP SHOP THEY'RE NOT THEY ARE A
ONE-STOP SHOP BECAUSE NOT ONLY ARE PEOPLE RECEIVING CARE BUT WE'RE
DOING FAMILY

1:27:52

CONSULTATIONS FOR WORKING WITH THE FAMILY CAREGIVERS THROUGH THE
TRAJECTORY OF THE ILLNESS FOR PROVIDING THE SUPPORT

1:27:58

WE'RE SUPPORTING THE RESPITE AND SO I ALSO THINK IN OUR WORK WITH ADRCS

1:28:04

THAT WE COULD ALSO HAVE AN ALZHEIMER'S SPECIALTY COMPONENT IN MAKING
SURE THAT THAT SPECIALIZATION IS WITHIN

1:28:10

THAT MODEL SO THAT AS WE LOOK AT THIS NO WRONGDOOR APPROACH THAT
WE'RE ALSO

1:28:16

LOOKING AT AND I HOPE AT SOME POINT WE'LL GET TO DO

1:28:23

A PRESENTATION ABOUT OUR WORK BUT WITH THE GROWING NEED IN THE STATE
AND INCREASED IN COMMUNITY

1:28:28

AWARENESS IT'S URGENT THAT CARE AND SERVICES BE AVAILABLE FOR
INDIVIDUALS AND FAMILIES LIVING WITH DEMENTIA THIS

1:28:34

CAN BE ACCOMPLISHED BY INCREASING THE DEMENTIA CAPABILITY IN ADULT DAY
SERVICES BOTH ADULT AND HEALTHCARE CDAS

1:28:40

AND ADULT FOOD PROGRAMS WE'VE BEEN WORKING ON WAYS TO DO THIS
THROUGH THE CAL COMPASS PROJECT THE CAL COMPASS IS

1:28:45

NOT ABOUT CREATING CARE IT'S ABOUT ENHANCING THE CAPABILITY OF OUR STATEWIDE ADULT DAY SERVICES NETWORK WE

1:28:52

WANT TO ENSURE THAT THE ALZHEIMER'S COMMITTEE UNDERSTANDS THE IMPORTANCE OF OUR WORK AND WHAT WE'VE BEEN WHAT WE'RE ACCOMPLISHING THROUGH THIS PROJECT SO

1:28:58

THAT THIS IS RECOGNIZED AND ELEVATED BECAUSE THE GRANT FUNDING WILL BE GOING AWAY BUT THESE EFFORTS NEED TO CONTINUE

1:29:06

THANK THANKS SO MUCH CELINE REALLY HELPFUL AND WE LOOK FORWARD TO A MORE IN-DEPTH

1:29:12

PRESENTATION ABOUT ADULT DAY HEALTH CENTERS OKAY DR FARIAS GO AHEAD YEAH THANK YOU

1:29:22

AND THANK YOU ALL TO THE PRESENTERS FOR A WONDERFUL PRESENTATION SO COMPREHENSIVE

1:29:28

AND I'LL ALSO REITERATE A LITTLE OVERWHELMING IN ITS COMPREHENSIVENESS BUT THAT'S OKAY

1:29:35

SO I AM ONE OF THE DIRECTORS OF OUR STATE-FUNDED ALZHEIMER'S DISEASE

1:29:42

CENTERS AND SO MY QUESTION TO THE PANEL AND I MEAN I GUESS I HAVE SOME

1:29:47

BROAD SUGGESTIONS AS ANSWERS BUT IT DOES SEEM LIKE THERE IS STILL

1:29:56

ADDITIONAL THINGS THAT THE STATE-FUNDED ALZHEIMER'S DISEASE CENTERS REALLY COULD

1:30:01

CONTRIBUTE TO A LOT OF THESE INITIATIVES AND YOU KNOW RIGHT NOW REALLY WE'RE

1:30:08

WE'RE FUNDED PRIMARILY TO SEE PATIENTS AND TO DIAGNOSE ALZHEIMER'S DISEASE

1:30:16

TO PROVIDE YOU KNOW SUPPORT TO CAREGIVERS AND EDUCATION TO THE COMMUNITY AS WELL

1:30:22

BUT REALLY THE MAIN FOCUS IS CARE AND DIAGNOSIS

1:30:28

AND SO YOU KNOW I'M WONDERING FROM THE PANEL WHAT YOUR THOUGHTS ARE IN TERMS

1:30:34

OF HOW THE CADCS CAN CONTRIBUTE

1:30:40
AND YOU KNOW OF COURSE THAT I THINK WOULD NECESSITATE ADDITIONAL
FUNDING BUT I

1:30:46
THINK THAT WE ARE POISED TO DO A LOT MORE WITH MORE FUNDING

1:30:53
THE TWO KIND OF AREAS THAT CAUGHT MY ATTENTION WHERE THE BRAIN
HEALTH INITIATIVE AND

1:30:59
AS PEOPLE HAVE TALKED ABOUT YOU KNOW I THINK THAT IN TERMS OF

1:31:05
LIKE PUBLIC AWARENESS AND INTEREST THAT REALLY IS STARTING TO REALLY

1:31:12
RISE TO THE TOP AT LEAST FROM MY WHAT I'VE BEEN SEEING AND SO YOU KNOW
NOT ONLY COULD WE

1:31:20
BE PROVIDING DIAGNOSTIC AND SUPPORTIVE CARE TO PATIENTS AND FAMILIES
BUT WE COULD BE DOING MORE IN TERMS OF

1:31:28
CLASSES AND THAT KIND OF THING EDUCATION TO PROMOTE BRAIN HEALTH AND
A LOT OF US ALREADY DO SOME OF THIS

1:31:35
BUT YOU KNOW I THINK THAT THERE'S AT LEAST YOU KNOW I CAN SPEAK FOR MY
OWN CENTER A LOT OF ROOM FOR ADDITIONAL

1:31:43
THINGS THAT WE COULD DO AND THEN THE CAREGIVER SUPPORT WHICH AGAIN WE
DO A LOT OF THAT ALREADY BUT

1:31:51
YOU KNOW I THINK THAT THE KNOWLEDGE BASE THAT WE HAVE AND EXPERIENCE
THAT WE HAVE YOU KNOW I

1:31:58
THINK THERE'S A POTENTIAL THERE TOO FOR MORE COMMUNITY EDUCATION AND
YOU KNOW

1:32:04
POTENTIALLY OTHER THINGS AND THAT'S KIND OF WHERE I BRING IT BACK TO MY
QUESTION TO THE PANEL AND TO YOU ALL ABOUT

1:32:11
IDEAS ON HOW WE COULD BETTER THE CADCS COULD BETTER ADDRESS THAT AND

1:32:18
AGAIN THAT WOULD YOU KNOW I THINK NECESSITATE ADDITIONAL FUNDING BUT I
THINK IT WOULD BE FUNDING WELL SPENT

1:32:25
BECAUSE IT WOULDN'T JUST BE A GRANT THAT'S GOING TO RUN OUT OF MONEY IT
WOULD YOU KNOW THE IDEA WOULD BE THAT IT

1:32:32
WOULD BE SUSTAINABLE FUNDING SO WE COULD SUSTAIN WHAT WE'RE DOING

1:32:38

THANK YOU DID THE PANEL HAVE ANY COMMENTS THEY

1:32:43

WANTED TO MAKE IN RESPONSE TO THAT QUESTION OR YOU WANT TO THINK ABOUT IT FOR A LITTLE BIT I THINK

1:32:49

YEAH AND THIS IS BARBRA TALKING FROM THE LEGISLATION YEAH AND IT'S YOURS YEAH

1:32:57

THANK YOU YEAH THIS IS JARED SO YOU KNOW OBVIOUSLY OUR ASSOCIATION IS VERY

1:33:03

INTERESTED IN THE ALZHEIMER'S DISEASE CENTERS WE HAVE SB 639 WHICH CONTINUES TO MOVE AND WE'LL TALK MORE

1:33:09

ABOUT OUR LEGISLATIVE UPDATE BUT YOU KNOW I THINK EVERYTHING THAT YOU MENTIONED IS YOU KNOW

1:33:15

OPPORTUNITIES AND THEN YOU KNOW BECAUSE IT WAS A DEFICIT YEAR I THINK OPPORTUNITIES FOR INCREASED INVESTMENT

1:33:21

WEREN'T REALLY ON THE TABLE THIS THIS TIME AROUND BUT I THINK WE'RE STILL VERY MUCH INTERESTED IN SEEING WHERE BUDGET

1:33:27

OPPORTUNITIES ARE FOR NEXT YEAR IN THE CEDCS TO BE ABLE TO FUND SOME OF THE INTEGRATION WORK THAT'S OUTLINED IN SB

1:33:33

639 BUT TO YOU KNOW REALLY POSITION YOU KNOW THE ALZHEIMER'S DISEASE CENTERS FOR ALL OF THE THINGS THAT WE NEED TO

1:33:40

SEE THEM BE DOING IN COMMUNITY THROUGHOUT THE STATE YES AND JARED I KNOW THAT YOU'RE WELL

1:33:45

AWARE OF ALL THIS AND HAVE BEEN VERY HELPFUL BUT I JUST WANTED TO YOU KNOW PUT IT OUT TO THE BROADER

1:33:51

COMMITTEE HERE TOO SO THANKS SO MUCH FOR THE COMMENT WAS THERE ANOTHER COMMENT AND THEN I HAVE A

1:33:57

COUPLE COMMENTS BEFORE WE MOVE TO A PUBLIC COMMENT CATHERINE THIS IS BARBRA I WAS JUST GOING TO SAY

1:34:03

I ALSO THINK WITH DRUGS POTENTIALLY MEANINGFULLY DISEASE MODIFYING DRUGS

1:34:09

COMING ONLINE AND THOSE DRUGS BEING APPROPRIATE FOR PEOPLE AT THE VERY

1:34:14
EARLIEST STAGES I'M INTERESTED TO SEE HOW THIS CHANGES PRACTICE RIGHT I
FEEL LIKE PHYSICIANS
1:34:21
ARE PERHAPS GOING TO BE MORE INTERESTED IN MAKING
1:34:27
THOSE DIAGNOSES EARLIER AND SO THE CADCS ARE SO WELL LIKE YOU HAVE
THESE GREAT
1:34:33
TOOLKITS AND ALL OF THIS INFORMATION THAT COULD HELP LIKE IF THE
PHYSICIAN
1:34:40
COMMUNITY REALLY WANTS TO DIVE INTO THIS YOU'RE RIGHT THERE WITH THE
ABILITY TO
1:34:45
HELP THEM DO THAT IN THEIR DAILY PRACTICE SO I I'M AGAIN OVER THE NEXT YOU
KNOW COUPLE
1:34:52
OF YEARS I'M INTERESTED TO SEE LIKE MAYBE INSTEAD OF HAVING TO LIKE CHASE
THEM DOWN AND SORT OF TRY TO BEG
1:34:59
THEM TO READ THE TOOLKIT AND YOU MAYBE THEY'RE GOING TO BE RUNNING TO
YOU KNOW BECAUSE THEY'RE GOING TO WANT THOSE
1:35:05
SORT OF SUPPORTS I CERTAINLY HOPE SO THANK YOU
1:35:10
FOR COMMITTEE COMMENTS AND I KNOW ANDREA I HAD SOMETHING SHE WANTED
TO MENTION TOO OKAY SO ANDREA WHY DON'T YOU GO AND
1:35:18
THEN I WILL GO AFTER YOU AND THEN WE'LL THEN WE'LL OPEN IT UP TO PUBLIC
1:35:23
COMMENT OKAY SO MY NAME IS ANDREA ROBERT OF COURSE I HAVE SEVERAL
RECOMMENDATIONS
1:35:31
COMMENTS BUT I REALLY ENJOYED THE PRESENTATION IT WAS A LOT IT HELPS
1:35:37
ME BECAUSE THIS IS INFORMATION THAT I CAN USE AND PASS ON TO MY PEERS
THAT'S GOING THROUGH ANY TYPE OF
1:35:43
COGNITIVE CHANGES ONE OF MY COMMENTS IS REGARDING THE DIRECT CARE
1:35:49
WORKFORCE INITIATIVE IS GOING REALLY WELL I MYSELF
1:35:56
GET IHHS SERVICES AND I HAVE A PROVIDER I SHARE THIS INFORMATION TO MY
1:36:02

PROVIDER AND ANYONE THAT LIVES IN MY BUILDING THEY HAVE PROVIDERS I TELL THEM ABOUT THE CLASSES THE CLASSES ARE GOING

1:36:08

SO WELL THAT IT'S HARD TO GET INTO THE CLASSES SO I DID TALK TO THE COMMITTEE IN REGARDS TO THIS THEY'RE LOOKING AT

1:36:15

MORE VENDORS TO ADD MORE CLASSES ALSO I WANT TO MAKE SURE THAT THEY

1:36:20

KEEP ON THE RECOMMENDATION IN REGARDS TO NOT ONLY PROVIDING EXTRA

1:36:26

TRAINING IN REGARDS TO MAKING THEIR JOBS BETTER LIKE CPR CLASSES HOW TO WORK

1:36:32

WITH PEOPLE WITH DEMENTIA ALSO MAKE SURE THAT THEY CONTINUE TO LOOK AT BRIDGING

1:36:38

THESE PROGRAMS THESE TRAINING PROGRAMS UNTIL LVN PROGRAMS RN PROGRAMS BECAUSE AT

1:36:44

THE END OF THE DAY THESE WORKERS ARE ONLY MAKING 16 AN HOUR AND IT'S MUCH AS THE TRAININGS ARE HELPING THEM THEY'LL

1:36:51

STAY IN A PLACE WHERE THEY'RE GOING TO HAVE TO WORK MULTIPLE JOBS SO I WANT TO MAKE SURE THAT THE RECOMMENDATION

1:36:57

ALSO INCLUDE TRAINING IN REGARDS TO COMMUNITY COLLEGE MY OTHER

1:37:04

COMMENT WAS PRESIDENT OBAMA DID A REALLY GOOD JOB IN REGARDS TO HIGHLIGHTING CAREGIVERS

1:37:12

IF YOU GUYS GET A CHANCE TO WATCH IT WILL REALLY REALLY HELP YOU TO UNDERSTAND THE LIVES OF CAREGIVERS AND

1:37:18

HOW EDUCATION IS VERY IMPORTANT OKAY THANK YOU THANKS FOR THAT WISDOM

1:37:26

ANDREA I ALWAYS FEEL LIKE YOU TAKE US RIGHT TO THE POINTS OF WHAT MATTERS AND YOU KNOW MAKE SURE THAT THE

1:37:33

IDEA OF THE IHSS PROGRAM ISN'T JUST ABOUT TRAINING BUT IT WAS REALLY ABOUT A CAREER PATH WHEN COMBINED WITH THE

1:37:40

TRAINING AND APPRECIATE THE REMINDER ABOUT THAT BOTH FOR PAID AND THEN

1:37:46

YOUR COMMENTS ABOUT CHARACTERS YEP THAT BEING SAID ONE MORE OKAY I'M SORRY

1:37:51

I THOUGHT SHE WAS DONE I'M SO SORRY AND THEN ALSO I ALSO GET MANY

1:37:58

SELF-ADVOCATE FOR MYSELF BUT A LOT OF THESE SERVICES PEOPLE DO NOT HAVE

1:38:03

ACCESS THEY DON'T KNOW HOW TO ACCESS SERVICES AND EVEN IF THEY'RE GETTING MEDICAID MEDICARE SOMETIMES THEY DON'T

1:38:09

KNOW HOW TO RECERTIFY EVERY YEAR SO SOMETIMES THEY LOSE THEIR BENEFITS

1:38:15

I ALSO HELP I DO A LOT OF WORK FOR IT'S CALLED HICAP IT'S A HEALTH INSURANCE

1:38:25

COUNSELING ADVOCATE PROGRAM AND THAT PROGRAM IS ON THE BACK OF THE MEDICARE

1:38:32

BOOK THAT COMES OUT EVERY YEAR PEOPLE CAN COME THERE AND THEY CAN CALL FOR FREE TO GET INFORMATION REGARDS TO

1:38:38

MEDICARE MEDICAID SO A LOT OF PEOPLE JUST DO NOT KNOW HOW TO ACCESS SERVICES THE PROGRAMS ARE

1:38:46

REALLY GOOD BUT PEOPLE JUST DON'T KNOW HOW TO ACCESS SERVICES THE CAREGIVERS HAVING A HARD TIME BECAUSE IT'S SO MUCH

1:38:54

INFORMATION AND IT'S HARD FOR PEOPLE TO UNDERSTAND HOW DO I GET MEDICARE HOW DO

1:38:59

I GET MEDICAID AND STAY ON THE PROGRAM AND ONE MORE ONE MORE QUICK THING LET ME

1:39:06

SEE OH WITH THIS PROGRAM CALLED HIGH CAP THEY

1:39:12

LOST THEIR FUNDING IN REGARDS TO HAVING A CONSULTANT FOR LONG-TERM CARE AND SO A

1:39:18

LOT OF TIME WE GET CALLED IN REGARDS TO PEOPLE UNDERSTANDING THEIR LONG-TERM CARE AND THEN AS PEOPLE ARE AGING THEIR

1:39:26

PREMIUMS ARE GOING UP AND THEY CAN'T AFFORD TO EVEN PAY THEIR PREMIUMS IN ORDER TO GET LONG-TERM CARE AND SO I'M

1:39:34

HOPING AT SOME POINT THEY WOULD PUT MONEY INTO OUR PROGRAM IT'S UNDER THE

1:39:40

CAPITAL OF AGING WE'RE UNDER THE CAPITAL AGING AND LIKE I SAID WE DON'T HAVE A CONSULTANT ANYMORE TO HELP

1:39:47
PEOPLE WHEN THEY CALL IN TO UNDERSTAND THEIR LONG-TERM CARE BENEFITS
SO A LOT OF TIMES WHAT I'LL DO

1:39:54
I'LL JUST REFER THEM TO THE STATE OF CALIFORNIA LONG-TERM CARE

1:39:59
PROGRAM SO YOU KNOW I'M JUST GLAD THAT I'M ABLE TO GIVE A VOICE THAT
THESE PROGRAMS ARE WORKING

1:40:06
IMPLEMENTATION IS VERY VERY IMPORTANT AND ALSO THE EXPANSION ON THE
PROGRAM SO THANK YOU FOR ALLOWING ME TO

1:40:13
BE PART OF THIS COMMITTEE THANKS SO MUCH ANDREA AND SORRY FOR NOT
KNOWING THAT YOU HAD OTHER

1:40:18
REALLY VALUABLE THINGS TO SAY SO I WANT TO JUST IDENTIFY A COUPLE OF
THINGS THAT I WOULD LIKE US TO THINK ABOUT

1:40:26
IN THE RECOMMENDATIONS I ABSOLUTELY SUPPORT ALL OF THE ACTIVITIES
AROUND AWARENESS AND EDUCATION I SOMETIMES

1:40:34
THINK A PIECE THAT'S MISSING IS ADDRESSING THE ISSUES OF STIGMA I THINK

1:40:39
PART OF THE REASON PEOPLE DON'T WANT TO BE DIAGNOSED IS BECAUSE OF THE
STIGMA ATTACHED TO ALZHEIMER'S AND OTHER

1:40:46
DEMENTIAS AND IT'S IN SOME WAYS SIMILAR TO ME OF THE SORT OF
BREAKTHROUGH WE'VE HAD IN THE MENTAL HEALTH SPACE NOBODY

1:40:53
WANTED TO SORRY NOW I'M HEARING BACKGROUND NOISE

1:40:58
WE'RE NOT HEARING THAT HERE CATHERINE SORRY WELL OKAY WELL I DON'T
KNOW WHAT

1:41:03
TO DO SO I GUESS IN THE MENTAL HEALTH SPACE IT MEANT REALLY CHALLENGING
WHAT

1:41:11
MENTAL HEALTH STIGMA WAS ABOUT AND YOU SEE SORT OF GREAT STRIDES I
THINK AND PEOPLE IDENTIFYING THAT THEY HAVE A

1:41:18
MENTAL HEALTH DISABILITY CHALLENGING SORT OF THE ASSUMPTIONS THAT ARE
MADE ABOUT IT AND MAYBE A PIECE OF THIS

1:41:24
AWARENESS IS SHOWING PEOPLE LIVING WITH ALZHEIMER'S PARTICULARLY AT
THE EARLY STAGES SORT OF LIVING THEIR LIVES AND

1:41:31

DOING THE THINGS THAT ALL OF US ENJOY DOING BUT I THINK THAT IS REALLY
1:41:36
AS IMPORTANT AS SORT OF TALKING ABOUT HOW DO YOU PREVENT IT THROUGH
HEALTHY BRAIN INITIATIVES AND SO FORTH
1:41:42
BECAUSE IT'LL ENCOURAGE PEOPLE NOT TO THINK OF IT AS SOMETHING THAT
THEY JUST WANT TO AVOID AND NOT TALK ABOUT BECAUSE
1:41:48
OF THE WAY THAT OTHERS WILL VIEW THEM I'M ALSO INTERESTED IN
1:41:54
THERE'S THE NEW CMS GUIDE THAT CAME OUT AND THERE'S GOING TO BE STATE
GRANT FUNDING AVAILABLE THAT'S REALLY GOING TO
1:42:01
FOCUS ON SORT OF DIFFERENT WAYS OF PROVIDING SERVICES STARTING WITH
WHAT'S
1:42:07
CALLED A PERSON-CENTERED PLAN AND I THINK WE'VE TALKED ABOUT PLANNING
BUT I THINK USING PERSON-CENTERED PLANNING
1:42:14
TOOLS THAT ARE USED IN SOME OTHER SYSTEMS AND REALLY A REQUIREMENT
NOW OF
1:42:20
EVENT OF THE HOME AND COMMUNITY-BASED SERVICES ACT AT THE FEDERAL
LEVEL I THINK WHICH
1:42:26
ALLOWS THE OPPORTUNITY TO DO PLANNING IN ADVANCE ON A YOU KNOW AN
ANNUAL OR EVERY SO NUMBER OF YEARS BASIS WITH
1:42:33
INDIVIDUALS WITH ALZHEIMER'S AS WELL AS THEIR CAREGIVER WOULD BE REALLY
1:42:38
IMPORTANT FOR CALIFORNIA TO ADOPT AS A STRATEGY
1:42:43
AND THEN FINALLY WELL I GUESS TWO THINGS ON HOMELESSNESS WAS REALLY
IMPORTANT I LIKE THE IDEAS
1:42:50
ABOUT GETTING DATA I'D BE INTERESTED IN SORT OF THINKING ABOUT PILOT
PROGRAMS
1:42:56
THAT COULD BE USED TO BEGIN TO SIMULTANEOUSLY COLLECTING DATA IDENTIFY
1:43:02
OTHER METHODS OF PROVIDING SERVICES TO PEOPLE WITH DEMENTIA THAT HAVE
A DIAGNOSIS OF
1:43:10
ALZHEIMER'S AND WHAT KIND OF TREATMENT OPTIONS ETC AND HOW DO WE
PROVIDE THOSE SERVICES TO PEOPLE WHO CURRENTLY ARE
1:43:17

LIVING ON THE STREET AND THEN THE LAST IS I WAS JUST I THOUGHT THIS THE
RAISE AND THE NATIONAL INDICATORS WERE SO

1:43:25

HELPFUL AND I THINK CONNECTING A LOT OF A LOT OF THE APPROACHES THAT WE
USE BACK

1:43:31

TO THOSE IN TERMS OF OUTCOME MEASURES WOULD BE HELPFUL I WAS I WAS
STRUCK WITH ONE WE WERE TALKING ABOUT A RAISE GOAL

1:43:38

AND SORT OF THE LONG-TERM CARE SERVICES AND SORT OF THE VALUE OF
CONNECTING THE

1:43:43

WORK THAT'S GOING TO BE THE LATER PRESENTATION ABOUT ACCESS TO FACILITY
POLICY FOR CAREGIVERS AND VISITORS IN A

1:43:53

STATE OF EMERGENCY OR ANOTHER KIND OF EMERGENCY TO SOME OF THOSE
GOALS AND SORT OF JUST THINKING ALWAYS ABOUT HOW

1:43:59

DOES THE WORK WE'RE DOING OR THE STATE IS DOING CONNECT TO THESE
NATIONAL OUTCOMES I THINK IS A VERY

1:44:06

POWERFUL TOOL TO CREATE SOME SYNERGY AND SOME CONNECTEDNESS

1:44:12

AMONG THE WORK THAT LOTS OF DIFFERENT STATE AGENCIES ARE DOING SO
THOSE ARE MY

1:44:17

COMMENTS AND SUGGESTIONS FOR ADDITIONS TO THE FABULOUS
RECOMMENDATIONS

1:44:24

ARE THERE ANY LAST COMMENTS FROM OTHER COMMITTEE MEMBERS

1:44:29

AND IF NOT I THINK WE SHOULD GO TO PUBLIC COMMENT

1:44:35

BEFORE WE THEN TURN TO THE ALZHEIMER'S PLAN UPDATE

1:44:41

THEIR PUBLIC COMMENTS I THINK MICHELLE SOMEONE WILL IDENTIFY PEOPLE
RIGHT

1:44:48

COMMENT ROSIE IF YOU COULD PUT UP THE PUBLIC COMMENTS SLIDE PLEASE

1:45:00

HI THERE WE ARE MOVING INTO THE PUBLIC COMMENT

1:45:06

PERIOD OF THIS MEETING SO I'M FIRST GOING THE NEXT SLIDE ROSIE

1:45:15

THERE WE GO I'M FIRST GOING TO LOOK TO MICHELLE ARE THERE ANY COMMENTS
IN THE

1:45:22

ROOM I DO NOT BELIEVE SO THANK YOU CARROLL OKAY THANK YOU SO IF YOU ARE VIRTUAL IF YOU

1:45:30

HAVE A COMMENT YOU MAY USE YOUR RAISED HAND ICON ON YOUR ZOOM FEATURES AND WE WILL

1:45:38

UNMUTE YOUR LINE OR IF YOU'RE ON THE PHONE YOU CAN DIAL STAR NINE ON THE PHONE PAD AND

1:45:46

WE CAN UNMUTE YOUR LINE AT THAT POINT AND OF COURSE YOU CAN WRITE YOUR COMMENT IN THE Q A FUNCTION OF ZOOM SO WE DO HAVE ONE COMMENT FROM WANDA

1:45:52

SMITH AND I'M GOING TO UNMUTE WANDA'S LINE OH HI THANK YOU VERY MUCH CARROLL AND TO

1:45:59

1:46:06

THE COMMITTEE I'M HERE REPRESENTING THE CALIFORNIA SENIOR LEGISLATURE AND I'D REALLY LIKE TO THANK YOU FOR THE

1:46:14

EXCELLENT AND YES OVERWHELMING SLIDE PRESENTATION AND I WONDERED IF IT

1:46:20

WOULD BE POSSIBLE FOR A COPY OF THAT TO BE MADE AVAILABLE FOR ME TO SHARE WITH OTHER MEMBERS

1:46:27

AND THEN I WEAR A SECOND HAT WITH ALZHEIMER IN THE RELATED DEMENTIAS

1:46:32

FAMILIES ARE OFTEN TELLING ME ABOUT THAT THEY'VE COINED A TERM DIAGNOSIS AND

1:46:38

ADIOS AND SO I'M REALLY APPRECIATE THE COMMITTEE LOOKING AT IMPROVING THE

1:46:44

DIAGNOSIS AND LOOKING AT SHORING UP THE MISDIAGNOSIS ESPECIALLY FOR THE

1:46:51

RELATED DEMENTIAS YOU KNOW THE EXCITING TREND IS WITH

1:46:56

TREATMENTS EVEN FOR PROGRANULIN AND SO I REALLY APPRECIATE ALL THE WORK THAT

1:47:02

YOU'RE DOING THANKS FOR HAVING ME THANKS FOR THE COMMENT WE APPRECIATE YOU JOINING US AND MAKING COMMENT

1:47:10

AND WANDA JUST SO YOU KNOW THE SLIDE DECK WILL BE MADE AVAILABLE ON THE

1:47:15
COMMITTEE PAGE WITHIN A FEW DAYS AFTER THE MEETING

1:47:21
I THINK SHE HAS A QUESTION DO YOU NEED ANY OTHER INFORMATION ABOUT
THAT WANDA NO GREAT THANK YOU

1:47:29
THANK YOU ANY OTHER COMMENTS

1:47:37
OKAY SO A BIG THANK YOU TO THE COMMITTEE MEMBERS AND MICHELLE WHO DID
AN AMAZING

1:47:44
AMOUNT OF WORK TO PULL THIS TOGETHER I THINK IF YOU EVER WANT LIKE THE
OVERVIEW OF ALL THE WORK THE STATE IS DOING

1:47:52
IN A WHOLE BUNCH OF DIFFERENT AREAS AND SEE THE CONNECTION AMONG THAT
WORK AND THE CONNECTION TO THESE NATIONAL

1:47:58
INDICATORS THIS IS THE PRESENTATION THAT THAT REALLY ALLOWS THAT TO BE
SEEN

1:48:04
CONNECTS IT TO IN MANY WAYS TO THE MASTER PLAN FOR AGING SO FABULOUS
WORK

1:48:10
REALLY GREAT PRESENTATION I'M SURE MANY OF US WILL GO BACK TO THE SLIDES
AND JUST SPEND A LITTLE MORE TIME WITH

1:48:16
IT SO THANKS TO THANKS TO ALL OF YOU AND WE'RE GONNA TURN IT OVER TO
SUSAN

1:48:22
AND HER TEAM WHO ARE GOING TO GIVE US THE ALZHEIMER'S PLAN
IMPLEMENTATION UPDATE

1:48:31
YOU'VE GOT IT AND I WOULD BE WITH YOU IN PERSON BUT I'VE GOT SOME
SYMPTOMS THAT ARE

1:48:40
NOT YET COVERED BUT COULD LEAD TO COVID SO I WISH I COULD SEE YOU ALL IN
PERSON BUT I'M

1:48:46
AVOIDING IN-PERSON MEETINGS TODAY SO FIRST OF ALL THANK YOU TO EVERYONE

1:48:52
WHO THE PANEL THAT JUST PRESENTED I LEARNED SO MUCH FROM YOU AND IT'S

1:48:57
EXCELLENT TO HAVE EVERYTHING IN ONE PLACE AND I WANT TO EXTEND A VERY
WARM WELCOME TO MY COLLEAGUE LAUREN GROVES

1:49:04
WHO'S BEEN ON THE CALL SINCE WE STARTED FIRST THING THIS MORNING

1:49:10

SO WE'LL GO AHEAD IF YOU THOUGHT YOU WERE OVERWHELMED AFTER THE PANEL WE'RE GONNA PUSH YOU OVER THE TOP NOW

1:49:18

SO WE'LL GO AHEAD AND JUST GROUND YOU AGAIN IN THE TEN BOLD GOALS OF THE

1:49:24

GOVERNOR'S ALZHEIMER'S PREVENTION AND PREPAREDNESS TASK FORCE AND THE PATH

1:49:29

FORWARD SO WE'VE GOT THE 10 BIG BOLD

1:49:35

IDEAS HERE AND LAUREN AND I ARE GOING TO TOUCH ON WHAT'S BEEN ACTIVE IN THE LAST QUARTER

1:49:41

SINCE YOU MET IN EACH OF OUR RESPECTIVE AREAS SO WE'LL GO AHEAD AND GO TO THE NEXT SLIDE

1:49:48

THE BIGGEST NEWS IS THE GOVERNOR AND THE LEGISLATURE APPROVED 50 MILLION DOLLARS

1:49:56

IN THE JULY 1 BUDGET FOR OLDER ADULTS BEHAVIORAL HEALTH AND THERE'S A VERY

1:50:01

STRONG NEXUS WITH THIS INITIATIVE AND THE POPULATION LIVING WITH ALZHEIMER'S AND

1:50:08

DEMENTIA AS WELL AS FAMILY CAREGIVERS IN A SERIES OF ROUND TABLES WE DID THROUGHOUT THE STATE ALZHEIMER'S CAME UP

1:50:15

IN EVERY SETTING SO WE'RE VERY EXCITED CDA WILL BE LEADING THIS EFFORT AND IT'S A

1:50:21

THREE-PRONGED APPROACH THE BULK OF THE FUNDING WILL GO TO COMMUNITY-BASED PARTNERS FOR CAPACITY

1:50:29

BUILDING GRANTS THAT'S ABOUT 30 MILLION OF THE 50 MILLION DOLLARS 15 MILLION

1:50:35

WILL GO TOWARDS US AN ETHNIC MEDIA STIGMA REDUCTION CAMPAIGN

1:50:41

AND EXTENSION OF A WARM FRIENDSHIP LINE THIS MAY GO TO THE FRIENDSHIP LINE IT

1:50:49

WILL HAVE TO GO OUT FOR BID BUT WE'VE HAD A REALLY GREAT RELATIONSHIP WITH THE INSTITUTE ON AGING AND THEIR FRIENDSHIP

1:50:56
LINE OVER THE LAST SEVERAL YEARS AND SO THOSE ARE THE THREE
1:51:02
COMPONENTS THE COMMUNITY CAPACITY BUILDING GRANTS THE STIGMA
REDUCTION CAMPAIGN AND THE WARM SUPPORT LINE SO IF
1:51:10
ANY OF YOU HAVE THOUGHTS ON THIS ABOUT WHERE WE SHOULD START WHERE
WE SHOULD FOCUS OUR RESOURCES PRIORITY ACTIONS
1:51:18
FOR YOU KNOW AS WE GET STARTED WE'RE JUST IN THE BEGINNING STAGES OF
PLANNING SO
1:51:23
WE WELCOME ANY INPUT FROM THIS COMMITTEE THE NEXT ITEM IS THE
CALIFORNIA 2030
1:51:29
INITIATIVE CDA EMBARKED ON THIS LAST FALL AND IT WILL WRAP THIS FALL SO
IT'S
1:51:35
A YEAR-LONG INITIATIVE THAT'S TAKING THE MOST COMPREHENSIVE
EXAMINATION OF OUR 33
1:51:42
AREA AGENCIES ON AGING IN THE HISTORY OF OUR STATE WE'VE CONDUCTED OVER
80
1:51:48
STAKEHOLDER INTERVIEWS WE'VE MET WITH EVERY SINGLE AAA IN THE STATE
WE'VE
1:51:55
DEVELOPED DATA QUANTITATIVE AND QUALITATIVE DATA WE HAVE
1:52:01
CREATED AAA PROFILES AND WE'RE NOW EMBARKING ON THE BEST AND
PROMISING
1:52:07
PRACTICES FROM OTHER STATES PIECE OF THE WORK WE HAVE WE'RE
PARTNERING WITH COLLABORATIVE
1:52:14
CONSULTING THEY'RE JUST AN OUTSTANDING PARTNER IN THIS WORK AND THEN
WE'LL CULMINATE WITH THE STATE'S FIRST EVER
1:52:20
CONSUMER SATISFACTION SURVEY IT'S CALLED CASOA SO THAT IS UNDERWAY
NOW AND IT'S A
1:52:28
RANDOM SURVEY GOING TO HOUSEHOLDS THROUGHOUT THE STATE SO WE WILL
HAVE A COMPOSITE PICTURE FOR THE
1:52:34
FIRST TIME EVER OF ALL 58 COUNTIES AND THAT'S THE LAST PIECE THAT WILL
INFORM THIS WORK AND WE EXPECT TO HAVE

1:52:40
RECOMMENDATIONS IN THE FALL ABOUT ANY CHANGES YOU'VE HEARD TODAY
ABOUT

1:52:46
CAL'S CONNECT THIS IS OUR ADMINISTRATION ON COMMUNITY LIVING GRANT
FOCUSED ON IMPERIAL VENTURA AND MARIN

1:52:54
COUNTIES THAT'S UP AND RUNNING NOW WE'RE REALLY EXCITED IN SOME PLACES
THEY'VE

1:53:00
BEEN ABLE TO HIRE THE FIRST COMMUNITY HEALTH WORKER AND WE'RE JUST
REALLY REALLY EXCITED ABOUT THIS WORK

1:53:06
YOU ALSO HEARD FROM CELINE AND OTHERS ABOUT THE GREAT WORK HAPPENING
WITH CAL

1:53:11
COMPASS WHICH WAS FORMERLY THE ALZHEIMER'S DAYCARE RESOURCE CENTERS
AND

1:53:17
THE SEVEN LISTS THAT ARE WORKING DILIGENTLY WE'RE

1:53:23
EXCITED TO SHARE SOON PROBABLY EARLY THIS FALL THE FIRST EVALUATION
FROM OUR

1:53:29
PARTNER UC DAVIS THE FAMILY CAREGIVING INSTITUTE THAT WILL PROVIDE SOME

1:53:34
PRELIMINARY EVALUATION MICHELLE JOHNSTON ALSO LEADS THAT EFFORT SO
MICHELLE'S OUR RESIDENT EXPERT ON THAT WE'LL GO AHEAD

1:53:41
TO THE NEXT SLIDE PLEASE CAL GROWS MANY OF YOU ON THIS COMMITTEE

1:53:47
ARE GRANTEES IN THE CAL GROWS INITIATIVE THIS IS THRILLING YOU KNOW WE'RE
THE

1:53:52
TRAINING IS STARTING TO HAPPEN DIRECT CARE WORKERS HAVE STARTED TO

1:53:57
RECEIVE INCENTIVES ALL OF THE LEG WORK THAT GOES INTO STANDING UP A 150
MILLION DOLLAR

1:54:05
INITIATIVE OVERNIGHT WE'RE STARTING TO SEE THE FRUITS OF THAT LABOR AND
IT'S

1:54:10
VERY EXCITING AND WE REALLY LOOK FORWARD TO BEING ABLE TO HAVE AN
INVENTORY

1:54:15

AND CATALOG OF ALL OF THESE TRAINING COURSES AVAILABLE FOR FREE IN
MULTIPLE LANGUAGES ON DEMAND YOU HEARD ABOUT OUR
1:54:24
NO WRONG DOOR INITIATIVE THE UPDATE I HAVE THERE IS WE DID RECEIVE A
GRANT
1:54:29
FROM THE FEDERAL GOVERNMENT TO ESTABLISH A NO WRONGDOOR GOVERNANCE
1:54:34
STRUCTURE AND WE'RE WORKING WITHIN THE CALIFORNIA HEALTH AND HUMAN
SERVICES AGENCY ACROSS DEPARTMENTS TO HAVE THOSE
1:54:42
PRELIMINARY MEETINGS SO THAT WE HAVE A GOVERNANCE STRUCTURE WE WE
EXPECT A LOT OF OUR LOCAL PARTNERS TO SMOOTH OUT
1:54:50
THE SILOS AT THE COMMUNITY LEVEL BUT THIS IS THE ATTEMPT JUST TO WORK IN
1:54:55
UNISON AT THE AT THE STATE LEVEL OUR OFFICE OF THE LONG-TERM CARE
1:55:00
PATIENT REPRESENTATIVE HAS ALREADY DONE HAD SEVERAL HUNDRED INQUIRIES
AND HAS
1:55:06
PERFORMED OVER 100 CONSULTATIONS FOR INDIVIDUALS WHO ARE
UNREPRESENTED IN
1:55:13
LONG-TERM CARE FACILITIES AND THIS IS A SERVICE WE PROVIDE STATEWIDE AND
WE HAVE
1:55:18
SPECIALLY TRAINED PATIENT REPRESENTATIVES WORKING THROUGHOUT THE
1:55:23
STATE IN FACT WE JUST HIRED ONE IN BAKERSFIELD SO WE'RE REALLY WE'RE
REALLY EXCITED THAT THESE INDIVIDUALS CAN
1:55:29
PROVIDE THAT IN-PERSON SUPPORT UH THE BRIDGE TO RECOVERY WE HAD OUR
THIS IS THE FUNDING FOR THE ADULT DAY
1:55:37
HEALTHCARE SEA BASS CENTERS THE COMMUNITY-BASED ADULT SERVICES ADULT
DAY
1:55:42
CARE CENTERS AND THE PROGRAM FOR ALL-INCLUSIVE CARE FOR THE ELDERLY
PACE SITES AROUND THE STATE SO WE'VE UM
1:55:50
UH HAD A RESPONSE TO OUR FIRST ROUND OF FUNDING AND THOSE AWARDS ARE
BEING PROCESSED NOW AND THEN WE EXPECT TO HAVE
1:55:56
A SECOND ROUND OF FUNDING MADE AVAILABLE EARLY THIS FALL BECAUSE THE
INITIAL

1:56:03
APPLICATIONS DID NOT DEplete THE FUNDING IN ITS ENTIRETY

1:56:10
MANY OF YOU HAVE JOINED THESE CALLS BUT THIS THIS IS REALLY GOING TO BE A
ROAD MAP FOR OUR STATE'S FUTURE THE HOME AND

1:56:16
COMMUNITY-BASED SERVICES GAP ANALYSIS THAT WE'RE ABLE TO HAVE A
SHARED CONSULTANT SUPPORTING THE

1:56:23
DEPARTMENT OF HEALTH CARE SERVICES WITH ALL OF THE MEDICAL PROGRAMS
AND WAIVERS AND THE SAME

1:56:29
CONSULTANT IS WORKING WITH THE DEPARTMENT OF AGING TO COVER ALL OF
THE NON-MEDICAL

1:56:35
SERVICES SO THIS WOULD BE AREA AGENCIES ON AGING CAREGIVER RESOURCE
CENTERS AND

1:56:41
MORE SO WE'RE REALLY EXCITED THAT WE'RE GOING TO ROLL ALL THIS UP AND
HAVE A

1:56:46
REALLY GOOD VIEW OF WHERE THE GAPS ARE IN OUR STATE MOST OF THEM WE
KNOW ANECDOTALLY BUT WE'LL FINALLY HAVE

1:56:53
THE EVIDENCE AND THIS WILL HELP US BUILD A ROADMAP FOR THE FUTURE TO
START PRIORITIZING FUNDING AND PROGRAMMING AND

1:57:02
RESOURCES IN AREAS WHERE WE HAVE GAPS AND THEN OUR PARTNERS AT THE
DEPARTMENT

1:57:08
OF HEALTH CARE SERVICES CONTINUE THEIR EXCELLENT WORK WITH DEMENTIA
CARE AWARE

1:57:14
MANY OF YOU ARE INVOLVED IN THAT AS WELL AND I THINK THAT MAY BE

1:57:19
THAT MIGHT BE IT FOR CDA IS THERE ONE MORE SLIDE UP UH THAT'S IT I WILL
SHARE

1:57:27
WE'RE LOOKING WITH GREAT INTEREST AT THE STUDY THAT WAS RELEASED AS
PART OF THE ALZHEIMER'S ASSOCIATION

1:57:33
INTERNATIONAL CONFERENCE THAT NAMED FOUR CALIFORNIA COUNTIES AS THE
TOP 10 MOST

1:57:39
POPULOUS ALZHEIMER'S COUNTIES IN THE COUNTRY AS WELL AS

1:57:45

IMPERIAL COUNTY BEING IN THE TOP TEN FOR PREVALENCE WE'RE THRILLED THAT OUR

1:57:51

ALLS CONNECT CALS COWS CONNECT PROJECT IS WORKING IN IMPERIAL COUNTY AND WE

1:57:59

KNEW THAT DATA BEFORE IT WAS RELEASED AND THAT'S WHY IT WAS ONE OF OUR PRIORITY POPULATIONS WE ALSO KNOW THAT

1:58:04

MORAN IS THE OLDEST COUNTY IN OUR STATE SO WE'RE GLAD FOR THAT INTERSECTION AND

1:58:11

YOU KNOW JUST MORE EVIDENCE THAT CALIFORNIA CAN AND SHOULD LEAD THE

1:58:17

NATION BECAUSE MORE PEOPLE LIVE IN OUR STATE THAN ANY OTHER STATE AND WE HAVE

1:58:23

YOU KNOW HIGHER RISK FACTORS IN TERMS OF A MORE DIVERSE POPULATION SO THAT'S

1:58:30

THAT IS IT I WILL JUST SHARE AN INTERESTING OPPORTUNITY THAT WE HAD ABC

1:58:37

IS FILMING A ONE-HOUR DOCUMENTARY ON ALZHEIMER'S AND DEMENTIA THAT WILL AIR IN NOVEMBER AND WE WERE INVITED TO

1:58:45

TO CONTRIBUTE TO THAT ALONG WITH SOME OF OUR KEY PARTNERS

1:58:51

IT'S GOING TO FOCUS ON THE LATINO POPULATION AND THERE WERE QUITE A FEW INTERVIEWS DONE AT USC AS WELL SO

1:58:58

GOOD CHANCE NO PROMISES BUT THERE'S A GOOD CHANCE CALIFORNIA WILL BE FEATURED IN THIS NATIONWIDE ABC DOCUMENTARY

1:59:06

SCHEDULED FOR RELEASE IN NOVEMBER AND THAT'S EVERYTHING THANK YOU FOR

1:59:12

ADDING ALL THOSE LINKS WOW AND NOW IT'S MY PLEASURE TO TURN IT OVER TO LAUREN

1:59:18

FROM THE DEPARTMENT OF PUBLIC HEALTH THANK YOU SUSAN GOOD AFTERNOON I'M GLAD TO BE HERE WITH YOU ALL TODAY THANKS FOR

1:59:24

HAVING ME JOIN I'M LAUREN GROVES AS SUSAN MENTIONED WITH THE CHRONIC DISEASE CONTROL BRANCH HERE AT THE DEPARTMENT OF PUBLIC HEALTH

1:59:31

AND I'M EXCITED TO GIVE YOU ALL A SNEAK PEEK OF TWO CREATIVE CONCEPTS BUT THAT WE WILL BE FOCUSED TESTING IN AUGUST AND

1:59:38

SEPTEMBER FOR OUR AWARENESS MEDIA CAMPAIGN BUT BEFORE I DO THAT I JUST WANTED TO

1:59:43

GIVE YOU A COUPLE QUICK IMPLEMENTATION UPDATES THAT I THINK WILL BE REALLY INTERESTING BASED ON THE CONVERSATION

1:59:48

WE'VE ALREADY HAD TODAY SO OUR DEMENTIA FRIENDLY BLUE ZONE PILOT PROJECT IN SACRAMENTO COUNTY IT'S BEGUN

1:59:55

IMPLEMENTATION SO WE'RE REALLY EXCITED AND HOPE TO HAVE MORE TO SHARE WITH YOU ALL AT THE NEXT MEETING OUR SEVEN

2:00:02

RESEARCH PROJECTS THAT WE FUNDED LAST YEAR ARE ALL IN THEIR SECOND YEAR OF FUNDING AND THEY CONTINUE TO SHOW

2:00:07

SUCCESS AND HAVE IMPACT IN THE FIELD OUR CAREGIVER TRAINING PROGRAMS ARE IN THE FINAL DEVELOPMENT STAGES AND THEY

2:00:14

SHOULD BE DISSEMINATED SOON AND AGAIN WE HOPE TO HAVE MORE TO PROVIDE YOU ALL NEXT MEETING AND THEN WE ALSO HAVE OUR

2:00:21

STANDARD OF CARE PROJECTS AND THEY'RE IN EARLY IMPLEMENTATION PHASES AND MORE

2:00:26

UPDATES SHOULD BE AVAILABLE SOON ON THAT AS WELL BUT I DID WANT TO INCLUDE THAT THIS WILL INCLUDE A RISK REDUCTION IN

2:00:33

COMMUNITY ENGAGEMENT STANDARD OR MODEL OF CARE SO SOMETHING THAT COMMUNITIES CAN TAKE AND BUILD A RISK REDUCTION

2:00:40

CAMPAIGN OR COMMUNITY PROGRAM IN THEIR COUNTY OR CITY AND A PROVIDER POST

2:00:47

DIAGNOSIS TREATMENT AND CARE RESOURCE CLEARINGHOUSE SO THIS WILL ADDRESS WHAT PROVIDERS CAN DO FOR A PATIENT AFTER A

2:00:54

DIAGNOSIS AND BUILD OFF OF A LOT OF THE HARD WORK OF OUR DEMENTIA CARE PROJECTS

2:01:00

WE HAVE HEARD FROM PROVIDERS THAT THEY DON'T WANT TO DIAGNOSE BECAUSE THEY'RE NOT SURE WHAT TO DO FOR A PATIENT AFTER THEY DIAGNOSE SO THIS WILL

2:01:06

BE GIVING THEM ALL OF THEIR RESOURCES IN ONE LOCATION TO REALLY HELP THEM DECIDE WHAT THE NEXT STEPS MIGHT BE FOR A

2:01:12
PATIENT WHO'S DIAGNOSED WITHIN THEIR PRACTICE SO I JUST WANT TO SAY A BIG
THANK YOU TO THE DEMENTIA CARE AWARE

2:01:18
PROJECT BECAUSE WE'VE BUILT OFF OF THEIR SUCCESS IN ORDER TO PROVIDE THE
NEXT PHASE OF WHAT WE CAN PROVIDE FOR

2:01:25
PROVIDER GROUPS AND IT IS FOCUSED ON PRIMARY CARE BUT IT ALSO EXTENDS
OUT

2:01:31
INTO LIKE EMERGENCY ROOM CARE PROVIDERS AND OTHER LOCATIONS WHERE WE
HEAR

2:01:38
DIAGNOSIS HAPPENS REGULARLY SO JUST WANTED TO GIVE YOU GUYS THAT
UPDATE AND

2:01:43
THEN LASTLY ALL 13 OF OUR HEALTHY BRAIN INITIATIVE PROJECTS ARE UP AND
RUNNING THROUGHOUT THE STATE AND OUR HOPE IS

2:01:50
THAT WE CAN CONTINUE TO EXPAND TO MORE COUNTIES SO WE'RE ALWAYS
LOOKING TO GROW THAT PROGRAM AND SEE HOW WE CAN MOVE

2:01:56
FORWARD WITH IT NEXT SLIDE PLEASE SO ON TO THE REALLY FUN STUFF OUR

2:02:03
ALZHEIMER'S DISEASE PUBLIC AWARENESS MEDIA CAMPAIGN HAS TWO BIG MAIN
OBJECTIVES WHICH INCLUDE SHIFTING PUBLIC

2:02:09
PERCEPTIONS AND REDUCING SOCIAL STIGMA AROUND ALZHEIMER'S DISEASE BY
COMBATING EXISTING ATTITUDES AND BELIEFS AMONG OUR

2:02:17
TARGET AUDIENCE WHO ARE AT MOST RISK OF DEVELOPING ALZHEIMER'S AND
SECONDLY WE WANT TO INCREASE

2:02:22
AWARENESS OF THE ALZHEIMER'S DISEASE AS A CHRONIC CONDITION AT SPECIFIC
MEASURES FOR THAT THERE ARE SPECIFIC MEASURES

2:02:28
FOLKS CAN TAKE TO REDUCE THE RISK OF DEVELOPING ALZHEIMER'S AS WELL AS
INCREASING AWARENESS OF THE SIGNS AND

2:02:34
SYMPTOMS OF THE DISEASE SO A VARIETY OF PAID MEDIA PLACEMENT THAT BEST
REACH OUR TARGET AUDIENCE WILL

2:02:41
DRIVE THE AUDIENCE TO OUR CAMPAIGN LANDING PAGE AND WE ARE HOPEFUL

2:02:48
THAT WHEN YOU DO COME TO THE CAMPAIGN LANDING PAGE INDIVIDUALS WILL BE
ABLE TO

2:02:55

IDENTIFY THE SIGNS AND SYMPTOMS OF ALZHEIMER'S THEY WILL UNDERSTAND THE RISK FACTORS FOR ALZHEIMER'S AND THEY

2:03:00

WILL BE ABLE TO ACCESS RESOURCES TO ASSIST THEMSELVES OR THEIR LOVED ONES WHO MIGHT HAVE ALZHEIMER'S AS WELL

2:03:07

WE REALLY HOPE THAT THIS LANDING PAGE ENGAGEMENT HELPS INDIVIDUALS FEEL EMPOWERED TO TALK OPENLY WITH THEIR

2:03:12

FAMILIES AND HEALTH CARE PROVIDERS ABOUT THE DISEASE THAT WE HOPE IT HELPS THEM TO GET SCREENED SOONER AND WOULD IMPROVE

2:03:20

QUALITY OF LIFE POST-DIAGNOSIS AS WELL SO IN ADDITION TO THAT THERE WILL BE A

2:03:25

LOCATION TO CONNECT INDIVIDUALS TO THEIR LOCAL HEALTH DEPARTMENTS AND NEAREST OTHER ALZHEIMER'S RELATED RESOURCES IN

2:03:32

THEIR COMMUNITIES NEXT PAGE NEXT SLIDE PLEASE SO THE TARGET AUDIENCE FOR THIS CAMPAIGN

2:03:40

DOES INCLUDE PRE-SYMPTOMATIC INDIVIDUALS AND PERSONS LIVING WITH ALZHEIMER'S DISEASE SO IT DOES INCLUDE BOTH

2:03:46

AND WE ARE TRYING TO FOCUS ON POPULATIONS DISPROPORTIONATELY AFFECTED BY ALZHEIMER'S AND THAT INCLUDES WOMEN

2:03:51

COMMUNITIES OF COLOR AND THE LESBIAN GAY BISEXUAL TRANS AND TRANSGENDER QUEER AND

2:03:57

QUESTIONING PEOPLE SO OUR CAMPAIGN FURTHER TARGETS THESE POPULATIONS WITH BOTH ENGLISH-SPEAKING MESSAGING FOR

2:04:04

MULTICULTURAL AUDIENCES AND A SPANISH LANGUAGE MESSAGING FOR SPANISH-SPEAKING AUDIENCES WE WILL HAVE

2:04:11

TWO RANGES THAT WE'RE LOOKING AT OF 40 PLUS AND THAT MESSAGE THAT MESSAGING WILL TARGET RISK REDUCTION AND CARING

2:04:19

FOR YOUR LOVED ONES WHO HAVE ALZHEIMER'S AND THEN A 65 AND ABOVE AGE RANGE AND THAT WILL REALLY BE FOCUSED ON KNOWING

2:04:27

THE SIGNS AND SYMPTOMS AND WHAT YOU CAN DO TO GET HELP NEXT SLIDE

2:04:33

SO THIS IS GOING TO BE REALLY BRIEF AND I I KNOW WE HAVE MINIMAL TIME SO I'M GOING TO KIND OF GET THROUGH THIS AS

2:04:38

QUICKLY AS I CAN BUT WHERE WE'RE AT IN THE PROCESS FOR THE PUBLIC AWARENESS CAMPAIGN IS THAT WE

2:04:44

ARE NOW WE'VE DONE SOME INITIAL FORMATIVE RESEARCH WHERE WE'VE CONDUCTED FOCUS GROUPS AS WELL AS LOOKED AT WHAT THE UM

2:04:51

DATA AND THE SCIENCE TELLS US ABOUT THE DISEASE AND WE HAVE CREATED TWO DIFFERENT CREATIVE CONCEPTS SO NOTHING

2:04:57

YOU SEE HERE OR THAT I TALK ABOUT HERE IS FINALIZED WE'RE JUST IN THAT FIRST PHASE WHAT WE PLAN TO DO NOW IS TAKE

2:05:04

THESE TWO CONCEPTS AND GO TO A FOCUS GROUPING A FOCUS GROUP MODEL AND TEST

2:05:09

THESE TWO CONCEPTS AND THEN FROM THAT WE WILL CREATE A FINAL CAMPAIGN WITH FINAL ASSETS AND REALLY TAKE THE AUDIENCE THAT

2:05:17

WE'RE TRYING TO REACH AND FOCUS GROUP TEST THESE IDEAS SO CONCEPT NUMBER ONE IS WHEN I HEAR

2:05:23

ALZHEIMER'S IT HAS A TONE THAT'S REALLY EMPATHETIC AND AUTHENTIC AND EMPOWERING

2:05:29

AND IT HAS A FIRST PERSON PERSPECTIVE SO REALLY IT'S YOU KNOW GONNA FOCUS ON

2:05:34

WHEN I HEAR THE WORD ALL WORD ALZHEIMER'S WILL BE A CONSISTENT ELEMENT AND IT CLEARLY ADDRESSES THE THOUGHT IN

2:05:40

THE BACK OF EVERYONE'S MIND THAT AS THEY GET OLDER AND BREAK DOWN THE BARRIERS THEY ARE KEEPING PEOPLE FROM SEEKING OUT

2:05:46

TREATMENT OR SCREENING I'M SORRY AND REALLY WE WANT TO SHOWCASE CALIFORNIANS ARE CONCERNED ABOUT THE

2:05:53

POSSIBILITY OF ALZHEIMER'S IN THE FUTURE BUT THEY ARE SEEN IN THEIR ENVIRONMENT DOING THINGS THAT THEY LOVE OR STILL

2:06:00

INTERACTING WITH PEOPLE THAT THEY LOVE AND YOU KNOW KIND OF SEEING STAYING ACTIVE AND VOCAL SO WHEN PEOPLE HEAR THE

2:06:08

WORDS ALZHEIMER'S THEY HAVE IMMEDIATE REACTIONS FEAR WORRY CONFUSION
AND AS

2:06:13

CALIFORNIA'S POPULATION AGES MORE AND MORE OF US WILL HEAR THOSE
WORDS BUT WE DON'T WANT TO WAIT FOR THE MOMENT

2:06:19

INSTEAD WE'LL DISCUSS ALZHEIMER'S OPENLY AND HONESTLY AND SHOW HOW
RISK REDUCTION AND EARLY DIAGNOSIS ALLOWS US TO FACE

2:06:27

ALZHEIMER'S LIKE NEVER BEFORE SO THAT'S THE BIG KIND OF CONCEPT AROUND
CONCEPT NUMBER ONE

2:06:35

AND SO WHAT I'M GOING TO DO NOW IS READ AN EXAMPLE OF WHAT MIGHT BE
THE VOICE OVER TO A AD ON SOCIAL MEDIA OR A

2:06:43

TELEVISION AD OR A RADIO AD SO BEAR WITH ME I AM NOT A VOICE ACTOR SO I'M
GONNA

2:06:50

DO MY BEST IT WILL SOUND MUCH BETTER WHEN THE APPROPRIATE PEOPLE READ
IT BUT WHEN I HEAR THE WORD ALZHEIMER'S I

2:06:57

DON'T EVEN WANT TO IMAGINE THE POSSIBILITY BUT THINGS I THOUGHT WERE
NORMAL SIGNS OF AGING MAYBE SIGNS OF

2:07:03

SOMETHING MORE ESPECIALLY FOR OLDER WOMEN LIKE ME AND ME AND ME I NOW
KNOW

2:07:09

ALZHEIMER'S IS A CHRONIC CONDITION WITH NOTHING TO BE ASHAMED OF SO I'M
BEING SCREENED EARLY WATCHING MY BLOOD

2:07:14

PRESSURE AND EXERCISING TAKING THESE STEPS NOW MEANS I CAN FACE
ALZHEIMER'S LIKE NEVER BEFORE LEARN ABOUT THE SIGNS

2:07:22

EARLY SCREENING AND WAYS FORWARD AT FACE ALZHEIMER'S CA.COM SO THAT'S
KIND OF THE LOOK AND FEEL OF

2:07:29

CONCEPT NUMBER ONE IF YOU CAN GO TO THE NEXT SLIDE

2:07:34

SO CONCEPT NUMBER TWO IS A LITTLE DIFFERENT ITS TONE IS REALLY STYLIZED
AND EMPATHETIC AND POWERFUL AND THIS

2:07:42

CONCEPT IS TITLED THIS IS WHAT IT TAKES AND IT IS FOCUSED ON STRONG ACTION
WORDS THAT CAN BE ASSOCIATED WITH WHAT IT

2:07:48

TAKES TO ADDRESS ALZHEIMER'S THERE ARE MANY REASONS WHY SOMEONE
WOULD PUT OFF GETTING AN EARLY DIAGNOSIS OF

2:07:54

ALZHEIMER'S I'M BETTER OFF NOT KNOWING OR THERE'S NO CURE SO WHY NO EARLY BUT

2:08:00

WITH EARLY DIAGNOSIS COMES THE ABILITY TO PLAN YOUR PATH FORWARD SO THIS CAMPAIGN CENTER'S KNOWLEDGE IS POWER

2:08:05

USING SIMPLE FACTUAL INFORMATION THAT HELPS PEOPLE UNDERSTAND THE DISEASE AND

2:08:10

WHAT TO LOOK FOR AND PLAN FOR SO ONCE YOU KNOW YOU KNOW MORE IS KIND OF THE IDEA AROUND THIS CONCEPT

2:08:16

SO AGAIN I'M GOING TO READ A VOICEOVER TO GIVE YOU AN IDEA OF WHAT THAT WILL SOUND LIKE AND LOOK LIKE IN IN THE MEDIA

2:08:24

THIS IS WHAT IT TAKES TO TAKE ON ALZHEIMER'S AWARENESS TO RECOGNIZE THINGS YOU THOUGHT WERE SIGNS OF AGING

2:08:29

MAYBE SOMETHING MORE BRAVE TO RECOGNIZE OLDER WOMEN ARE AT MUCH HIGHER

2:08:35

RISK DEDICATION TO LOWERING YOUR RISK BY WATCHING BLOOD PRESSURE EXERCISING AND

2:08:40

REDUCING STRESS AND SEEKING SUPPORT BY DISCUSSING EARLY SCREENING WITH YOUR DOCTOR TAKE ON

2:08:46

ALZHEIMER'S BY LEARNING ABOUT SYMPTOMS AND BENEFITS OF EARLY SCREENING LEARN MORE AT TAKE ON ALZHEIMER'S.COM

2:08:52

SO THAT'S A REALLY BRIEF OVERVIEW OF THE TWO CONCEPTS WE CAN GO TO THE NEXT SLIDE

2:09:00

NOW THAT WE HAVE THE TWO CONCEPTS WE'LL BEGIN FOCUS GROUP TESTING TO ESTABLISH A FINAL DIRECTION WE'LL COMPLETE FOUR TO

2:09:06

FIVE FOCUSED GROUPS OF CALIFORNIANS AND WE'LL SHOW EACH GROUP THREE TAILORED ASSETS FROM BOTH CAMPAIGNS

2:09:11

FOLLOWING NET TESTING WE'LL CREATE A FINAL CAMPAIGN IT WILL GO THROUGH MANY FOR MANY REVIEWS AND APPROVAL PHASES

2:09:19

AND ONCE THAT IS FINAL AND COMPLETED WE'RE DEFINITELY GOING TO COME BACK AND SHARE WITH ALL OF YOU AND PROVIDE YOU AN

2:09:26

OVERVIEW BEFORE WE START THE MEDIA OUT INTO CALIFORNIA AS A GENERAL
RULE OF

2:09:31

THUMB SO THIS IS OUR REALLY BIG NEWS MOVING FORWARD AND WE WANTED TO
MAKE SURE YOU WERE ALL KIND OF PART OF THE

2:09:37

PROCESS UNDERSTOOD WHERE WE WERE AT AND KNEW THAT THIS WAS
CONTINUING TO MOVE FORWARD I KNOW WE TALK ABOUT

2:09:43

IMPLEMENTATION WITHOUT ALL THE DETAILS SO I WANTED TO MAKE SURE YOU
UNDERSTOOD WHERE WE WERE AT IN THE PROCESS AND WHEN

2:09:49

YOU MIGHT START SEEING THE CAMPAIGN OUT IN THE PUBLIC

2:09:57

DOES SEEM GREAT NEXT SLIDE OH AT THIS POINT I'M JUST

2:10:02

OPEN IF WE I KNOW WE'RE RIGHT AT 12 10 I THINK THAT'S WHEN WE'RE SUPPOSED
TO STOP BUT IF ANYONE WANTS TO SHARE

2:10:08

YOU CAN ALWAYS MESSAGE ME SEPARATELY OR I CAN SET UP YOU KNOW YOU
CAN EMAIL

2:10:14

ME IF YOU HAVE QUESTIONS BUT I JUST WANTED TO GIVE A QUICK OVERVIEW
THANK YOU THANKS SO MUCH FOR JOINING US

2:10:20

TODAY TOO REALLY APPRECIATE YOU BEING HERE AND ALL THE INFINITELY SUSAN
DID YOU HAVE SOMETHING YOU WERE SAYING SORRY I DIDN'T MEAN TO SPEAK
OVER YOU

2:10:27

THIS IS MICHELLE I JUST WANTED TO KNOW WE DID HAVE A QUESTION IN THE CHAT
THEY THANK YOU FOR SHARING THE CREATIVE MEDIA

2:10:32

CONCEPTS AND THEN JUST WONDERED IN TERMS OF AUDIENCE AND HOW PEOPLE
WOULD INTELLECTUAL DEVELOPMENTAL DISABILITIES WILL BE

2:10:38

INCLUDED YEAH I THINK AS WE CONTINUE DURING THAT

2:10:43

COMMENT TOO I THINK MICHELLE SORRY LAUREN OH NO DEFINITELY I THINK
THAT'S YOU KNOW

2:10:48

DEFINITELY AN AUDIENCE WILL CONSIDER ENGAGING WITH DURING THE FOCUS
GROUP TESTING PROCESS SO WE WILL HAVE

2:10:55

CALCULATIONS FROM MANY DIFFERENT WALKS OF LIFE THAT'LL BE PART OF THAT
FOCUS GROUP TESTING AND THE IDEA IS THAT WE

2:11:00

ARE REALLY GOING THROUGH THE FOCUS GROUP TESTING PROCESS BY GETTING THE GENERAL AUDIENCE THAT WE'RE HOPING THIS WILL

2:11:07

IMPACT BY HAVING THEIR FEEDBACK AND THEIR UNDERSTANDING I KNOW ONE OF THE THINGS THAT HAPPENS OFTEN FOR US IS

2:11:14

WE'RE SO DEEP IN THE CONVERSATION AND WE HAVE SO MUCH BACKGROUND KNOWLEDGE THAT

2:11:19

WE ARE NOT THE RIGHT AUDIENCE FOR FOCUS GROUP TESTING THESE CONCEPTS AND SO THE IDEA BEHIND THIS NEXT PHASE IS TO REALLY

2:11:26

BRING IN INDIVIDUALS FROM MANY DIFFERENT WALKS OF LIFE AND FIND OUT WHAT DOES RESONATE BEST WITH CALIFORNIANS ACROSS

2:11:32

THE BOARD THANK YOU LAUREN I THINK YOU THOUGHT THIS MOMENT WOULD NEVER COME BUT WE'RE

2:11:39

GOING TO TAKE A BREAK FOR 30 MINUTES WHICH MEANS WE WILL BE BACK AT 12 40

2:11:47

AND WE'RE GONNA HAVE A LEGISLATIVE UPDATE FOR ABOUT 20 MINUTES AND A

2:11:52

LITTLE TIME FOR SOME COMMITTEE DISCUSSION ABOUT THOSE UPDATES SO

THAT'S WHAT'S UP NEXT BUT ENJOY YOUR BREAK GET

2:11:59

SOMETHING TO EAT SO MUCH INFORMATION TODAY I MY BRAIN MIGHT BE A LITTLE TIRED BUT ALL GOOD INFORMATION AND SO

2:12:07

GRATEFUL FOR ALL THE PEOPLE ON THIS COMMITTEE SO WE'LL SEE YOU IN A HALF HOUR

2:12:15

THAT'S GOOD YEAH OKAY ONE TIME I THINK SO WE SHOULD

2:12:22

YEP 12 40 WE SHOULD LET ME

2:12:28

MICHELLE I'M GONNA UNMUTE THE ROOM

2:12:35

A LOT OF STUFF APPARENTLY I'M WORKING ON CORRALLING

2:12:41

OKAY THANK YOU

2:12:50

I MEAN

2:12:57

I LIKE STARS HEY CATHERINE I THINK I HAVE GATHERED EVERYBODY BACK IN THE ROOM PERFECT A NEW

2:13:04

SKILL REQUIRED HURDING PEOPLE THAT ARE ACTUALLY ATTENDING IN PERSON
RIGHT WE ALL FORGOT ABOUT THAT PART SO THANKS FOR

2:13:11

GATHERING EVERYBODY BACK UP AND I THINK WE ARE GOING TO START WITH OUR
LEGISLATIVE UPDATE WE'RE ALWAYS SO

2:13:17

FORTUNATE TO HAVE BARBRA MCLENDON AND JARED GIARRUSSO-KHLOK

2:13:23

UPDATE US THEY'RE GOING TO TAKE ABOUT 20 MINUTES AND THEY'LL HAVE A
LITTLE DISCUSSION BEFORE WE MOVE INTO

2:13:30

THE TOPIC AFTER THAT SO THANKS EVERYONE FOR BEING PROMPT IN RETURNING

2:13:37

AND BARBRA AND JARED WILL LET YOU TAKE IT AWAY

2:13:49

[MURMURING IN ROOM AS SPEAKERS MAKE TO DAIS FOR PRESENTING]

2:14:05

THE DYNAMIC DUO IS BACK YOU GUYS HAVE HAD A BUSY DAY WITH PRESENTING TO
THE

2:14:10

COMMITTEE ALL RIGHT NEXT SLIDE PLEASE

2:14:21

AND WE'VE ALREADY TALKED ABOUT A

2:14:27

COUPLE OF THESE SO I THINK AND I ALSO SHOULD SAY THAT THE STATE
LEGISLATURE RIGHT NOW IS ON RECESS

2:14:34

SO I THINK THEY COME BACK MID-AUGUST SO RIGHT NOW NOTHING IS MOVING

2:14:39

AND THERE ARE THERE ARE MANY BILLS THAT ARE DEAD FOR THIS LEGISLATIVE
SESSION BECAUSE THEY

2:14:45

JUST DIDN'T MAKE IT INTO THE OTHER HOUSE AND THROUGH THE VARIOUS
HURDLES BY THE VARIOUS DEADLINES SO THE BILLS THAT

2:14:51

I'M TALKING ABOUT HERE ARE STILL MOVING WHICH MEANS THAT THEY STILL
HAVE THE POSSIBILITY OF PASSING AND BEING

2:14:59

SIGNED INTO LAW NOW ALSO IMPORTANT TO REMEMBER THE PASSAGE

2:15:04

BY THE LEGISLATURE IS JUST ONE OF THE STEPS SO WE HAVE A GOVERNOR AND HE
HAS

2:15:09

THE ABILITY TO SIGN OR VETO LEGISLATION SO IN SOME OF THESE FOR SOME OF
THESE

2:15:14

BILLS IF WE PASSES THEN WHAT WE MIGHT BE TALKING ABOUT FOR EXAMPLE FOR AN ORGANIZATION

2:15:21

LIKE MINE WOULD BE FOCUSING ON THE GOVERNOR'S OFFICE TO ENCOURAGE YOU TO SIGN IT BECAUSE YOU KNOW WE DON'T WANT

2:15:26

TO TAKE IT FOR GRANTED THAT HE'S GOING TO DO THAT SO 518 THIS IS THE ONE

2:15:32

OH WAIT THIS IS A WRONG DESCRIPTOR YEAH SO 518 IS THE ONE THAT

2:15:39

EXPANDS WHO WOULD BE ELIGIBLE FOR PAID FAMILY LEAVE SO INSTEAD OF JUST A VERY DISCREET LIST OF FAMILIAL

2:15:46

RELATIONSHIPS BASICALLY OPENS IT UP TO ANYBODY THAT YOU WOULDN'T CONSIDERED TO BE YOUR FANTASY DAY BLOOD OR NOT AND

2:15:54

THAT THOSE PEOPLE HAVE ACCESS TO PAID FANTASIES PROVIDE YOU WITH CARE AND SUPPORT

2:16:00

STILL MOVING LIKE I SAID CAN WE GO THE NEXT SLIDE

2:16:06

SO YEAH SO THERE'S THE TEXTS HAVE PUT AND SO THE SECOND ONE AGAIN JARED

2:16:12

ALREADY MENTIONED THIS ONE THIS IS MAKING SURE THAT THERE'S NOT DISCRIMINATION SO THAT YOU CAN'T BE FOR

2:16:17

EXAMPLE LIKE FIRED FROM YOUR JOB BECAUSE YOU ARE QUITE A CAREFUL YOUR FAMILY CAREGIVER AND STILL MOVING

2:16:23

NEXT ONE SO SB 616 THIS IS THE ONE THAT

2:16:31

WOULD EXPAND SICK LEAVE ACCRUAL FROM THREE DAYS TO SEVEN WHICH FRANKLY I THINK THREE DAYS DOES NOT SEEM IF YOU

2:16:37

NEED AT ALL AND I KNOW THERE ARE PEOPLE WHO HAVE NONE AND SO I'M HAPPY TO SEE THIS BILL

2:16:42

STILL MOVING AND THEN ALSO 575 WHICH WOULD NO LONGER REQUIRE PEOPLE TO USE UP

2:16:50

ALL OF THEIR VACATION TIME BEFORE THEY CAN ACCESS PAID FAMILY LEAVE

2:16:58

THIS ONE'S KIND OF AN INTERESTING BILL THIS WOULD SET A MINIM WAGE FOR ALL

2:17:04

HEALTHCARE WORKERS

2:17:09

YOU KNOW I FEEL LIKE FOR THOSE OF US IN THIS SPACE I HAVE COMPLICATED DEALINGS

2:17:15

ABOUT THIS BILL ON THE ONE HAND WE WANT PEOPLE TO MAKE A LIVING WAGE RIGHT AND

2:17:21

WE WANT WORKING IN THIS SPACE TO BE ATTRACTIVE AND WE ALSO KNOW THAT HERE IS

2:17:27

PROHIBITIVELY INCENTIVE FOR MOST FAMILIES SO ESPECIALLY IF YOU'RE IN THAT MIDDLE

2:17:33

ZONE RIGHT WHERE YOU DON'T QUALIFY FOR MEDICAL OR ANY OF THOSE PROGRAMS AND YOU'RE NOT WEALTHY THERE'S VERY LITTLE

2:17:39

THAT'S HELPING YOU PROVIDE YOU KNOW PAY FOR CARE IF THIS MINIMUM WAGE WERE TO BE SET I

2:17:47

THINK THERE'S ALMOST NO QUESTION THE COST OF CARE WOULD GO UP WITH IT AND SO YOU KNOW WHAT DOES THAT DO TO OUR FAMILY

2:17:53

SO IT'S A DIFFICULT SPACE TO BE SITTING IN BUT THAT BILL IS STILL MOVING

2:17:58

SO WE SHALL SEE WHAT HAPPENS NEXT SLIDE

2:18:03

THIS ONE 8048 ADDS TO THE PATIENT BILL OF RIGHTS TO RECEIVE INFORMATION ABOUT

2:18:09

PSYCHOTHERAPEUTIC DRUGS I THINK MANY OF YOU MAY KNOW THAT IN OUR SPACE AGAIN

2:18:16

IT'S CERTAINLY BEEN THE CASE THAT MEDICATIONS HAD BEEN USED

2:18:21

TO JUST CONTROL BEHAVIOR RIGHT AND NOT NECESSARILY TO THE THERAPEUTIC BENEFIT

2:18:27

OF THE INDIVIDUAL SO THIS WOULD PUT IN SOME PROTECTIONS

2:18:33

SO THAT IF A PERSON PRESCRIBED PSYCHOTHERAPEUTIC DRUGS IT'S FOR THE RIGHT REASONS NOT THE WRONG REASONS

2:18:40

THIS BILL THOUGH HAS BEEN REFERRED TO SENATE APPROPRIATION SUSPENSE FILE TECHNICALLY THAT IT'S NOT DEAD BUT

2:18:49

WHETHER OR NOT IT COMES THE SUSPENSE FILE IS STICKY AND SO WE DON'T
KNOW
2:18:55
IF IT'S GOING TO STAY STUCK OR BUT ACTUALLY WILL COME OUT OF THAT
COMMITTEE AND CONTINUE MOVING
2:19:02
BUT THIS STILL ACTUALLY CONNECTS TO AN OFFICE THAT TO THE WORST
MENTIONED
2:19:08
AND THAT WAS THE OFFICE OF THE LONG-TERM CARE PATIENT REPRESENTATIVE
THEY WOULD BE KIND OF PART OF THIS PROCESS
2:19:15
PEOPLE LIVING IN FACILITIES THAT DON'T HAVE LOVED ONE THAT'S GOING TO HAVE
THEM ENGAGE WITH THEIR CARE I THINK THAT
2:19:22
OFFICE WOULD HAVE TO BE INVOLVED WITH ENSURING THAT THAT THIS WOULDN'T
BECOME A BARRIER TO
2:19:27
TREATMENTS BECAUSE WE WOULDN'T WANT THAT WOULD BE AN INADVERTENT
POTENTIAL OUTCOME OF PASSAGE
2:19:33
OF THE BILL WE WOULDN'T WANT TO SEE THAT HAPPEN NEXT SLIDE
2:19:39
ALL RIGHT NEXT SLIDE
2:19:44
ALL RIGHT SO AGAIN JARED GIARRUSSO-KHLOK
2:19:50
ALZHEIMER'S ASSOCIATION WE HAD THREE SPONSORED BILLS AS WE MENTIONED
IN PREVIOUS MEETINGS ONE OF WHICH DID NOT
2:19:57
MOVE FORWARD THE OTHER TWO I'LL GIVE UPDATES ON IN A SECOND BUT 8021
WAS
2:20:02
AROUND A LAW ENFORCEMENT ALZHEIMER'S SPECIFIC TRAINING IT WAS A
MANDATE IT GOT HELD IN THE FIRST HOUSE
2:20:09
APPROPRIATIONS BUT THROUGH THE LAST TWO YEARS OF MOVING FORWARD
THESE THIS TYPE OF BILL AND OUR COLLABORATION WE
2:20:15
POST THE COMMISSION ON PEACE OFFICER STANDARDS AND TRAINING I DO THINK
THAT WE MAY HAVE OPENED A DOOR ON ALZHEIMER'S
2:20:21
CERTIFIED TRAINING FOR OFFICERS SO IT WOULD BE PERMISSIVE BUT IT WOULD BE
AN OPPORTUNITY FOR OFFICERS THROUGHOUT THE
2:20:28
STATE TO GAIN CREDITS FOR THEIR LICENSURE BY TAKING OUR ALZHEIMER'S

2:20:35

TRAINING WHICH WOULD BE FANTASTIC IT IS NOT THE STEP THAT WE WANTED WE WANTED A MANDATED TRAINING BECAUSE WE STILL THINK

2:20:41

THAT THERE IS A CHALLENGE IN THIS SPACE BUT IN LOOKING AT OUR COLLEAGUES IN HAWAII THEY ESSENTIALLY RAN A BILL

2:20:48

THAT WAS NOT A REQUIREMENT THAT OFFICERS OR FIRST RESPONDERS GET DEMENTIA

2:20:53

TRAINING BUT AN OPPORTUNITY FOR THEM TO DO SO AND I THINK THAT THEY'VE TRAINED I'M GOING TO GET THIS NUMBER WRONG BUT

2:20:58

AROUND 4 000 FIRST RESPONDERS THROUGHOUT THE STATE OF HAWAII WHICH IS A SIGNIFICANT NUMBER THROUGH A PERMISSIVE

2:21:04

STRATEGY SO WE ARE INTERESTED IN EXPLORING WHAT THIS MEANS WITH POST AND SEEING WHAT OPPORTUNITIES THERE

2:21:10

ARE IF THERE NEEDS TO BE WAYS TO INCENTIVIZED OFFICERS TO BE ABLE TO TAKE THIS TRAINING OR NOT AND THEN SEE WHAT

2:21:17

THE NEXT STEPS MIGHT BE BUT IT COULD BE A GOOD NEXT STEP FOR THIS WORK THAT WE KNOW WE ALL KNOW IS INCREDIBLY

2:21:24

NEXT SLIDE SO NOW INTO THE TWO BILLS THAT ARE

2:21:29

MOVING 83.87 AS YOU ALL KNOW UPDATES THIS COMMITTEE IT ADDS ADDITIONAL MEMBERS REMOVES STIGMATIZING LANGUAGE

2:21:36

CONFORMS TERM LENGTHS OF THOSE LIVING WITH THE DISEASE LIKE PAM AND LIKE

2:21:41

ANDREA TO EVERYBODY ELSE'S SO EVERYBODY SERVES THREE-YEAR TERMS THE BILL IS IN

2:21:47

SENATE APPROPRIATIONS SUSPENSE FILE THOUGH WHICH WAS NOT WHAT WE EXPECTED

2:21:53

TO HAPPEN IN THE ASSEMBLY IT MOVED ON CONSENT THROUGH THE APPROPRIATIONS PROCESS AND

2:22:00

YOU KNOW I THINK WE ASSUME THAT THERE'D BE LITTLE TO NO COST OR ABSORBABLE COST FOR THE IMPLEMENTATION OF THIS BILL THE

2:22:06

APPROPRIATIONS ANALYSIS ESTIMATES UP TO FIFTY THOUSAND DOLLARS IN NEW TRAVEL COSTS FOR THE NEW MEMBERS AND THEN A

2:22:12

HUNDRED AND FORTY THOUSAND DOLLARS IN A HUNDRED AND FORTY THOUSAND DOLLARS HUNDRED FORTY THOUSAND YEAH 140 143 000

2:22:21

IN ANNUAL STAFFING COSTS FOR THE ADDITIONAL MEMBERS WHICH PUTS IT INTO THE SUSPENSE FILE

2:22:27

WITH LOWER THRESHOLDS AGAIN WE DID NOT ANTICIPATE THIS

2:22:32

SO WE DID NOT HAVE A BUDGET ITEM MOVING THROUGH IN THIS LEGISLATURE WITH THIS GOVERNOR HAVING A CORRESPONDING BUDGET

2:22:38

BUDGET ITEM FOR ANYTHING WITH NEW COSTS IS PRETTY IMPORTANT AND BECAUSE OF THAT WE'RE WORKING WITH THE

2:22:43

APPROPRIATIONS COMMITTEE AND THE ASSEMBLY MEMBER'S OFFICE TO FIGURE OUT HOW DO WE GET IT OUT OF THE SUSPENSE

2:22:49

FILE AS BARBRA MENTIONED IT'S STICKY AND THINGS GET STUCK THERE SO WE DON'T

2:22:55

WANT THAT TO HAPPEN WE HAVE A COUPLE OF STRATEGIES TO TRY TO ADDRESS THOSE COSTS CONCERNS BUT YOU

2:23:01

KNOW I THINK IF YOU WOULD HAVE ASKED ME BEFORE THIS HAPPENED HOW OPTIMISTIC WAS I I WAS VERY OPTIMISTIC AND NOW I'M

2:23:06

SIGNIFICANTLY LESS OPTIMISTIC SO NEXT SLIDE PLEASE

2:23:14

OUR OTHER BILL THAT WE MENTIONED I MENTIONED VERY BRIEFLY IS SB 639 BY

2:23:19

SENATOR LIMON THIS UPDATES THE ALZHEIMER'S ADVISORY SORRY THE ALZHEIMER'S DISEASE CENTERS OF WHICH

2:23:25

THERE ARE 10 TO BECOME ALZHEIMER'S DIAGNOSTIC HUB SO WE'VE SHIFTED THE LANGUAGE THERE AND THEN WE FOLD IN

2:23:31

DEMENTIA CARE AWARE AS A PROGRAM THIS BILL MOVED THROUGH THE LEGISLATIVE PROCESS AS MANY OF OUR BILLS DO VERY

2:23:38

QUICKLY POLICY COMMITTEES WERE ON CONSENT DIDN'T GO THROUGH THE APPROPRIATIONS PROCESS FLOOR ON THE

2:23:45

SENATE SIDE WAS ON CONSENT WE HAD HAD TO HOLD IT REALLY ON THE ASSEMBLY FLOOR

2:23:50

JUST TO BE ABLE TO RECEIVE AMENDMENTS FROM THE DEPARTMENT OF HEALTH CARE SERVICES DEPARTMENT OF AGING DEPARTMENT

2:23:56

OF PUBLIC HEALTH TO MAKE SURE THAT WHAT WE WERE LOOKING TO IMPLEMENT ALIGNED WITH THE WORK THAT IT'S BEING DONE

2:24:01

ACROSS THE APARTMENTS WE OBVIOUSLY DID NOT WANT TO MOVE A BILL FORWARD THAT DID NOT ACCOUNT FOR KIND OF WHAT THE

2:24:08

DEPARTMENT'S NEEDS WERE AND SO WE HAD TO AND BECAUSE THIS BILL WAS MOVING SO QUICKLY I THINK IT PRESENTED A VERY

2:24:13

UNIQUE JOB CHALLENGE WHICH IS THAT YOU KNOW WE WERE STILL WAITING FOR THOSE AMENDMENTS ONCE THE LEGISLATURE

2:24:19

RECONVENES WE THINK THAT IT'LL MOVE THROUGH THE ASSEMBLY FLOOR PRETTY EASILY AND THEY'LL HAVE TO GO BACK TO THE

2:24:24

SENATE FOR WHAT'S CALLED CONCURRENCE BECAUSE OF THOSE AMENDMENTS BUT WE STILL FEEL FAIRLY OPTIMISTIC ABOUT THIS

2:24:30

BILL MOVING FORWARD AND WE THINK THAT IT'S A REAL GREAT OPPORTUNITY TO HIGHLIGHT THE WORK OF THE ALZHEIMER'S

2:24:36

DISEASE CENTERS PARTICULARLY FOR POTENTIALLY ASKING FOR ADDITIONAL FUNDING FOR THOSE CENTERS AGAIN

2:24:42

SOMETHING THAT WE'VE TALKED ABOUT BEFORE THE BREAK AS WELL SO

2:24:47

I THINK THAT'S THAT ON THIS ONE AND THEN AND THEY ONLY HAVE ONE MORE SLIDE SO THERE ARE A NUMBER OF BILLS HERE THAT

2:24:54

WE'VE GONE OVER SOME OF THEM ARE BILLS THAT HAVE BEEN HELD I'LL MENTION TWO

2:25:00

BILLS THOUGH THAT ARE RELEVANT TO THIS COMMITTEE SO SB 544 YOU'LL SEE ON THE

2:25:05

RIGHT HAND LOWER SIDE BY SENATOR LAIRD THAT PRESERVES SOME OF THE PANDEMIC

2:25:11

RELATED FLEXIBILITIES THAT WERE OFFERED TO STATEWIDE BOARD AND COMMISSIONS WHICH WE FEEL WOULD PROVIDE ADDITIONAL

2:25:18

FLEXIBILITY FOR A BODY LIKE THE ALZHEIMER'S ADVISORY COMMITTEE THE BILL I BELIEVE IS IN THE ASSEMBLY

2:25:25

OF APPROPRIATIONS COMMITTEE AND I THINK IF TALKING TO THEIR RESPONSE TO THE

2:25:30

COMMISSION ON AGING THEY'RE OPTIMISTIC THAT I'LL MOVE FORWARD BUT THERE HAS BEEN SOME PUSHBACK ABOUT HOW THIS BILL

2:25:36

IMPACTS ACCESS I THINK THEY AS PROPONENTS WE AS SUPPORTERS THINK THAT IT EXPANDS ACCESS

2:25:42

THERE'S BEEN SOME DEBATE ON THAT POINT AND SO THERE MAY BE SOME ADJUSTMENTS THAT WILL BE MADE IN THE APPROPRIATIONS

2:25:48

COMMITTEE ON THIS BILL BUT WE'RE OPTIMISTIC THAT IT WILL MOVE FORWARD AND IT WILL IMPACT THIS COMMITTEE BY

2:25:55

PROVIDING ADDITIONAL FLEXIBILITY THE OTHER BILL THAT I THINK I'VE MENTIONED

2:26:00

AS WELL IS AB 820 AGAIN ANOTHER COMMISSION ON AGING BILL WHICH ADDS INDIVIDUALS WHO CAN REPRESENT AND ADVOCATE FOR THOSE AGING

2:26:07

POPULATIONS TO A NUMBER OF STATEWIDE BOARDS AND COMMITTEES INCLUDING THIS ONE AND THAT INTERACTS WITH OUR AB387 BECAUSE WE ADD

2:26:20

A REPRESENTATIVE FOR THE COMMISSION ON AGING SO IT'S SOMETHING THAT WE WANT

2:26:25

TO SEE THERE TO WE WANT THERE TO BE ALIGNMENT IN WHAT THEY'RE TALKING ABOUT WITH RESPECT TO THE ADVISORY

2:26:31

COMMITTEE YOU KNOW A BILL IN A PROCESS THAT WE'VE ALL ENGAGED WITH FOR NOW TWO YEARS

2:26:37

AND ARE COMFORTABLE WITH THE ADDITIONS THAT HAVE BEEN MADE AND MAKING SURE THAT WE'RE AB8 20 TOUCHES THIS

2:26:44

COMMITTEE IT'S THE SAME LANGUAGE SO THAT IF EITHER BILL PASSES OR BOTH BILL PASSES IT'S THE SAME IT'S THE SAME BASIC

2:26:50

CONCEPT THE ONLY CHALLENGE THERE IS YOU KNOW BECAUSE THEY'RE ADDING A REPRESENTATIVE TO A NUMBER OF BOARDS AND

2:26:56

COMMISSIONS THE LEGISLATURE IS REALLY FOCUSED ON MAKING SURE THAT BILLS ARE

2:27:02

NOT SELF-SERVING SO IT CAN'T BE A BILL THAT SAYS A REPRESENTATIVE FOR THE COMMISSION ON AGING IT HAS TO BE BROADER

2:27:08

THAN THAT AND THE BROADNESS OF THAT LANGUAGE IN MY OPINION DOESN'T WORK FOR THE REPRESENTATIVE HERE BECAUSE

2:27:14

ONE COULD MAKE THE ARGUMENT THAT EVERYBODY HERE IS ADVOCATING ON BEHALF OF THOSE INTERESTS SO WE WANT TO SEE OUR

2:27:21

LANGUAGE INCORPORATED INTO THE REYES BILL AND IF BOTH BILLS MOVE THROUGH THE APPROPRIATIONS PROCESS WE THINK THAT

2:27:26

THAT IS SOMETHING THAT WE AND THE SPONSORS OF 820 AGREED ON SO WE DON'T THINK THAT THERE WILL BE ANY CONFLICT

2:27:33

THERE ONCE WE GET TO THAT STAGE IF WE GET TO THAT STAGE WE'RE BOTH IN THE SAME APPROPRIATIONS PROCESS SO

2:27:40

I THINK THAT THAT'S BEFORE YOU GO THROUGH CAN I ON JARED SLIDE THERE AB423 SO

2:27:47

THAT IS LEGISLATION THAT ALZHEIMER'S LOS ANGELES ALZHEIMER'S SAN DIEGO AND ALZHEIMER'S ORANGE COUNTY HAD

2:27:53

SPONSORED AND THIS IS RELATED TO ESTABLISHING THE WANDERING TASK FORCE AND THE BILL DIED THIS SESSION

2:28:00

BECAUSE IT HAD OVER 10 MILLION DOLLARS OF COSTS STUCK TO IT BY THE DEPARTMENT OF JUSTICE BUT I REALLY FEEL LIKE

2:28:07

THIS ISSUE OF WANDERING BROADLY ALSO CONNECTS OVER WITH TALKING IN THE BREAK

2:28:12

ABOUT THIS TO THE ISSUE OF EMERGENCY PREPARED THIS AND SO I WOULD LIKE TO SEE

2:28:17

THIS COMMITTEE KIND OF DIVE INTO THAT ISSUE AND MAYBE YOU KNOW PERHAPS NOT AT

2:28:23

THIS MEETING BUT IN FUTURE THIS COULD BE AN AREA WHERE WE COULD MAKE SOME ROBUST RECOMMENDATIONS TO THE SECRETARY

2:28:30

OKAY THANK THANKS FOR THAT UPDATE JARED AND

2:28:36

BARBRA I GUESS I WANTED TO GO BACK JUST FOR A SECOND TO THIS COMMITTEE'S

2:28:42

BILL AND TALK ABOUT KIND OF STRATEGIES FOR GETTING IT OUT AND I HAD A COUPLE OF

2:28:48

THOUGHTS SO CAN WE JUST GO BACK TO THAT SLIDE I DON'T REMEMBER WHAT NUMBER IT WAS MAYBE LIKE THREE BACK OR SOMETHING

2:28:55

ONE MORE YEAH SO I MEAN WHAT RIGHT THERE 387 THANK YOU SO I MEAN IT SEEMS

2:29:03

LIKE ONE IF THE BILL REGARDING MEETINGS PASSED RIGHT IT WOULD

2:29:09

THAT MEETINGS COULD BE DONE WITH COVID KIND OF FLEXIBILITIES THAT MIGHT REDUCE THE COST SO MAYBE THAT'S ONE PATH

2:29:16

I MEAN A SECOND PATH MIGHT BE TO NOT INCLUDE ADDITIONAL MEMBERS AND OR TO

2:29:23

INSTEAD SAY THE SECRETARY CAN APPOINT ADDITIONAL MEMBERS AND IN APPOINTING MEMBERS SHOULD CONSIDER AND THEN KIND OF

2:29:30

GIVE THE EXAMPLES THAT ARE HERE RIGHT OF THINGS THE SECRETARY COULD CONSIDER AND

2:29:36

IF HE WANTS TO HE IN THIS CASE WANTS TO APPOINT ADDITIONAL MEMBERS WHICH THEN DOESN'T MAKE IT A MANDATE AS MUCH AS THE

2:29:43

THE SECRETARY HAS THE FLEXIBILITY ABOUT ADDING MEMBERS BUT I

2:29:50

GUESS I SAY THAT I THINK IT'S IMPORTANT TO LOOK AT OTHER OPTIONS TO REDUCE THE COST BECAUSE

2:29:59

SOME OF THE LANGUAGE IN THE STATUTE IS SO STIGMATIZING AND WE'RE IN A PLACE WHERE WE CURRENTLY HAVE

2:30:06

MEMBERS WHO AREN'T AFFORDED THE SAME TERMS AS OTHER MEMBERS THAT I WOULD

2:30:12

REALLY INDIVIDUALLY THINK THAT'S JUST WORTH ACHIEVING EVEN IF BECAUSE OF

2:30:20

THE BUDGET APPROPRIATIONS KIND OF CHALLENGES WE CAN'T GET THE ADDITIONAL MEMBERS SO I WONDERED IF YOU HAD

2:30:27

THOUGHTS ABOUT APPROACHES AND

2:30:33

THAT'S MY JOB TO HAVE THOUGHTS YEAH WELL I THE COMMENT ABOUT

2:30:39

SB 544 PRESERVING THE FLEXIBILITY IS SOMETHING THAT DEFINITELY NOTHING ABOUT I MEAN IF YOU WERE TO THINK IT BOTH

2:30:45

BUILDS AS CURRENTLY STAND THEY BOTH ARE ENACTED AT THE SAME TIME THE ADDITIONS ARE YOU KNOW LIKE THE

2:30:53

TRAVEL COSTS ARE ACCOUNTED FOR IN THE ADDITIONS AT THAT STAGE BUT I THINK WE'RE TRYING TO DO WITH

2:30:59

APPROPRIATIONS IS MAKE THAT CASE AND IF WE NEED TO DELAY POTENTIALLY THE IMPLEMENTATION OF OUR BILL TO REALLY

2:31:05

MAKE THAT CASE TO SAY YOU KNOW WE'RE OPTIMISTIC ABOUT SB 544 IMPACTING THIS COMMITTEE IN HOWEVER IT'S AMENDED DO YOU

2:31:12

THINK THAT THE ADMINISTRATION IS INTERESTED IN THAT BILL AS WELL SO WE THINK THAT THERE'S AN OPPORTUNITY THERE SO THAT IS OUR I THINK OUR BEST CASE

2:31:19

SCENARIO IN PRESERVING THE BILL IN ITS ENTIRETY SO MAYBE IT'S IMPLEMENTED JULY 1 OF NEXT YEAR AS OPPOSED TO

2:31:25

JANUARY ONE OF NEXT YEAR THAT AGAIN THAT WOULD BE THE BEST CASE SCENARIO OUR WORST CASE SCENARIO IS A VERSION OF WHAT

2:31:32

YOU MENTIONED IN YOUR COMMENTS WHICH IS REMOVING ADDITIONAL MEMBERS AND ESSENTIALLY

2:31:38

JUST CONFORMING THE TERM LENGTHS AND REMOVING THE STIGMATIZING LANGUAGE THAT'S OUR I THINK OUR WORST CASE

2:31:43

SCENARIO BECAUSE YOU KNOW WE THINK THAT THERE'S BROAD-BASED AGREEMENT ON THE NEEDS TO MAKE THESE ADDITIONS AND WE

2:31:49

THINK THAT THERE'D BE VALUE THERE SO IT REALLY WILL TAKE A READ OF THE

2:31:55

APPROPRIATION STAFF AND THE PROCESS TO DETERMINE WHAT OUR YOU KNOW WHAT OUR

2:32:00

OPPORTUNITY TO GET OUT OF SUSPENSE IS GOING TO BE I MEAN IT'S A VERY OPAQUE PROCESS AND WE MIGHT THINK THAT WE

2:32:06

HAVE A GOOD CHANCE OF GETTING THE BILL OUT MAKING MINIMAL CHANCES BUT THEN OR MAKING MINIMAL ADJUSTMENTS AND THEN

2:32:13

THESE YOU KNOW LEFT WITH NOTHING BUT I DO LIKE YOUR IDEA OF THAT

2:32:19

MIDDLE GROUND ESSENTIALLY OF ALLOWING THE SECRETARY WHICH WE HAVE DONE IN THE BILL TO APPOINT IN THE BILL AS IT

2:32:26

CURRENTLY STANDS FOR ADDITIONAL MEMBERS AS THEY SEE FIT WE POTENTIALLY TURN ALL

2:32:31

OF THE ADDITIONS TO THAT MAY ADD THESE ADDITIONAL POSITIONS

2:32:37

I HADN'T THOUGHT ABOUT THAT BEFORE SO WE CAN TALK TO THE ASSEMBLY MEMBER'S OFFICE ABOUT THAT AS LIKE A MIDDLE A MIDDLE GROUND SOLUTION

2:32:44

I MEAN ALL OPTIONS ARE ON THE TABLE TO GET THIS BILL OUT I YOU KNOW I REALLY WANT THIS BILL TO PASS THIS YEAR

2:32:52

OKAY SO THANKS FOR THAT AND I GUESS I JUST I WOULD I WOULD SAY THEY'RE ALL

2:32:57

DIFFERENT OPTIONS I THINK SOMETIMES WE JUST HAVE TO SAY AS OPPOSED TO BEING WORSE IT'S A PLACE TO START IN

2:33:06

TERMS OF MAKING THINGS WHAT BETTER FOR THIS COMMITTEE AND THAT WE CAN CONTINUE

2:33:11

TO WORK ON IT SO IF THERE'S A WAY I CAN BE HELPFUL OR HOWEVER LET ME LET ME KNOW JUST I MEAN

2:33:18

NOT SPEAKING ON BEHALF OF THE COMMITTEE BECAUSE THE COMMITTEE DOESN'T TAKE YOU KNOW LIKE KIND OF FORMAL POSITIONS WE ADVISE THE SECRETARY THAT I'M HAPPY TO

2:33:25

PERSONALLY BE HELPFUL IF THERE'S A WAY I CAN DO THAT SO THANKS FOR THE UPDATES

2:33:30

ANDREA HAD A COMMENT SURE THANKS ANDREA SO YOU KNOW AS A COMMITTEE MEMBER

2:33:37

A PERSON LIVING WITH THIS EXPERIENCE IT LITERALLY TAKES OVER A YEAR JUST TO GET FAMILIAR WITH IT AND IT'S HARD TO GET

2:33:44

WORK DONE WHEN YOU'RE IN A STAGE OF JUST TRYING TO UNDERSTAND WHAT'S GOING ON AND ESPECIALLY IF YOU'RE LIVING WITH SOME

2:33:50

TYPE OF COGNITIVE IMPAIRMENT AND I THINK THAT WE REALLY HAVE A VOICE I
COME TO YOU GUYS ALL THE TIME TO LET YOU KNOW
2:33:57
FROM LIVED EXPERIENCE HOW THESE PROGRAMS ARE WORKING AND IF THERE'S
ANYTHING THAT
2:34:02
I COULD DO YOU KNOW WHETHER IT'S A LETTER FROM ME TO ADVOCATE MORE AND
NOT JUST
2:34:08
FOR ME SITTING ON THIS COMMITTEE ANYONE THAT'S COMING BEHIND ME I THINK
IT'S ONLY FAIR TO GIVE
2:34:14
YOU KNOW PEOPLE LIVING WITH THIS CONDITION THREE YEARS BECAUSE IT TAKES
A LONG TIME JUST TO BE A FAMILIAR WITH
2:34:20
EVERYTHING EVERYBODY YEAH I COULDN'T AGREE MORE AND AGAIN I THINK NOT
TO SAY WORSE IN COMPARATIVE BUT
2:34:27
IN THAT CIRCUMSTANCE I THINK NO MATTER WHAT WE'LL HAVE THAT AT THE END
OF THIS PROCESS THE HOPE IS THAT WE
2:34:34
HAVE EVERYTHING THAT'S CURRENTLY IN THE BILL BUT I THINK THAT AT THE
MINIMUM I THINK THAT WILL THAT WILL BE
2:34:40
SOMETHING THAT HAPPENS THIS YEAR AND WOULD LOVE YOUR SUPPORT AND I
CAN WORK WITH YOU ON A LETTER YEAH
2:34:46
AND I THINK JUST FOR SO I KNOW PEOPLE ARE KEEPING TRACK OF THINGS WE
2:34:51
WANT TO CALL TO THE SECRETARY'S ATTENTION I THINK I WOULD CALL THIS BILL
2:34:57
TO THE ATTENTION OF THE SECRETARY AND THE IMPORTANCE OF BOTH
INCREASING MEMBERSHIP BUT ALSO ELIMINATING THE
2:35:04
STIGMATIZING LANGUAGE AND THE DISCRIMINATORY WHAT I WOULD CALL
DISCRIMINATORY TERMS IN THE IN THE BILL
2:35:10
AND ALSO ASK THE SECRETARY IF IT SORT OF LIKE WOULD IT HELP IF THE
2:35:17
SECRETARY HAD IN THAT MIDDLE SPACE MORE FLEXIBILITY APPOINTING MEMBERS
SO COULD MAKE THOSE DECISIONS AS RESOURCES
2:35:23
PARTICULARLY REGARDING STAFF WERE AVAILABLE JUST BECAUSE I THINK THAT
MIGHT BE
2:35:29

KIND OF THE INTERIM PATH TO GET IT FORWARD AND THEN IN A BETTER BUDGET
CLIMATE YOU KNOW WE CAN ALWAYS GO BACK
2:35:35
AND MAKE CERTAIN POSITIONS MANDATORY IF WE'RE ABLE TO DO THAT SO MAYBE
2:35:40
THAT COULD BE ADDED TO THE CALLING THIS BILL TO THE ATTENTION OF THE OF
THE SECRETARY
2:35:46
THINK HE MIGHT BE ABLE TO BE HELPFUL BUT ANYWAY THANKS FOR THE UPDATE
AND REALLY THANK YOU JARED FOR TAKING THIS ON
2:35:54
FOR THE LAST TWO YEARS AND I'M WITH YOU LET'S HOPE
2:35:59
WE'RE DONE THIS YEAR THAT'D BE AN AMAZING OUT COME
2:36:06
SO WE DO HAVE TIME IF OTHER COMMITTEE MEMBERS HAD QUESTIONS RELATED
TO THE LEGISLATIVE UPDATE THAT'S EXACTLY WHAT I
2:36:13
WAS GOING TO SAY SO ANYBODY ELSE HAVE QUESTIONS THAT WAS A REALLY
2:36:18
YEAH REALLY REALLY GOOD PRESENTATION TO GIVE US A SENSE OF WHAT'S GOING
ON JUST A QUESTION FOR JARED IS THERE A
2:36:25
CHANCE I MEAN THE STATE OF THE NATION THE ECONOMY YOU KNOW THE
APPROPRIATIONS DOESN'T WANT TO SPEND ANY MONEY SO YOU
2:36:31
KNOW THE BILL OBVIOUSLY HAS A LOT OF VALIDITY AND EVERYBODY SITTING HERE
KNOWS HOW VALUABLE IT IS THERE A CHANCE THAT IT
2:36:37
GETS TURNED INTO A TWO-YEAR BILL AND JUST PUSH THE NEXT YEAR I THINK A
VERY LITTLE SENSE THAT THAT'S
2:36:44
NOW IT'S NOT NORMAL THAT IN SECOND HOUSE SUSPENSE THAT ABILITY TO TURN
INTO THE
2:36:49
TWO-YEAR BILL SO THIS IS REALLY I THINK OUR LAST TIME EITHER IT'S THIS OR WE
2:36:54
COME BACK WITH ANOTHER BUILD NEXT YEAR YEAH AND THAT'S WHY MAKING
THOSE AMENDMENTS AND APPROPRIATIONS TO MAKE SURE NO MATTER WHAT IT
GETS OUT IN SOME
2:37:01
FORM IS A HUGE PRIORITY
2:37:06
YEAH DR MOBLEY YOU HAVE A QUESTION I THINK YEAH QUICK QUESTION HOW
DOES IT
2:37:14

WORK TO PUT THE DCA UNDER THE ADCS HOW DOES THAT HOW IS THAT ENVISIONED TO WORK
2:37:20
DOES THAT ALLOW THE DCA TO BE AGGRESSIVE IN SECURING THE TRAINING
2:37:28
THAT'S NEEDED BY THE PRIMARY CARE PROVIDERS HOW DOES THAT LOOK
2:37:33
YEAH SO IN THE WAY THE BILL CURRENTLY IS HAS BEEN AMENDED IF WE CAN THINK
2:37:39
ABOUT DCA AND TWO AS TWO DIFFERENT PROGRAMS A MEDICAL PROGRAM AND THEN A PHYSICIAN TRAINING
2:37:45
PROGRAM THE ENTIRETY OF THE PROGRAM GETS BROUGHT UNDER THE DEPARTMENT OF PUBLIC HEALTH BUT DEPARTMENT OF HEALTH
2:37:52
CARE SERVICES WHICH MANAGES THE MEDICAL PROGRAM STILL MANAGES THAT INCENTIVE PROGRAM STILL MANAGES THE REIMBURSEMENTS
2:37:59
AND THE CODES NECESSARY FOR THAT BUT OUR VISION OF THIS IS REALLY ON THAT TRAINING SIDE AND WORKING WITH THE
2:38:06
ALZHEIMER'S DISEASE CENTERS TO REALLY BE MUCH MORE OUT INTO THE COMMUNITIES BY NOT ONLY HOPE YOU KNOW ON-SITE BEING
2:38:13
ABLE TO DO THE DIAGNOSTIC WORK THAT THEY DO BUT BY THROUGH THE TRAINING DEVELOPED BY DEMENTIA CARE WHERE BY
2:38:19
BEING MUCH MORE AGGRESSIVELY ENGAGING WITH PRIMARY CARE PROVIDERS IN THE COMMUNITY AND HOPEFULLY GETTING MORE
2:38:25
PEOPLE TRAINED I THINK MY UNDERSTANDING IS THAT THERE'S BEEN A FAIRLY LOW UPTAKE ON THE TRAINING IN DEMENTIA
2:38:33
CARE AWARE UP TO THIS POINT BUT WE WANT TO SEE WE WANT TO SEE MORE PRIMARY CARE PROVIDERS TAKING THIS TRAINING AND
2:38:39
IN TALKING TO THE ALZHEIMER'S DISEASE CENTERS AND TALKING TO THE DEMENTIA CARE AWARE PROGRAM I
2:38:45
THINK THEY THINK THAT THERE'S A LOT OF OPPORTUNITY IN COMBINING THE TWO AS THEY'VE BEEN WORKING COLLABORATIVELY FOR
2:38:51
THE LAST TWO YEARS I MEAN IT'S A REAL DIFFERENT ROLE FOR THE ADC I MEAN
2:38:56
IT'S A IT'S REALLY A VERY USEFUL IDEA A VERY DIFFERENT ROLE

2:39:01

I THINK LOGISTICALLY THERE MAY NEED TO BE JUST SOME PROCESSES THOUGHT ABOUT I

2:39:06

MEAN CAN YOU IMAGINE UNDER THIS DIFFERENT UMBRELLA

2:39:11

THAT EACH ADC REALLY FEELS THAT IT'S A LOCAL HUB

2:39:17

THAT CAN BE RESPONSIBLE FOR TRAINING THE FOLKS THE DOCTORS IN THEIR REGION IN

2:39:23

OTHER WORDS TAKE ON A MUCH MORE AGGRESSIVE ADC BASED APPROACH TO

2:39:29

TRAINING IN THE LOCAL AREA WHAT DO YOU THINK ABOUT THAT JARED YEAH I THINK THAT THAT'S THE HOPE BUT

2:39:35

I'LL CONCEDE A COUPLE OF POINTS SO ONE IS ALL OF THIS I THINK REQUIRES ADDITIONAL FUNDING DEMENTIA CARE AWARE

2:39:41

IS FUNDED THROUGH THE HOME AND COMMUNITY-BASED SERVICES SPENDING PLAN SO THEY LOSE ACCESS TO THOSE DOLLARS AT THE END OF NEXT YEAR THEY NEED

2:39:48

CONSISTENT FUNDING TO ENSURE THAT THAT WORK CONTINUES AND I THINK THAT IF

2:39:53

YOU ASK ANY ALZHEIMER'S DISEASE CENTER DIRECTOR WHETHER OR NOT THEY NEED MORE FUNDING THEY'LL TELL YOU THEY NEED MORE

2:39:58

FUNDING SO TO DO THAT WORK THAT'LL BE THE NEXT STEP BUT I'LL ALSO CONCEDE

2:40:03

THAT YOU KNOW OUR VISION OF WHAT THIS BILL IS GOING TO DO IS POSITION THE ALZHEIMER'S DISEASE CENTERS AND DEMENTIA

2:40:10

CARE AWARE TO BE ABLE TO MAKE THOSE DECISIONS AND FIGURE OUT HOW IT WILL WORK ON SITE AND SO I WOULD REALLY LOOK

2:40:16

TO THEM TO DETERMINE HOW BEST TO REALLY BE MUCH MORE ACTIVE IN THE COMMUNITY GIVEN ADDITIONAL FUNDING

2:40:24

WHICH IS THE YOU KNOW THE MAIN BARRIER AND HURDLE TO ANY OF THE WORK AT THIS STAGE THANK YOU

2:40:33

ANY OTHER QUESTIONS OR COMMENTS

2:40:38

OKAY NOT SEEING ANY THANK YOU AGAIN FOR THE PRESENTATION I AM GOING TO
2:40:45
BE LEAVING THE MEETING BUT I'M TURNING IT OVER TO THE VERY WONDERFUL AND
CAPABLE DARRICK WHO IS THE VICE CHAIR AND
2:40:51
HE IS ALSO SOMEONE THAT'S BEEN WORKING ON THE ISSUE THAT'S PART OF THE
NEXT PANEL AND DOING A TERRIFIC JOB
2:40:58
REPRESENTING OUR COMMISSION ON THAT WHICH IS ABOUT LONG-TERM CARE
FACILITY ACCESS
2:41:05
POLICY WORK GROUP SO WITH THAT I'M GOING TO TURN IT OVER TO DARRICK AND
HE'S GOING TO INTRODUCE THE PANEL AND I'M SURE
2:41:13
INFORM YOU ABOUT ALSO THE WORK THAT THAT HE'S BEEN DOING ON THAT
COMMITTEE SO THANKS SO MUCH FOR TAKING OVER DARRICK
2:41:19
APPRECIATE IT THANK YOU SO MUCH CATHERINE FOR SHARING THE MEETING AND
OUR NEXT
2:41:26
UPDATE IS ON THE CALIFORNIA DEPARTMENT OF AGING LONG-TERM CARE FACILITY
ACCESS
2:41:32
POLICY WORK GROUP SO BOTH CATHERINE AND I ACTUALLY ARE SERVING ON THAT
WORK
2:41:39
GROUP AND WE HAVE MET A FEW TIMES ALREADY AND WE ARE VERY PLEASED TO
HAVE MARK BECKLEY WHO'S THE CHIEF DEPUTY
2:41:47
DIRECTOR OF THE CDA AS WELL AS BRANDIE DEVALL WHO'S THE ATTORNEY WITH
THE
2:41:53
DEPARTMENT TO BE HERE TODAY AND PROVIDE US WITH A FEW UPDATES I'M VERY
2:41:59
IMPRESSED WITH THE KIND OF DISCUSSION THAT WE HAVE SO FAR AND ALSO THE
STAFF FOR WORKING DILIGENTLY COLLECTING INPUT
2:42:07
TO BASICALLY MAKE SURE THAT THE PRINCIPLES THEY ARE PUTTING TOGETHER
WILL BE USER FRIENDLY WE'LL BE
2:42:13
ADDRESSING A LOT OF ISSUES IF YOU WILL AND TRUST ME IT'S HARD TO PLEASE
EVERYONE BUT I THINK THE DEPARTMENT HAS
2:42:20
TRIED VERY HARD AND SHE DID A VERY BEST TO DO RIGHT SO OVER TO YOU GREAT
THANK
2:42:25

YOU SO MUCH DARRICK AND GOOD AFTERNOON EVERYBODY I DON'T KNOW
BRANDIE'S ON THE PHONE OR NOT

2:42:31

BUT I'M HAPPY TO BE AVAILABLE AT ONE TERRIFIC SO I'M HERE TO PRESENT ABOUT
2:42:38

THE LONG-TERM CARE FACILITIES ACCESS SUPPORT GROUP THIS WAS A WORK
GROUP THAT WAS

2:42:43

CONVENED JUST THIS YEAR IN FEBRUARY AND IT WAS DESIGNATED UNDER THE
BUDGET ACT

2:42:49

THE LEGISLATURE INSERTED LANGUAGE ASKING CDA CAN BE IN A WORK GROUP OF
STAKEHOLDERS TO REALLY LOOK AT

2:42:56

LONG-TERM CARE FACILITY RESIDENT ACCESS TO VISITORS DURING THE STATE'S
2:43:01

EMERGENCY AS WE KNOW DURING THE COVENANT PANDEMIC VISITATION WAS
SEVERELY RESTRICTED EARLY IN THE PANDEMIC

2:43:07

VISITATION WAS WHAT WE PROHIBITED I WOULD SAY LATER IN 2020 VISITATION
2:43:14

WAS OPENED UP MAINLY YOU KNOW FOR OUTSIDE VISITS WINDOW SITE VISITS AND
2:43:19

THEN LATE IN THE PANDEMIC A VISITATION WAS OPENED UP TO INDIVIDUALS WHO
HAD PPE OR HAD VACCINATION SHOTS AND OF COURSE

2:43:27

NOW VISITATION IS PRETTY MUCH BACK TO NORMAL AT LONG-TERM CARE
FACILITIES

2:43:32

THERE WAS LEGISLATION THAT WAS ATTEMPTED IN 2022 IT WAS AN NAZARIAN
2:43:38

BILL CALLED THE LONG-TERM CARE FACILITY RESIDENT DESIGNATED SUPPORT
2:43:43

PERSON'S ACT THAT BILL WAS HELD BECAUSE IT WAS REALLY CLEAR IN
DISCUSSIONS THAT THE

2:43:50

AUTHOR'S OFFICE HAD WITH ADVOCATES AND STAKEHOLDERS THAT MORE
DISCUSSION STATED THAT THERE WAS VARIOUS

2:43:56

PERSPECTIVES FROM PUBLIC HEALTH AND RESIDENT ADVOCATES AND THAT THERE
REALLY WAS A NEED FOR A WORK GROUP TO BE

2:44:02

CONVENED TO DISCUSS ALL THESE VARYING VIEWS ISSUES

2:44:08

SO IN FEBRUARY CDA KICKED OFF THE WORK GROUP IT CONSISTS OF 31
STAKEHOLDERS AND IF WE GO TO THE NEXT

2:44:16

SLIDE THE STAKEHOLDERS REALLY CAN BE IN A BROAD ARRAY OF FACILITY OPERATORS STATE

2:44:23

DEPARTMENTS RESIDENT ADVOCATES EXPERTS ON BEHAVIORAL HEALTH AND ELDER JUSTICE

2:44:30

ASSOCIATION REPRESENTATIVES AND OF COURSE AS

2:44:36

DARRICK SAID HE AND CATHERINE ARE REPRESENTATIVES FROM THIS COMMITTEE ON THE STATEHOLDER WORK GROUP

2:44:42

OKAY NEXT SLIDE AND SLIDE AFTER THAT SO THAT'S ALL OF OUR STATE UNIVERSITIES I ALSO WANT TO I

2:44:49

HIGHLIGHT PEOPLE STILL HAVE THE CHOICE TO BE RESIDENTS AND FAMILY MEMBERS THEMSELVES

2:44:55

SO I AM PROUD TO SAY THAT WE DO HAVE RESIDENT AND FAMILY MEMBERS ON THE WORK GROUP AND THEY

2:45:02

REALLY PROVIDE A POWERFUL VOICE SO AS I MENTIONED THE GOAL OF THE WORK GROUP IS REALLY TO DEVELOP A SET OF

2:45:09

RECOMMENDATIONS FOR THE LEGISLATURE TO CONSIDER ON THE ACCESS TO RESIDENTS AND

2:45:16

VISITATION POLICIES DURING STATE'S OF EMERGENCY

2:45:21

I'D SAY THAT A REALLY CRITICAL BALANCING POINT FOR THE WORK GROUP IS REALLY THAT BALANCE BETWEEN PUBLIC

2:45:26

HEALTH SO THE SAFETY OF THE RESIDENTS PROTECTION OF THE RESIDENTS BALANCE AGAINST THEIR NEEDS FOR VISITORS AND WE

2:45:32

KNOW THAT VISITORS FAMILY MEMBERS LOVED ONES ARE REALLY CRUCIAL DURING AT ALL

2:45:38

TIMES BUT DURING STATES OF EMERGENCY AND THERE HAS BEEN RESEARCH THAT SHOWS THAT WITH LACK OF VISITATION

2:45:44

A LACK OF SOCIAL INTERACTION IT DOES HAVE SOME THAT AT FIRST BEHAVIORAL HEALTH AS WELL AS PHYSICAL

2:45:51

EFFECTS ON RESIDENTS SO THAT'S YOU KNOW REALLY A GREAT BALANCING POINT

2:45:57

DURING THE SUPPORT GROUP CDA HAS CONTRACTED WITH A CONSULTANT
MANETT TO

2:46:03

HELP US FACILITATE THE MEETINGS AS WELL AS CONDUCT RESEARCH FOR US SO
WE'VE GOT

2:46:09

A LOT OF GREAT RESEARCH THAT'S BEEN CONDUCTED TODAY THERE'S
APPROXIMATELY HALF LET'S SAY ABOUT HALF THE STATES

2:46:15

HAVE SOME ESSENTIAL OR COMPASSIONATE CAREGIVING LAWS ON THE BOOKS SO
IT ONLY

2:46:21

MAKES SENSE THAT CALIFORNIA IS LOOKING AT THIS ISSUE THE WORK GROUP HAS
HAD ONE KICKOFF MEETING AND THREE WORK GROUP

2:46:28

MEETINGS AND THEN WE HAVE ONE MORE MEETING LEFT AND THEN WE'RE
REQUIRED TO SUBMIT A REPORT FOR THE LEGISLATURE

2:46:37

EXCELLENT OKAY SO IN ORDER TO MEET LEGISLATIVE

2:46:43

INTENT AND THE INTENT OF THE WORK GROUP IS REALLY DEVELOPING POLICIES
AND PRACTICES FOR LONG-TERM

2:46:50

CARE FACILITIES THAT SERVE PRIMARILY OLDER ADULTS BUT REALLY YOU KNOW
ALL

2:46:55

ADULTS SO IT WAS REALLY IMPORTANT THAT WE CLEARLY DEFINE THE SCOPE OF
WHAT A

2:47:01

VISITOR IS WHAT TYPES OF FACILITIES THAT WE'RE CONSIDERING AND WHAT TYPES
OF EMERGENCIES THAT WE CONSIDERED SO YOU

2:47:08

CAN SEE THE LIST OF VISITORS THAT WE'VE IDENTIFIED AS DESIGNATED SUPPORT
PERSONS

2:47:13

FOR RESIDENTS IN TERMS OF FACILITY TYPE AGAIN PREDOMINANTLY FACILITIES
THAT

2:47:19

SERVE ADULTS AND OLDER ADULTS THERE WAS A QUESTION EARLY IN THE WORK
GROUP ABOUT WHETHER OR NOT WE'D BE COVERING

2:47:24

FACILITIES THAT HAVE CHILDREN AND THE DECISION WAS MADE NO WE DON'T
HAVE THE

2:47:31

EXPERTISE IT'S REALLY BEYOND THE SCOPE OF WORK WE HAVE TO CONSIDER
THOSE TYPES OF FACILITIES AND THEN FINALLY

2:47:36

EMERGENCIES SO THE WORK GROUP DECIDED WITH GUIDANCE FROM THE LEGISLATURE IT

2:47:42

REALLY BROADEN THE DEFINITION OF EMERGENCY UNDER THE ORIGINAL NAZARIAN BILL IT WAS REALLY SPECIFIED TOWARDS PUBLIC

2:47:49

HEALTH EMERGENCIES WE BROADENED THAT TO COVER THINGS LIKE POWER OUTAGES OR NATURAL DISASTERS AS WELL BECAUSE REALLY

2:47:55

VISITATION SHOULD OCCUR DURING STATES OF EMERGENCY REGARDLESS OF TIME

2:48:02

OKAY NEXT SLIDE

2:48:08

OKAY SO DURING THE COURSE OF THE WORK GROUP

2:48:14

WE WENT THROUGH I'D SAY THREE REALLY CRITICAL BASES THE FIRST ONE IS

2:48:19

THE RESEARCH AND DISCOVERY PHASE WHAT ARE OTHER STATES DOING WHAT'S THE RESEARCH ABOUT THE IMPORTANCE OF

2:48:25

VISITATION THE EFFECTS ON RESIDENTS FROM THE LACK VISITATION THE BENEFITS TO RESIDENTS WHO ACTUALLY HAVE VISITATION

2:48:33

AS WELL AS JUST POLICIES AND PROCEDURES THAT HAVE BEEN DEVELOPED

2:48:39

DIFFERENT ACADEMIC RESEARCH ON THE SUBJECT

2:48:44

THE SECOND PHASE I WOULD SAY IS REALLY HEARING FROM THE RESIDENTS THEMSELVES SO OUR SECOND WORK GROUP MEETING IS REALLY DEDICATED TO HEARING

2:48:51

THE RESIDENT STORIES WHAT THEY WENT THROUGH DURING THE PANDEMIC WHAT THEIR LOVED ONES WENT THROUGH

2:48:57

WHEN VISITATION WAS RESTRICTED AND I MEAN TRULY HEARTBREAKING STORIES AND I JUST REALLY

2:49:03

YOU KNOW APPRECIATE THE CANDOR AND THE COURAGE THAT PEOPLE HAD TO SPEAK OUT ABOUT THEIR EXPERIENCES DURING THAT WORK

2:49:10

SESSION THE THIRD WORK GROUP WAS REALLY CENTERED AROUND PUBLIC HEALTH CONCERNS AND NEEDS SO WHAT IS IT THAT PUBLIC HEALTH THINKS

2:49:17

THAT THEY NEED IN TERMS OF PROTECTING THE SAFETY OF RESIDENTS DURING PANDEMICS OR DURING CRISIS

2:49:24

WHILE STILL ATTEMPTING TO MAINTAIN SOME VISITATION POLICIES SO THAT WAS

2:49:30

A REALLY IMPORTANT PERSPECTIVE AND VIEW TO HEAR THE PHASE THAT WE'RE IN
RIGHT NOW IS REALLY DEVELOPING PRINCIPLES SO IF WE IF

2:49:38

CALIFORNIA DECIDES TO ADOPT VISITATION OR ESSENTIAL PEER-GIVING POLICIES
WHAT PRINCIPLES SHOULD THOSE POLICIES FOLLOW

2:49:44

AND THEN WHAT CONCRETE RECOMMENDATIONS ARE WE GOING TO PUT FORWARD
TO THE LEGISLATURE FOR CONSIDERATION

2:49:50

NEXT ONE SO THIS REALLY JUST TALKS ABOUT THE

2:49:57

VARIOUS PHASES THAT I JUST DESCRIBED I WILL SAY THAT WHAT'S REALLY
IMPORTANT ABOUT DEVELOPING THE RECOMMENDATIONS AND

2:50:03

THE PRINCIPLES IS THAT WE DID TAKE THE INFORMATION FROM THE INITIAL
KICKOFF MEETING AND FROM WORK GROUPS ONE AND TWO

2:50:09

TO DEVELOP THE PRINCIPLES THAT I'M ABOUT TO DISCUSS SO ALL OF THIS IS
BASED IN

2:50:15

PEOPLE'S EXPERIENCE THE PERSPECTIVES OF THE WORK GROUP MEMBERS AND
THE RESEARCH THAT WAS ABLE TO COMPILE NEXT SLIDE

2:50:23

SO FROM THIS WE DEVELOPED SEVEN CORE PRINCIPLES AND WE REALLY AND YOU
KNOW IT WAS

2:50:30

GREAT TO SEE AS AMONG THE WORK GROUP MEMBERS THERE'S GREAT
CONSENSUS AMONG THE MEMBERS AROUND THESE PRINCIPLES AT LEAST

2:50:36

THE ONES THAT RESPONDED TO A SURVEY THAT BUT MANATT SENT OUT SO IT'S
GOOD TO SEE THAT THERE'S SOME ALIGNMENT AMONG THE

2:50:42

WORKERS IN TERMS OF WHAT'S REALLY IMPORTANT FOR YOU KNOW CAREGIVING
AND VISITATION

2:50:48

DURING THE STATES OF EMERGENCY SO THE FIRST PRINCIPLE IS THAT VISITORS
ARE ESSENTIAL TO A LONG-TERM CARE FACILITIES

2:50:55

RESIDENTS WELL-BEING AND THAT THEY SHOULD BE CONSIDERED ESSENTIAL
CAREGIVERS TO RESIDENCE CARE

2:51:02

SO IN ADDITION TO WHAT I MENTIONED THE IMPORTANCE OF SOCIAL INTERACTION
PEOPLE HAVING THAT CONNECTION TO OTHER PARENTS

2:51:09

FURTHER BEHAVIORAL HEALTH NEEDS BUT ALSO I THINK WHAT REALLY CAME ACROSS IN THE WORK GROUP IS HOW IMPORTANT THEY ARE TO

2:51:16

THE PHYSICAL HEALTH THAT THEY CAN OBSERVE BEHAVIORS THAT THEY CAN PROVIDE ASSISTANCE THAT MAYBE FACILITY STAFF

2:51:23

ARE PROVIDING SO THAT THAT WAS REALLY IMPORTANT THE SECOND PRINCIPLE IS THAT THE WORK GROUP

2:51:30

ACKNOWLEDGES THAT PARAMETERS NEED TO BE ESTABLISHED SO STANDARD PARAMETERS FOR

2:51:36

ALL FACILITIES DURING THE PANDEMIC AS MANY OF YOU MAY HAVE REMEMBERED THAT YOU HAVE LOCAL

2:51:42

PUBLIC HEALTH ORDINANCES YOU'D HAVE STATE DIRECTION AND MANY OF THAT FEDERAL DIRECTION AND THEY DIDN'T ALWAYS ALIGN

2:51:48

VERY WELL AND I THINK IT CREATED A LOT OF CONFUSION FOR FACILITIES HOW MUCH VISITATION SHOULD I

2:51:54

ALLOW WHEN SHOULD I RESTRICT VISITATION SOMEWHAT VERY CONSERVATIVELY AND YOU KNOW DID A LOT OF RESTRICTIONS

2:52:01

OTHERS WERE A LITTLE MORE LIBERAL IN THEIR ACCESS TO RESIDENTS BUT REALLY YOU KNOW WE WANT TO CREATE THAT CLARITY FOR

2:52:07

ALL FACILITIES SO THAT THEY HAVE A COMMON STANDARD THAT THEY CAN FOLLOW NEXT SLIDE

2:52:17

OKAY AND THAT THE PROPOSED FRAMEWORK WOULD INCLUDE THE FIELDS SO IF A

2:52:23

FACILITY ISN'T ALLOWING THE KIND OF ACCESS ACCORDING TO THE DESIGN STANDARDS THAT

2:52:29

THERE'S SOME SORT OF AN APPEAL BOARD THAT WOULD BE DESIGNATED MAYBE IT'S THE STATE LEVEL WHERE SOMEBODY CAN SAY I WAS

2:52:34

IN FAIRLY DENIED ACCESS TO MY LOVED ONE AND YOU KNOW HAVE A FACILITY YOU KNOW

2:52:40

PROVIDE THE ACCESS IF THEY'RE NOT THEY'RE NOT PROVIDED ACCURATELY THE FOURTH PRINCIPLE WOULD ESTABLISH

2:52:47

A RIGHT OF RESIDENTS TO SEE A WIDE RANGE OF VISITORS DURING A STATE OF EMERGENCY SO THAT COULD INCLUDE THEIR

2:52:54

SPOUSE IT COULD INCLUDE A FRIEND IT COULD INCLUDE SAY A SPIRITUAL ADVISOR

2:52:59

YOU KNOW NOT THAT YOU JUST REALLY RESTRICTED TO ONE OR TWO PEOPLE BUT YOU OPEN IT UP TO A RANGE OF PEOPLE NOW

2:53:06

FACILITIES MIGHT RESTRICT THE NUMBER OF VISITORS THAT SOMEBODY CAN HAVE ANY ONE TIME BUT YOU REALLY CAN'T YOU KNOW YOU

2:53:12

REALLY SHOULDN'T JUST RESTRICT IT TO JUST ONE OR TWO PEOPLE THAT THEY WOULD SEE IT ALL

2:53:17

NEXT SLIDE OKAY PRINCIPLE FIVE AND THIS IS KIND OF

2:53:24

SPLIT UP INTO TWO PARTS THAT VISITORS SHOULD ADHERE TO THE SAME SAFETY

2:53:29

PROTOCOLS IT'S LONG-TERM CARE FACILITY STAFF ALTHOUGH THERE COULD BE VARIATION

2:53:34

DEPENDING ON YOU KNOW SAY SUPPLY ISSUES SO I WOULD SAY THIS IS A REALLY TRICKY

2:53:40

ISSUE I'M NOT IMPORTANT TO BELIEVE TO WRESTLE WITH BECAUSE WE KNOW DURING THE PANDEMIC PPE WAS RESTRICTED ACCESS TO

2:53:47

VACCINES WERE RESTRICTED SO WE REALLY HAVE TO THINK ABOUT YOU KNOW SHOULD

2:53:53

VISITORS DESIGNATE A SUPPORT PERSONS BE PRIORITIZED IN TERMS OF RECEIVING PPE

2:53:59

EARLIER ON RECEIVING VACCINE EARLIER SO THAT THEY CAN VISIT THEIR LOVED

2:54:05

ONES AND THEN PRINCIPLE 5B SAYS THAT WHEN THERE ARE SUCH EXTERNAL FACTORS SO

2:54:10

SAY THAT PPE ISN'T AVAILABLE OR THE VACCINE ISN'T AVAILABLE THAT

2:54:16

YOU KNOW VISITORS FOLLOW THE FRAMEWORK THAT'S BEEN

2:54:21

DESIGNED AND THEN WE'LL TALK ABOUT SAVING MINIMUM VISITATION POLICIES WHEN THERE MIGHT BE THESE KIND OF SHORTAGES

2:54:28

NEXT SLIDE

2:54:33
AND SO ON THIS ONE THERE THERE'S AN ACKNOWLEDGMENT OF
2:54:40
OPERATIONAL SORT OF LIKE NEED SO FOR FACILITIES YOU CAN'T JUST
2:54:45
ALLOW SOMEBODY TO BRING IN 10 PEOPLE AS VISITORS IN EVERY RESIDENT RIGHT
WE'RE GOING TO ACKNOWLEDGE THAT THERE HAS TO
2:54:50
BE SOME SORT OF LIMITATIONS THAT THAT FACILITIES CAN ENTERTAIN
2:54:57
BUT THAT THERE SHOULD STILL BE SOME ABILITY FOR RESIDENTS TO ACCESS
VISITORS
2:55:03
EVEN THOUGH THERE MIGHT BE LIMITATIONS IN PLACE AND THEN THE SECOND
PIECE OF THIS IS
2:55:09
THAT THERE SHOULD BE AN ACCOUNT OF YOU KNOW SOME SORT OF
2:55:15
SAFETY OR OPERATIONAL CONSIDERATIONS FOR A LIMITED PERIOD OF TIME SO IF A
2:55:21
FACILITY DUE TO SAY AN OUTBREAK THEY CAN LIMIT VISITATION BUT YOU SHOULD
ONLY HAVE A TIME LIMIT AND SAY 30 DAYS OR 45
2:55:28
DAYS THAT YOU CAN'T JUST EXTEND THAT INDEFINITELY AND RESTRICT
VISITATIONAL ALTOGETHER
2:55:34
AND THEN PRINCIPLE SEVEN ACTUALLY TAKES IT UP MAYBE AN ADDITIONAL LEVEL
WHICH IS
2:55:39
SAY THAT YOUR ESSENTIAL YOUR A SUPPORT PERSON CAN'T VISIT YOUR FACILITY
BECAUSE OF
2:55:45
LACK OF PPE OR TEMPORARILY CLOSURES BUT YOU DO WANT TO ALLOW
2:55:50
COMPASSIONATE CARE VISITS SO MAYBE THERE'S A SET ASIDE OR STOCKPILE OF
VACCINES OR PPE FOR PEOPLE
2:55:59
THAT ARE REQUIRED TO OR THAT WANT TO VISIT THEIR LOVED ONE DUE TO
COMPASSIONATE CARE
2:56:05
NEEDS SO THAT COULD BE SOMEBODY'S IN IN THE PROCESS OF PASSING AWAY YOU
WANT
2:56:10
THAT PERSON TO BE ABLE TO YOU KNOW BE WITH THEIR LOVED ONE THERE
SHOULD BE SOME HIGHER LEVEL OR SOME RESERVE THAT'S
2:56:17

GOING TO THAT PERSON THAT'S THE ABILITY TO DO THAT ALL RIGHT NEXT SLIDE
2:56:24
SO THOSE ARE THE PRINCIPLES AND LIKE I SAY I'D SAY AMONG ALL THESE
PRINCIPLES OF THE RECOMMENDATIONS THAT WE'RE
2:56:29
CURRENTLY WORKING ON THE REAL CHALLENGE IS THAT BALANCE BETWEEN
2:56:34
HEALTH SAFETY AND PROTECTION OF ONE'S PHYSICAL HEALTH DURING CRISIS AND
THE
2:56:42
NEED TO ALWAYS ENTERTAIN OR ALLOW SOME ACCESS TO VISITORS SO WHAT THE
WORK GROUPS CURRENTLY WRESTLING WITH IS WHAT
2:56:48
ARE THOSE MINIMUM STANDARDS IF YOU WERE TO SAY AT THE ONSET OF A
PANDEMIC YOU SHOULD ALLOW SOME LEVEL OF
2:56:55
VISITATION IS THAT ONE VISITOR FOR FIVE HOURS IS THAT A VISITOR FOR TWO
HOURS SO
2:57:02
YOU KNOW THAT'S SOMETHING THAT WE'RE WRESTLING WITH I THINK THERE'S
ANOTHER COMPONENT TO THIS THAT SAY AFTER 30 DAYS
2:57:08
A GROUP OF PUBLIC HEALTH RESIDENT ADVOCATES DIFFERENT STAKEHOLDERS
GET TOGETHER AND ESTABLISH STANDARDS
2:57:14
DEPENDING ON WHERE YOU ARE IN THAT CRISIS BUT WHAT DO YOU DO WHEN THE
INITIAL
2:57:19
CRISIS HITS AND WHAT KIND OF BENEFITS SO WE'VE GOT NEXT SLIDE ONE WORK
2:57:27
GROUP MEETING LEFT WE'RE GOING TO ATTEMPT TO FINALIZE RECOMMENDATIONS
IT FEELS REALLY RUSHED BUT WE ONLY HAVE SO
2:57:34
MUCH FUNDING FOR THIS PROJECT AND I THINK IT GETS TO THE POINT WHERE
EVERYBODY KIND OF LIKE SEES THEIR
2:57:40
POSITIONS AND YOU KIND OF KNOW WHERE EVERYBODY STANDS AND I THINK
WE'RE AT THE POINT OF JUST
2:57:45
HAVING PEOPLE VOTE ON RECOMMENDATIONS AND YOU KNOW TWEAK THE
LANGUAGE SO MANETT'S CERTAINLY IN THE PROCESS OF
2:57:51
SENDING OUT A SURVEY FOR FOLKS TO TAKE THEIR POSITIONS ON DIFFERENT
STANDARDS AND DIFFERENT RECOMMENDATIONS
2:57:57

AND THEN IN WORK GROUP FOUR IT'LL BE AN EXTENDED MEETING WHERE
CONTEMPLATING IT BEING AS LONG AS FOUR HOURS WE PLAN ON

2:58:03

JUST WRAPPING UP THE WORK GROUP ESTABLISHING SOME RECOMMENDATIONS
BUT

2:58:10

ALSO INCLUDING IN OUR REPORT AND SENTENCE VIEWS SO IF SOMEBODY HAS A
STRONG DISSENTING VIEW TO A RECOMMENDATION WE'LL ALSO INCLUDE THAT

2:58:16

TO THE IN THE REPORT FOR THE LEGISLATURE'S CONSIDERATIONS NEXT SLIDE

2:58:23

AND SO ALL THIS SO WE HAVE OUR FINAL MEETING ON AUGUST 22ND SO AT THE
END OF THIS MONTH

2:58:28

FROM 12 30 TO 5 SO YOU'RE ALL INVITED TO ATTEND AS MEMBERS OF THE PUBLIC
WE DO

2:58:33

HAVE AN EMAIL BOX SO IF ANYBODY WANTED TO SUBMIT COMMENTS OR
POSITIONS ON THE

2:58:39

WORK GROUP OR ON THE PROPOSED RECOMMENDATIONS YOU'RE FREE TO EMAIL
THAT LINK

2:58:45

AND THEN WE ALSO HAVE A WEBSITE ESTABLISHED THAT IT'S ALL THE MATERIALS
AND DOCUMENTS FOR OUR MEETINGS

2:58:50

AS WELL AS SUPPORTED MEETINGS SO YOU'RE WELCOME TO VIEW THOSE AS WELL

2:58:56

SO THAT IN A NUTSHELL IS WHAT WE'RE WORKING ON LONG-TERM CARE FACILITIES
WORK GROUP SO HAPPY TO ENTERTAIN YOUR

2:59:03

QUESTIONS YEAH I'M NOT SURE ABOUT A QUESTION I JUST WANT TO COMMEND
YOU FOR

2:59:08

TAKING THIS ISSUE UP I'M AN OWNER AND AN OPERATOR OF SEVEN MEMORY CARE
COMMUNITIES HERE IN

2:59:14

CALIFORNIA SO WE WERE KIND OF AT THE SPEAR POINT OF DEALING WITH YOU
KNOW FOUR DIFFERENT

2:59:20

HEALTH AGENCIES FIVE DIFFERENT STATE REGULATORY AGENCIES ONLY ONE OF
THEM WAS OUR POINT AGENCY

2:59:28

BUT THE THING THAT WAS MOST DISTURBING ON THE FRONT LINES WAS THAT
RESIDENT RIGHTS WERE JUST FORGOTTEN

2:59:33

EVERYBODY FORGOT ABOUT CONSENTS CONSENT FOR VACCINE CONSENT FOR TESTING
2:59:39
AND VISITATION RESIDENT RIGHTS TO HAVE A VISITOR AND A
2:59:45
CONSENT TO BE PUT AT REST IF THEY CHOSE TO DO THAT AND SO I THINK ALL THESE THINGS THAT YOU'RE TALKING ABOUT ARE
2:59:50
VERY VERY IMPORTANT SO THAT WE DON'T GO THROUGH THIS AGAIN RIGHT WE'VE BEEN DOING A LOT OF LESSONS THAT CAN BE TAKEN FORWARD
2:59:56
AND THAT EVEN THROUGH THE COURSE OF A PANDEMIC THINGS CHANGE AND THEY COULD BE MODIFIED AND WE NEED
3:00:03
TO BE ABLE TO DO IT BETTER THE NEXT SO THANK YOU APPRECIATE IT AND YOU I WANT TO THANK YOU MARK AS THE
3:00:12
REPRESENTATIVE FROM THIS COMMITTEE AND ALSO PREVIOUSLY ON THE OPERATOR OF SKILLED
3:00:18
NURSING TO ASSISTED LIVING AND ALSO A FAMILY MEMBER WHOSE MOM ACTUALLY
3:00:24
STAYED AT HOSPICE FOR THE LAST TWO WEEKS OF HER LIFETIME EVERYTHING IS IMPORTANT TO DEFINE THIS IN VERY
3:00:32
DETAILED SO THAT WE UNDERSTAND THAT AS NOT REALLY OPERATED WE HAVE A SOLO
3:00:38
CERTAIN PROTOCOL FAMILY MEMBERS OF RESIDENTS AND WHAT KIND OF RIGHTS DO WE HAVE AND I HAVE TO SAY DURING THE
3:00:46
LAST FEW MEETINGS I THINK THE COMMITTEE DID A VERY GOOD JOB BY HAVING
3:00:51
JULIETTE MULLIN WHO WAS FROM MANATT HEALTH AS THE FACILITATOR OF THE
3:00:57
DISCUSSION I THINK SHE WAS KIND OF AN AWESOME JOB IN THE SPACE WE LOOK FORWARD TO THE UPCOMING MEETING ON
3:01:03
AUGUST 22ND I THINK IF YOU JUST FINISHED ANOTHER SURVEY YEAH SO I BASICALLY COMMEND
3:01:11
AND TAKING ANOTHER STEP TO ALLOWED INCLUDES IN THE PROCESS HOOKED OUTSIDE THE MEETING WILL LAST
3:01:18

FOR FOUR HOURS BECAUSE WHO KNOWS RIGHT BECAUSE I UNDERSTAND PEOPLE DO HAVE THE CONCERNS AND RIGHT FOR YOURSELF NOT

3:01:25

ONLY OPERATORS BUT ALSO ASKED FAMILY MEMBERS AND RESIDENTS AND SO I APPRECIATE THE DEPARTMENT FOR TAKING

3:01:31

THIS VERY IMPORTANT STEP TO MAKE SURE THAT THINGS WILL ADJUST YEAH WE'RE HAPPY

3:01:36

TO DO IT I ALSO WANT TO GIVE A QUICK SHOUT OUT TO MY COLEAD LEAD ON THE WORK GROUP BRANDIE DEVALL IS ONE OF THE

3:01:43

ATTORNEYS OF THE DEPARTMENT AND SHE'S DONE SUCH A BRILLIANT JOB AND HELPING TO FACILITATE AND ORGANIZE ALL OF THIS SO

3:01:49

THANK YOU AND BRANDIE IF YOU HAVE ANY COMMENTS YOU'D LIKE TO MAKE FEEL FREE TO DO SO

3:01:56

BUT I WOULD JUST SAY THAT WE'VE REALLY APPRECIATED THE DISCUSSION AND IT'S BEEN

3:02:02

GREAT TO HEAR FROM FAMILIES AND THE RESIDENT THAT WE HAVE ON THE WORK GROUP

3:02:08

BUT ALSO FROM THE FACILITIES AND FROM PUBLIC HEALTH AND ADVOCATES SO I

3:02:17

PERSONALLY HAVE APPRECIATED HEARING FROM ALL SIDES AND JUST HOW RESPECTFUL AND

3:02:22

INFORMATIVE THE CONVERSATIONS HAVE BEEN

3:02:29

YES SO WHAT'S THE VISION FOR THESE

3:02:35

RECOMMENDATIONS ONCE THEY'RE DONE IS THIS GOING TO BE GUIDANCE OR IS THERE SOME PATH FOR THESE RECOMMENDATIONS

3:02:43

TO BE BINDING WHAT'S THE WHAT DOES IT LOOK LIKE RIGHT SO YEAH AS

3:02:49

I MENTIONED THIS WAS STRUCTURED BY THE LEGISLATURE AND I THINK THE LEGISLATURE'S INTENT IN

3:02:56

CONVENING THIS WORK GROUP IS REALLY TO GET ALL THE PERSPECTIVES ON THE TABLE I THINK WHEN THE ORIGINAL BILL WAS INTRODUCED THERE WAS CONCERNS FROM

3:03:03

VARIOUS YOU KNOW FACTETS YOU KNOW VARIOUS SECTORS SUCH AS FACILITIES
OR FROM

3:03:09

PUBLIC HEALTH AND THEY DIDN'T REALLY FEEL LIKE THEY WERE ABLE TO HAVE
LIKE MEANINGFUL ENGAGED DIALOGUE AND IT FELT

3:03:15

A LITTLE RUSHED WHEN THEY WERE WORKING TO GO THROUGH SO I THINK THE
HOPE WAS THROUGH THIS WORK GROUP THAT EVERYBODY KIND OF GETS THEIR
VIEWS AND POSITIONS

3:03:23

ON THE TABLE AND WORKS TO NEGOTIATE SOMETHING THAT'S ACCEPTABLE TO
ALL THESE DIFFERENT SECTORS AND THEN I THINK IT'S

3:03:29

I HOPE THE LEGISLATURE ONCE THEY RECEIVE OUR RECOMMENDATIONS THAT
THEY CAN CUT THESE INTO A BILL AND PUT FORWARD SOME

3:03:35

SORT OF ESSENTIAL CAREGIVERS LAW I WOULD IMAGINE THAT THAT WOULD MAKE
SENSE

3:03:41

TO ME CAN I SAY TOO THAT THESE ISSUES ARE ALSO APPLICABLE TO THE
HOSPITAL

3:03:46

SETTING SO I HAVE ALL KINDS OF STORIES OF CAREGIVERS WHO WERE NOT
ALLOWED INTO THE

3:03:53

HOSPITAL WITH THEIR LOVED ONE WHO'S GONE INTO ER WHO HAS I MEAN YEAH
AND I REALIZE THE HOSPITAL SETTING IS THAT'S A

3:04:00

WHOLE OTHER ANIMAL AND IT'S NOT IN THE PURVIEW OF THIS WORK GROUP BUT

3:04:07

THERE'S WORK THAT NEEDS TO BE DONE IN THAT SPACE TOO YEAH AND THERE
COULD BE GOOD WORK LESSONS LEARNED

3:04:13

TAKE AWAYS FROM THIS WORK GROUP THAT COULD APPLY TO HOSPITALS BUT
YEAH CAN I ADD TO THAT SO YES I WAS

3:04:21

DEFINITELY GOING TO ASK ABOUT THE HOSPITAL I LOST MY SISTER LAST YEAR AND
SHE WAS ACTUALLY A NURSE EVALUATOR

3:04:28

AND SHE WAS ONE OF THE BEST OUT THERE AND WE WERE DENIED ACCESS

3:04:37

WE TRIED TO BE THERE AS MUCH AS WE COULD BUT AT NIGHT WE COULDN'T BE
THERE UNTIL

3:04:43

THEY CHANGED HER STATUS SO

3:04:48

WE HEARD SO MANY OF THOSE KIND OF STORIES DURING THE SUPPORT GROUP MEETINGS

3:04:53

REALLY HEARTBREAKING THAT WE WERE NOT TO BE SEPARATED FROM THEIR FAMILIES FAMILY MEMBERS PASSING

3:05:00

I WOULD LIKE TO ADD A DIFFERENT STORY TO MY EXPERIENCE YOU KNOW

3:05:08

IN THE HOSPITAL WITH THIS DURING THE LAST TWO DAYS OF

3:05:13

THE LIFE OF MY YOUNGER DAUGHTER WHO PASSED AWAY SUDDENLY IN SEPTEMBER WE RECEIVED SO MUCH

3:05:19

SENSITIVITY AND CARE FROM THE HOSPITAL IN THE PENINSULA

3:05:25

SO WE WERE ALLOWED ACTUALLY TO STAY FOR AS LONG AS WE WANT AND AT ANY ONE

3:05:31

TIME THEY ALLOWED UP TO SIX PEOPLE GOING INTO THE ICU UNIT TO SPEND AS MUCH TIME

3:05:37

WITH US AND WITHOUT EVEN KNOW SO I THINK IT'S REALLY DEPENDENT ON YOU KNOW

3:05:43

GETTING AN OPERATOR IN THE HOSPITAL BUT I ALSO AGREE THAT WE NEED TO HAVE A

3:05:49

GENERAL KIND OF PROTOCOL SO THAT NOT JUST ONE HOSPITAL IS DOING ALL THE

3:05:54

HOSPITALS ARE HAVING THAT KIND OF COMPASSION HAVING THAT KIND OF

SENSITIVE BECAUSE IT MEANS SO MUCH TO A FAMILY

3:06:01

MEMBERS THAT WE ARE ALLOWED TO STAY THERE AS LONG AS WE WANT

3:06:06

YEAH I MEAN I THINK THAT'S IT'S CREATING STANDARDS SO THAT FACILITY IS NOT LEFT

3:06:12

GUESSING BECAUSE YOU KNOW THEY MIGHT THINK THEY'RE DOING THE RIGHT THINGS EXACTLY THE HEALTH FROM INFECTION YOU

3:06:18

KNOW IT'S GETTING THAT BALANCE AND I THINK IT'S REALLY UP TO A GREATER BODY TO DO THAT

3:06:26

ANY OTHER COME IN SO FEEDBACK FROM THE COMMUNITY MEMBERS

3:06:33

MANY COMMITTEE MEMBERS WHO ARE JOINING US VIA ZOOM IF YOU WOULD LIKE
TO
3:06:39
MAKE ANY COMMENTS PLEASE DO SO
3:06:46
ALL RIGHT HEARING NONE OF LIKE TO THANK MARK AND ALSO BRANDIE FOR
JOINING US TODAY AGAIN WE LOOK FORWARD
3:06:53
TO PARTICIPATING UH IN THE NEXT FINAL MEETING ON AUGUST 22ND RIGHT
3:07:03
WELL I THINK WE REALLY ARE AHEAD OF OUR TIME BECAUSE IT'S ONLY LIKE
3:07:09
134 AND NOW WE ARE GOING TO FINALIZE OUR
3:07:14
RECOMMENDATIONS AND ITEMS TO SECRETARY GHALY SO THAT HE WILL HELP
3:07:20
US KIND OF MOVE FORWARD WITH SOME OF OUR SUGGESTIONS WHEN CATHERINE
WAS STILL
3:07:26
HERE AFTER OUR DISCUSSION OF ALL THE EFFORTS WE HAVE DONE IN THE SPACE
OF
3:07:33
RAISE AND ALSO NAPA AND WHAT'S GOING TO HAPPEN IS VERY SELF THE
OPPORTUNITIES SHE BROUGHT UP SOME VERY IMPORTANT
3:07:40
ISSUES AND I JUST WANT TO REITERATE WHAT THEY ARE FIRST AND FOREMOST IS
TO
3:07:45
REALLY BRING MORE AWARENESS AND EDUCATION IN THE SPACE OF DEMENTIA
WHETHER IT'S ALZHEIMER'S ARE ALL GOING
3:07:51
TO BE WITH THE DEMENTIA AND I THINK IT'S VERY IMPORTANT IS ALSO RELATED TO
ADDRESSING THE ISSUES OF STIGMATIZING
3:07:58
SOMEONE DIAGNOSED WITH ALZHEIMER'S DISEASE TREATMENT RELATED
DEMENTIA THIS ALSO CROSSED INTO INDIVIDUAL HEALTH
3:08:05
BECAUSE THAT MENTAL HEALTH DOES HAVE A BIG STIGMA AND NOT A LOT OF
PEOPLE WANT
3:08:10
TO TALK ABOUT THAT SO I CAN SPEAK FOR SOME OTHER COMMUNITIES BUT IN THE
CHINESE COMMUNITY THIS IS A BIG TABOO TO
3:08:17
TALK ABOUT SACRAMENTO COUNTY HAS DONE AN EXCELLENT JOB IN THE SPACE
OF TRANSLATING THE
3:08:25

MATERIALS INTO CHINESE SO THAT THE CHINESE COMMUNITY CAN UNDERSTAND WHAT

3:08:31

DOES IT TAKE FOR THEM TO ADDRESS ISSUES LIKE DEMENTIA OR SOME OTHER BEHAVIORAL HEALTH PROBLEMS SO I THINK THIS IS NOT

3:08:39

ONLY IMPORTANT BUT ALSO I THINK I'LL BE HAPPY FOR THE WHOLE STATE TO LOOK AT THAT AS

3:08:46

WELL CATHERINE ALSO MENTIONED THAT CMS HAS A NEW GRANT OPPORTUNITY AND THAT

3:08:51

SHE HAS SENT US SOME INFORMATION I WANT TO MENTION TWO OF YOU RIGHT NOW IS CALLED GUIDING AND IMPROVED DEMENTIA

3:08:59

EXPERIENCE MODEL IN THE SHORTEST GUIDE AND SO A FEW DAYS AGO ON JULY 31ST

3:09:05

CMS ANNOUNCED A NEW VOLUNTARY NATIONAL MODEL REGARDING AND IMPROVED DEMENTIA

3:09:11

EXPERIENCE MODEL PUSHES AND MODELS TEST THAT AIMS TO SUPPORT PEOPLE LIVING WITH

3:09:16

DEMENTIA AND THEIR UNPAID CAREGIVERS AND CMS IS ACCEPTING LETTERS OF INTEREST FOR

3:09:23

A GUIDE MODEL THROUGH SEPTEMBER 15TH SO WE STILL GOT TIME A LITTLE BIT LESS THAN A MONTH AND A HALF AND WE'LL RELEASE A

3:09:31

REQUEST FOR APPLICATIONS FOR THE MODEL THIS COMING FALL AND THE MODEL WILL LAUNCHED NEXT YEAR IN JULY 2024 AND

3:09:39

GUESS WHAT IT'S GOING TO RUN FOR EIGHT YEARS SO THIS IS REALLY EXCITING AND THE

3:09:46

MODEL AIMS TO ADDRESS THE FOLLOWING ISSUES SOMEONE IS DEFINING A STANDARDIZED APPROACH TO DEMENTIA CARE

3:09:53

DELIVERY FOR MODEL PARTICIPANTS NUMBER TWO IS PROVIDING AN ALTERNATIVE

3:09:58

PAYMENT METHODOLOGY TO MODEL PARTICIPANTS NUMBER THREE IS ADDRESSING UNPAID

3:10:04

CAREGIVER NEEDS NUMBER 4 IS TO PROVIDE RESPITE SERVICES WHETHER IT IS IN THEIR OWN

3:10:10
OWN HOME FOR INDIVIDUAL WITH DEMENTIA FOR THE CAREGIVERS IN AN ADULT
DAY CENTER

3:10:16
OF A FACILITY THAT CAN PROVIDE 24-HOUR CARE FOR THE PURPOSE OF GIVING
THEM CAREGIVER TEMPORARY BREAKS FROM THEIR

3:10:24
CAREGIVING RESPONSIBILITIES AND LAST BUT NOT LEAST IS SCREENING FOR
HEALTH CREATED SOCIAL NEEDS SO AGAIN THIS IS A

3:10:32
VERY EXCITING I THINK WE ARE IN THE RIGHT DIRECTION I REALLY WANT TO THANK
YOU KNOW CMS FOR GIVING US THIS

3:10:38
WONDERFUL OPPORTUNITY ANOTHER ITEM THAT WOULD LIKE TO FORWARD TO THE
SECRETARY FOR HIS

3:10:46
ATTENTION IS NEED TO GET ENOUGH DATA TO HAVE A PILOT PROGRAM TO
IDENTIFY

3:10:52
OTHER WAYS OF PROVIDING SERVICES FOR THOSE WHO ARE UNHOUSED AND SO I
THINK SOME

3:10:57
CITIES ARE DOING THAT YOU KNOW BUT BY NO MEANS ARE THEY SOLVING THE
PROBLEM RIGHT NOW SO THE QUESTION WILL BE HOW

3:11:04
MANY HOMELESS PEOPLE ACTUALLY HAVE DEMENTIA AND HOW ARE WE GOING TO
PROVIDE ASSISTANCE TO THEM SERVICES TO THEM

3:11:12
IF THEY ARE NOT HAVING A PROGRAM SO THIS IS IMPORTANT SECRETARY WILL
TAKE THIS

3:11:18
SITUATION AND THEN WE ALSO WANT TO LOOK AT THE NATIONAL INDICATOR HOW
TO CONNECT THE

3:11:26
RAISE STRATEGY WITH THE OUTCOME ISSUES THAT WE HAVE DISCUSSED DURING
THIS

3:11:32
MORNING SO THOSE ARE THE FIVE AND ALSO I THINK WE MENTIONED ABOUT AB387
CAN THE SECRETARY DO SOMETHING

3:11:41
ABOUT HAVING LIKE THE MIDDLE GROUND SO THAT WE CAN REALLY HAVE THIS
LEGISLATIVE PROPOSAL PASS

3:11:48
WITHIN THIS SEASON AND THAT WILL BE ADVANTAGEOUS TO OUR MEMBERSHIP
ALSO

3:11:54

HELP US TO CONTINUE TO OFFER THE MANNER THAT WE WILL HAVE THE NECESSARY

3:11:59

MEMBERSHIP REPRESENTING OF A LOT OF DIFFERENT CATEGORIES SO THOSE WERE THE SIX I

3:12:07

CAPTURE I'M NOT SURE IF COMMITTEE MEMBERS HAVE ANY MORE SUGGESTIONS ROBERT PLEASE I WONDER IF

3:12:16

IF WE COULD CONSIDER INCLUDING THE WANDERING ISSUE THAT THAT'S SOMETHING WE WOULD LIKE THE SECRETARY TO MAKE SURE

3:12:22

HE'S AWARE OF AND WEIGH IN ON HOW THE STATE MIGHT GO ABOUT

3:12:27

ADDRESSING THE ISSUE AND HELPING COUNTIES RESPOND

3:12:34

YEAH I WOULD I WOULD AGREE WITH THAT TOO IT'S SOMETHING YOU KNOW I'VE TRIED TO PROMOTE FOR THE LAST 10 YEARS WANDERING

3:12:40

IS ONE OF THOSE THINGS THAT THERE'S NO PREDICTION OF WANDERING AND SO FAMILIES A LOT OF TIMES WHO

3:12:45

ARE DEEPLY IN DENIAL UNAWARE YOU KNOW UNKNOWINGLY SET

3:12:52

OF SITUATIONS WHERE WANDERING HAPPENS AND WHEN IT HAPPENS THEN YOU KNOW IF THERE'S NOT A SYSTEM IN

3:12:59

PLACE FOR FINDING THAT PERSON WITHIN THE FIRST 24 HOURS THE OUTCOMES ARE NOT GOOD SO IT'S KIND OF AN UNDERLYING RISK I

3:13:06

THINK THAT UNLESS THEY GET SWEEPED UNDER THE TABLE BUT IT'S REALLY NOT BEEN ADDRESSED

3:13:13

I THINK THERE NEEDS TO BE AN AWARENESS CAMPAIGN ABOUT WANDERING HOW DANGEROUS IT IS BUT ALSO WHAT THE NEED IS TO

3:13:18

COMMUNICATE AMONG AGENCIES BECAUSE THOSE FIRST TWO OR THREE HOURS OF THE MOST CRITICAL

3:13:24

AND IT'S RIGHT NOW JUST HOPES AND PRAYERS AND THAT'S NOT GOOD ENOUGH TO SOLVE A

3:13:31

WANDERING ISSUE SO I THINK IT REALLY DOES NEED TO RISE TO THE NEXT TIME I THINK IT'S AN EQUITY ISSUE TOO BECAUSE

3:13:37

OFTEN IT'S LAW ENFORCEMENT THAT RESPONDS AND SO IF YOU'RE FROM A
COMMUNITY THAT
3:13:42
HAS SOME OF THE CHALLENGING RELATIONSHIPS WITH LAW ENFORCEMENT LIKE
HOW ARE THEY I WE HAVE STORIES FROM LA
3:13:48
WHERE I THINK COLOR OF THEIR SKIN HAD BEEN DIFFERENT IT MIGHT HAVE BEEN
HANDLED DIFFERENTLY
3:13:54
SO I MEAN COUNTIES NEED GUIDANCE IN THIS AREA CITIES NEEDS
3:14:00
GUIDANCE SO YEAH I THINK THAT'S A VERY GREAT RECOMMENDATION
3:14:06
YOU KNOW IT'S A VERY TIMELY RIGHT NOW BECAUSE WE HAVE ALL HEARD STORIES
ABOUT HOW THAT CAN TURN INTO VERY
3:14:13
TRAGIC INSTITUTION SO APPRECIATE LOOKING THIS UP
3:14:18
ANYONE ELSE FROM THE COMMITTEE BEFORE WE TURN TO THE PUBLIC
3:14:25
YOU JUST WANTED TO GET CLARIFICATION SO THE RECORD THE OPPORTUNITIES
THAT WERE PRESENTED IN THIS MORNING'S PRESENTATION
3:14:31
DO YOU WANT THOSE INCLUDED IN THERE AS WELL IN SECRETARY YES PLEASE
3:14:39
COULD BE A LONG LETTER
3:14:50
ANYONE ELSE FROM THOSE WHO ARE STANDING IN PERSON
3:14:56
WHAT ABOUT FROM THE THOSE WHO ARE JOINING US THROUGH ZOOM IN THE
RECOMMENDATIONS YOU LIKE TO BRING TO THE
3:15:04
ATTENTION OF THIS SECRETARY AND DARRICK I'M JUST WONDERING IS THERE IT
3:15:10
IS GOING TO BE A LONG LETTER AND I'M JUST WONDERING DID THE COMMITTEE
3:15:15
DID THE COMMITTEE HAVE A PRIORITY LIST THAT IT COULD POINT TO ON THOSE
3:15:21
OPPORTUNITIES THERE'S SO MANY OF THEM THAT YOU CAN SORT OF GET LOST IF
YOU
3:15:27
HAVE TO READ THROUGH THEM ALL SO THE IS THERE A CHANCE TO PRIORITIZE
SOME OF THEM DID THE COMMITTEE CONSIDER THAT
3:15:32
POSSIBILITY I THINK YOU CAN ALWAYS LOOK AT HOW TO
3:15:39

PRIORITIZE THAT WHAT I RECOMMEND IS FOR MICHELLE TO PUT TOGETHER THIS
LAUNDRY LIST AND YOU CAN SEND OUT YOU
3:15:47
KNOW PURCHASE REVIEW AND DO SOME RECOMMENDATIONS BUT IT SEEMS TO ME
THAT
3:15:55
YOU KNOW BASICALLY EDUCATIONAL AWARENESS IS REALLY ON THE TOP OF THE
3:16:00
PRIORITY LIST AND ALSO TO DESTIGMATIZE
3:16:06
I YIELD TO THE FULL COMMITTEE FOR INPUT AND IF THERE'S ANYTHING INTO
PROCESS BY
3:16:11
HAVING MICHELLE PUT TOGETHER THE DRAFT LETTER FIRST AND THEN WE HAVE A
CHANCE TO REVIEW AND MAKE SUGGESTIONS
3:16:17
HOW ABOUT THAT SOUNDS GOOD GREAT THANK YOU ALL RIGHT I THINK WE
3:16:23
HAVE A CONSENSUS ANYONE ELSE FROM THE ZOOM WOULD LIKE TO
3:16:29
MAKE SOME SUGGESTIONS BEFORE WE TURN TO THE PUBLIC FOR COMMENTS
3:16:36
RIGHT DURING THAT SO MICHELLE I THINK WE CAN OPEN UP THE LINES FOR THE
3:16:42
PUBLIC TO VOICE THEIR CONCERNS BASICALLY THEY
3:16:47
CAN BE COMMENTS YEAH SO CARROLL DO YOU WANT TO DO THE PUBLIC
3:16:53
COMMENT ANNOUNCEMENT HELLO THIS IS OUR SECOND PUBLIC COMMENT
OPPORTUNITY
3:17:00
AGAIN ARE THERE ANY INDIVIDUALS IN THE ROOM
3:17:05
THAT ARE FROM THE PUBLIC THAT WISH TO MAKE A COMMENT MICHELLE IF YOU
COULD CALL ON
3:17:13
I DO NOT SEE ANY AT THIS TIME THANK YOU ANY OF OUR ATTENDEES VIA ZOOM IF
3:17:22
YOU HAVE A COMMENT TO MAKE TO THE COMMITTEE YOU MAY USE YOUR RAISED
HAND FUNCTION ON ZOOM
3:17:29
OR IF YOU ARE ATTENDING BY PHONE PRESS STAR NINE ON YOUR DIAL PAD AND WE
3:17:36
WILL UNMUTE YOUR LINE AND OF COURSE IF YOU WOULD LIKE TO SUBMIT WRITTEN
3:17:41
COMMENTS YOU MAY DO SO IN THE Q A

3:17:48
THANK YOU
3:17:55
WE HAVE ONE COMMENT FROM PRISCILLA NICHOLS
3:18:01
I BELIEVE YOU CAN GO AHEAD IF YOU CAN UNMUTE YOURSELF
3:18:08
YOU CAN GO AHEAD I SEE THAT YOU'RE UNMUTED
3:18:23
PRISCILLA I SEE YOU'RE UNMUTED NOT SURE WHAT THE PROBLEM MIGHT BE
3:18:37
SO WE DO HAVE A PUBLIC PRISCILLA HAS RAISED HER HAND HER LINE IS UNMUTED
BUT
3:18:43
WE DON'T SEEM TO BE ABLE TO HEAR HER SO I'M NOT SURE PRISCILLA IF YOU'D LIKE
TO TYPE IT INTO THE Q A MAYBE THAT MIGHT BE
3:18:50
HELPFUL
3:19:03
I DON'T SEE ANY MOVEMENT BY PRISCILLA'S I'M UNSURE WHAT THE PROBLEM
MIGHT
3:19:08
3:19:16
NO OTHER NO OTHER
3:19:21
PUBLIC COMMENTS AT THE TIME NOBODY ELSE HAS THEIR HAND UP
3:19:31
HEY THANK YOU CARROLL AND PRISCILLA YOU STILL WANT TO
3:19:36
BRING SOME COMMENTS TO ATTENTION OF THE DEPARTMENTS I THINK THERE
MIGHT BE
3:19:43
ANOTHER WAY TO DO SO RIGHT PRISCILLA JUST PUT IN THE CHAT SHE SAID SHE
JUST WANTED TO THANK YOU ALL FOR ALL THE WORK
3:19:49
THAT YOU'RE DOING SO THANK YOU PRISCILLA FOR THOSE KIND WORDS THANK
YOU PRISCILLA
3:19:57
CARROLL DO WE HAVE ANYONE ELSE WHO WOULD LIKE TO PROVIDE COMMENTS
3:20:04
ON THE PUBLIC WE HAVE NO ONE ELSE THANK YOU SO MUCH CARROLL
3:20:11
AS A CLOSING REMARKS IF A FEW THINGS I LIKE TO BRING TO ATTENTION FOR
3:20:18
THE COMMITTEE NUMBER ONE IS DO WE HAVE ANY VOLUNTEERS WHO LIKE TO
HELP US PUT TOGETHER A SESSION

3:20:25
ON CAREGIVER HEALTH FOR OUR NEXT MEETING IN NOVEMBER

3:20:35
I WOULD I WOULD FOR BUT I'M GONNA BE ON LEAVE YOU WHAT DO YOU MEAN
CAREGIVER HELPED YEAH SO

3:20:41
MICHELLE CAN YOU DEFINE SURE SO SOME THINGS THAT HAVE COME UP AROUND
CAREGIVER ISSUES SINCE NOVEMBER IS

3:20:47
ALZHEIMER'S DISEASE AWARENESS MONTH AND FAMILY CAREGIVER MONTH AND
FOLKS HAD REQUESTED THAT WE DO SOMETHING AROUND

3:20:54
KIND OF CAREGIVER BEHAVIORAL HEALTH AND SELF-CARE THE ISSUES CAREGIVERS
FACE AND

3:21:00
WE'RE GOING TO PULL IN THE NEW VRFS CAREGIVER DATA SO WE'LL BE SHARING
THAT

3:21:05
AND THEN ALSO LOOKING AT KIND OF THE ISSUES AROUND EQUITY AND

3:21:11
CAREGIVER HEALTH AND SUPPORTS SO THAT'S KIND OF THE HIGH LEVEL

3:21:16
FRAME SO AND I JUST WANT TO THROW OUT THERE TOO THE LAST COUPLE OF THE
PEOPLE WHO PUT THOSE TOGETHER HAVE ALSO PRESENTED

3:21:24
SOMETIMES SO LIKE WITH THE ONE ON INTELLECTUAL AND DEVELOPMENTAL
DISABILITIES AND ALZHEIMER'S WE HAD SOME

3:21:29
COMMITTEE MEMBERS PRESENTING BUT WE ALSO BROUGHT IN SOME OTHER
PRESENTERS SO IT DOESN'T NECESSARILY MEAN YOU'RE

3:21:35
COMMITTED TO DOING THE PRESENTATION BUT IT MEANS YOU'RE COMMITTED TO
HELPING US FIGURE OUT LIKE WHAT TOPIC SHOULD BE COVERED AND THE BEST
PEOPLE TO

3:21:41
PRESENT AND IF IT HAPPENS TO YOU ALL THAT'S ALSO PERFECTLY FINE I MEAN I'M
HAPPY TO BE PART OF THE

3:21:47
CONVERSATIONS I'M DEFINITELY NOT THE PERSON TO PRESENT ON THAT BUT YEAH

3:21:54
GREAT SO BARBRA HAS VOLUNTEERED THANK YOU BARBRA AND OTHER FOLKS CAN
PUT IN THE CHAT IF

3:22:00
YOU'RE INTERESTED AND THEN I WILL SEND IT OUT TO THE FULL COMMITTEE TOO
AFTERWARDS TO GET MORE FOLKS TOO

3:22:08

I'LL BE PART OF THE CONVERSATION THANK YOU CELINE THANK YOU [LAUGHTER]

3:22:15

APPRECIATE THAT AND PLEASE LET MICHELLE KNOW IF YOU WOULD LIKE TO COVER AS WELL SECOND IS

3:22:24

WE ALL HOPE THAT AB 387 WOULD PASS SOON RIGHT AND SO THE NEXT

3:22:31

QUESTION IS DO WE HAVE ANY VOLUNTEERS WHO WOULD LIKE TO HELP DRAFT CHANGES TO THE BYLAWS IF THIS LEGISLATION PASSES

3:22:39

ANY VOLUNTEERS HAAAAHA I MEAN I CAN BE A PART OF ANY

3:22:46

PROCESS I'LL BE ON LEAVE IN OCTOBER BUT IF I MEAN I WOULD LOVE IT IF WE'RE AT THAT STAGE AND HAPPY TO HELP

3:22:52

HOWEVER I CAN THAT'S GREAT THANK YOU ANY OTHER VOLUNTEERS

3:23:04

STARING AT YOU WHAT IF YOU'RE JUST A BOX

3:23:10

I MEAN I'M HAPPY TO LOOK AT THAT RIGHT DO YOU HAVE ANYONE SO SALLY VOLUNTEERS

3:23:17

YES YOU DON'T EVEN NEED ME I'M GUESSING

3:23:23

CATHERINE MAY HAVE INTEREST IN BYLAWS AND JUST SO YOU KNOW DR MOBLEY DID ALSO

3:23:30

OFFERED HELP WITH THE CAREGIVER HEALTH

3:23:37

WE HAVE THE EXPERIENCE IMPOSSIBLE STARES ARE ALWAYS FUN

3:23:43

AND THAT NEXT ONE IS WE ALL KNOW THAT PAM HAS TO STEP DOWN FROM A LONG

3:23:51

PERIOD AND SO WE DO HAVE AN OPENING AND

3:23:57

ACTUALLY A POST ON OUR WEBSITE FOR SOMEONE LIVING WITH A COGNITIVE IMPAIRMENT SO PLEASE ENCOURAGE ANYONE

3:24:05

TO LET OTHERS KNOW AND THE APPLICATION IS ON THE WEBSITE

3:24:11

ANYTHING ELSE THAT YOU'D LIKE TO ADD TO THE DISCUSSION BEFORE WE ADJOURN OUR

3:24:18

MEETING ALL RIGHT ONCE AGAIN THANK YOU SO MUCH TO CDA FOR HOSTING THE MEETING

3:24:23

TODAY IT MAKES A DIFFERENCE FOR US WHO ARE HERE TODAY TO ATTEND IN PERSON ALSO THANK YOU TO THOSE WHO ARE JOINING US

3:24:30

VIA ZOOM THANKS TO MICHELLE AGAIN FOR REALLY WORKING HARD TO

3:24:36

HELP THE PRESENT THIS TO PUT TOGETHER THE PRESENTATION

3:24:41

THANK YOU THANK YOU HAVE A MOTION TO ADJOURN THE MEETING

3:24:53

PLEASE

3:25:06

THANKS EVERYBODY
